HINES BLACK

Pornland Chronicle Books

In the vein of *Running with Scissors*, *Playground* is the glitzy, glamorous, and surreal true story of a young girl who grew up inside the Playboy Mansion and never learned where the party stopped and the real world began. You are six years old. Every day after school your father takes you to a sprawling castle filled with exotic animals, bowls of candy, and half-naked women catering to your every need. You have your own room. You have new friends. You have an uncle Hef who's always there for you. Welcome to the world of *Playground*, the true story Jennifer Saginor who grew up inside the Playboy Mansion. By the time she

was fourteen, she'd done countless drugs, had a secret affair with Hef's girlfriend, and was already losing her grip on reality. Schoolwork, family, and "ordinary people" had no meaning behind the iron gates of the Mansion, where celebrities frolicked, pool parties abounded, and her own father—Hugh Hefner's personal physician and best friend, the man nicknamed "Dr. Feel Good"—typically held court. Every day was a party, every night was an adventure, and through it all was a young girl falling faster and faster down the rabbit hole—trying desperately hard not to get lost.

Can You Feel Anything when I Do This?

Princeton University Press
#1 NEW YORK TIMES

BESTSELLER More than ONE MILLION copies sold
A TODAY Show Read with Jenna Book Club Pick
A New York Times Notable Book, and Chosen by Oprah Daily, Time, NPR, The Washington Post, Bill Gates and Barack Obama as a Best Book of the Year
"Wise and wildly entertaining . . . permeated with light, wit, youth." —The New York Times Book Review
"A classic that we will read for years to come."
—Jenna Bush Hager, Read with Jenna book club
"Fantastic. Set in 1954, Towles uses the story of two brothers to show that our personal journeys are never as linear or predictable as we might hope." —Bill Gates
"A real joyride . . . elegantly constructed and compulsively readable."

—NPR The bestselling author of *A Gentleman in Moscow* and *Rules of Civility* and master of absorbing, sophisticated fiction returns with a stylish and propulsive novel set in 1950s America. In June, 1954, eighteen-year-old Emmett Watson is driven home to Nebraska by the warden of the juvenile work farm where he has just served fifteen months for involuntary manslaughter. His mother long gone, his father recently deceased, and the family farm foreclosed upon by the bank, Emmett's intention is to pick up his eight-year-old brother, Billy, and head to California where they can start their lives anew. But when the warden drives away, Emmett discovers that two friends from the work farm have hidden themselves in the trunk of the warden's car. Together, they have hatched an altogether different plan for Emmett's future, one that will take them all on a fateful journey in the opposite direction—to the City of New York. Spanning just ten days and told from multiple points of view, Towles's third novel will satisfy fans of his multi-layered literary styling while

providing them an array of new and richly imagined settings, characters, and themes. "Once again, I was wowed by Towles's writing—especially because *The Lincoln Highway* is so different from *A Gentleman in Moscow* in terms of setting, plot, and themes. Towles is not a one-trick pony. Like all the best storytellers, he has range. He takes inspiration from famous hero's journeys, including *The Iliad*, *The Odyssey*, *Hamlet*, *Huckleberry Finn*, and *Of Mice and Men*. He seems to be saying that our personal journeys are never as linear or predictable as an interstate highway. But, he suggests, when something (or someone) tries to steer us off course, it is possible to take the wheel." – Bill Gates

The playboy and James Bond Aurum Press
Step inside the Playboy Mansion, where the sexy stars of E!'s hit reality show *The Girls Next Door* are giving readers full access to the action you don't see on TV.... Hugh Hefner's girlfriends -- Holly Madison, Bridget Marquardt, and Kendra Wilkinson -- have become superstars in their own

right, thanks to their hit reality show on E!, in which all three gorgeous ladies share their glamorous lives with the cameras. But what crazy antics and juicy details didn't make the cut? This exclusive, behind-the-scenes companion to the show features never-before-seen photos, all new commentary, and three unique perspectives on life in the Playboy Mansion. Want to look, act, or throw a party just like a *Girl Next Door*? Let Holly, Bridget, and Kendra show you how. In addition to sharing the secrets of their sexy style, the *Girls* talk candidly about their childhoods, their daily lives (including Hef's famous bashes), and their relationships with the ultimate Playboy himself...not to mention each other. In episode guides to all four seasons, the *Girls* share their take on what really happened each week, while interviews with the Mansion's memorable staff members reveal how they see the *Girls* and themselves. And Hef himself shares new insights and fond memories about his life with the *Girls*. Being blonde and beautiful in the most famous bachelor pad in the world isn't as

easy as it looks, but Holly, Bridget, and Kendra are having the time of their lives. Sharing stories from their favorite travel destinations, recipes from the Playboy kitchen, treasured photos, and much more, this insider's guide is a unique look at life with The Girls Next Door.

