 The first Penguin anthology of Japanese haiku, in vivid new translations by Adam L. Kern. Now a global poetry, the haiku was originally a Japanese verse form that flourished from the sixteenth to nineteenth centuries. Although renowned for its brevity, usually running three lines long in seventeen syllables, and by its use of natural imagery to make Zen-like observations about reality, in fact the haiku is much more: it can be erotic, funny, crude

and mischievous. Presenting over a thousand exemplars in vivid and engaging translations, this anthology offers an illuminating introduction to this widely celebrated, if misunderstood, art form. Adam L. Kern's new translations are accompanied here by the original Japanese and short commentaries on the poems, as well as an introduction and illustrations from the period.

Penguin (Non-Classics) Dive into centuries of mermaid lore with these captivating tales from around the world. A Penguin Classic Among the oldest and most popular mythical beings, mermaids and other merfolk have captured the imagination since long before Ariel sold her voice to a sea witch in the beloved Disney film adaptation of Hans Christian Andersen's "The Little Mermaid." As far back as the eighth century B.C., sailors in

Homer's Odyssey stuffed wax in their ears to resist the Sirens, who lured men to their watery deaths with song. More than two thousand years later, the gullible New York public lined up to witness a mummified "mermaid" specimen that the enterprising showman P. T. Barnum swore was real. The Penguin Book of Mermaids is a treasury of such tales about merfolk and water spirits from different cultures, ranging from Scottish selkies to Hindu water-serpents to Chilean sea fairies. A third

of the selections are published here in English for the first time, and all are accompanied by commentary that explores their undercurrents, showing us how public perceptions of this popular mythical hybrid-- at once a human and a fish--illuminate issues of gender, spirituality, ecology, and sexuality.

A wonderfully wicked new anthology from the editor of The Penguin Book of Gaslight Crime It is the Victorian era and society

is both entranced by and fearful of that suspicious character known as the New Woman. She rides those new- fangled bicycles and doesn't like to be told what to do. And, in crime fiction, such female detectives as Loveday Brooke, Dorcas Dene, and Lady Molly of Scotland Yard are out there shadowing suspects, crawling through secret passages, fingerprinting corpses, and sometimes committing a lesser crime in order to solve a murder. In The Penguin

Book of Victorian Women in Crime, Michael Sims has brought together all of the era's great crime-fighting females- plus a few choice crooks, including Four Square Jane and the Sorceress of the Strand.

Haunting accounts of real-life exorcisms through the centuries and around the world, from ancient Egypt and the biblical Middle East to colonial America and twentieth-century South Africa A Penguin Classic Levitation. Feats of superhuman strength. Speaking in tongues. A hateful, glowing stare. The signs of spirit possession have been documented for thousands of years and

across religions and cultures, even into our time: In 2019 the Vatican convened 250 priests from 50 countries for a weeklong seminar on exorcism. The Penguin Book of Exorcisms brings together the most astonishing accounts: Saint Anthony set upon by demons in the form of a lion, a bull, and a panther, who are no match for his devotion and prayer; the Prophet Muhammad casting an enemy of God out of a young boy; fox spirits in medieval China and Japan; a headless

bear assaulting a woman in sixteenth-century England; the possession in the French town of Loudun of an entire convent of Ursuline nuns; a Zulu woman who floated to a height of five feet almost daily; a previously unpublished account of an exorcism in Earling, Iowa, in 1928--an important inspiration for the movie *The Exorcist*; poltergeist activity at a home in Maryland in 1949--the basis for William Peter Blatty's novel *The Exorcist*; a Filipina girl "bitten by devils"; and a

rare example of a priest's letter requesting permission of a bishop to perform an exorcism-- after witnessing a boy walk backward up a wall. Fifty-seven percent of Americans profess to believe in demonic possession; after reading this book, you may too.

