A Patchwork Quilt HarperCollins

Maharashtra. Among the country's largest, wealthiest, most significant constituents. A great state in name and in deed that has been the cradle of individuals and events that have shaped India. Girish Kuber - seasoned journalist and one of Maharashtra's foremost opinion makers - tells its story in Renaissance State. Taking in his vast sweep the region's politics, society and history from the time of the Satavahanas down to the present day, he chronicles a number of lesser-known tales: the empire that brought the mighty Mughals to their knees, the woman who took the issue of consent in marital sex right up to Queen Victoria, the social reformers who were far ahead of their time, the evolution of movements of the right and left as well as for Dalit identity, and the long tradition of this great land of always standing up to Delhi. This is the account of the making of Maharashtra that its proud people deserved but had remained unwritten.

The Global Corporation That Built Indian Capitalism Harper Collins

Biography of Jehangir Ratanji Tata, b. 1904, industrialist from India.

The Wit & Wisdom of Ratan Tata Platinum Spotlight Series

The first and only authorized biography on Tata Group including the Tata-Mistry legal battle, exclusive interviews with Ratan Tata, and never-before-seen photographs of the Tata family. In 1868, Jamsetji Tata, a visionary of his time, lit the flame that went on to become Tata and its group of companies. This business grew into an extraordinary one. One that some may even call 'the greatest company in the world'. Over the decades, the business expanded and prospered under the leadership of the various keepers of the flame, such as Sir Dorabji Tata, J.R.D. Tata and Ratan Tata, to name a few. But one day, the headlines boldly declared that the chairman of the board of Tata Sons, Cyrus Mistry, had been fired. What went wrong? In this exclusive and authorized book, insiders of the Tata businesses open up to Peter Casey for the first time to tell the story. From its humble beginnings as a mercantile company to its growth as a successful yet philanthropic organization to its recent brush with Mistry, this is a book that every business-minded individual must read.

My Years with the Tatas Penguin Random House India Private Limited

Originally written in Marathi, 'Ayurveda Garbha Sanskar' is a book that serves as a guide to a couple who are looking to start a family, starting out by getting pregnant, giving birth to a healthy child and nurturing the little one. The book comprehensively provides people everything that a person wants

to know about conceiving, pregnancy and delivery to nurturing the little one for up to 2 years of age. Not simply a book laden with known-lectures, rather this book can be seen as an elaboration of various ancient Ayurvedic practices that leads to the complete well-being of the mother and child's physical, spiritual and psychological health. It also advises on the traditional herb mixes, yoga, music and mantras that the new-mothers or the mothers-to-be may find helpful. Besides, this book also charts a nutritious Ayurvedic diet-plan for the couples to detoxify their bodies and be healthy in the right sense of the term. Once a mother conceives, she must be able to nourish and condition the little one in her womb. Likewise, this book also provides a month-by-month nutrition plan that helps in proper nourishment of the baby. Yoga and full-body herbal oil massages during pregnancy are also recommended for the mothers-to-be along with a list of health tonics prescribed in this book. In order to reach out to more people worldwide, this book has been translated in English, and is available in hardcover.

Renaissance State The Unwritten Story of the Making of Maharashtra Harper Collins

[Indian Icon](#) Harper Collins

An eye-opening portrait of global capitalism spanning 150 years, told through the history of the Tata corporation. Nearly a century old, the grand façade of Bombay House is hard to miss in the historic

business district of Mumbai. This is the iconic global headquarters of the Tata Group, a multinational corporation that produces everything from salt to software. After getting their start in the cotton and opium trades, the Tatas, a Parsi family from Navsari, Gujarat, ascended to commanding heights in the Indian economy by the time of independence in 1947. Over the course of its 150-year history Tata spun textiles, forged steel, generated hydroelectric power, and took to the skies. It also faced challenges from restive workers fighting for their rights and political leaders who sought to curb its power. In this sweeping history, Mircea Raianu tracks the fortunes of a family-run business that was born during the high noon of the British Empire and went on to capture the world's attention with the headline-making acquisition of luxury car manufacturer Jaguar Land Rover. The growth of Tata was a complex process shaped by world historical forces: the eclipse of imperial free trade, the intertwined rise of nationalism and the developmental state, and finally the return of globalization and market liberalization. Today Tata is the leading light of one of the world's major economies, selling steel, chemicals, food, financial services, and nearly everything else, while operating philanthropic institutions that channel expert knowledge in fields such as engineering and medicine. Based on painstaking research in the company's archive, Tata elucidates how a titan of industry was created and what lessons its story may hold for the future of global capitalism.

Mukund Joshi is fourteen and newly in love. He attends the same private tuitions as his classmate, Shirodkar, just for a glimpse of her, and follows her back home every day. Sadly, she has not a clue that he is pining away for her, because in their society, boys and girls don't interact freely, much less talk about love. When he's not negotiating the tricky alleys of love, Mukund sits around the school field or loafs about town with his close friends, Surya, Chitre and Phawdya, railing against the education system, and debating ideas such as discipline and Bohemianism. Set in a small Maharashtrian town during the Emergency of 1975, *Shala* is a heart-warming, nuanced novel about the adolescent struggles that are as tortuous in real time as they are amusing in retrospect.

