unparalleled teaching support make the

Oxford Picture Dictionary Program what

every classroom needs to build students'

vocabulary, reading, and critical thinking

skills.

**Oxford Picture Dictionary** Penguin  
4,000 words and phrases are organized thematically within 163 topics. Includes English to Spanish translations of vocabulary throughout, and an extensive index in Spanish at the back of the book. A fully integrated vocabulary development program in American English, progressing from essential words to the more complex, delivered in short thematic units. Realistic scenarios and modern artwork are easy to relate to and these, together with story pages and practice exercises, have been applauded for their success in promoting critical thinking skills. Content is fully supported by a range of components (in English only) - including Workbooks, Classroom Activities, Audio and website. *Oxford Picture Dictionary for the Canadian Content Areas* Oxford University Press, USA

Provides Spanish and English equivalents for over four thousand words using picture dictionary style illustrations.

*The Basic Oxford Picture Dictionary* Oxford University Press, USA

The OPD Second Canadian Edition English/Chinese is an illustrated, theme-based dictionary for second-language

learners. This four-colour dictionary defines words through pictures, and presents each new word in context. The OPD English/Chinese, along with the monolingual workbooks and many other components, can be used as a reference book or as text for high school or adult ESL students at the beginner level. For years, the first monolingual Canadian edition of the OPD has been the industry leader among picture dictionaries. The second edition expands on the topics covered, providing more depth of vocabulary in the areas that matter most to students and offers Chinese speakers the additional advantage of having words and phrases defined in their native language. The illustrations have been completely updated in a more realistic style that is visually appealing to adult learners. The second edition also contains two new features: Introductory Pages and Story Pages. The Introductory Pages have been added to the beginning of each theme to give lower-level students a basic overview of key vocabulary words, and to give a starting point for discussion and an introduction to the theme for more advanced students. The Story Pages

consist of a two-page spread at the end of each theme to help students use the words in context and practise their reading skills. The OPD English/Chinese is designed for use both in and out of the classroom. Speaking exercises are presented throughout the OPD to allow students to practise new vocabulary in pairs or small groups, while the pronunciation guide in the index allows students to check their pronunciation when they are studying on their own.

**Italian Picture Word Book** Oxford University Press, USA

The Cambridge Advanced Learner's Dictionary gives the vital support which advanced students need, especially with the essential skills: reading, writing, listening and speaking.
