of Revelation For
Dummies

Those interested in Islamic literature and spirituality are invited to pore over this rigorous and highly polished English translation of the Qur'an, the religion's quintessential text. Two hundred sixty-five titled selections of Qur'anic verse introduce and expand on the document's fundamental themes, and interpretations and commentary by imminent Islamic scholars such as Muhammad Asad and Yusuf Ali provide modern day readers with a historical context for understanding the important religious classic.

Stuff They Don't Want You to Know

Zondervan

A fun and fascinating way to learn about the

book of Revelation. The Bible's final book, Revelation, can seem intimidating or downright impossible to comprehend, even for serious students of the Scriptures. Filled with complex imagery, vivid depictions of violence, and challenging spiritual references, Revelation is often set aside by readers in favor of more straightforward, easier-to-digest biblical material. Yet the capstone of the canon need not remain a mystery. In this refreshingly accessible book, Bible scholar and best-selling author Tim LaHaye (originator of the Left Behind series) and renowned puzzle master Timothy E. Parker (editor of the USA Today Crossword, and founder of The Universal Crossword,

King James Games, and Master Puzzles) demystify Revelation for your benefit. Absorb this book and discover afresh—or for the first time—the richness of Revelation and its God-breathed, life-changing power to deepen your walk of faith.

Understanding the Book of Revelation

Respect the unique roles of the Trinity
Explore controversial issues among the branches
Christianity For Dummies
Cambridge University Press
Understand the connection between the Old Testament and

the end times, what to expect during the last days, and how to stand firm in Christ in the face of opposition.

Rabbi K. A. Schneider decodes the Book of Revelation, showing how the end-time events prophesied in the New Testament book correspond with the teachings of the Torah and the Hebrew prophets. You will discover how the Passover foreshadows the great tribulation, and what the Hebrew prophets reveal about the anti-Messiah, Armageddon, hell, the return of the Messiah, the millennial kingdom, heaven, and much more. As the world grows darker and darker, many people have a sense of impending doom. This book will teach you what to expect during

the last days and how to stand firm in Christ even in the face of opposition.

The Last Days according to Jesus

John Wiley & Sons
 Stephen Alexander Hunter's 'Studies in the Book of Revelation' provides clear and accurate results of the investigation of modern scholars, in language which is comprehensible to the intelligent reader of the English Bible. The Revelation of St. John has been an enigma from the earliest Christian centuries. On the one hand, it has been shunned because of its mysteriousness; on the other, it has been discredited for sober-minded, intelligent Christians by the absurd vagaries of its interpreters.
The Old Testament in

the Book of Revelation
John Wiley & Sons
Is there a book of the Bible more often discussed and yet less understood than the Book of Revelation? The "seven seals." The "dragon." The "beast." The "sea of glass." The fantastic imagery found in the Book of Revelation has long captivated Christians but remains mysterious to many. In the midst of so much discussion about the end times, what does Revelation teach us about living in the present moment, with our eyes focused on the heavenly Jerusalem? Michael Barber's *Coming Soon* explores these questions by taking a detailed look at Revelation and its rich tapestry of prophecy, history, and biblical

allusion. Barber explores the profound link between the Mass celebrated here on earth and the eternal reality of heaven, demonstrating that the Apocalypse reveals truth that has practical implications for today and points to a firm hope in tomorrow. *Coming Soon* is a verse-by-verse commentary on the Book of Revelation using the Revised Standard Version: Catholic Edition of the Bible. Barber provides a Catholic interpretation, which sees the liturgical background of this book of Scripture—a perspective missing in many Protestant commentaries. *When the Man Comes Around: A Commentary on the Book of Revelation* Cosimo, Inc.