As a \$3-trillion economy, India is on her way to becoming an economic superpower. Between 1991 and 2011, the period of our best growth, there was also a substantial decline in the number of people below the poverty line. Since 2011, however, there has been a marked retreat in the high growth performance of the previous two decades. What happened to the promise? Where have we

faltered? How do we change course? How do we overcome the ever-present dangers of the middle-income trap, and get rich before we grow old? And one question above all else: What do we need to do to make our tryst with destiny? As professional economists as well as former civil servants, Vijay Kelkar and Ajay Shah have spent most of their lives thinking about and working on these questions. The result: *In Service of the Republic*, a meticulously researched work that stands at the intersection of economics, political philosophy and public administration. This highly readable book lays out the art and the science of the policymaking that we need, from the high ideas to the gritty practicalities that go into building the Republic.

Immediately upon completing his DPhil degree, young Mukund Rajan came back to India and joined the Tata group as Ratan Tata's executive assistant. Over the next twenty-three years, as he worked closely with Ratan Tata, he got an inside view of the ups and downs, the controversies and achievements of the Tata group. In this book, his memoirs, he talks of what really went on during those turbulent times and how the Tatas pulled through each of these situations. Along with that, this book offers a close portrait of the enigmatic Ratan Tata from his longest-serving executive assistant. *The Brand Custodian* is a study of the Tata group's evolution and explains the relevance of the conglomerate to the world we live in.

In The Footsteps Of Rama Harper Collins

The definitive account of India's biggest startup that redefined e-commerce, entrepreneurship and the way we shop and live. IIT graduates Sachin Bansal and Binny Bansal founded out of a Bangalore apartment what would become India's biggest e-commerce startup. Established in October 2007, Flipkart began as an online bookstore and soon came to be known for its 'customer obsession'. As the startup's reputation grew, so did its value, with venture capitalists in India and abroad lining up to invest heavily in the company that stood for bold ambition, unabashed consumerism and the virtues of technology. Investigative journalist Mihir Dalal recounts the astounding story of how the Bansals built Flipkart into a multi-billion-dollar powerhouse in the span of a few years and made internet entrepreneurship a desirable occupation. But it is also a story of big money, power and hubris, as both business and interpersonal complexities weakened the founders' control over their creation and forced them to sell out to a retailer whose dominance they had once dreamt of emulating. Flipkart's auction involved some of the corporate world's biggest names, from Jeff Bezos, Satya Nadella, Sundar Pichai to Masayoshi Son and Doug McMillon, an ironic testimony to the strength of what the Bansals had forged. Based on extraordinary research, extensive interviews and deep access to key characters in the Flipkart story, *Big Billion Startup* is the riveting and revealing account of how Sachin and Binny Bansal built and sold India's largest internet company.

Who was Shivaji? Harper Collins

A colorful and revealing portrait of the rise of India's new billionaire class in a radically unequal society India is the world's largest democracy, with more than one billion people and an economy expanding faster than China's. But the rewards of this growth have been far from evenly shared, and the country's top 1% now own nearly 60% of its wealth. In megacities like Mumbai, where half the population live in slums, the extraordinary riches of India's new dynasties echo the Vanderbilts and Rockefellers of America's Gilded Age, funneling profits from huge conglomerates into lifestyles of conspicuous consumption. James Crabtree's *The Billionaire Raj* takes readers on a personal journey to meet these reclusive billionaires, fugitive tycoons, and shadowy political power brokers. From the sky terrace of the world's most expensive home to impoverished villages and mass political rallies, Crabtree dramatizes the battle between crony capitalists and economic reformers, revealing a tense struggle between equality and privilege playing out against a combustible backdrop of aspiration, class, and caste. *The Billionaire Raj* is a vivid account of a divided society on the cusp of transformation—and a struggle that will shape not just India's future, but the world's.

Sleepless nights spent with a crying baby while balancing between a mother and a mother-in-law who think they know best how to take care of your child. Between an ayah who never washes her hands and a boss irate about the lateness of an important presentation. A husband who, like you, is learning the ropes of parenting, while being silently miffed at your inattention. Sounds familiar? Naomi George has done it all--from discovering that breastfeeding does not necessarily mean maternal bliss to stalking her daughter in playschool to finding the perfect job--before she learnt to find the right balance between being a mother and being a woman. She offers tips from hard-won experience on how best to express milk, sleep-train a baby, handle sibling conflict and choose the best pre-nursery. More importantly, she tells you how to fight self-doubt and baby blues, and focus on a life other than mothering. Eat right, find time to get back your flat tummy and slim legs, take short breaks to romance with your husband: these are the things that will make you healthier and happier. A must read for every mother, who is yet to learn how to love and care for herself as she does for her little one.
