**Piano Solos** Hal Leonard Corporation

The stunning continuation of the timeless classic The Phantom of the Opera. In The Phantom of Manhattan, acclaimed, bestselling suspense novelist Frederick Forsyth pens a magnificent work of historical fiction, rife with the insights and sounds of turn-of-the-century New York City, while continuing the dramatic saga which began with Gaston Leroux's brilliant novel The Phantom of the Opera... More than two decades have passed since Antoinette Giry, the mistress of the corps de ballet at the Paris Opera, rescued a hideously disfigured boy named Erik from a carnival and brought him to live in the labyrinthine cellars of the opera house. Soon thereafter, his intense, unrequited love for a beautiful chorus girl set in motion a tragic string of events, forcing him to flee Paris forever. Now, as she lies dying in a convent, Madam Giry tells the untold story of the Phantom and his clandestine journey to New York City to start anew, where he would become a wealthy entrepreneur and build the glorious Manhattan Opera House...all so he could see his beloved, now a famous diva, once again. But the outcome of her visit would prove even more devastating than before-- and yet, would allow the Phantom to know, for the first time in his brutal life, the true meaning of love...

**The Phantom of the Opera** Hal Leonard Publishing Corporation

The story of the Phantom of the Opera, a half-crazed musician hiding in the labyrinth of the famous Paris Opera House and creating a number of strange and mysterious events to further the career of a beautiful young singer, is today regarded as one of the most famous of all horror stories: widely mentioned in the same breath as Frankenstein and Dracula. Yet the fame of this novel is based almost entirely on the various film versions, while the original book has been largely ignored and is rarely in print. An Accelerated Reader® Title

Disability is a broad, heterogeneous, and porous identity, and that diversity is reflected in the variety of bodily conditions under discussion here, including autism and intellectual disability, deafness, blindness, and mobility impairment often coupled with bodily deformity. Cultural Disability Studies has, from its inception, been oriented toward physical and sensory disabilities, and has generally been less effective in dealing with cognitive and intellectual impairments and with the sorts of emotions and behaviors that in our era are often medicalized as "mental illness." In that context, it is notable that so many of these essays are centrally concerned with madness, that broad and ever-shifting cultural category. There is also in impressive diversity of subject matter including YouTube videos, Ghanaian drumming, Cirque du Soleil, piano competitions, castrati, medieval smoking songs, and popular musicals. Amid this diversity of time, place, style, medium, and topic, the chapters share two core commitments.0First, they are united in their theoretical and methodological connection to Disability Studies, especially its central idea that disability is a social and cultural construction. Disability both shapes and is shaped by culture, including musical culture. Second, these essays individually and collectively make the case that disability is not something at the periphery of culture and music, but something central to our art and to our humanity.

Isda does not exist. At least not beyond the opulent walls of the opera house. Cast into a well at birth for being one of the magical few who can manipulate memories when people sing, she was saved by Cyril, the opera house's owner. Since that day, he has given her sanctuary from the murderous world outside. All he asks in return is that she use her power to keep ticket sales high—and that she stay out of sight. For if anyone discovers she survived, Isda and Cyril would pay with their lives. But Isda breaks Cyril's cardinal rule when she meets Emeric Rodin, a charming boy who throws her quiet, solitary life out of balance. His voice is unlike any she's ever heard, but the real shock comes when she finds in his memories hints of a way to finally break free of her gilded prison. Haunted by this possibility, Isda spends more and more time with Emeric, searching for answers in his music and his past. But the price of freedom is steeper than Isda could ever know. For even as she struggles with her growing feelings for Emeric, she learns that in order to take charge of her own destiny, she must become the monster the world tried to drown in the first place.

Critics and audiences often judge films, books and other media as "great" --but what does that really mean? This collection of new essays examines

the various criteria by which degrees of greatness (or not-so) are constructed--whether by personal, political or social standards--through topics in cinema, literature and adaptation. The contributors recognize how issues of value vary across different cultures, and explore what those differences say about attitudes and beliefs.

The Phantom of the Opera is the most famous work of French author Gaston Leroux. First published in French as a serial in 1909, the story revolves around the young, Swedish Christine Daaé. Her father, a famous musician, dies, and she is raised in the Paris Opera House with his dying promise of a protective angel of music to guide her. After a time at the opera house, she begins hearing a voice, who eventually teaches her how to sing beautifully. All goes well until Christine's childhood friend Raoul comes to visit his parents, who are patrons of the opera, and he sees Christine when she begins singing successfully on the stage. The voice, who is the deformed, murderous 'ghost' of the opera house named Erik, however, grows violent in his terrible jealousy, until Christine suddenly disappears. The phantom is in love, but it can only spell disaster. Part horror story, part historical romance, and part detective thriller, the timeless tale of a masked, disfigured musical genius who lives beneath the Paris Opera House is familiar to millions of readers, as well as to movie and theater-goers. At the heart of the story's long-standing popularity lies its questioning of a universal theme: the relationship between outward appearance and the beauty or darkness of the human soul. Despite finding little success in print after its 1911 publication, interest in and acclaim for Gaston Leroux's 'The Phantom of the Opera' intensified as a result of numerous film and stage adaptations, most notably Andrew Lloyd Webber's 1986 stage adaptation.

