Daimonic Imagination U.S. Games Systems

Unlock the Symbols, Meanings & Magic of the Cards Discover the esoteric roots underlying the Rider-Waite-Smith Tarot, the Thoth Tarot, and contemporary decks that share their symbols. This illustrated, card-by-card analysis reveals detailed insights drawn from the multi-layered traditions of the Hermetic Order of the Golden Dawn, the magical order that most strongly influenced modern tarot, helping you give better readings informed by the history of spiritual practice. For each card, you will discover how astrology, mythology, alchemy, the elements, and Qabalah contribute to the card's overall meaning. Authors T. Susan Chang and M. M. Meleen, co-hosts of the popular Fortune's Wheelhouse podcast, decipher the symbols and stories of tarot. Their carefully researched synthesis of esoteric ideas is designed to foster a deeper connection with the wisdom of the cards.

Uncanny Intelligence Ibis Press

This illustrated companion to The Jungian Tarot deck applies Jungian principles of "active imagination" to the tarot archetypes, providing a meditative and self-exploratory approach to tarot.

Visions Open Road Media

Have you ever thought that dreams and Tarot speak the same language? OniroTarology is an innovative methodology that combines dream interpretation and Tarot. Specifically, the objective of OniroTarology is to interpret dreams with Tarot symbolism. "OniroTarology - Interpreting dreams with Tarot" is a practical manual that will take you by the hand and show you step-by-step how to read Tarot and unveil the messages hidden in your dreams. OniroTarology is not a divination or cartomancy practice based on drawing cards; on the contrary, Tarot cards are chosen according to their symbolism, using them as a decoding tool. In practice, you build a Tarot spread which is connected to the dream symbolism, translating the story behind the dream in a meaningful sequence of Major Arcana. Whereas traditional methods advise against reading Tarot for yourself, OniroTarology is an invaluable tool for self-awareness, establishing a connection with your unconscious. But of course it's a precious methodology to interpret a Querent's dream, too! The book is highly practical, and includes an exciting collection of real dreams interpreted step-by-step according to the OniroTarology method. This book is intended for Tarot experts who wish to explore a new way to approach Tarot but is also suitable for intermediate or beginner students: included in the book is the "Oneiric Code of the Tarot", a collection of interpretations of the Major Arcana in relation to the most frequently situations and archetypal imagery encountered in dreams.

The Jungian Path from Darkness to Light Open Court Publishing

The author of this unusual book-and-card set shows readers how to combine a simplified method based on tarot reading with general principles of Jungian psychology. The resulting benefits include understanding oneself and gaining insights to the future. Thirty-six specially designed cards—half the number of a standard tarot deck—allow users to conduct simplified readings. Thus they avoid the complexities and confusion they might encounter with a full tarot deck. Each of the 36 cards specifies a personality designation according to Jungian psychology. Among them are: Psyche, or our true selves . . . The Persona, or the masks we adopt in life . . . The Wise Old Man, or the well of ancestral knowledge and good counseling . . . The Child Within, signifying innocence, naivety, and immature aspects of self . . . Mother Moon Goddess, or the mother archetype . . . The Beggar, signifying psychological denial of unwelcome character traits. These are just a few of the 36 personality types reflected in the cards. The author instructs on correct methods of card reading for greater self awareness. She advises her readers to dip into the Wisdom Well and learn what the present means and what the future can bring. More than 150 color illustrations.

Tarot for Your Self Jung and Tarot An Archetypal Journey

Highly innovative work presenting a piercing interpretation of the tarot in terms of Jungian psychology. Through analogy with the humanities, mythology and the graphic arts, the significance of the cards is related to personal growth and individuation. The major arcana becomes a map of life, and the hero's journey becomes something that each individual can relate to the symbolism of the cards and therefore to the personal life.

