A hilarious re-
imagining of
the heroes of
the Old

Testament for
a modern
world-and the
neurotic,
demanding
reader. In the
beginning...th
ere was

humor. Sure, it's the foundation for much of Western morality and the cornerstone of world literature. But let's face it: the Bible always needed punching up. Plus, it raised quite a few questions that a modern world refuses to ignore any longer: wouldn't it be boring to live inside a whale? How did Joseph explain Mary's pregnancy to the guys at work? Who exactly was

the megalomaniacal foreman who oversaw the construction of the Tower of Babel? And honestly, what was Cain's problem? In Ladies and Gentlemen, the Bible!, Jonathan Goldstein re-imagines and recasts the greatest heroes of the Bible with depth, wit, and snappy dialogue. This is the Bible populated by angry loners, hypochondriacs, and reluctant prophets who fear for their

sanity, for readers of Sarah Vowell and the books of David Sedaris. Basically, a Bible that readers can finally, genuinely relate to. Jonathan Goldstein's new book, I'll Seize the Day Tomorrow, will be available May 2013.

A Life
Westminster
John Knox
Press
The Oxford
History of the
United States
is by far the
most
respected
multi-volume
history of our
nation. In this

Pulitzer prize-winning, critically acclaimed addition to the series, historian Daniel Walker Howe illuminates the period from the battle of New Orleans to the end of the Mexican-American War, an era when the United States expanded to the Pacific and won control over the richest part of the North American continent. A panoramic narrative, *What Hath God Wrought*

portrays revolutionary improvements in transportation and communications that accelerated the extension of the American empire. Railroads, canals, newspapers, and the telegraph dramatically lowered travel times and spurred the spread of information. These innovations prompted the emergence of mass political parties and stimulated America's

economic development from an overwhelmingly rural country to a diversified economy in which commerce and industry took their place alongside agriculture. In his story, the author weaves together political and military events with social, economic, and cultural history. Howe examines the rise of Andrew Jackson and his Democratic party, but contends that

John Quincy Adams and other Whigs--advocates of public education and economic integration, defenders of the rights of Indians, women, and African-Americans--were the true prophets of America's future. In addition, Howe reveals the power of religion to shape many aspects of American life during this period, including slavery and antislavery, women's rights and

other reform movements, politics, education, and literature. Howe's story of American expansion culminates in the bitterly controversial but brilliantly executed war waged against Mexico to gain California and Texas for the United States. Winner of the New-York Historical Society American History Book Prize Finalist, 2007 National Book Critics Circle Award for Nonfiction The Oxford History of the United States

The Oxford History of the United States is the most respected multi-volume history of our nation. The series includes three Pulitzer Prize winners, a New York Times bestseller, and winners of the Bancroft and Parkman Prizes. The Atlantic Monthly has praised it as "the most distinguished series in American historical scholarship," a series that "synthesizes a generation's worth of historical

inquiry and knowledge into one literally state-of-the-art book." Conceived under the general editorship of C. Vann Woodward and Richard Hofstadter, and now under the editorship of David M. Kennedy, this renowned series blends social, political, economic, cultural, diplomatic, and military history into coherent and vividly written narrative. Jonathan

Edwards
Moody Publishers
DIVJonathan Edwards (1703-1758) is early Americas greatest theologian and philosopher, yet six decades have passed since an authoritative anthology of his writings has appeared to guide the reader through his voluminous works. This book is a new and comprehensive collection of selected compositions by Edwards.

Providing excerpts not only from many of his most famous published writings but also from previously unpublished works, it will be essential reading for scholars, students, and all those interested in early American history and religion. The selections are divided into two major categories. The first deals with the "public" Edwards and traces the development of his thinking

from his earliest days as a Yale student to the end of his life and ministry. These writings consist of treatises and sermons he published, including *Faithful Narrative, Religious Affections, and Freedom of the Will*, as well as the notes that remained in manuscript until after his death, most importantly the "Miscellanies," Edwardss main series of theological entries. The second

category provides details of the "personal" Edwards as revealed in autobiographical writings and in correspondence and family papers./div *A Short Life of Jonathan Edwards* Crown Pub Jonathan Edwards has been recognized as the most influential evangelical theologian of all time. Before his death at the age of fifty-four, he had sparked a new movement of Reformed

evangelicals who played a major role in fueling the rise of modern missions, preaching revivals far and wide, and wielding the cutting edge of American theology. He has never gone out of print, and Christians today continue to flock to seminars and conferences on him. In this biography of the great preacher and teacher, historian Douglas Sweeney locates for us the core and