Of all the books of the Bible, few are as fascinating or as bewildering as Revelation. Its images grip the imagination: four grim horsemen, the Antichrist, the ten-horned beast, the ultimate battle at Armageddon, and, of course, 666, the “mark of the beast,” variously interpreted to signify everything from Hitler and Krushchev to credit cards and the Internet. Is the book of Revelation a blueprint for the future that needs decoding if we want to understand current events? Is it a book of powerful imagery, with warnings and promises for the church throughout the ages? Or is it essentially an imaginative depiction of historical events in the first century? Four

Views on the Book of Revelation explores the four main views in which Revelation is understood: preterist, idealist, classical dispensationalist futurist, and progressive dispensationalist. The interactive Counterpoints forum allows each author not only to present his view, but also to offer brief commentary on other views presented. This evenhanded approach is ideal for comparing and contrasting stances in order to form a personal conclusion about the interpretation and meaning of Revelation. The Counterpoints series provides a forum for comparison and critique of different views on issues important to Christians.

Counterpoints books address two categories: Church Life and Bible and Theology. Complete your library with other books in the Counterpoints series. Emmaus Road Publishing

A startling exploration of the history of the most controversial book of the Bible, by the bestselling author of *Beyond Belief*. Through the bestselling books of Elaine Pagels, thousands of readers have come to know and treasure the suppressed biblical texts known as the Gnostic Gospels. As one of the world's foremost religion scholars, she has been a pioneer in interpreting these books and illuminating their place in the early history of Christianity.

Her new book, however, tackles a text that is firmly, dramatically within the New Testament canon: *The Book of Revelation*, the surreal apocalyptic vision of the end of the world . . . or is it? In this startling and timely book, Pagels returns *The Book of Revelation* to its historical origin, written as its author John of Patmos took aim at the Roman Empire after what is now known as "the Jewish War," in 66 CE. Militant Jews in Jerusalem, fired with religious fervor, waged an all-out war against Rome's occupation of Judea and their defeat resulted in the desecration of Jerusalem and its Great Temple. Pagels persuasively interprets *Revelation* as a

scathing attack on the decadence of Rome. Soon after, however, a new sect known as "Christians" seized on John's text as a weapon against heresy and infidels of all kinds—Jews, even Christians who dissented from their increasingly rigid doctrines and hierarchies. In a time when global religious violence surges, Revelations explores how often those in power throughout history have sought to force "God's enemies" to submit or be killed. It is sure to appeal to Pagels's committed readers and bring her a whole new audience who want to understand the roots of dissent, violence, and division in the world's religions, and to appreciate the lasting appeal of this

extraordinary text.

Book of Revelation - A Mystery Solved

Thomas Nelson

"I have told you these things before they happen so that when they do happen, you will believe." John 14:29 One of the glorious things about the Bible is how it provides a foreknowledge of future events. This is especially the case with the birth and life of our Lord and Savior Christ Jesus. He is without question the Messiah that was promised to us and though at his coming He did not set up an earthly kingdom at that time He nevertheless promised that day would arrive. In relation to this He left us with many events to be on the lookout for which would herald this

arrival. His apostles Matthew, Mark, Luke and John thankfully passed down to us those words of warning. No words or book fully encompasses everything that we need to know than his own Revelation which He passed to His most beloved apostle and friend St. John on the island of Patmos. Of course, it goes without saying that such a book remained mostly hidden from mankind's understanding, but again a promise was given that the time would arrive when it would be unsealed and explained. What you are therefore holding in your hands could very well be it. Come along with the writer on a journey of discovery that will leave you amazed at a prophecy

that not only explains the present but more so our future. More importantly you will learn about the Kingdom of God as foretold by the Lord and Savior Christ Jesus. The promise of the ages may be about to arrive. See for yourself! *The Book of Revelations* Penguin

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format

volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

Between the Cross and the Throne A&C Black The Book of Revelation contains passages of great beauty and comfort, as well as passages that strike the casual reader as bizarre, bewildering, and sometimes frightening. How are readers today to discern God's message in this peculiar part of the Bible? Breaking the Code provides a trustworthy guide to the rich symbolism of

this important biblical book. Noted biblical scholar Bruce M. Metzger presents the fruits of solid scholarship in a non-academic style. Breaking the Code serves as a key for understanding this powerful and puzzling book from the first century of the Christian Era. Topics include: Introducing the Book of Revelation/John's Vision of the Heavenly Christ (Revelation 1:1-20) Letters to Churches/More Letters to Churches (Revelation 2:1- 3:22) John's Vision of God and the Lamb (Revelation 4:1-5:14) Opening the Seven Seals of God's Scroll (Revelation 6:1-8:2) Sounding the Seven Trumpets (Revelation 8:3-11:19) The Satanic Trinity: The Dragon

and the Two Beasts (Revelation 12:1-14:20) The Seven Bowls of God's Wrath (Revelation 15:1-18:24) The Final Victory and the Last Judgment/John's Vision of the Heavenly Jerusalem (Revelation 19:1-22:21)