A Jungian Commentary on the Life of Christ Destiny Books

In this updated edition of The Tarot Handbook, now with a new introduction by the author, Angeles Arrien takes tarot beyond the limits of the fortune-telling realm and shows us how this time-

honored application is both a visual and symbolic map of consciousness, and a source of ancient wisdom. An exciting handbook for either a beginning or an ardent student of the tarot, it contains a multitude of charts, spreads, illustrations of the Thoth Deck, and other methodology tools for anyone looking for insights into personal and spiritual development. An anthropologist who specializes in cross-cultural myths, Arrien demonstrates how the seventy-eight figures of the tarot are portraitures and archetypes that are prevalent in the collective human experience. The author teaches us to use this realization to look beyond our cultural viewpoint or bias when we approach the tarot, and to rely instead on these more important universal principles, thereby deepening the quality and accuracy of our interpretations and expanding our awareness of the human psyche. A significant and classic piece of tarot literature, The Tarot Handbook is both a required manual for teachers and students of the subject, and an accessible and fascinating exploration of cultural anthropology.

Tarot for Your Self Daimon

THE MAYA BOOK OF LIFE: UNDERSTANDING THE XULTUN TAROT is the companion book to the Xultun Tarot Classic Edition. It explores the archetypes and alchemy of the major arcana of the Xultun Tarot through indigenous teachings and the analytical psychology of C G Jung and casts new light on the meaning of 2012. The Xultun Tarot was created by Peter Balin in 1976 based on images from Maya history and culture. Taken from a single painting, it is the only tarot deck where the major arcana form a complete picture. This picture is a symbolic image of the alchemical marriage of spirit and matter and a map of what Jung called the individuation process. Only 500 copies of the original Xultun Tarot were ever printed. Now Kahurangi Press (xultun.com) has recreated this classic, long out-of-print deck true to its original large size and vibrant colours together with a book that explains the profound symbolism of the cards. Michael Owen is a clinical psychologist in private practice and author of Jung and the Native American Moon Cycles. He lives in New Zealand.

Archetype Cards- A 78 Card Deck and Guidebook Red

Wheel/Weiser
Archetypes are ancient, universal patterns of behavior that are embedded in what Carl Jung called the "collective unconscious." Caroline Myss has created a unique set of 80 Archetype Cards, each individually designed to provide the basic Light and Shadow Attributes of a different Archetype. The deck also contains six blank cards on which you can create your own Archetypes. The deck comes with an instruction booklet explaining how to use the cards to help determine which Archetypes are most active in your psyche, and how they can lead you to achieve greater insights into your life. The deck is suitable to be used by itself, in conjunction with Caroline's book Sacred Contracts, or with any of her workshops and seminars.

Jung, Gödel, and the History of Archetypes Weiser Books

Delve deeper into the wisdom of the Tarot with this one-of-a-kind, hands-on guide The perfect companion to any Tarot deck, The Mythic Tarot Workbook offers a variety of card spreads and creative exercises to help readers learn more about the imagery and symbolism of each card in the deck. Here You Will Find: Guided imagery exercises and meditations to help you concentrate Suggestions for coloring and drawing so you can become more familiar with the card images Seven different card spreads offering you new ways to conduct and interpret readings Blank lines and pages interspersed throughout, so you can note your reactions to the cards and record the insights revealed in readings

Decoding Esoteric Symbolism in Modern Tarot North Atlantic Books

The bestselling, widely heralded, Jungian introduction to the psychological foundation of a mature, authentic, and revitalized masculinity. Redefining age-old concepts of masculinity, Jungian analysts Robert Moore and Douglas Gillette make the argument that mature masculinity is not abusive or domineering, but generative, creative, and empowering of the self and others. Moore and Gillette clearly define the four mature male archetypes that stand out through myth and literature across history: the king (the energy of just and creative ordering), the warrior (the energy of aggressive but nonviolent action), the magician (the energy of initiation and transformation), and the lover (the energy that connects one to others and the world), as well as the four

immature patterns that interfere with masculine potential (divine child, oedipal child, trickster and hero). King, Warrior, Magician, Lover is an exploratory journey that will help men and women reimagine and deepen their understanding of the masculine psyche.

