Champion* Soho Press
There are very few among the Rulers of India whose history is so rich in both contents and materials as the history of Harsha. His early life and career form the subject matter of the Harsa-Charita of Banabhatta, who wrote on Harsha as his court poet from his personal and intimate knowledge of his life and rule, and has given to Sanskrit literature one of its very few biographical works. The India of Harsha is also described by another eye-witness, the famous Chinese pilgrim, Yuan Chwang, whose account reads like a Gazetteer in the scope of its inquiry and its wealth of details. To add to these two unique sources, we have several inscriptions of Harsha himself, a few of his great contemporary,

Pulakeshin II of the Deccan, and the larger body of inscriptions of the Gupta and later kings of northern India, which together throw considerable light on the history of Harsa, especially on the interesting but imperfectly explored topic of the administrative system developed in that glorious age for the successful governance of extensive empires. The book embodies a course of readership lectures delivered by the late author at Calcutta University.

Oops! I fell in love! AK Press

"In a gloomy, smoke-filled world where the sun has vanished, all light and warmth comes from the firestones mined underground by the Quelled - a people branded by the race known as Chosen. On her sixteenth birthday, the rebellious Quelled girl Elsha is selected as

handmaid to the Firelord - the most powerful of the Chosen. Suddenly Elsha is swept into a world of privilege, but also of prejudice and hatred and inequality. And her pursuit of her vision of a world of warmth, as sung about in the ancient myths, leads her on a dangerous path..."

Love, Hate & Other Filters

A knot in sixteen-year old Priyanka's chest forms from feelings that she never felt before. Guilt. Sadness. Confusion. Anger. She doesn't know what to do. She doesn't know who to go to. She can't take it anymore. So, will the voice at the back of her head be able to save her for the better? YOU JUST HAVE TO WAIT AND SEE.

Madeline's Christmas
Hachette India

When Mary got an opportunity to teach the kindergarten students in a historic school, her heart started to heal from her

tragic past. Though the love and affection from the children helped her to recover, a girl named 'Rose', who has been absent in her class everyday, breaks into her nightmares. Her promise to Aditya kept her away from distractions until Mary's mind is puzzled to see her dreams painted by Jennifer, the principal of the school. The spine-chilling mysteries and heart-warming emotions unfolds along with the blooming petals of a bright red rose in Jennifer's garden. Witness the journey of a red rose from cradle to coffin in the exotic wet-green lands of Ooty.

In *Border and Rule*, one of North America's foremost thinkers and immigrant rights organizers delivers an unflinching examination of migration as a pillar of global governance and gendered

racial class formation. Harsha Walia disrupts easy explanations for the migrant and refugee crises, instead showing them to be the inevitable outcomes of the conquest, capitalist globalization, and climate change that are generating mass dispossession worldwide. *Border and Rule* explores a number of seemingly disparate global geographies with shared logics of border rule that displace, immobilize, criminalize, exploit, and expel migrants and refugees. With her keen ability to connect the dots, Walia demonstrates how borders divide the international working class and consolidate imperial, capitalist, and racist nationalist rule. Ambitious in scope and internationalist in orientation, *Border and Rule* breaks through American exceptionalist and liberal responses to the migration crisis and cogently maps the lucrative connections between state violence, capitalism, and right-wing nationalism around the world. Illuminating the brutal mechanics of state formation, Walia exposes US border policy as a product of violent territorial expansion,

settler-colonialism, enslavement, and gendered racial ideology. Further, she compellingly details how Fortress Europe and White Australia are using immigration diplomacy and externalized borders to maintain a colonial present, how temporary labor migration in the Arab Gulf states and Canada is central to citizenship regulation and labor control, and how racial violence is escalating deadly nationalism in the US, Israel, India, the Philippines, Brazil, and across Europe, while producing a disaster of statelessness for millions elsewhere. A must-read in these difficult times of war, inequality, climate change, and global health crisis, *Border and Rule* is a clarion call for revolution. The book includes a foreword from renowned scholar Robin D. G. Kelley and an afterword from acclaimed activist-academic Nick Estes. [Inside the T20 Revolution](#) Penguin India
A Fine Balance, Rohinton Mistry's stunning internationally acclaimed bestseller, is set in mid-1970s India. It tells the story of four unlikely people whose lives come together during a time of

political turmoil soon after the government declares a "State of Internal Emergency." Through days of bleakness and hope, their circumstances – and their fates – become inextricably linked in ways no one could have foreseen. Mistry's prose is alive with enduring images and a cast of unforgettable characters. Written with compassion, humour, and insight, *A Fine Balance* is a vivid, richly textured, and powerful novel written by one of the most gifted writers of our time.

