*Geografia de Dona Benta* Oxford University Press  
Fuzz McFlops is one of the most famous rabbit-writers in the land, but ever since his classmates teased him about his lopsided ears at school he's lead a lonely life, writing sad stories such as *The Withered Carrot*. Now he's started receiving some scandalous, outrageous and rather eye-catching letters from one of his fans. Who is she? And why does Fuzz's funny, too-short ear start twitching every time he replies to her shocking notes? As their correspondence continues, Fuzz McFlops begins to wonder where this tale is heading, and whether he might not discover a happy ending for once, after all...

### Can Adults Become Human? (Dear Dumb Diary #5)

Read the hilarious, candid (and sometimes not-so-nice), diaries of Jamie Kelly, who promises that everything in her diary is true...or at least as true as it needs to be. *Dear Dumb Diary*, My social studies teacher, Mr. VanDoy, never smiles. I know that's hard to believe, because everybody smiles about something, right? Isabella smiles when her brothers get in trouble. Angeline smiles when she thinks about how much prettier she is than, like, a waterfall or a unicorn. I smile when I think about a unicorn kicking Angeline over a waterfall. But Mr. VanDoy doesn't smile at all. I wonder if when you become an adult, you can lose your sense of humor the way you lose your teeth or hair or fashion sense.
