Return to the golden age of adventure with this gorgeously wrought, action-packed, globetrotting tale that combines the bravura storytelling of Kipling with the irresistible, illustrative style of Hergé's Adventures of Tintin. Behind the staid public rooms of an old world gentlemen's club operates a more mysterious organization: The Explorers Guild, a clandestine group of adventurers who bravely journey to those places in which light gives way to shadow and reason is usurped by myth. The secrets they seek are hidden in mountain ranges and lost in deserts, buried in the ocean floor and lodged deep in polar ice. The aim of The Explorers Guild: to discover the mysteries that lie beyond the boundaries of the known world. This beautifully produced combination graphic novel and adventure tale, set against the backdrop of World War I, concerns the Guild's quest to find the golden city of Buddhist myth. The search will take them from the Polar North to the Mongolian deserts, through the underground canals of Asia to deep inside the Himalayas, before the fabled city finally divulges its secrets and the globe-spanning journey plays out to its startling conclusion. "With its colorful cast, exotic locales, and intertwined fates, the book slowly addicts. A rousing throwback whose spinning plates never stop, even at the end," (Kirkus Reviews), The Explorers Guild is perfect for fans of the adventures of J.J. Abrams and C.S. Lewis.

Dances with Wolves Grand Central Publishing

An overview of Indian representation in Hollywood films. The author notes the change in tone for the better when--as a result of McCarthyism--filmmakers found themselves among the oppressed. By an Irish-Cherokee writer.

Dances with Wolves iUniverse

The Pawnees have appeared in many historical documents, from early Spanish accounts and journals of American explorers and adventurers to fascinating accounts of daily life by Quaker agents and Presbyterian missionaries during the nineteenth century. In recent years, Pawnee activists have taken the lead in the repatriation struggle and have fought for respectful burials of their ancestors' remains. This is the first comprehensive bibliography of the Pawnees, examining a wide spectrum of books and journals on Pawnee history, culture, and ethnology. Chapters are devoted to topics such as: Pawnee archaeology and anthropology, Myths and legends, Social organization, Material culture, Music and dance, Religion, Education, Repatriation. Entries are thoroughly annotated and evaluated, making this up-to-date research tool essential for historians, ethnologists, and other Pawnee researchers.

Dances with Wolves Random House Trade Paperbacks

The book that inspired the epic movie, Dances with Wolves, and its sequel, The Holy Road, together in one volume for the first time. 1863. The last occupant of Fort Sedgewick, Lieutenant John Dunbar watches over the American frontier. A thousand miles back East, his comrades are locked in battle with the Confederates, but out here he is alone... His desolate posting will bring him into contact with the lords of the southern plains - the Comanche. He has no knowledge of their customs but Dunbar is intrigued by these people and begins a transformation from which emerges a different man... a man called Dances With Wolves. In The Holy Road, it is now 1874 and times are hard for the Plains Indians. The white man is closing in from all directions, claiming land, driving the tribes on to reservations. Should the Comanche fight or make peace? Misunderstanding and duplicity leads to raids and atrocities on both sides that can have only one conclusion. The man that was John Dunbar must go to war again...

Press kit includes 4 pamphlets, 3 sheets of loose copy, 3 slides, and 11 and 1/2 photographs. - *Workbook / Else Brendholdt, Jean McVeigh. - 1993. - Holsted : Futurum, 1993. - 28 s* Scarecrow Press

Rewarded for his heroism in the Civil War, Lt. John Dunbar wants to see the American frontier before it is gone. He is assigned to an abandoned fort, with a Sioux tribe as his only neighbor. They overcome the language barrier and mutual fear and distrust to become friends. His knowledge of their ultimate fate forces him to make a crucial decision.

The Holy Road Simon and Schuster

In his Nautilus Award-winning classic Touching Spirit Bear, author Ben Mikaelson delivers a powerful coming-of-age story of a boy who must overcome the effects that violence has had on his life. After severely injuring Peter Driscal in an empty parking lot, mischief-maker Cole Matthews is in major trouble. But instead of jail time, Cole is given another option: attend Circle Justice, an alternative

program that sends juvenile offenders to a remote Alaskan Island to focus on changing their ways. Desperate to avoid prison, Cole fakes humility and agrees to go. While there, Cole is mauled by a mysterious white bear and left for dead. Thoughts of his abusive parents, helpless Peter, and his own anger cause him to examine his actions and seek redemption—from the spirit bear that attacked him, from his victims, and, most importantly, from himself. Ben Mikaelson paints a vivid picture of a juvenile offender, examining the roots of his anger without absolving him of responsibility for his actions, and questioning a society in which angry people make victims of their peers and communities. Touching Spirit Bear is a poignant testimonial to the power of a pain that can destroy, or lead to healing. A strong choice for independent reading, sharing in the classroom, homeschooling, and book groups.