Tarot As a Way of Life Weiser Books

Highly innovative work presenting a piercing interpretation of the tarot in terms of Jungian psychology. Through analogy with the humanities, mythology and the graphic arts, the significance of the cards is related to personal growth and individuation. The major arcana becomes a map of life, and the hero's journey becomes something that each individual can relate to the symbolism of the cards and therefore to the personal life. "Sallie Nichols, in her profound investigation of Tarot, and her illuminated exegesis of its pattern as an authentic attempt at enlargement of the possibilities of human perceptions has . . . performed an immense service for analytical psychology. Her book enriches and helps us to understand the awesome responsibilities laid upon us by consciousness . . . On top of it all, she has done this not in an arid fashion, but as an act of knowing derived from her own experience of Tarot and its strangely translucent lights. As a result her book not only lives but quickens life in whomever it touches." --from the Introduction by Laurens van der Post

Tarot and the Archetypal Journey Hay House Incorporated

The tarot classic that first promoted the practice of reading the cards not just for others but for one's own personal insight and self-transformation "Tarot for Your Self was ground-breaking when this book was first published and is still radically significant today." —Benebell Wen, author of Holistic Tarot "Deciding to work with the Tarot is like embarking on a long, inward journey."—Mary K. Greer This tarot classic by Mary K. Greer was the first book to promote reading the cards for your own insight, revolutionizing tarot through a combined emphasis on self-teaching techniques and personal growth. Tarot for Your Self uses meditations, rituals, spreads, mandalas, visualizations, dialogues, charts, affirmations, and other activities to help you establish your own relationship with the cards. All the information is presented using the best in traditional knowledge and know-how. This powerful breakthrough process will turn all your readings into truly transformative experiences. Tarot for Your Self covers interpretations for the major and minor arcana, reversed card meanings for all 78 cards, and enlightening information on your shadow/teacher cards.

The Book of Symbols Cambridge Scholars Publishing

Caroline Myss, author of the New York Times bestsellers Anatomy of the Spirit and Why People Don't Heal and How They Can, presents an exciting, highly original program in this long-awaited book. Based on her internationally popular workshop of the same name, Sacred Contracts is a brilliant synthesis of psychology, healing guidance, and spiritual insight. As a medical intuitive, Myss has found that people often don't understand their purpose in life, which has led to a spiritual malaise of epidemic proportions. This metaphysical disease in turn leads to depression, anxiety, fatigue, and eventually physical illness. But our purpose—our individual Sacred Contract—is often difficult to apprehend. For this reason, Myss developed an enjoyable and ingenious process for deciphering your own Contract using a new theory of archetypes that builds on the works of Jung, Plato, and contemporary thinkers. She first recounts how the concept of Sacred Contracts took form in myths and other cultural traditions through the ages. She then examines the lives of the spiritual masters and prophets—Abraham, Jesus, the Buddha, and Muhammad—whose archetypal journeys illustrate the four stages of a Sacred Contract and provide clues for discovering your own. With her signature motivational style and stories, Myss explains how you can identify your particular spiritual energies, or archetypes—the gatekeepers of your higher purpose—and use them to help you find out what you are here on earth to learn and whom you are meant to meet. In coming to know your archetypal companions, you also begin to see how to live your life in ways that make the best use of your personal power and lead you to fulfill your greatest—in fact, your divine—potential. In this process, you learn how to see your life—and the lives of others—symbolically, allowing you to manage your personal power without getting caught up in emotional drama. You will also learn how to fulfill your Sacred Contract: what you and only you are here on earth to do. Finally, Myss offers specific guidance for locating your physical and emotional vulnerabilities and healing any susceptible areas. Both visionary and practical, Sacred Contracts is a completely unique process of self-discovery and spiritual archaeology and a bold, powerful work of spiritual

wisdom.

