Challenge and inspire

your teenage learners to think beyond language. American Think is a vibrant course designed to engage teenage learners and make them think. As well as building students' language skills, it offers a holistic approach to learning: developing their thinking skills, encouraging them to reflect on values and building their self-confidence. Topics are chosen to appeal to and challenge teenagers, firing their imagination and ensuring effective learning. Exam-style

exercises and tips help students prepare for Cambridge English Key, Preliminary and First. Informed by the Cambridge English Corpus, the course reflects real language usage and 'Get it right' sections help students avoid common mistakes. **American Headway, Level 1B** OUP USA English File's unique, lively and enjoyable lessons are renowned for getting students talking English File, fourth edition, has been built on tried and trusted

methodology and contains uniquely motivating lessons and activities that encourage students to discuss topics with confidence. **NEW TO THIS EDITION** New and updated texts, topics, and listenings, based on feedback from English File teachers Each Student Book comes with access to new Online Practice, providing learners with extra practice and activities for each File Online Practice includes new Sound Bank videos, with the unique opportunity to watch a

native speaker pronounce the sound, and new interactive videos where students can take part in the drama themselves. New video listening activities are integrated into each even-numbered File. These short documentaries and dramas make class time more dynamic and exciting. The Classroom Presentation Tool shows the course content on screen, making it easier for you to deliver engaging lessons. Teacher's Resource Centre allows

you to manage all English File resources and download teaching materials in one place. Find out more here **American English File: Level 2: Student Book with Online Skills Practice** Oxford University Press, USA "Just when you thought it couldn't get any better!" A new edition of the best-selling English File - the best way to get your students talking. A blend of completely new lessons, updated texts and activities, together with the refreshing and

fine-tuning of some favourite lessons from New English File - English File third edition provides the right mix of language, motivation, and opportunity to get students talking. English File third edition offers more support for teachers and students. Teacher's Book provides over 100 photocopiables to save preparation time, plus extra tips and ideas. Classroom Presentation Tool brings your classroom to life with the Student's Book and Workbook, on-screen

and interactive.

*Intermediate : MultiROM.*

OXFORD

American English File

Second Edition retains the

popular methodology

developed by world-

renowned authors

Christina Latham-Koenig

and Clive Oxenden:

language + motivation =

opportunity. With

grammar, vocabulary, and

pronunciation practice in

every lesson, students are

equipped with a solid

foundation for successful

speaking. Plus - an array

of digital resources

provides even more

choice and flexibility.

Students can learn in the classroom or on the move with Online Practice.

language assessment.

The first goal is to explore

the difference between

fairness and justice in

language assessment.

The authors distinguish

internal and external

dimensions of the

equitable and just

treatment of individuals

taking language tests

which are used as

gatekeeping devices to

determine access to

education and

employment, immigrant

status, citizenship, and

other rights. The second

goal is to show how the

extent of test fairness can

be demonstrated and

improved using the tools

of psychometrics, in

particular the models

collectively known as

Rasch measurement.

“This book will have an

enormous impact on the

field of language

assessment. Using Rasch

analysis models to

explore and identify

sources of unfairness, the

authors make a

compelling case for

fairness in the design and

implementation of language assessment instruments and for justice in the interpretation and use of test results. A real strength of the book is that it guides readers through analytical techniques in an accessible way." Dan Douglas, Professor Emeritus, Applied Linguistics Program, Iowa State University.
