BOOTH TYRONE	

Elie Wiesel SUNY Press
Celebration of the life, work and legacies of Nobel Prize winner Elie Wiesel through interviews, photographs, speeches, and his fiction.
A Personal Report on Soviet Jewry Wipf and Stock Publishers
Three works deal with a concentration camp survivor, a hostage holder in Palestine, and a recovering accident victim.
Hostage Schocken
In 1975, Shaltiel Feigenberg, a Jewish writer from Brooklyn, endures a nightmarish abduction by Arab and Italian captors by sharing poignant stories from his childhood years spent hiding from the Nazis.
A Mad Desire to Dance Macmillan
“Illuminating . . . 24 academic essays covering Wiesel’s interpretations of the Bible, retellings of Talmudic stories . . . his post-Holocaust theology, and more.” —Publishers Weekly Nobel Peace Prize recipient Elie Wiesel, best known for his writings on the Holocaust, is also the accomplished author of novels, essays, tales, and plays as well as portraits of seminal figures in Jewish life and experience. In this volume, leading scholars in the fields of Biblical, Rabbinic, Hasidic, Holocaust, and literary studies offer fascinating and innovative analyses of Wiesel’s texts as well as enlightening commentaries on his considerable influence as a teacher and as a moral voice for human rights. By exploring the varied aspects of Wiesel’s multifaceted career—his texts on the Bible, the Talmud, and Hasidism as well as his literary works, his teaching, and his testimony—this thought-provoking volume adds depth to our understanding of the impact of this important man of letters and towering international figure. “This book reveals Elie Wiesel’s towering intellectual capacity, his deeply held spiritual belief system, and the depth of his emotional makeup.” —New York Journal of Books “Close, scholarly readings of a master storyteller’s fiction, memoirs and essays suggest his uncommon breadth and depth . . . Criticism that enhances the appreciation of readers well-versed in the author’s work.” —Kirkus Reviews “Navigating deftly among Wiesel’s varied scholarly and literary works, the authors view his writings from religious, social, political, and literary perspectives in highly accessible prose that will well serve a broad and diverse readership.” —S. Lillian Kremer author of Women’s Holocaust Writing: Memory and Imagination
Elie Wiesel, an Extraordinary Life and Legacy Random House Digital, Inc.
A Holocaust survivor struggles to come to terms with both the heroic and shameful events of his past, while his American-born son attempts to integrate his father’s life and experiences with his own. Reprint.

The Oath Routledge
This work focuses on the faith pilgrimage of a holocaust survivor. ""Elie Wiesel: A Religious Biography"" argues that Wiesel's religious faith is the driving force behind Wiesel's status as a moral authority - that he is essentially a generative religious personality, a poet-prophet - who deepened his own particular Jewish vision to eventually become a 'link' with humanity. In time, he begins to identify with the oppressed the world over in a stance of universalizing faith. As a religious genius and spiritual innovator of the post-modern era, Wiesel is a conflicted individual who joins his own personal and existential struggle for meaning and identity with the quest of the oppressed after the Holocaust. Through a social-scientific methodology similar to that of Erikson and Fowler, one sees Wiesel as a genuine 'homo religiosus' in quest of a universalizing perspective. Likewise through the work of Walter Brueggemann on the 'poet-prophet', Wiesel's literary code is described as that of Jeremiah: 'shattering', 'evoking', and 'enacting'. Indeed, Wiesel has followed the code of Jeremiah ben Hilkiah. Wiesel's early writing 'shattered' the Western conception of normalcy. His work 'evoked' a world that a later generation could not imagine, yet he eventually began to 'evoke' a new way of being religious in the post-modern world. The final aspect of his 'poetics' is his praxis orientation of 'enacting' - the living out of his faith - that has pushed him to travel to the jungles and ghettoes of the world to identify with the oppressed the world over. An encounter with Wiesel presents the possibility that the world has now become Jewish, in Wiesel's terms, now solidarity must be extended to oppressed persons everywhere.