*Essays on the Value and Values of Works Remade for a New Medium* GENERAL PRESS

The Phantom of the Opera (1910) is a novel by French writer Gaston Leroux. Originally serialized in Le Galois, the novel was inspired by legends revolving around the Paris Opera from the early nineteenth century. Originally a journalist, Leroux turned to fiction after reading the works of Arthur Conan Doyle and Edgar Allan Poe. Despite its lack of success relative to Leroux's other novels, The Phantom of the Opera has become legendary through several adaptations for film, theater, and television, including Andrew Lloyd Webber's celebrated 1886 Broadway musical of the same name. In 1880s Paris, the legendary Palais Garnier Opera House is rumored to be haunted by a malignant entity. Known as the Phantom of the Opera, he has been linked to the hanging death of a stagehand in addition to several strange and mysterious occurrences. Just before a gala performance, a young Swedish soprano named Christine is called on to replace the opera's lead, who is suffering from a last-minute illness. From the audience, the Vicomte Raoul de Chagny recognizes Christine, his childhood sweetheart, and goes backstage after the opera has ended to reintroduce himself. While waiting by her dressing room, he hears her talking to an unknown man, but upon entering finds himself alone with Christine. Pressing her for information, she reveals that she has been receiving lessons from a figure she calls the Angel of Music, prompting suspicion and terror in Raoul, who is familiar with the legend of the Phantom. As Raoul makes his feelings for Christine known, the Phantom professes his love for his protégé, and a battle for her affection ensues. Caught in this love triangle, threatened on all sides by jealousy and pursuit, Christine struggles to hold on as her star in the Paris Opera rises. With a beautifully designed cover and professionally typeset manuscript, this edition of Gaston Leroux's The Phantom of the Opera is a classic of French literature reimagined for modern readers.

From the bestselling author of the Splintered series, a talented young opera singer enrolls in a French performing arts school shrouded in mystery. Rune has a mysterious affliction that's linked to her musical talent. Her mother believes creative direction will help, so she sends Rune to a French arts conservatory rumored to have inspired The Phantom of the Opera. When Rune begins to develop a friendship with the elusive Thorn, she realizes that with him, she feels cured. But as their love grows, Thorn is faced with an impossible choice: save Rune or protect the phantom haunting RoseBlood, the only father he's ever known. Fans of Daughter of Smoke & Bone and the Splintered series will adore this retelling of one of the most famous stories of all time. Praise for RoseBlood "The Phantom of the Opera is reborn in this supernatural tale of music, passions, and love. . . . A rich, atmospheric story that readers will be hard-pressed to put down." —Kirkus Reviews "Rune is a multifaceted, artistic character whose actions and reactions feel believably young adult as she confronts questions about family secrets and heredity. This is an accomplished undertaking. . . . VERDICT A good purchase for paranormal romance collections, and the connections to a classic work of literature add appeal." —School Library Journal

From the duo behind the massively successful and award-winning podcast Stuff You Should Know comes an unexpected look at things you thought you knew. Josh Clark and Chuck Bryant started the podcast Stuff You Should Know back in 2008 because they were curious—curious about the world around them, curious about what they might have missed in their formal educations, and curious to dig deeper on stuff they thought they understood.

As it turns out, they aren't the only curious ones. They've since amassed a rabid fan base, making Stuff You Should Know one of the most popular podcasts in the world. Armed with their inquisitive natures and a passion for sharing, they uncover the weird, fascinating, delightful, or unexpected elements of a wide variety of topics. The pair have now taken their near-boundless "whys" and "hows" from your earbuds to the pages of a book for the first time—featuring a completely new array of subjects that they've long wondered about and wanted to explore. Each chapter is further embellished with snappy visual material to allow for rabbit-hole tangents and digressions—including charts, illustrations, sidebars, and footnotes. Follow along as the two dig into the underlying stories of everything from the origin of Murphy beds, to the history of facial hair, to the psychology of being lost. Have you ever wondered about the world around you, and wished to see the magic in everyday things? Come get curious with Stuff You Should Know. With Josh and Chuck as your guide, there's something interesting about everything (...except maybe jackhammers).
