BRONSON PITTS

1 Oxford University Press

1981: Ronald Reagan's inauguration marks a new escalation in the United States' Cold War with the USSR. Months later, François Mitterrand is elected president of France with the support of the French Communist Party. The predicted tension between these two men, however, is immediately defused when Mitterrand gives Reagan the Farewell dossier, a file he would later call "one of the greatest spy cases of the twentieth century." Vladimir Ippolitovich Vetrov, a promising technical student, joins the KGB to work as a spy. Following a couple of murky incidents, however,

Vetrov is removed from the field and placed at a desk as an analyst. Soon, burdened by a troubled marriage and frustrated at a failing career, Vetrov turns to alcohol. Desperate and in need of redemption, in 1980 he offers his services to the DST, the French counterintelligence service. Thus Agent Farewell is born. Soon he is sneaking files and photographing sensitive documents, keeping the West informed of the USSR's plans-- right in the heart of KGB headquarters. The most complete account of these dramatic events ever recorded, Kostin and Raynaud's thorough investigation is a fascinating tour de force. Probing further into Vetrov's psychological profile than ever before, they provide groundbreaking insight into the man whose life helped hasten the end of the Cold War.

Electronic Content

"Texts must be interesting enough for students to want to read them in their own language. Otherwise, how can we expect students to want to read them in English?" This is the authors' golden rule when they choose texts and topics for every level of American English File. It ensures you get material that learners will enjoy reading and will want to talk about. Texts such as "Could you live without money?" really help to generate opinion and discussion. They create a desire to communicate. Having created the desire, American English File then helps you to develop learners' communication skills. One way it does this is with a strong focus on pronunciation. Research shows that poor pronunciation is a major contributor to breakdowns in communication (Jennifer Jenkins: The Phonology of English as an International Language). American English File integrates pronunciation into every lesson - the "little and often" approach. But that's not all. The unique English File Sounds Chart puts a picture to each sound in the phonetic alphabet, so learners find it easier to remember the sounds and, ultimately, improve their pronunciation.

American English File 3E Starter Student Book OUP USA

"Just when you thought it couldn't get any better!" A new edition of the best-selling English File - the best way to get your students talking. American English File, Level 4 Amazon core

English File is a flexible course for adults and young adults which reflects the realities of both learning and teaching. At each of the first two levels, there is a fast-track core of 60 hours' class work, with additional material which can extend the course to more than 120 hours. English File 1 is for beginners and false beginners. English File gives students a real sense of achievement and progress. It offers clear learning objectives, an organized approach to revision and reference work, and a fully integrated home-study programme. For teachers, there are well-planned lessons that work, a realistic syllabus focusing on what can be achieved in a first level course, and a complete source of ready-to-use supplementary materials. • Lessons which cover the grammar pronunciation, and vocabulary syllabus of the course, with in-built revision and recycling. • Systematic pronunciation work, with a memorable and learner-friendly introduction to English sounds. • Graded listening materials and tasks. • Travel with English. Functional language, practical communication in international 'survival' contexts. • Revision and extension. Consolidation and development of core lessons through skills work. • Vocabulary file. Systematic vocabulary development and revision, and learning tips. • Grammar file. Self-check grammar reference in language graded for beginner level. • Word bank. An active picture dictionary for memorable study and reference.

From the creator of the popular website Ask a Manager and New

York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole

Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

American English File Second Edition retains the popular methodology developed by world-renowned authors Christina Latham-Koenig and Clive Oxenden: language + motivation = opportunity. With grammar, vocabulary, and pronunciation practice in every lesson, students are equipped with a solid foundation for successful speaking. Plus - an array of digital resources provides even more choice and flexibility. Students can

learn in the classroom or on the move with Online Practice. language assessment. The first goal is to explore the difference between fairness and justice in language assessment. The authors distinguish internal and external dimensions of the equitable and just treatment of individuals taking language tests which are used as gatekeeping devices to determine access to education and employment, immigrant status, citizenship, and other rights. The second goal is to show how the extent of test fairness can be demonstrated and improved using the tools of psychometrics, in particular the models collectively known as Rasch measurement. "This book will have an enormous impact on the field of language assessment. Using Rasch analysis models to explore and identify sources of unfairness, the authors make a compelling case for fairness in the design and implementation of language assessment instruments and for justice in the interpretation and use of test results. A real strength of the book is that it guides readers through analytical techniques in an accessible way." Dan Douglas, Professor Emeritus, Applied Linguistics Program, Iowa State University.