Chilling real-life accounts of witches, from medieval Europe through colonial America, compiled by the New York Times bestselling author of The

Physick Book of Deliverance Dane and The Daughters of Temperance Hobbs From a manual for witch hunters written by King James himself in 1597, to court documents from the Salem witch trials of 1692, to newspaper coverage of a woman stoned to death on the streets of Philadelphia while the Continental Congress met, The Penguin Book of Witches is a treasury of historical accounts of accused witches that sheds light on the reality behind the legends.

Bringing to life stories like that of Eunice Cole, tried for attacking a teenage girl with a rock and buried with a stake through her heart; Jane Jacobs, a Bostonian so often accused of witchcraft that she took her tormentors to court on charges of slander; and Increase Mather, an exorcism-performing minister famed for his knowledge of witches, this volume provides a unique tour through the darkest history of English and North American witchcraft. This collection illuminates the uniquely fascinating era between 1820 and 1950 in French poetry - a time in which diverse aesthetic ideas conflicted and converged as poetic forms evolved at an astonishing pace. well-known poets such as Claudel and Cendrars, whose innovations proved vital to the progress of poetry in France. Eloquent and inspirational, this rich and exhilarating anthology reveals an era of exceptional vitality. *The Penguin Book of Witches* Melville House
An essential new

collection of poetry from the First World War This indispensable anthology brings together the works of three major poets from the First World War. Ivor Gurney (1890-1937) was a classical music composer and poet who published two volumes of poems, *Severn and Somme* and *War's Embers*. Wilfred Owen's (1893- 1918) realistic poetry is remarkable for its details of war and combat. Isaac Rosenberg's (1890-1918) *Poems from the Trenches* is widely considered one

of the finest examples of war poetry from the period. Carefully selected by Jon Stallworthy, a professor emeritus of English at the University of Oxford, these poems comprise a landmark publication that reflects the disparate experiences of war through the voices of the soldiers themselves. The walking dead from 15 centuries haunt this compendium of ghostly visitations through the ages, exploring the

history of our fascination with zombies and other restless souls. Since ancient times, accounts of supernatural activity have mystified us. Ghost stories as we know them did not develop until the late nineteenth century, but the restless dead haunted the premodern imagination in many forms, as recorded in historical narratives, theological texts, and personal letters. The Penguin Book of the Undead teems with roving hordes of dead warriors, corpses trailed by packs

of barking dogs, moaning phantoms haunting deserted ruins, evil spirits emerging from burning carcasses in the form of crows, and zombies with pestilential breath. Spanning from the Hebrew scriptures to the Roman Empire, the Scandinavian sagas to medieval Europe, the Protestant Reformation to the Renaissance, this beguiling array of accounts charts our relationship with spirits and apparitions, wraiths and demons over fifteen hundred years, showing

the evolution in our thinking about the ability of dead souls to return to the realm of the living—and to warn us about what awaits us in the afterlife. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide

In the past fifty years, the

American short story has changed dramatically. New voices, forms, and mixtures of styles have brought this unique genre a thrilling burst of energy. The Penguin Book of the Modern American Short Story celebrates this avalanche of talent. This rich anthology begins in 1970 and brings together a half century of powerful American short stories from all genres, including—for the first time in a collection of this scale—science fiction, horror, and fantasy, placing writers such as

Ursula K. Le Guin, Ken Liu, and Stephen King next to some beloved greats of the literary form: Raymond Carver, Grace Paley, Chimamanda Ngozi Adichie, and Denis Johnson. Culling widely, John Freeman, the former editor of *Granta* and now editor of his own literary annual, brings forward some astonishing work to be regarded in a new light. Often overlooked tales by Dorothy Allison, Percival Everett, and Charles Johnson will recast the shape and texture of today's

enlarging atmosphere of literary dialogue. Stories by Lauren Groff and Ted Chiang raise the specter of engagement in ecocidal times. Short tales by Tobias Wolff, George Saunders, and Lydia Davis rub shoulders with near novellas by Susan Sontag and Andrew Holleran. This book will be a treasure trove for readers, writers, and teachers alike. [The Penguin Book of Victorian Women in Crime](#) Penguin
