Building on the core works of *The Rational Male - Preventive Medicine* presents a poignant outline of the phases of maturity and the most commonly predictable experiences men can expect from women as they progress through various stages of life. Rational and pragmatic, the book explores the intergender and social dynamics of each stage of women's maturity and provides a practical understanding for men in dealing with women in those phases. *Preventive Medicine* also provides revealing outlines of feminine social primacy, Hypergamy, the 'Hierarchies of Love' and the importance of understanding the conventional nature of complementary masculinity in a world designed to keep men ignorant of it. *The Rational Male - Preventive Medicine* seeks to help men who "wish they knew then what they know now." The book is the first in of series complements to *The Rational Male*, the twelve-year core writing of author/blogger Rollo Tomassi from therationalmale.com. Rollo Tomassi is one of the leading voices in the globally growing, male-focused online consortium known as the "Manosphere".

"One of the most admired men in the world of seduction" (The New York Times) teaches average guys how to approach, attract and begin intimate relationships with beautiful women For every man who always wondered why some guys have all the luck, Mystery, considered by many to be the world's greatest pickup artist, finally reveals his secrets for finding and forming relationships with some of the world's most beautiful women. Mystery gained mainstream attention for his role in Neil Strauss's New York Times bestselling exposé, *The Game*. Now he has written the definitive handbook on the art of the pickup. He developed his unique method over years of observing social dynamics and interacting with women in clubs to learn how to overcome the guard shield that many women use to deflect come-ons from "average frustrated chumps." *The Mystery Method: How to Get Beautiful Women Into Bed* shares tips such as: *Give more attention to her less attractive friend at first, so your target will get jealous and try to win your attention. *Always approach a target within 3 seconds of noticing her. If a woman senses your hesitation, her perception of your value will be lower. *Don't be picky. Approach as many groups of people in a bar as you can and entertain them with fun conversation. As you move about the room, positive perception of you will grow. Now it's easy to meet anyone you want. *Smile. Guys who don't get laid, don't smile.

Why is premarital sex forbidden by religion? Why is marriage the worst life-decision a man can make today? How is an idealistic Romantic Love destroying modern churches? Are female imperatives assimilating patriarchal religions? Why are so many religious men confused about masculinity? What's causing men to abandon religion? Why is pornography an "addiction" for religious men? Are Atheists 'religious' about finding love? Can Red Pill awareness and religious conviction coexist? Will there be a One-World Religion? *The Rational Male(R) - Religion* is an exploration of human intersexual dynamics and their influence on spiritual belief, religion and social values. In this 4th book of the *Rational Male* series author, Rollo Tomassi, connects the dots between human beings' evolved mating imperatives and the spiritual beliefs spawned by them that still influence society in the data age. It is a Red Pill look under the hood at the roots of men and

women's "need to believe" in love, God and the metaphysical to solve our mating imperatives. Are Old Order beliefs hindering our progress in today's data-driven New Age of Enlightenment? Since 2000, global access to information has exploded. Like the Gutenberg Press in Renaissance Europe, the internet, technology and global communication has given rise to a new age of enlightenment that a global society is only beginning to acknowledge. For better or worse, this new information awakening is explaining and challenging our old investments in faith, tradition, metaphorical truth and magical thinking. And in no other area are humans more emotionally invested than in solving their reproductive problem. *The Rational Male(R) - Religion* succinctly explains the origins of this old order thinking, what it got right, where it's gone wrong and how we can correct our course for the future. Often called the "Godfather of the Red Pill", Rollo Tomassi has been a permanent fixture in the online men's consortium of the Manosphere for almost 20 years. He is the author of the internationally best selling book series: *The Rational Male* *The Rational Male - Preventive Medicine* *The Rational Male - Positive Masculinity* Rollo is also the essayist/blogger/owner of *The Rational Male* blog, a weekly panelist/host of the *Rule Zero* livestream and the host of his own YouTube channel, *The Rational Male*.

Read Julie Klausner's posts on the Penguin Blog In the tradition of Cynthia Heimel and Chelsea Handler, and with the boisterous iconoclasm of Amy Sedaris, Julie Klausner's candid and funny debut *I Don't Care About Your Band* sheds light on the humiliations we endure to find love--and the lessons that can be culled from the wreckage. *I Don't Care About Your Band* posits that lately the worst guys to date are the ones who seem sensitive. It's the jerks in nice guy clothing, not the players in Ed Hardy, who break the hearts of modern girls who grew up in the shadow of feminism, thinking they could have everything, but end up compromising constantly. The cowards, the kidults, the critics, and the contenders: these are the stars of Klausner's memoir about how hard it is to find a man--good or otherwise--when you're a cynical grown-up exiled in the dregs of Guyville. Off the popularity of her New York Times "Modern Love" piece about getting the brush-off from an indie rock musician, *I Don't Care About Your Band* is marbled with the wry strains of Julie Klausner's precocious curmudgeonry and brimming with truths that anyone who's ever been on a date will relate to. Klausner is an expert at landing herself waist-deep in crazy, time and time again, in part because her experience as a comedy writer (Best Week Ever, TV Funhouse on SNL) and sketch comedian from NYC's Upright Citizens Brigade fuels her philosophy of how any scene should unfold, which is, "What? That sounds crazy? Okay, I'll do it." *I Don't Care About Your Band* charts a distinctly human journey of a strong-willed but vulnerable protagonist who loves men like it's her job, but who's done with guys who know more about love songs than love. Klausner's is a new outlook on dating in a time of pop culture obsession, and she spent her 20's doing personal field research to back up her philosophies. This is the girl's version of High Fidelity. By turns explicit, funny and moving, Klausner's debut shows the evolution of a young woman who endured myriad encounters with the wrong guys, to emerge with real-world wisdom on matters of the heart. *I Don't Care About Your Band* is Julie Klausner's manifesto, and every one of us can relate.