The Wolves of Helmand Voyageur Press (MN)

A Study Guide Continuum International Publishing Group

Schiller explores how corporate domination is changing the political and social underpinnings of the Internet. He argues that the market driven policies which govern the Internet are exacerbating existing social inequalities.

Dirty Dancing with Wolves and Other Movie Sequels that Never Made it Off the Drawing Board Routledge

The thrilling Newbery Medal-winning classic about an Eskimo girl lost on the Alaskan tundra Julie of the Wolves is a staple in the canon of children's literature and the first in the Julie trilogy. The survival theme makes it a good pick for fans of wilderness adventures such as My Side of the Mountain, Hatchet, or Island of the Blue Dolphins. This edition, perfect for classroom or home use, includes John Schoenherr's original scratchboard illustrations throughout, as well as bonus materials such as an introduction written by Jean Craighead George's children, the author's Newbery acceptance speech, selections from her field notebooks, a discussion guide, and a further reading guide. To her small Eskimo village, she is known as Miyax; to her friend in San Francisco, she is Julie. When her life in the village becomes dangerous, Miyax runs away, only to find herself lost in the Alaskan wilderness. Miyax tries to survive by copying the ways of a pack of wolves and soon grows to love her new wolf family. Life in the wilderness is a struggle, but when she finds her way back to civilization, Miyax is torn between her old and new lives. Is she Miyax of the Eskimos—or Julie of the wolves? Don't miss any of the books in Jean Craighead George's groundbreaking series: Julie of the Wolves, Julie, and Julie's Wolf Pack.

Describes the project to return wolves to Yellowstone, including the wolves' capture, relocation, acclimation, and tracking

A Novel of Kublai Khan Harper Collins

After the Civil War an army officer is sent west and becomes deeply involved in the affairs of a Sioux Indian tribe.

Dances with Wolves, Directed by Kevin Costner Fawcett Books

At turns poignant, funny, philosophical, and raw—but always real—The Wolves of Helmand is both a heartfelt homage to the Marine brotherhood with whom Biggio served and an expression of respect and love for the people of Afghanistan who ultimately trusted, shared, and appreciated their purpose. Ten years after serving his country as a U.S. Marine, Captain Frank “Gus” Biggio signed up once again because he missed the brotherhood of the military. Leaving behind his budding law career, his young wife, and newborn son, he was deployed to Helmand Province—the most violent region in war-torn Afghanistan—for reasons few would likely understand before reading this book. Riven by conflict and occupation for centuries because of its strategic location, the region he landed in was, at that time, a hotbed of Taliban insurgency. As a participant in the landmark U.S.-led Operation Khanjar, Biggio and his fellow Marines were executing a new-era military strategy. Focused largely on empowerment of the local population, the offensive began with a troop surge designed to thwart the Taliban, but was more importantly followed by the restoration of the local government and real-time capacity building among the withdrawn and destitute Afghan people. The Wolves of Helmand is unlike other war memoirs. It takes us less into the action—though there is that too—and more into the quiet places of today's war zones. Yes, you'll read of our Marines' stealth arrival in a single night, our advanced weaponry, and our pop-up industrial village command centers. You'll read, as well, about the ambushed patrols and the carnage of IEDs. But you will also read of the persistence, humility, ruggedness, loneliness, tedium, diplomacy, and humanity of our Marines' jobs there, which more than anything else reveals the magnitude of even the smallest victories. Completed years after the author's return from his mission, The Wolves of Helmand is most of all a decade-long self-examination of a warrior's heart, conscience, and memory. Whether intended or not, Biggio's deep reflections and innate honesty answer every question you've ever wanted to ask about life and death in war—and even questions you probably never thought to ask. What calls a warrior to duty? What makes, sustains, plagues, and even breaks a warrior? These are bigger questions than the ones impolite society pokes around when a veteran returns home—Did you kill anyone? Did you have to go? Why would you fight for another country? Why were we even there? Yet the answers to those queries are here, too, in this thoughtful memoir that will make you think about war, family, love, and loss.
