Aber Robin geht seinen Weg, der ihn schließlich zurück in die Welt von Hof, Adel und Ritterschaft führt. An der Seite des charismatischen Duke of Lancaster erlebt er Feldzüge, Aufstände und politische Triumphe - und begegnet Frauen, die ebenso schön wie gefährlich sind. Doch das Rad der Fortuna dreht sich unaufhörlich, und während ein junger, unfähiger König England

ins Verderben zu reißen droht, steht Robin plötzlich wieder seinem alten Todfeind gegenüber ... Die Hüter der Rose. Und die Tatsache, dass seine Zwillingschwester eine gesuchte Verbrecherin ist, macht Julian verwundbar ... Der dunkle Thron. London 1529: Nach dem Tod seines Vaters erbt der vierzehnjährige Nick of Waringham eine heruntergewirtschaftete Baronie - und den unversöhnlichen Groll des Königs Henry VIII. Dieser will sich von der katholischen Kirche lossagen, um sich von der Königin scheiden zu lassen. Bald sind die "Papisten", unter ihnen

auch Henrys Tochter Mary, ihres Lebens nicht mehr sicher. Doch in den Wirren der Reformation setzen die Engländer ihre Hoffnungen auf Mary, und Nick schmiedet einen waghalsigen Plan, um die Prinzessin vor ihrem größten Feind zu beschützen: ihrem eigenen Vater ...

Mae Summers and Gabe Broadbent grew up together in the idyllic Summers' Inn, perched at the edge of Alexandria Bay in upstate New York. Mae was orphaned at the age of six and Gabe needed protection from his alcoholic father, so both were raised under one roof by Mae's grandparents, Lily and George. A childhood friendship quickly developed into a first love—a love that was suddenly broken by Gabe's unexpected departure. Mae grew up and got over her

heartbreak, and started a life for herself in New York City. After more than a decade, Mae and Gabe find themselves pulled back to Alexandria Bay by separate forces. But Mae finds her grandparents in the midst of decline and their past unravelling around her, because of a terrible secret that was never meant to be revealed—one that will change Mae's future forever. With honesty and heart, Marissa Stapley reminds us of the redemptive power of love and forgiveness, and that, ultimately, family is a choice.

An orphan leaves Dark Ages London to study medicine in Persia in this "rich" and "vivid" historical novel from a New York Times–bestselling author (The New York Times). A child holds the hand of his dying mother and is terrified, aware something is taking her. Orphaned and given to an itinerant barber–surgeon, Rob Cole becomes a fast–talking swindler, peddling a worthless medicine. But as he matures, his strange gift—an acute sensitivity to impending death—never leaves him, and he yearns to become a healer. Arab madrassas are the only authentic medical schools, and he makes his perilous way to Persia. Christians are barred from Muslim schools, but claiming he is a Jew, he studies under the world's most

renowned physician, Avicenna. How the woman who is his great love struggles against her only rival—medicine—makes a riveting modern classic. The Physician is the first book in New York Times–bestselling author Noah Gordon's Dr. Robert Cole trilogy, which continues with Shaman and concludes with Matters of Choice.

"Pope Joan has all the elements one wants in a historical drama—love, sex, violence, duplicity, and long–buried secrets. Cross has written an engaging book."—Los Angeles Times Book Review

In this international bestseller and basis for the 2009 movie of the same name, Donna Woolfolk Cross brings the Dark Ages to life in all their brutal splendor and shares the dramatic story of a woman whose strength of vision led her to defy the social restrictions of her day. For a thousand years her existence has been denied. She is the legend that will not die—Pope Joan, the ninth–century woman who disguised herself as a man and rose to become the only female ever to sit on the throne of St. Peter. Now in

this riveting novel, Cross paints a sweeping portrait of an unforgettable heroine who struggles against restrictions her soul cannot accept. Brilliant and talented, young Joan rebels against medieval social strictures forbidding women to learn. When her brother is brutally killed during a Viking attack, Joan takes up his cloak—and his identity—and enters the monastery of Fulda. As Brother John Anglicus, Joan distinguishes herself as a great scholar and healer. Eventually, she is drawn to Rome, where she becomes enmeshed in a dangerous web of love, passion, and politics. Triumphant over appalling odds, she finally attains the highest office in Christendom—wielding a power greater than any woman before or since. But such power always comes at a price . . .

"Brings the savage ninth century vividly to life in all its alien richness. An enthralling, scholarly historical novel."—Rebecca Fraser, author of *The Brontës Majestic Giant of the Animal Kingdom*

Where does a moderately popular internet star who never leaves her house look for potential suitors? Online. Tinder, Bumble, Match.com, OkCupid—I tried them all. My thirty-one-year-old self clicked and swiped her little heart out, leading to more dates than I could count, and more disappointment than I was prepared for. Maybe you can relate. Maybe you know all too well the perils of modern dating. But let's say, eventually,

you meet someone. You think to yourself, "Wow, they're perfect! Take me off the market, put a ring on it, knock me up, the whole enchilada, because they are 'the one.'" Let's also say that they "feel the same way" about you. Your life starts to make sense! All the pain, heartbreak, and frustration from past failed relationships was worth it. Slow clap. That's how I felt about Milos. He was from Europe, a doctor, wealthy, athletic. He had an accent and a dog. Milos was textbook marriage material. For him it was "love at first sight," but for me, it was "anxiety on every date." Something was telling me to run—but for two years, the only running I did was straight into his arms. If only I would have listened. This isn't a love story. It's my story of survival.