Like the Moon and the Sun is a story of culture, religion and politics in Indonesia through the eyes of a former United States diplomat who had close connections to Indonesia for nearly 30 years. Stanley Harsha first came to Indonesia as a young diplomat in 1986, returning for multiple diplomatic tours before retiring and writing this memoir. Acculturated into a Javanese family through marriage, he offers intimate perspectives on Indonesia's rich multicultural society and customs. This is the first book on Indonesia written by an American diplomat since a 1990 book by

Ambassador Marshall Green. The book will be of interest to anyone wanting to better understand Indonesia and U.S.-Indonesian relations, as well as issues of human rights, the war against terrorism and religious tolerance.

Appealing for Indonesians and Americans to better understand each other, the book compares the two societies. The title, *Like the Moon and the Sun*, comes from an Indonesian proverb describing a perfect match, representing the yin and yang of two contrasting peoples and traditions enhancing each other. Based on first-hand experience, the author describes Indonesia's peaceful transition from a dictatorship to the world's third largest democracy, critically analyzing religion, human rights and the war against terrorism. The book explains why Indonesian Islam is tolerant and peaceful, traits that are shared with the United States.

However, the book also is sharply critical of intolerant trends in both nations, Islamophobia promulgated by the Christian right in the U.S. and hatred fomented by a small minority of hardline Muslims in Indonesia. The

book also calls for human rights accountability in both countries, for past killings and kidnappings of civilians by Indonesian security forces, and for the torture and killing of terrorist suspects by U.S. security forces and the CIA. The author argues that while the U.S. war against terrorism has eliminated many threats, it has created more terrorists than it has eliminated. During his decades of experience with Indonesia, the author had close relationships with people across society, including the current President Joko Widodo, human rights leaders, cultural icons and religious leaders of all faiths. The author also knew victims of gross human rights violations and human trafficking, telling their compelling stories. Indonesia's prominent Muslim scholar, Azyumardi Azra, wrote in his forward to the book, "Stanley possesses information that is both varied and vast. He has mixed not only in diplomatic circles but also with journalists, intellectuals, religious figures, students, civil society activists, and also, with ordinary people." Stanley Harsha makes a plea to the world to

understand how Islam is practiced in Indonesia, the world's largest Muslim majority country, and "how this type of moderate Muslim culture represents Islam with a smiling face." Indonesia's most respected human rights attorney, Adnan Buyung Nasution, wrote about the book, "His understanding of Indonesian culture and politics is impressive. This book should be read by anyone who is interested in learning about Indonesian relations with America." Michael Vatikiotis, Regional Director Asia, for the Centre for Humanitarian Dialogue, writes, "Stan Harsha has written a very personal account of his journey through Indonesia, as a husband, father and diplomat." Big Data Imperatives Apress

Oops! 'I' Fell In Love is a funny Indian college love story. This modern time love story was written by Harsh Snehanshu. The story is about how love is possible between not only people of different cities but of different personalities as well. In this story, Kanav Bajaj is a new hopeful engineering student at IIT-Delhi from a small town in Indore. Since he was from a small

town, the big metropolitan city was intimidating him and he struggles to fit in. He being a shy and studious boy falls in love with the unlikely Tanya, who is completely opposite in nature compared to him. She is a cheerful girl from LSR, Delhi. Snehanshu also includes a few more interesting characters such as Kanav's friends Aryan, Anuj and Sameer, who add life to the story. Will Kanav and Tanya have a beautiful love story in IIT-Delhi amidst the social, college and parental pressures or will their differences keep them apart? This is an interesting love story written in a witty style by Harsh Snehanshu. The story promises twists and turns in their relationship. Oops! 'I' Fell In Love was published by Srishti Publishers in 2009 which is now available in paperback. Key Features Author of Oops! I Fell In Love Harsh Snehanshu is a graduate of IIT-Delhi. His experience gives the story a more realistic feel. The other stories in this trilogy are Ouch! That 'Hearts' and She's Single, I'm Taken have already been released. *Cricket Drona* Out of the Box Watching the Game We Love

