One week is all we were supposed to share. One week as strangers. All the things you did differently irked me. I thought it meant we couldn't get along, that there was no chance we'd work out. But when it came time for me to leave, you know what I figured out? You were my echo. My call back. And damn it if I didn't find home in the end.

**An Erotic Guide to Fisting** American Library Association  
Highlighting the importance of everyday mentorship, a Hollywood star shares his personal

story of mentoring and mentors who shaped his life, and introduces the life-changing stories of more than seventy of America's leading personalities.

"Me and E: A Baseball Odyssey is a reflection on parenting a highly skilled, nationally-ranked and difficult baseball prodigy, told through the author's eyes as he witnessed and participated in the successes and failures of his son playing baseball and growing up in Central Florida. It deals with the changing world of competitive youth sports, over-involved parents, fanatical coaches, the hypocrisies inherent in high school athletics, the

college recruiting process and how we teach our kids to grow up and become decent human beings - despite ourselves. It involves well-known sports figures as well as local sports icons with traits and characteristics that everyone will recognize. It's a book about flawed parenting, about living vicariously through a gifted child and learning, finally, that being a good father is as much about letting go as it is about being there. Call it Moneyball meets Everything I Know I Learned in Kindergarten. **A First Hand Guide to Careers in Library and Information Science** Xlibris Corporation  
Seven billion people on earth; it was only a matter

of time before you discovered the truth. Your legends--your myths and religions--have called us by many names. Since the beginning, our kind has walked among you as your protectors. We are the only ones who know who you are and why you are here. He wasn't meant to disappear; you weren't meant to know why. Our objective was clear: hunt them, kill them and leave. Once you know, there will be no going back. They will come for you. Are you ready?

### **You've Seen the Castles... Now What?**

Oxford University Press  
On his first crossing through the warps, Seg discovers a world rich in *vita* - fuel to save his dying world. Cold, brilliant and desperate to prove himself as a Cultural Theorist, Seg breaks away from the recon squad sent to protect him, to scout out prime *vita* sources. But to find his prize he must face his biggest fear: water. Fiery and headstrong, Ama receives an ultimatum from her people's tyrannical overlords: betray her own kind or give up the boat she calls home, forever. When a wealthy traveler hires her as a guide, Ama thinks her prayers are answered - until a violent

murder reveals Seg's true identity. On the run, over land and water, hunted by a ruthless and relentless tracker, and caught in the schemes of a political powerhouse, Seg and Ama will have to strike an uneasy truce to survive. The fate of two worlds is in their hands.

[How to Write It, Sell It, and Market It . . . Successfully](#) Simon and Schuster

In this intimate book of

inspiration, Tyler Perry writes of how his faith has sustained him in hard times, centered him in good times, and enriched his life. Higher Is Waiting is a spiritual guidebook, a collection of teachings culled from the experiences of a lifetime, meant to inspire readers to climb higher in their own lives and pull themselves up to a better, more fulfilling place. Beginning with his earliest memories of growing up a shy boy in New Orleans, Perry recalls the moments of grace and beauty in a childhood marked by brutality, deprivation, and fear. With tenderness he sketches portraits of the people who sustained him and taught him indelible lessons about integrity, trust in God, and the power of forgiveness: his aunt Mae, who cared for her grandfather, who was born a slave, and sewed quilts that told a story of generations; Mr. Butler, a blind man of remarkable dignity and elegance, who sold penny candies on a street corner; and his beloved mother, Maxine, who endured abuse, financial hardship, and the daily injustices of growing up in the Jim Crow South yet whose fierce love for her son burned bright and never

dimmed. Perry writes of how he nurtured his dreams and discovered solace in nature, and of his resolute determination to reach ever higher. Perry vividly and movingly describes his growing awareness of God's presence in his life, how he learned to tune in to His voice, to persevere through hard times, and to choose faith over fear. Here he is: the devoted son, the loving father, the steadfast friend, the naturalist, the philanthropist, the creative spirit—a man whose life lessons and insights into scripture are a gift offered with generosity, humility, and love.