key to Edwards' enduring impact. Sweeney finds that Edwards' profound and meticulous study of the Bible securely anchored his powerful preaching, his lively theological passions and his discerning pastoral work. Beyond introducing you to Edwards' life and times, this book will provide you with a model of Christian faith, thought and ministry. An <i>Introduction to the Life and</i>	<i>Teaching of America's Greatest Theologian</i> Bloomsbury Publishing USA THE INSTANT NEW YORK TIMES BESTSELLER A GUARDIAN BEST FICTION BOOK OF 2021 AN INDEPENDENT BOOK OF THE YEAR A WHITE REVIEW BOOK OF THE YEAR A LIT HUB BEST BOOK OF THE YEAR <u>Fire Your Boss</u> Simon and Schuster This year, get to know the true Jonathan Edwards—and see the hand of God in your	own life like never before. Jonathan Edwards is one of the most respected early American theologians. In Always in God's Hands, Owen Strachan recovers the real Jonathan Edwards—the thinker, the compassionat e father, the courageous reformer—as opposed to the caricature of him that is often presented. Edwards believed God was ever- present in each of our
---	---	--

lives, caring and encouraging us in every moment. In a moving letter to his daughter, he reminds her of that comforting truth by describing her as “always in God’s hands.” Through daily quotes from Edwards’s letters and sermons, this inspirational devotional reveals the soaring theology and comforting spirituality of one of history’s most faithful and gifted pastors. With each

meditation, compiler Owen Strachan offers refreshing and relevant insights, encouraging you in your walk with God.

Jonathan Edwards for Armchair Theologians

Ravenio Books
Are you sick of working a job you hate for a boss who despises you? Do you want to get paid what your worth...instead of what your company thinks they can get away with? Are you struggling to get up in the

morning and praying for a snow day? Or just ready to start enjoying some of that freedom you've heard so much about? Whether you're about to enter the job market for the first time or you've been slaving away for decades - you need to read *Fire Your Boss* - as soon as possible! In this book, you'll learn how to break free of the underpaying labor market and start the journey to financial and

emotional freedom. You cannot underestimate the power of controlling your income. Learn how to blast through every roadblock keeping you from starting your own business. From "don't know where to start" to "I'm not good with technology" to "I don't have the confidence" to "I don't have enough time," Fire Your Boss sets all those excuses on fire with simple and actionable business

models that you can start in your spare time to start building up your savings account. What pragmatic and actionable lessons will you learn? Sixteen business models that all cooperate with each otherThe simple technique for turning your voice into an ATM machineThe secret to building a business when you don't have any timeThe foolproof method for getting paid to

learnThe most common mistakes even experienced entrepreneurs make and how to avoid them.The singular best way to create an unstoppable passive revenue stream Here's what this book ISN'T: this isn't a list of startups you can slave away for, a guide on how to join the "gig economy," or a plan to get a promotion at work. This is about building consistent and passive revenue streams that

can support you when shocks hit the market and the economy turns against you. How will your life improve? Never live in fear of getting fired every againGo to sleep knowing that TOMORROW THERE WILL BE MORE MONEY IN YOUR BANK ACCOUNT THAN TODAYFollow a process that allowed the author to move to a tropical islandChase your dreams without letting stress and

fear hold you back Implement these techniques and watch your happiness skyrocket. Follow this amazing journey and take control of your destiny by scrolling up and clicking the BUY NOW button at the top of this page!

You've heard his name, you've probably heard your pastor quote him, but who is he really?
250 years later, Jonathan Edwards, America's consummate pastor-theologian, continues to capture the attention of Christians

around the world. Yet Edwards left us over 1,200 sermons and thousands of pages of other publications, not to mention the literal thousands of books that have been written about Edwards since he died. Where does one even begin? That's why we created The Essential Jonathan Edwards. It serves as a perfect introduction to Edwards's life and thought. It explores Edwards day-to-day life,

and his views on beauty, true Christianity, heaven and hell, and the good life. Strachan and Sweeney strike the perfect balance between necessary background information and giving Edwards's own works room to speak. Whether you're an Edwards fan already or only know Edwards because of "that Angry God sermon," this book will lead you to

drink deeply of Scripture and gaze longingly at God.

The Life and Diary of David Brainerd

Banner of Truth
At the foot of the Elwha River, the muddy outpost of Port Bonita is about to boom, fueled by a ragtag band of dizzyingly disparate men and women unified only in their visions of a more prosperous future. A failed accountant by the name of Ethan

Thornburgh has just arrived in Port Bonita to reclaim the woman he loves and start a family. Ethans obsession with a brighter future impels the damming of the mighty Elwha to harness its power and put Port Bonita on the map. More than a century later, his great-great grandson, a middle manager at a failing fish-packing plant, is destined to oversee the undoing of that vision, as the great

Thornburgh dam is marked for demolition, having blocked the very lifeline that could have sustained the town. West of Here is a grand and playful odyssey, a multilayered saga of destiny and greed, adventure and passion, that chronicles the life of one small town, turning Americas history into myth, and nations shared experience. *A Model of*