On management mantras by way of examples from cricket and corporate world. Priyadarsika: A Sanskrit Drama Hachette India

THUS runs the tale: -- In former days the Holy One, the Most High, enthroned in his own sphere was reclining on his full-blown lotus couch surrounded by Indra and the other gods; and on a certain occasion he was holding a session, framing questions on the lore of Brahma and enjoying other blameless discussions. As he so sate, adored of the three worlds, the Prajapatis headed by Manu, Daksa, and Caksusa, and all the great sages with the seven Risis worshipped him. Some in chorus chanted the Rik hymns apt for psalmody; some recited the Yajus sentences of worship; some sang aloud the Samanstrains of praise. Others rehearsed the Mantras that reveal the ritual of the sacrifice. And there, arising from the differences of their studies, quarrels one with another we heard among them *just by chance...* Motilal Banarsidass

Harsha Bhogle in his weekly column in the Indian Express has captured the entire gamut

of Indian cricket. Out of the Box brings together the very best of Harsha's writings, in a book that will be a veritable delight for any cricket fan. Knowledgeable, frank and witty, and with a sense of drama comparable to that of cricket itself, Harsha brings the nation's cricketing ethos inimitably to life. And he is at his best when paying tribute to some cricketing greats—Lara, Inzamam, Jayasuriya, Ganguly, Sehwag, and the incomparable Tendulkar. As he follows India's fortunes on the cricket field at home and overseas, Harsha asks the question: can India really be no.1 in all three forms of the game? The answer lies in our history, and in the pages of Out of the Box

Harsh Snehanthu
 "Harsha Walia has played a central role in building some of North America's most innovative, diverse, and effective new movements. That this brilliant organizer and theorist has found time to share her wisdom in this book is a tremendous gift to us all."—Naomi Klein, author of *The Shock Doctrine*

Undoing Border Imperialism combines academic discourse, lived experiences of

displacement, and movement-based practices into an exciting new book. By reformulating immigrant rights movements within a transnational analysis of capitalism, labor exploitation, settler colonialism, state building, and racialized empire, it provides the alternative conceptual frameworks of border imperialism and decolonization. Drawing on the author's experiences in *No One Is Illegal*, this work offers relevant insights for all social movement organizers on effective strategies to overcome the barriers and borders within movements in order to cultivate fierce, loving, and sustainable communities of resistance striving toward liberation. The author grounds the book in collective vision, with short contributions from over twenty organizers and writers from across North America. Harsha Walia is a South Asian activist, writer, and popular educator rooted in emancipatory movements and communities for over a decade. Praise for *Undoing Border Imperialism*: "Border imperialism is an apt conceptualization for

capturing the politics of massive displacement due to capitalist neoglobalization. Within the wealthy countries, Canada's *No One Is Illegal* is one of the most effective organizations of migrants and allies. Walia is an outstanding organizer who has done a lot of thinking and can write—not a common combination. Besides being brilliantly conceived and presented, this book is the first extended work on immigration that refuses to make First Nations sovereignty invisible."—Roxanne Dunbar Ortiz, author of *Indians of the Americas and Blood on the Border*

"Harsha Walia's *Undoing Border Imperialism* demonstrates that geography has certainly not ended, and nor has the urge for people to stretch out our arms across borders to create our communities. One of the most rewarding things about this book is its capaciousness—astute insights that emerge out of careful organizing linked to the voices of a generation of strugglers, trying to find their own analysis to build their own movements to make this world our own. This is both a manual and a memoir, a guide to the

world and a guide to the organizer's heart."—Vijay Prashad, author of *The Darker Nations: A People's History of the Third World* "This book belongs in every wannabe revolutionary's war backpack. I addictively jumped all over its contents: a radical mixtape of ancestral wisdoms to present-day grounded organizers theorizing about their own experiences. A must for me is Walia's decision to infuse this volume's fight against border imperialism, white supremacy, and empire with the vulnerability of her own personal narrative. This book is a breath of fresh air and offers an urgently needed movement-based praxis. Undoing Border Imperialism is too hot to be sitting on bookshelves; it will help make the revolution."—Ashanti Alston, Black Panther elder and former political prisoner