Hasidic Portraits and Legends Schocken
An in-depth look at Elie Wiesel’s writings, from his earliest works to his final novels. Elie Wiesel (1928–2016) was one of the most important literary voices to emerge from the Holocaust. The Nazis took the lives of most of his family, destroyed the community in which he was raised, and subjected him to ghettoization, imprisonment in Auschwitz and Buchenwald, and a death march. It is remarkable not only that Wiesel survived and found a way to write about his experiences, but that he did so with elegance and profundity. His novels grapple with questions of tradition, memory, trauma, madness, atrocity, and faith. The Struggle for Understanding examines Wiesel’s literary, religious, and cultural roots and the indelible impact of the Holocaust on his storytelling. Grouped in sections on Hasidic origins, the role of the Other, theology and tradition, and later works, the chapters cover the entire span of Wiesel’s career. Books analyzed include the novels Dawn, The Forgotten, The Gates of the Forest, The Town Beyond the Wall, The Testament, The Time of the Uprooted, The Sonderberg Case, and Hostage, as well as his memoir, Night. What emerges is a portrait of Wiesel’s work

in its full literary richness. Victoria Nesfield is Research Coordinator in the Humanities Research Centre at the University of York, in the United Kingdom. Philip Smith is Professor of English at the Savannah College of Art and Design Hong Kong.

Day Spectra

Elie Wiesel, the bestselling author of Night, Holocaust survivor, and Nobel Peace Prize winner, offers a profound fictional account of what one Holocaust survivor must endure to find out what happened to his friend and savior after the war—while also discovering the meaning of his own survival. Raphael Lipkin is a man obsessed. He hears voices. He talks to ghosts. He is spending the summer at the Mountain Clinic, a psychiatric hospital in upstate New York—not as a patient, but as a visiting professional with a secret, personal quest. A professor of literature and a Holocaust survivor, Raphael, having rebuilt his life since the war, sees it on the verge of coming apart once more. He longs to talk to Pedro, the man who rescued him as a fifteen-year-old orphan from postwar Poland and brought him to Paris, becoming his friend, mentor, hero, and savior. But Pedro disappeared inside the prisons of Stalin’s Russia shortly after the war. Where is Pedro now, and how can Raphael discern what is true and what is false without him? A mysterious nighttime caller directs Raphael’s search to the Mountain Clinic, a unique asylum for patients whose delusions spring up from the Bible. Amid patients calling themselves Adam, Cain, Abraham, Joseph, Jeremiah, and God, Raphael searches for Pedro’s truth and the meaning of his own survival in an extraordinary novel that penetrates the mysteries of good, evil, and madness.

Open Heart Schocken

Conversations with Elie Wiesel is a far-ranging dialogue with the Nobel Peace Prize-winner on the major issues of our time and on life’s timeless questions. In open and lively responses to the probing questions and provocative comments of Richard D. Heffner—American historian, noted public television moderator/producer, and Rutgers University professor—Elie Wiesel covers fascinating and often perilous political and spiritual ground, expounding on issues global and local, individual and universal, often drawing anecdotally on his own life experience. We hear from Wiesel on subjects that include the moral responsibility of both individuals and governments; the role of the state in our lives; the anatomy of hate; the threat of technology; religion, politics, and tolerance; nationalism; capital punishment, compassion, and mercy; and the essential role of historical memory. These conversations present a valuable and thought-provoking distillation of the thinking of one of the world’s most important and respected figures—a man who has become a moral beacon for our time.

Twilight Schocken

A poignant, powerful distillation of the Holocaust experience from the internationally acclaimed writer and Nobel laureate. In his first book, Night, Elie Wiesel described his concentration camp experience, but he has rarely written directly about the Holocaust since then. Now, as the last generation of survivors is passing and a new generation must be introduced to mankind’s darkest hour, Wiesel sums up the most important aspects of Hitler’s years in power and provides a fitting memorial to those who suffered and perished. He writes about the creation of the Third Reich, Western acquiescence, the gas chambers, and memory. He criticizes Churchill and Roosevelt for what they knew and ignored, and he praises little-known Jewish heroes. Augmenting Wiesel’s text are testimonies from survivors, who recall, among other moments and events: the establishment of the Nurembourg Laws, Kristallnacht, transport to the camps, and liberation. With this book — richly illustrated with 45 photographs from the U.S. Holocaust Museum -- Wiesel proves once again the ineluctable importance of bearing witness.