Playboy: The Complete Centerfolds, 1953-2016

Simon and Schuster

"SuicideGirls" explores the SuicideGirl phenomenon from their start in 2001 to their Web sites that attract more than one million visitors per week. This title shines a light on a new female aesthetic--a look reminiscent of vintage Betty Page and Bunny Yeager, but with a decisively 21st-century edge.

Hugh Hefner's Playboy
A&C Black

Littermate Taffy Lovely is back ("I like my boars hot and my beer cold") in this parody of Playboy. Full-color throughout.

The Anatomical Basis of Medical Practice

Simon and Schuster

Following the remarkable success of the 50th year anniversary edition, we're pleased to present Playboy: Centerfolds, 60th Anniversary Edition. The content remains the same—every Centerfold

from every issue. That's over 600 beauties with additional Centerfolds through the present to make this Playboy's most complete photographic volume to date. Hefner introduces the book and literary luminaries including Paul Theroux, Jay McInerney, and Daphne Merkin comment on the social mores and cultural climate of each decade. This chronological collection provides an unparalleled view of our evolving appreciation of the female form: from the fifties fantasy of voluptuous blondes to the tawny beach girls of the seventies to the groomed and toned women of today. Playboy: Centerfolds, 60th Anniversary Edition is a breathtaking tour de force.

50 Ways to Eat Cock

Taschen America LLC

"Doug Sneyd's scintillating cartoons have graced the pages of Playboy magazine since the early 1960s. This collection features nearly three hundred of the most sumptuous, striking, and hilarious of Doug's full-page, full-color cartoons. Readers will be charmed by the gorgeous, scantily (and even non-) clad 'Sneyd' girls and the clever one-liners they so

ably illustrate."--Page 4 of cover.

The Twentieth Anniversary Playboy Reader

Simon and Schuster

The real, untold, and unvarnished story of life inside the legendary Playboy Mansion—and the man who holds the key—from the woman who was Hef's #1 girlfriend and star of The Girls Next Door. A spontaneous decision at age twenty-one transformed small-town Oregon girl Holly Sue Cullen into Holly Madison, Hugh Hefner's #1 girlfriend. But like Alice in Wonderland after she plunged down the rabbit hole, what seemed like a fairytale life inside the Playboy

Mansion—including A-list celebrity parties and her own #1-rated television show—quickly devolved into an oppressive routine of strict rules, manipulation, and battles with ambitious, backstabbing bunnies. Losing her identity, her sense of self-worth, and her hope for the future, Holly found herself sitting alone in a bathtub contemplating suicide. But instead of ending her life, Holly chose to take charge of it. In this shockingly candid and

surprisingly moving memoir, this thoughtful and introspective woman opens up about life inside the Mansion, the drugs, the sex and the infamous parties, as well as what her relationships with her Girls Next Door co-stars, Bridget and Kendra were really like. Holly talks candidly about a subsequent abusive relationship, her own successful television series, and the hard work of healing, including her turn on *Dancing with the Stars*. A cautionary tale and a celebration of personal empowerment, *Down the Rabbit Hole* reminds us of the importance of fighting for our dreams—and finding the life we deserve. [SuicideGirls](#) Penguin

As legendary as the Playboy Playmates themselves are the mansions where hundreds of them partied, worked, and lived. Playboy founder Hugh Hefner has led a Caesar-like existence unlike anyone else in the 20th century, and for the first time, the doors to that world are opened to the public in this titillating visual tour of the Chicago and Los Angeles pleasure palaces. Overflowing with archival photographs from Hefner's private collection, the book

exposes not only Playmates, celebrities, and luxurious attractions such as the game rooms, the alluring pool and grotto, and the private zoo, but it also depicts an unparalleled, almost mythic lifestyle. By revisiting the fantastical events hosted there over the years, it becomes evident that the Playboy Mansion boasts one of the most enviable guest sign-in books in contemporary times. Of course, the history of life inside the mansions offers a rarely-seen side of the history of the magazine as well. *The Art of Doug Sneyd: a Collection of Playboy Cartoons* Simon and Schuster

