Single mom Karina Barrett is thrilled to treat her kids to a fairytale Christmas vacation... but will a sexy innkeeper make her own holiday dreams come true? For Karina, it's the chance of a lifetime: a free cocoa and gingerbread-filled holiday at a quaint Michigan B&B called The Christmas House. In return, Karina will play spy and report back to the company hoping to buy out the popular hotel. It's all too good to be true...especially when Karina meets innkeeper Reid Sullivan. The man is a walking talking Christmas miracle—and she's hoping to meet him under the mistletoe... Single dad turned globe-trotting adventurer, Reid isn't quite sure how he and his daughters got roped into helping out this year at his family's B&B. But once he arrives, it doesn't take long for a certain guest to catch his eye. Fun-loving California girl Karina is hard to miss, and Reid senses the attraction is mutual. As Christmas approaches and the weather grows colder, things between Reid and Karina heat up. But when the true reason behind Karina's visit is revealed, will the holiday magic disappear before the ball drops on New Year's Eve? Step-by-step technicals: Photos and accompanying text help students visualize procedures as they move through every step of a process. The easy-to-follow format significantly raises self-confidence, making a seamless transition to hands-on applications. Real-life scenarios: On the last page of every chapter, we offer students a chance to apply their new knowledge. Hypothetical scenarios require students to use decision making skills mastered in that chapter. It is a chance for students to mentally leave the classroom and envision themselves as successful professionals. Key concepts: Throughout each chapter, we use imaginative ways to call attention to key points. Look for colored text, bold print, bullets, and charts. These relate to important theories your students must remember and makes chapter review for tests much easier! Learning strategy: More complex technicals include a checkmark beside any step that calls for specific safety precautions. This indicates an ideal moment to check on a client's comfort level. - Publisher.