conquering fear, and taking identity into your own hands. People lived because she killed. People died because he lived. Zafira is the Hunter, disguising herself as a man when she braves the cursed forest of the Arz to feed her people. Nasir is the Prince of Death, assassinating those foolish enough to defy his autocratic father, the sultan. If Zafira was exposed as a girl, all of her achievements would be rejected; if Nasir displayed his compassion, his father would punish him in the most brutal of ways. Both Zafira and Nasir are legends in the kingdom of Arawiya—but neither wants to be. War is brewing, and the Arz sweeps closer with each passing day, engulfing the land in shadow. When Zafira embarks on a quest to uncover a lost artifact that can restore magic to her suffering world and stop the Arz, Nasir is sent by the sultan on a similar mission: retrieve the artifact and kill the Hunter. But an ancient evil stirs as their journey unfolds—and the prize they seek may pose a threat greater than either can imagine.

Young Harsha wants only to be a scholar – but when the crown falls to him, can the reluctant prince rise to the occasion? India, seventh century CE. Harsha, the youngest prince of the northern kingdom of Sthaniswara, is immersed in his studies at Nalanda. As far as he is concerned, the future of his realm is secure in the hands of his brother, the strait-laced crown prince Rajyavardhana. But when the time comes for his sister's swayamvar, Harsha is compelled to tear himself away from his books – for only a little while, he hopes. Things, however, take an ugly turn at the swayamvar, as Devagupta, king of neighbouring Malava, makes no secret of his ire at not being chosen by the princess. And when

their father, King Prabhakaravardhana, dies under mysterious circumstances soon after, the princes fear something sinister is afoot. While Rajyavardhana takes the throne, Harsha sets out to unravel a web of intrigue he suspects spans kingdoms. But his mission is cut short, as war rocks the land and treachery lays low his brother. Burdened with the crown, the scholar prince now has to battle enemies who follow no dharma, exact vengeance upon the devious Devagupta and hunt down the even more dangerous foe pulling all the strings. And as a new force rises to the south, Harsha realizes he must ready himself to face his greatest challenge yet.

Joy Of A Lifetime
Juggernaut Books

From Mumbai and Lahore to the Highveld of the Transvaal and in his native Wales, Alan Wilkins is internationally known and admired as an accomplished sports broadcaster. Growing up as a talented young cricketer in 1970s Cardiff, Alan dreamt of a life in sport and yearned to travel the world but, as he reveals in *Easier Said Than Done*, he could never have imagined he would realise his dream via a microphone and camera rather than with a bat and a ball. With great humility and humour, Alan Wilkins tells the fascinating story of how he swapped the life of a sports teacher for a career as a professional cricketer with Glamorgan and Gloucestershire – taking over 370 wickets and playing in the 1977 Gillette Cup final – and how it was brought to a devastating end in 1983

by a debilitating shoulder injury. Determined that his Life in Sport would not end after his enforced retirement from cricket, Alan vividly describes how, with determination and enthusiasm, he embarked on a new and successful career in sports broadcasting which has seen him commentate on many of the world's greatest sporting occasions - from Wimbledon to The Masters and from the Rugby World Cup to the Indian Premier League and Pakistan Super

League - and how he has forged lifelong friendships with many legends of the sporting world. Millions of sports fans know Alan Wilkins the broadcaster but now, with *Easier Said Than Done*, they can get to know the man behind the microphone and the absorbing story of his Life in Sport.

17-year-old Maya Aziz is torn between worlds. There's the proper one her parents expect for their good Indian

daughter: a good school, an arranged marriage. And then there is the world of her dreams: going to film school, living in New York City, pursuing the boy she's liked for ages. But unbeknownst to Maya, there is a danger looming beyond her control. When a terrorist attack occurs in another Midwestern city, the prime suspect happens to share her last name. In an instant, Maya's community, consumed by fear and hatred, becomes unrecognisable, and her life changes forever.