Faith and Thought
Oxford University Press on Demand
'You're strong, you're a Kelly Clarkson song, you got this.'
Everything that comes out of Jonathan Van Ness's mouth is a gift from god. He's the man who taught us about hair, self-care and CON-FI-DONCE. The Little Book of Sass is a collection of the most iconic quotes from the sassiest man around on love, men,

self-care and friendship. From the power of the heel to how to be the most supportive friend, *The Little Book of Sass* is the most shamazing gift for any JVN fans in your life. *A Short Life of Jonathan Edwards* Macmillan Everything that lives will die. That's the fundamental fact of life. But not everyone dies at the same age: people vary wildly in their patterns of aging and their life

spans—and that variation is nothing compared to what's found in other animal and plant species. A giant fungus found in Michigan has been alive since the Ice Age, while a dragonfly lives but four months, a mayfly half an hour. What accounts for these variations—and what can we learn from them that might help us understand, or better manage, our own aging? *With The Long and the Short*

of It, biologist and writer Jonathan Silvertown offers readers a witty and fascinating tour through the scientific study of longevity and aging. Dividing his daunting subject by theme—death, life span, aging, heredity, evolution, and more—Silvertown draws on the latest scientific developments to paint a picture of what we know about how life span, senescence, and death

vary within and across species. At every turn, he addresses fascinating questions that have far-reaching implications: What causes aging, and what determines the length of an individual life? What changes have caused the average human life span to increase so dramatically—fifteen minutes per hour—in the past two centuries? If evolution favors those who leave the

most descendants, why haven't we evolved to be immortal? The answers to these puzzles and more emerge from close examination of the whole natural history of life span and aging, from fruit flies, nematodes, redwoods, and much more. The Long and the Short of It pairs a perpetually fascinating topic with a wholly engaging writer, and the result is a supremely accessible book that will

reward curious readers of all ages. *The Life and Character of the Late Reverend, Learned, and Pious Mr. Jonathan Edwards Wm. B. Eerdmans Publishing* Jonathan Edwards was a preacher, pastor, revivalist, and theologian. This volume unpacks his magnificent theological vision, which starts with God's glory and ends with all creation returning to that glory. Sean Michael

Lucas has converted his years of teaching on Edwards into this valuable work, which places Edwards's vision in an accessible, two-part framework. Part one focuses on Edwards's understanding of redemption history—God's cosmic, grand work from eternity past to eternity future, where all things are united in Christ. Part two examines Edwards's perspective on "redemption applied"—how

that gracious, divine work unfolds in space and time to personally transform individuals, stirring their affections, illuminating their minds, and moving their wills to form new habits and practices. This overview of Edwards's theology will prove to be a thought-provoking, encouraging guide to contemporary believers at every stage of their spiritual journey.

The Beautiful

Works and Damned Lives of John Keats and F. Scott Fitzgerald
Hendrickson Publishers
In Holy Living, author Matthew Everhard explores the "resolutions" Jonathan Edwards wrote when he was just nineteen years old, revealing how they are still beneficial to Christians today. Though not yet ordained, Edwards (1703-1758) wrote these short but powerful aphorisms to

<p>guide his life, and now they offer spiritual guidance to a modern audience as well. Following a brief biography of Edwards, the book then looks at each resolution under three main categories: (1) existential (considering the purpose of life); (2) ethical (considering the duty and character of the Christian); and (3) eschatological (preparing for the brevity of life followed by death and eternity). Lay</p>	<p>readers, pastors, students, church elders, and study group members will find troves of timeless wisdom and guidance for how to live the Christian life. The book is divided into five sections: An Introduction to the Life of Jonathan Edwards The Meaning and Purpose of Life How Should We Then Live? The Brevity of Life and Eternal World to Come Why Did Jonathan Edwards Stop Using the</p>	<p>Resolutions? It includes the following topics: Edwards's Youth and Conversion to Christ The Early Pastoral Years The Writing of the Resolutions Faith and Assurance Peace Relationships and Self-Control The Brevity of Life Heaven and Hell Between Antinomianism and Legalism Reflections of a More Mature Saint Resolutions and the Gospel of Grace <u>The Long and</u></p>

The rise, fall, and rebirth of Richard Nixon is perhaps the most fascinating story in American politics—and perhaps the most

misunderstood. Nixon: A Life is the first entirely objective biography of Richard Nixon. Former British Defense Minister Jonathan Aitken conducted over sixty hours of interviews with the impeached former president and was granted unprecedented access to thousands of pages of Nixon's previously sealed private documents. Nixon reveals to Aitken why he didn't burn

the Watergate tapes, how he felt when he resigned the presidency, his driving spiritual beliefs, and more. Nixon: A Life breaks important new ground as a major work of political biography, inspiring historians to recognize the outstanding diplomatic achievements of a man whose journey from tainted politician to respected foreign policy expert and elder statesman was nothing short of

remarkable. Penguin The complete biblical historical fiction compilation by the New York Times bestselling author of Redeeming Love and A Voice in the Wind. The Bible is filled with inspiring stories of unlikely candidates God chose to quietly change eternity. This bestselling compilation in one volume contains five novellas about such peoplemen who stood behind heroes

of the faith.
 Aaron. Caleb.
 Jonathan.
 Amos. Silas.