OniroTarology Harper Collins

Young Christiana Morgan recorded her vision quest experiences of inner archetypal encounters in words and paintings—which Carl Jung later used as the basis for seminar work in Zurich. First time available to the public, here are transcriptions of the seminar notes combined with color reproductions of Morgan's paintings, revealing archetypal parallels with western myth and eastern yoga. 41 color and 77 line illustrations. 10 photos. 1,500 pp. in two volumes. Copyright © Libri GmbH. All rights reserved.

Rediscovering the Archetypes of the Mature Masculine

Paragon House Publishers

In Volume II, Dr. Wang explores the imagery of The Jungian Tarot from the standpoints of archetypal symbolism, history, and comparative religion.

The Maya Book of Life U.S. Games Systems

Designed for beginning as well as experienced tarot readers, Holistic Tarot offers a fresh and easy-to-follow approach to the use of the tarot deck for tapping into subconscious knowledge and creativity. The tarot deck has been used as a divination tool for more than two centuries; while the tarot is still most commonly thought of as "fortune telling," the true power of the tarot lies in its ability to channel a clear path for our deep intuition to shine through. Consulting the tarot can help clear creativity blockages, clarify ambitions, work through complex decisions, and make sense of emotions and relationships. Whether used for simple decision-making or an understanding of your life's purpose, learning tarot can be an indispensable tool for being more mindful of the factors that can assist or weaken your efforts

toward success. In Holistic Tarot, author Benebel Wen provides a complete guide to using the tarot to foster personal development.

Wen gives a comprehensive overview of the history of the tarot and a wide array of theories on its use (including its relationship to Jungian archetypal psychology and traditional Chinese divination practices) before digging deeply into one of the best-known tarot systems, the Rider-Waite-Smith. Beginners will find a complete guide to working with the tarot, including choosing and caring for a deck, how best to learn and remember the attributes of the major and minor arcana, the interpretation of cards and spreads, the role of meditation in a tarot practice, and how to use the tarot for improving relationships, professional development, and personal resilience. More advanced practitioners will appreciate nuanced theoretical discussions of the tarot as well as practical advice about reading others' tarot cards and setting up a practice. Containing over 500 illustrations and detailed information on each card as well as numerous spreads, Holistic Tarot is a complete compendium of tarot study that every practitioner should have in his or her library. "A modern alchemical achievement."—Barbara Moore, author of Tarot Spreads "Will become one of the jewels in the crown of tarot literature." —Anthony Louis, MD, author of Tarot Beyond the Basics "A tarot classic."—Sasha Graham, author of Tarot Diva "A magnificent, intelligent, comprehensive overview and innerview of the Rider Waite Smith system of tarot! This is the only guide you need to have. Bravo!" —James Wanless, PhD, author of Voyager Tarot "A huge accomplishment ... likely to become the essential guidebook for serious students of the tarot."—Joan Bunning, author of Learning the Tarot "No tarot enthusiast should

be without this book!"—Chic and Tabatha Cicero, authors of The Golden Dawn Magical Tarot "Arguably the most comprehensive guide to tarot on the market today. It's also innovative: it deftly combines Eastern mysticism with Western metaphysics. It's an impressive tome that presents a wholly modern, rational approach to tarot practice while preserving notable elements of tradition."—Corrine Kenner, author of Tarot and Astrology

The Mythic Tarot Workbook U.S. Games Systems

A classic guide on how to master a Tarot reading that combines self-teaching techniques with personal insight provides revised interpretations for the Minor arcana as well as coverage of topics ranging from crystals and astrology to numerology and occult metaphysics.

King, Warrior, Magician, Lover Weiser Books

Using Jungian archetypes, the I-Ching, and color/number combinations, Hamaker-Zondag shows you how to interpret the tarot without having to refer to a guidebook for definitions. Her methods will help you use the tarot to understand your personal innerchanges and their potential manifestations in daily life. She also makes an engaging comparison of the imagery in various decks, so that you can choose the deck that you like the best.

Dip Into Your Subconscious to Fortell the Future Princeton University Press

Essays which state the fundamentals of Jung's psychological system: "On the Psychology of the Unconscious" and "The Relations Between the Ego and the Unconscious," with their original versions in an appendix.