The Book of Revelation Decoded Nelson Books Originally published: Lancaster, Pa.: Starburst, c1998 under the title, Revelation: God's word for the biblically-inept. Christian Prayer For Dummies Harvest House Publishers

This book is a fascinating study in search of the real Jesus. The author concludes that scripture is essentially a collection of prophecies, not a record of past events. Jesus did not say,

"Blessed is he who heeds the words of the history of this book," but rather "Blessed is he who heeds the words of the prophecy of this book." Thus, the current tenets of Christianity with regard to the origin and advent of Jesus are based on fundamental misconceptions. The books argument is that Christs visitation has not yet occurred in the world of time, since it is a future event, and that his origin will be derived from the Greeks, not the Jews, when he does appear.

conspiracy fact from fiction in this sharp, humorous, compulsively readable, and gorgeously illustrated book. In times of chaos and uncertainty, when trust is low and economic disparity is high, when political institutions are crumbling and cultural animosities are building, conspiracy theories find fertile ground. Many are wild, most are untrue, a few are hard to ignore, but all of them share one vital trait: there's a seed of truth at their center. That seed carries the sordid, conspiracy-riddled history of our institutions and corporations woven into its DNA. Ben Bowlin, Matt Frederick, and Noel Brown host the popular iHeart Media podcast, Stuff

They Don't Want You To Know. They are experts at exploring, explaining, and interrogating today's emergent conspiracies—from chem trails and biological testing to the secrets of lobbying and the indisputable evidence of UFOs. Written in a smart, witty, and conversational style, elevated with amazing illustrations, *Stuff They Don't Want You to Know* is a vital book in understanding the nature of conspiracy and using truth as a powerful weapon against ignorance, misinformation, and lies.

[Breaking the Code - Participant's Book](#)
 Canongate Books
 The Reverend Clarence Larkin was one of the most widely influential

thinkers on end-times prophecies of the early twentieth century, and his writings remain vital to appreciating the apocalyptic Christian thought that today enjoys widespread popularity. This 1919 book serves as a study guide for the Book of Revelation, the Bible's prophetic final chapter. Larkin explains the concepts of the Beast and the False Prophet, the Seven Seals and the Seven Trumpets, and the importance of the Book of Daniel in understanding the Rapture. Charts and illustrations depict the "Pale Horse Rider," "Daniel's Four Wild Beasts," "Egyptian Plagues Compared," and more. Also available from Cosimo Classics: Larkin's *The Spirit World, Rightly*

Dividing the Word, and The Second Coming of Christ. American Baptist pastor and author CLARENCE LARKIN (1850-1924) was born in Pennsylvania, and later set up his ministry there. He wrote extensively and popularly on a wide range of Biblical and theological matters. **God's Masterwork** InterVarsity Press The end of the world is coming. From roadside signs to science fiction films, this slogan underscores our society's nervous fascination with the future. Whether it's a giant asteroid, a worldwide plague, or some other global catastrophe, the end of the world is a terrifying prospect—at least for those who have no idea what it will be like.

For Christians, however, the end of the world should be anything but dreadful. In fact, it should be something we actually look forward to. Why? Because God has told us how the world will end. And He has assured us that the end of this age will mark the beginning of a new, glorious one in which we will serve and worship Him in sinless perfection. Our eternal hope, as believers, is intimately tied to the end of this world. All of this is laid out in the book of Revelation. Not only is Revelation the inspired

Word of God, it is also the only New Testament book that includes a promised spiritual blessing for those who study and apply its message. As such, it is an essential part of every Christian's devotional life. Those who ignore Revelation deprive themselves of a rich treasure of divine truth, and the promised blessings that come from understanding that truth. Join John MacArthur as he explains the book of Revelation in a way that is both doctrinally precise and intensely practical.