Professor Gail Dines has written about and researched the porn industry for over two decades. She attends industry conferences, interviews producers and performers, and speaks to hundreds of men and women each year about their experience with porn. Students and educators describe her work as “life changing.” In *Pornland*—the culmination of her life's work—Dines takes an unflinching look at porn and its affect on our lives. Astonishingly, the average age of first viewing porn is now 11.5

years for boys, and with the advent of the Internet, it's no surprise that young people are consuming more porn than ever. But, as Dines shows, today's porn is strikingly different from yesterday's Playboy. As porn culture has become absorbed into pop culture, a new wave of entrepreneurs are creating porn that is even more hard-core, violent, sexist, and racist. To differentiate their products in a glutted market, producers have created profitable niche products—like teen sex, torture porn, and gonzo—in order to entice a generation of desensitized users. Going from the backstreets to Wall Street, Dines traces the extensive money trail behind this multibillion-dollar industry—one that reaps more profits than the film and music industries combined. Like Big Tobacco—with its powerful lobbying groups and sophisticated business practices—porn companies don't simply sell products. Rather they influence legislators, partner with mainstream media, and develop new technologies like streaming video for cell phones. Proving that this assembly line of content is actually limiting our

sexual freedom, Dines argues that porn's omnipresence has become a public health concern we can no longer ignore.

The Playboy Book Spike Heels Publishing House
An adult version of the alphabet!

Sex and the Office Beacon Press

The real Hugh Hefner-the extraordinary inside story of an American icon

"Riveting... Watts packs in plenty of gasp-inducing passages."-Newark Star Ledger "Like it or not, Hugh Hefner has affected all of us, so I treasured learning about how and why in the sober biography."-Chicago Sun Times "This is a fun book. How could it not be?"

Watts aims to give a full account of the man, his magazine and their place in social history. Playboy is no longer the cultural force it used to be, but it made a stamp on society."-Associated Press

"In Steven Watts' exhaustive, illuminating biography Mr. Playboy, Hefner's ideal for living -- marked by his allegiances to Tarzan, Freud, Pepsi-Cola and jazz -- proves to be a kind of gloss on the Protestant work ethic."-Los Angeles

TimesGorgeous young women in revealing

poses; extravagant mansion parties packed with celebrities; a hot-tub grotto, elegant smoking jackets, and round rotating beds; the hedonistic pursuit of uninhibited sex. Put these images together and a single name springs to mind-Hugh Hefner. From his spectacular launch of Playboy magazine and the dizzying expansion of his leisure empire to his recent television hit The Girls Next Door, the publisher has attracted public attention and controversy for decades. But how did a man who is at once socially astute and morally unconventional, part Bill Gates and part Casanova, also evolve into a figure at the forefront of cultural change?In Mr. Playboy, historian and biographer Steven Watts argues that, in the process of becoming fabulously wealthy and famous, Hefner has profoundly altered American life and values. Granted unprecedented access to the man and his enterprise, Watts traces Hef's life and career from his midwestern, Methodist upbringing and the first publication of Playboy in 1953 through the turbulent sixties, self-indulgent seventies,

reactionary eighties, and traditionalist nineties, up to the present. He reveals that Hefner, from the beginning, believed he could overturn social norms and take America with him.This fascinating portrait illustrates four ways in which Hefner and Playboy stood at the center of several cultural upheavals that remade the postwar United States. The publisher played a crucial role in the sexual revolution that upended traditional notions of behavior and expectation regarding sex. He emerged as one of the most influential advocates of a rapidly developing consumer culture, flooding Playboy readers with images of material abundance and a leisurely lifestyle. He proved instrumental-with his influential magazine, syndicated television shows, fashionable nightclubs, swanky resorts, and movie and musical projects-in making popular culture into a dominant force in many people's lives. Ironically, Hefner also became a controversial force in the movement for women's rights. Although advocating women's sexual freedom and their liberation from traditional family constraints, the

publisher became a whipping boy for feminists who viewed him as a prophet for a new kind of male domination. Throughout, Watts offers singular insights into the real man behind the flamboyant public persona. He shows Hefner's personal dichotomies-the pleasure seeker and the workaholic, the consort of countless Playmates and the genuine romantic, the family man and the Gatsby-like host of lavish parties at his Chicago and Los Angeles mansions who enjoys well-publicized affairs with numerous Playmates, the fan of life's simple pleasures who hobnobs with the Hollywood elite. Punctuated throughout with descriptions and anecdotes of life at the Playboy Mansions, Mr. Playboy tells the compelling and uniquely American story of how one person with a provocative idea, a finger on the pulse of popular opinion, and a passion for his work altered the course of modern history. Spans from Hefner's childhood to the launch of Playboy magazine and the expansion of the Playboy empire to the present. Puts Hefner's life and

work into the cultural context of American life from the mid-twentieth-century onwards. Contains over 50 B/W and color photos, including an actual fold-out centerfold. **The Definitive Book of Body Language** Taschen America Llc