#### Sensing the Past

WaterBrook

*My Heart Is Not Blind: On Blindness and Perception* is a collection of stunning portraits of blind and visually impaired people taken by photographer Michael Nye. Each image is accompanied by an intimate story told by the subject concerning his or her experiences and unique perspective. The causes of vision loss range from genetic predispositions (retinitis pigmentosa) or disease (glaucoma) to external circumstances such as accidents (struck by a train) or violence (gunshot wound). The people in this diverse group differ not only in their particular conditions and losses but also in their cultural and socio-economic backgrounds. Taken as a whole, however, the accounts of adapting to changing modes of perception are bound by a common theme of

resilience, revealed in shared reactions and unexpected insights. The subjects depicted in *My Heart Is Not Blind* share their experiences and unique perspectives in a personal narratives that accompany their respective portraits. Most speak of the transition from sight to vision loss, and how that has changed—and not changed—their ability to perceive the surrounding world. Some question the classification of blindness as a disability. One participant proposes that blindness may, in some ways, even aid in perception, musing, “if you can always see the sun, you can never discover the stars.” *My Heart Is Not Blind* offers a window into the world of the blind and visually impaired, revealing surprising similarities and fascinating differences alongside compelling accounts of survival, adaptation, and heightened understanding. The collection invites us to reconsider what we think we know about blindness in order to gain a deeper understanding of vision and perception.

#### Get Out of My Life but First Could You Drive Me and Cheryl to the Mall?

Meredith Books

Childhood memories become warm and rose colored, "and that's as it should be," so said an old friend of mine who shared more than a few with me. Mine, too, are warm and rose colored; but also vivid. Yes, I really do remember being in a crib. Folks challenge me on that once in a while. But for how much longer, I'm not sure. Once the mental concrete hardens, I'll be left with what I can glean from pictures and second hand accounts. So I wrote this book. And of course, one memory led to another. Eleven years of them, the ones I spent growing up Brooklyn. What follows are the good stories of the people who mattered - still matter - to me. Today more than ever, I look at them with warm, rose colored sight, content that my earliest memories are true and valuable.

#### **Goddess, Guide Me!**

Hunter House

A heavenly shade of blue was always in her eyes

and her innocent smile captured the hearts of many. But even a beautiful smile can cover the ugliest of things. Who would've ever known that the beautiful and loving Princess MARRISA would fall victim to a very dark and hostile scheme, conjured up by something that is as old as time? No one did—not even Tairren, who was one of MARRISA's dearest friends. Overtaken by MARRISA's beauty and charm, Tairren was very much in love with her and would do anything for her—even if that meant facing the overwhelming powers of darkness... It was on MARRISA's long awaited sixteenth birthday, her engagement to Prince Phillip and the day before her enthronement to the kingdom of Ishkar, when it happened. When MARRISA is abducted by someone she had always trusted, she is forced into the Forbidden Lands of Minslethrate and awakens upon a plot that would shake the world. With the company of his very different comrades, the unconventional Lady Natalia and the arrogant Prince Phillip of Ishkar, Tairren travels across the uncertain lands of Minslethrate to rescue MARRISA. They begin to

realize that their precarious situation is dealing with more than just a kidnapped princess—that's just the beginning... They must trust in the unseen God of Light and have faith in a legend that they don't even understand. While their beloved princess awaits a terrifying fate, they must become awakened by light if they are to face their own dark quest... Prophecy stirs, blood spills, light burns and darkness screams—revealing The Last Legend...

This carefully crafted ebook: "THE WANDERER'S NECKLACE (Historical Novel)" is formatted for your eReader with a functional and detailed table of contents. Olaf, a Norseman in the eighth century A.D., flees his homeland after challenging the Norse god Odin's right to a human sacrifice, travels to Constantinople (Istanbul, Turkey) to protect the Empress Irene Augusta from her son Constantine the Fifth and other enemies of the Eastern

Roman Empire. From Byzantium, to the pyramid tombs of Upper Egypt, Olaf becomes a traveling Christian who must reject the adulterous advances of Irene. Blinded as punishment for rejecting the Empress, Olaf's adventures are woven within the intrigues of the Eastern Roman Empire. Sir Henry Rider Haggard (1856-1925) was an English writer of adventure novels and dark fantasy stories set in exotic locations, predominantly Africa, and a pioneer of the Lost World literary genre.
