Sounds Like Teen Spirit Hal Leonard Corporation

South Africa possesses one of the richest popular music traditions in the world - from marabi to mbaqanga, from boeremusiek to bubblegum, from kwela to kwaito. Yet the risk that future generations of South Africans will not know their musical roots is very real. Of all the recordings made here since the 1930s, thousands have been lost for ever, for the powers-that-be never deemed them worthy of preservation. And if one peruses the books that exist on South African popular music, one still finds that their authors have on occasion jumped to conclusions that were not as foregone as they had assumed. Yet the fault lies not with them, rather in the fact that there has been precious little documentation in South Africa of who played what, or who recorded what, with whom, and when. This is true of all music-making in this country, though it is most striking in the musics of the black communities. Beyond Memory: Recording the History, Moments and Memories of South African Music is an invaluable publication because it offers a first-hand account of the South African music scene of the past decades from the pen of a man, Max Thamagana Mojapelo, who was situated in the very thick of things, thanks to his job as a deejay at the South African Broadcasting Corporation. This book - astonishing for the breadth of its coverage - is based on his diaries, on interviews he conducted and on numerous other sources, and we find in it not only the well-known names of recent South African music but a countless host of others whose contribution must be recorded if we and future generations are to gain an accurate picture of South African music history of the late 20th and early 21st centuries.

I'll Be Your Mirror Hal Leonard Corporation

The first collection of academic essays focused entirely on the musical, historical, cultural and media impact of the Rolling Stones.

Radiohead Piano Songbook Vancouver

A concise yet comprehensive account of the origins and evolution of rock music, emphasizing its interaction with social change and cultural trends. The narrative begins with ``the birth of the blues" and proceeds to discuss the major (and mention the minor) performers and to identify the significant styles. These include Fifties rockabilly, folk/protest, the British Invasion, acid rock, punk/New Wave, and Eighties revivalism. Using a lively, anecdotal approach and pertinent quotes, the author examines the appropriate political, economic, technological, or psychological context of each topic, e.g., the relationship between Dylan's music and JFK's New Frontier. A primary focus throughout is on the contributions of blacks and the role of racism. Paul Feehan, Univ. of Miami Lib., Coral Gables, Fla. - Library Journal.

Rumours Of Glory Alfred Music

We are going to take you on stage - back stage - and into the lives of the rockers.We will examine their lyrics - and how the captivating tonal elements in the music are fitted together.We will discover why rock music affects people so powerfully - and how it changes those who play it and listen to it.We will learn what makes rock so captivating to the senses - and listen to men and women who tell how it changed their lives.We will also discover how it originated 3,000 years ago - and the purpose it has been used for every since.We will learn when and how it penetrated Christian churches - and what has happened to them since.We will read about how 280 rock stars died and what killed them.It is all here - the whole story of Rock Music and related musical forms - and the demonic forces behind the scenes, capturing and destroying human beings.

How to Write Songs on Guitar Welcome Books

"A fun read that'll have you replaying the songs in your mind and on your stereo." -Chicago Tribune Have you ever listened to a new song and felt as if you'd heard it before? It's not your imagination. Melodies are "borrowed," consciously or subconsciously, more than you might think. For instance, do you know: That U2's "Beautiful Day" shares part of its tune with an a-ha hit from the eighties? Why Huey Lewis was so upset when he first heard Ray Parker Jr.'s "Ghostbusters"? How John Lennon's classic "Imagine" bears an uncanny resemblance to a novelty record cut by his dad? Sounds Like Teen Spirit tells the fascinating true stories behind these and many other "sound-alike" songs. Showcasing well-known artists from the Beatles to Kraftwerk, the Staple Singers to U2, it's a virtual catalog of pop music's "secret history" for casual and hardcore rock-and-roll fans alike. With this entertaining and informative guide, you'll be surprised by the tremendously varied musical influences on your favorite songwriters and performers, and you'll develop a genuine appreciation for what it takes to create a melody that is comfortable and pleasing and yet fresh and original. Best of all,

you're sure to discover some great artists and songs and hear familiar music in a fresh, new way!

Coldplay Sheet Music Collection Hal Leonard Corporation

From his first performance at age four, Willie Nelson was driven to make music and live life on his own terms. But though he is a songwriter of exceptional depth - "Crazy" was one of his early classics - Willie only found success after abandoning Nashville and moving to Austin, Texas. Red Headed Stranger made country cool to a new generation of fans. Wanted: The Outlaws became the first country album to sell a million copies. And "On the Road Again" became the anthem for Americans on the move. A craggy-faced, pot-smoking philosopher, Willie Nelson is one of America's great iconoclasts and idols. Now Joe Nick Patoski draws on over 100 interviews with Willie and his family, band, and friends to tell Nelson's story, from humble Depression-era roots, to his musical education in Texas honky-tonks and his flirtations with whiskey, women, and weed; from his triumph with #1 hit "Always On My Mind" to his nearly career-ending battles with debt and the IRS; and his ultimate redemption and ascension to American hero

Ivor Novello Song Album Hal Leonard Corporation

Ivor Novello (born David Ivor Davies) was a Welsh composer, singer and actor who became one of the most popular British entertainers of the early 20th century. He first became well known through the song Keep the Home Fires Burning which he composed during World War I. After the war, he began a film career, and also appeared on stage in the West End, in musical shows of his own devising, most notably The Dancing Years. Novello starred in two early Hitchcock films before heading to Hollywood and appeared in some successful films. He died in 1951, at a fairly young age of 58. Titles: And Her Mother Came Too! * Music in May * Rose of England * I Can Give You the Starlight * My Dearest Dear * My Life Belongs to You * Waltz of My Heart * Fold Your Wings * Glamorous Night * Shine * Through My Dreams * Fly Home, Little Heart * Some Day My Heart Will Awake * Love Is the Reason * We'll Gather Lilacs * Keep the Home Fires Burning (Till the Boys Come Home).

Outlaw Pete Alfred Publishing Company

Explains how to create songs to be played on guitar, including advice on such basics of songwriting as structure, rhythm, melody, and lyrics.
