When her father gets popped in an armed robbery and her mother turns to drugs, Saucy is left to scratch out a life for herself on the streets of Harlem, and this city-slick vixen refuses to become a victim. Young, hot, and hungry for the spotlight, Saucy has a full package and uses her assets to get whatever she wants. 128th Street has its own rules, and she knows them well.

With sex as her weapon of choice, Saucy uses her beauty and her body to hustle her way straight into the heart of the hip-hop underworld, preying upon any man—or woman—who might help her get ahead. But Saucy just can't get enough. Her calculating nature and insatiable appetite for power and prestige tempt her into dangerous waters, and before long she finds herself in too deep. The

shot callers of the hip-hop world have a few tricks for Saucy—a gutter plan to force her back onto the very streets that she came from. But Saucy refuses to go down easy. Material Girl 2:  
Urban Books

A controversial new novel from critically acclaimed Essence bestseller Reginald L. Hall explores the attraction of dating a bad boy from an entirely new angle. During college, Juan Jiles fell in love with Darrell, who convinced Juan to help him rob one of

Philadelphia's largest banks. During the heist, Darnell is killed, and Juan escapes with more than \$175,000. After mourning the loss of his lover, Juan begins rebuilding his life and uses the money to open a popular celebrity hair salon. Then along comes Bryant Thompson, a street thug with drugs, drama, and deception in tow. Juan falls in love with the hustling, muscle-bound

Bryant and soon succumbs to Bryant's addictive world. Juan's life starts to spin out of control, and he realizes that his meeting Bryant didn't happen by chance. A story of a man doomed by passion, *In Love with a Thug* is by turns a humorous, tragic, and hard-hitting look at the cost of destructive love and the price some pay for true happiness.

of the author's fiction. Angela Carter is revealed here, anew, as one of the most important thinkers of twentieth-century world literature—an d one of its most pungent voices."—Rick Moody One of contemporary literature's most original and affecting fiction writers, Angela Carter also wrote brilliant nonfiction. *Shaking a Leg* comprises the best of her essays and criticism, much of it collected for the first time.

Carter's acute observations are spiked with her piercing matter-of-factness, her devastating wit, her penchant for mockery, and her passion for the absurd. Whether discussing films or food, feminism or fantasy, science fiction or sex, Carter consistently explores new territories and overturns old ideas. No cultural icon escapes her scrutiny; as in her fiction, Carter offers glorious evidence of

the transforming power of the imagination. From delightfully wicked commentaries on *Gone with the Wind*, a Japanese fertility festival, and fellow writers, including Lawrence, Lovecraft, Borges, and Burroughs, to enchanting personal essays, Carter shares her thoughts and herself with glee. "What a wonderful collection—sharp, funny, too decent for sarcasm but great wit and

humanity, an unusual combination. But it makes us miss her, miss laughing with her, that real, intelligent, tough writing woman."—Grace Paley
