In turn, she listens to and takes care of the Bear. Hi, I'm Celestine Woods. Most people call me Chellie. If you are one of my 850K followers, you might know me as the super successful influencer, but more than likely you probably know me as the woman who had an alcohol-fueled meltdown at the biggest New Year's Eve party in the world after getting dumped by her former rock star boyfriend, who then publicly professed his love for his new girlfriend in a song, before getting engaged a week later. So, I went to Black Bear Mountain, a cabin resort in the Catskill Mountains, to relax, recharge, rehab my image and toss in a couple sponsored posts. The only hitch in my plan for R&R is the sexy, but grumpy, lumberjack who runs the place. His people skills leave a lot to be desired and it's no wonder I'm the only guest. His resort and my image could both use a little TLC, so we formed a truce and teamed up to help each other. My social media know-how, my smartphone, a gorgeous grumpy mountain man and a strangely friendly bear that keeps coming to my window every night is the perfect recipe for project