A Novel Open Road Media

So much to read, so little time? This brief overview of Night tells you what you need to know—before or after you read Elie Wiesel’s book. Crafted and edited with care, Worth Books set the standard for quality and give you the tools you need to be a well-informed reader. This short summary and analysis of Night includes: Historical context Chapter-by-chapter overviews Analysis of the main characters Themes and symbols Important quotes Fascinating trivia Glossary of terms Supporting material to enhance your understanding of the original work About Night by Elie Wiesel: The gripping memoir by Nobel Laureate Elie Wiesel is one of the fundamental texts of Holocaust reportage and a poetic examination of a young man’s loss of faith amid unspeakable acts of inhumanity. Wiesel was 15 years old when he was sent to Auschwitz with his mother, father, and three sisters. Wiesel recalls his horrifying ordeal, including the sadistic Nazi overseers, the death of his mother and younger sister, watching fellow prisoners disappear into the crematorium, the bloody death march to Gleiwitz, and the heartbreaking fatal beating of his father only months before the camp’s liberation. Night is a poignant representation of one young Jewish man’s pain amidst the violent details of the worst genocide in world history. It is an invaluable record of the past as well as an ever-relevant warning about the consequences of fascism and bigotry. The summary and analysis in this ebook are intended to complement your reading experience and bring you closer to a great work of nonfiction.

A Play New York : Holt, Rinehart and Winston

Elie Wiesel: Humanist Messenger for Peace is part biography and part moral history of the intellectual and spiritual journey of Elie Wiesel, a Holocaust survivor, human rights activist, author, university professor, and Nobel Peace Prize winner. In this concise text, Alan L. Berger portrays Wiesel’s transformation from a pre-Holocaust, deeply God-fearing youth to a survivor of the Shoah who was left with questions for both God and man. An advisor to American presidents of both political parties, his nearly 60 books voiced an activism on behalf of oppressed people everywhere. The book

illuminates Wiesel's contributions in the areas of religion, human rights, literature, and Jewish thought to show the impact that he has had on American life. Supported by primary documents about and from Wiesel, the volume gives students a gateway to explore Wiesel's incredible life. This book will make a great addition to courses on American religious or intellectual thought.

Night Thorndike Striving Reader

Ellen Fine's book is full of original insights, beautifully written and structured. I could not put it down. It is a very important study." -- Rosette Lamont, Queens College and Graduate School, City University of New York "By treating Wiesel's novels as literary-spiritual stages in the development of Wiesel's larger experience, as a survivor-witness-writer, Dr. Fine's book takes on an inherently dramatic character which makes it alive and exciting as well as instructive." -- Terrence Des Pres, Colgate University "Fine clarifies Wiesel's intentions, especially illuminating the complex variations on the themes of speech and silence, fathers and sons, escape and return--in short, the ideas around which Wiesel organizes his literary universe. No one has done this before so thoroughly." -- Lawrence Langer, Simmons College

Humanist Messenger for Peace Moment Books

Continues the author's memoirs from 1968, when he was forty years old, and focuses on a wide range of topics, including divisions within Israel and Reagan's visit to the cemetery at Bitburg.

Conversations with Elie Wiesel SUNY Press

A collection of tales immortalizing the heroic deeds and visions of people Wiesel knew during and after World War II.

Night Schocken

After the Second World War Michael, a young Jew, returns to his Eastern European village to contemplate the fate of his people and those who watched them go to death.

A Novel Alfred a Knopf Incorporated

Discusses the characters, plot and writing of *Night* by Elie Wiesel. Includes critical essays on the novel and a brief biography of the author.

Witness Houghton Mifflin

Twenty years after he and his family were deported from Sighet to Auschwitz, Elie Wiesel returned to his town in search of the watch—a bar mitzvah gift—he had buried in his backyard before they left.

Lessons from Elie Wiesel's Classroom Hill and Wang

Elie Wiesel, plucked from the ashes of the Holocaust, became a Nobel Peace laureate, an activist on behalf of the oppressed, a teacher, an award-winning novelist, and a renowned humanist. He moved easily among world leaders but was equally at home among the disenfranchised. Following his Nobel Prize, Wiesel established the Elie Wiesel Foundation for Humanity; one of their early initiatives was the founding of the Elie Wiesel Ethics Essay Contest. The reflections in this volume come from judges of the contest. They share their personal and professional experiences working with and learning from Wiesel, providing a glimpse of the person behind the public figure. At a time when the future seems ominous and chaotic at best, these reflections hold on to the promise of an ethically and morally robust possibility. The students whose essays prompt this sense of hope are remarkable for their insight and dedication. The messages embedded in the judges' reflections mirror Wiesel's convictions about the importance of friendship, the need to interrogate (without abandoning) God, and the power of remembrance in order to fight indifference.

Somewhere a Master Random House Digital, Inc.

"In the vein of Tuesdays with Morrie, a devoted proteaegae and friend of one of the world's great thinkers takes us into the sacred space of the classroom, showing Holocaust survivor and Nobel Peace Prize recipient Elie Wiesel not only as an extraordinary human being, but as a master teacher"--
