Hindutva icon or secular nationalist? Feudal potentate or peasants' king? Protector of cows and brahmans or shudra ruler? Medieval marauder or builder of an empire?//Who was Shivaji?//This punchy, readable book provides a new perspective on a popular hero of Indian history. After this, Shivaji will never be the same again.//Govind Pansare was one of Maharashtra's most prominent public intellectuals. And among the bravest. He was felled by an assassin. But his rationalist view of human history is impossible to kill. This book is testimony to the power of ideas.

Have you ever imagined living in a fantasy world? Beautiful castles, islands floating in the air, a ride on an airship or resting with the fairies under a mushroom umbrella? Then this book is for you. Beautiful Scenes from a Fantasy World is the second title in the Everyday Scenes from Parallel Worlds series. It showcases background artworks featuring fantasy worlds: celestial castles, pirate ships sailing through the clouds, retro-futuristic inventions, deserted architectural spaces, towns that have sunk under the ocean, an enchanted forest, and a space locomotive that runs in a neo-futuristic world. Featuring only a few

anthro angels, dragons and other imaginary animals, attention is focused primarily on the beauty of the illustrated backgrounds from popular anime, manga and game creators. The fantasy illustrations in this collection are beyond your wildest imaginings and will surprise and inspire all kinds of art lovers. It might even make you look at the world differently.

1883-84 Leftword Books

Ptolemy's Almagest is one of the most influential scientific works in history. A masterpiece of technical exposition, it was the basic textbook of astronomy for more than a thousand years, and still is the main source for our knowledge of ancient astronomy. This translation, based on the standard Greek text of Heiberg, makes the work accessible to English readers in an intelligible and reliable form. It contains numerous corrections derived from medieval Arabic translations and extensive footnotes that take account of the great progress in understanding the work made in this century, due to the discovery of Babylonian records and other researches. It is designed to stand by itself as an interpretation of the original, but it will also be useful as an aid to reading the Greek text.

Lucknow Astrotech Lab

This book presents a feminist mapping of the articulation and suppression of female desire in Hindi films, which comprise one of modern India's most popular cultural narratives. It explores the lineament of evil and the corresponding closure of chastisement or domesticity that appear as necessary conditions for the representation of subversive female desire. The term 'bad' is used heuristically, and not as a moral or essential category, to examine some of the iconic disruptive women of Hindi cinema and to uncover the nexus between patriarchy and other hierarchies, such as class, caste and religion in these representations. The twenty-one essays examine the politics of female desire/s from the 1930s to the present day - both through in-depth analyses of single films and by tracing the typologies in multiple films. The essays are divided into five sections indicating the various gendered desires and rebellions that patriarchal society seeks to police, silence and domesticate.

Twelve Years a Slave Liberty Publication

This work focuses on the factors critical to successful injection moulding, including

knowledge of plastic materials and how they melt, the importance of mould design, the role of the screw, and the correct use of the controls of an injection moulding machine. It seeks to provide operating personnel with a clear understanding of the basics of injection moulding. Star Wars: The Secrets of the Sith CRC Press

Time Sang-E-Meel Publication

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." - an excerpt

Practical Injection Molding Prabhat Prakashan

Doomed to Fail explores the heaviest music the world has ever heard, tracing doom, sludge, and post-metal as their own

distinct (and incredibly loud) traditions. Anselmi covers the bands and musicians that have impacted those styles most--Black Sabbath, Candlemass, Melvins, Eyehategod, Godflesh, Neurosis, Saint Vitus, and many others--while diving into the cultural doom that has spawned such music, from the bombing of Birmingham and hurricane devastation of New Orleans to glaring economic inequality, industrial alienation, climate change, and widespread addiction. Along the way, Anselmi interweaves the musical experiences that have led him to proudly identify as one of the doomed.

Best Gay Erotica 2010 Society of Manufacturing Engineers

PUBLISHERS WEEKLY BEST BOOK OF THE YEAR In "one of the most sensitive, nuanced examinations of father and son relationships" (The Boston Globe), award-winning writer Chris Offutt struggles to understand his recently deceased father, based on his reading of the 400-plus novels his father—a well-known writer of pornography in the 1970s and 80s—left him in his will. Andrew Offutt was considered the "king of twentieth-century smut," with a writing career that began as a strategy to pay for his son's orthodontic needs and soon took on a life of its own, peaking during the 1970s when the commercial popularity of the erotic novel reached its height. With his dutiful wife serving as typist, Andrew wrote from their home in the Kentucky hills, locked away in an office no one dared intrude upon. In this fashion he wrote more than four hundred novels, including pirate porn, ghost porn, zombie porn, and secret agent porn. The more he wrote, the more intense his ambition became and the more difficult it was for his children to be part of his world. Over the long summer of 2013, his son, Chris, returned to his hometown to help his now widowed mother move out of his childhood home. As he began to examine his father's manuscripts and memorabilia, journals, and letters, he realized he finally had an opportunity to gain insight into the difficult, mercurial, sometimes cruel man he'd loved and feared in equal measure. Only in his father's absence could he truly make sense of the man and his legacy. In My Father, the Pornographer, Offutt takes us on the journey with him, reading his father's prodigious literary output as both a critic and as a son seeking answers. He "enters the darkest and most mysterious of places—the cave of a monstrous

enigma named Andrew J. Offutt—armed with nothing but his own restless curiosity.

Spoiler alert: He makes it out alive, walking into the daylight to bring us a deeper, funnier, more tender and more

heartbroken truth—and his masterpiece” (Michael Chabon).