This is the ORIGINAL book about eating cock. All other "cock" books are impostors!" "Adrienne Hew has added to the culinary repertoire with this fun and imaginative cookbook on a forgotten traditional food." -Review from Sally Fallon Morell, President, The Weston A. Price Foundation and author of Nourishing Traditions" How much cock can one eat in a lifetime? Let Adrienne Hew count the Ways! A humorous approach to a subject that we tend to ignore: nutrition! Learn to eat cock and LOVE it! Our listeners ate it up!" - Review from Mark Colavecchio, The Bob and Mark Show Curious about cock? You're not the only one. Once revered for his virility and strength, the rooster has taken a back seat to the hen in more recent years. With healthy chicken recipes like Risotto Cock Balls and Cock-o's, 50 Ways to Eat Cock is a fun and inventive chicken

cookbook that takes a revealing look at the folklore, history, culinary culture and nutritional benefits of this well-endowed ingredient. With tongue-in-cheek descriptions, these playful cock recipes are bulging with everything from the quintessential to the quick-and-easy to the downright quirky. You'll learn how to tame this tough bird meat into succulent and finger-licking gourmet meals. Thanks to the ingenuity of author and Certified Nutritionist, Adrienne Hew, the noble cock retakes his rightful place at the head of the table. Grab the "hard copy" as the perfect bridal shower gift!* If you want, you can also make any of these recipes with chicken, but they wouldn't be as fun.

Playmates and Playboys at a Higher Level

Manchester University Press Centerfolds is the comprehensive collection of stories from the iconic women of PlayboyTM Magazine as told by the real girls next door and the photographers who made them famous. Heart Song

HarperCollins

This picture book tells the story of one girl who reminds an entire town of the joy of books. When the town's old library is destroyed by a tornado, the people are left wondering: What should they do with the space where the library used to be? The characters in Nia and the New Free Library all want different things: the builder wants there to be a new skyscraper, the

grocer wants a new parking lot, but Nia just wants a new library . . . but how can one person build a whole library? • Explores the power of community and what a group can accomplish • Teaches the importance of working together toward a common goal • Reminds readers of the important role libraries play in community, and how they work Sometimes the biggest things can start with almost nothing at all. Ian Lendler and Mark Pett bring humor and heart to this clever twist on the classic "Stone Soup" folktale. • This triumphant ode to the magic of sharing stories is sure to strike a chord with bibliophiles of all genres, ages, and stripes. • Perfect for children ages 5 to 8 years old • Great for parents and grandparents, as well as librarians, teachers, and educators • You'll love this book if you love books like Stone Soup by Marcia Brown, Delivering Your Mail by Ann Owen, and Seeds and Trees by Brandon Walden.

The Bunny Years Dark Horse Comics

#1 NEW YORK TIMES BESTSELLER • WITH A NEW INTRODUCTION BY MARGARET ATWOOD •

Stephen King's legendary debut, the bestselling smash hit that put him on the map as one of America's favorite writers

• In a world where bullies rule, one girl holds a secret power. Unpopular and tormented, Carrie White's life takes a terrifying turn when her hidden abilities become a weapon of horror. "A master storyteller." —The Los Angeles Times •

"Guaranteed to chill you." —The New York Times •

"Gory and horrifying. . . . You can't put it down."

—Chicago Tribune

Unpopular at school and subjected to her mother's religious fanaticism at home, Carrie White does not have it easy. But while she may be picked on by her classmates, she has a gift she's kept secret since she was a little girl: she can move things with her mind. Doors lock.

Candles fall. Her ability has been both a power and a problem. And when she finds herself the recipient of a sudden act of kindness, Carrie feels

like she's finally been given a chance to be normal. She hopes that the nightmare of her classmates' vicious taunts

is over . . . but an unexpected and cruel prank turns her gift into a weapon of horror so destructive that the town may never recover.
