Tomb of the
Queen

Seekers
Tryam dreams
about
becoming a
legendary
paladin of old
and
combating the
evil that is

falling across
Medias like a
malevolent
shadow. But
as a ward of
the Church, he
is forced to
obey every
whim of an
overbearing
abbot who
preaches
peace above
all
else. Dement
us is a wizard

of immense
power and
even greater
ambition. To
further his
ends, he has
broken faith
with the
Wizard
Council and
has learned
the forbidden
magic of
necromancy.
As payment
for this

knowledge, he must deliver to the Dark God a weapon from the time of the Ancients: an unstoppable artifact known as a Golem. When the sinister machinations of Dementhus results in the kidnapping of one of Tryam's friends as well as the murder of another friend's father and the brutal destruction of their village, the youth is compelled to disobey the abbot and venture into the unknown, armed only

with his faith. This is a time of growing chaos, as great civilizations fall into decay and ruthless powers fight to fill the void, a time when the cruel can rise to power from the words of a single spell and the honorable fall from the chop of a bloody axe. This is an age in desperate need of heroes. [The Rock Tomb of Irw-K3-Pth](#) Lulu.com With the same flawless

storytelling that earned her the CWA Historical Dagger Award, Barbara Cleverly delivers a dazzling new novel. Sweeping us to the exotic island of Crete in 1928, Cleverly introduces a marvelous new heroine: whip-smart and spirited Laetitia Talbot, an aspiring archaeologist with a passion for adventure—and for the mysteries that only the keenest eyes

can see. Born into a background of British privilege, Laetitia Talbot has been raised to believe there is no field in which she may not excel. She has chosen a career in the male-dominated world of archaeology, but she approaches her first assignment in Crete the only way she knows how—with dash and enthusiasm. Until she enters the Villa Europa, where something is clearly utterly amiss... Her host, a charismatic archaeologist, is racing to dig up the fabled island's next great treasure—even, perhaps, the tomb of the King of the Gods, himself. But then a beautiful young woman is found hanged and a golden youth drives his Bugatti over a cliff. From out of the shadows come whispers of past loves, past jealousies, and ancient myths that sound an eerie discord with present events. Letty will need all her determination and knowledge to unravel the secrets beneath the Villa Europa's roof—and they will lead her into the darkest, most terrifying place of all....

When a relic of St Thomas Becket is stolen,
ARKANE agents Morgan Sierra and Jake

Timber are called in to find it. The trail of missing relics leads them in a race against time across sacred sites in Europe.

The Tomb of Tutankhamun: Volume 1

Cambridge University Press

The discovery of the resting place of the great Egyptian Pharaoh Tutankhamun [Tut.ankh.Amen] in November 1922 by Howard Carter and the fifth Earl of Carnarvon was the greatest

archaeological find the world had ever seen. Despite its plundering by thieves in antiquity, the burial of the king lay intact with its nest of coffins and funerary shrines, surrounded by a mass of burial equipment arranged in three peripheral chambers. Following on from the first volume's account of the search for and initial discovery of the team, in the second volume Howard Carter

recounts the discovery of the king's burial chamber: the breakthrough to the four protective shrines, the revelation of the quartz-sandstone sarcophagus, the king's three coffins (his own of pure gold) and the bejewelled mummy of the Pharaoh himself. Now available in the Bloomsbury Revelations series, the book includes over 150 photographs of the treasures that lay within the

great burial chamber of Tutankhamun. Tomb of Aradia BIG BYTE BOOKS Ninety-five years ago the enormous interplanetary space vehicle, the Pacifica, with a numerous crew, suddenly and inexplicably disappeared as it neared the planet Pluto. None of the probes directed towards the planet after the disaster found any evidence that the vessel and its crew had ever existed. Now, a

century later, the wreck of the huge ship has been sighted, lying shrouded in the hazy-black starlight on the Plutonian surface. A shuttle has been fitted for the dangerous journey to the seventh planet, and with three crewmembers aboard, has made the first attempt to reach Pluto since the loss of the Pacifica. As the shuttle approaches the planet, it also 'suddenly and inexplicably' disappears and is lost.

Although the crew of three is believed to have perished, they have not, and will carry on with their mission: to determine how the Pacifica met its fate. The truth, however, may be found only beyond reason, or even beyond imagination, and the three astronauts may wish that they never sought answer to this great mystery. *The Tomb of Hâtshopsîtû* Curl Up Press Photographs, facsimile drawings, and

watercolor paintings, as well as descriptive text and documentation, of the tomb chapel of Ip at El Staff. -- Metropolitan Museum of Art. *Tomb of the Ten Thousand Dead* Twenty-First Century Books Treasure hunter Jules finally locates the bangle stolen from his dying mother, but a ruthless billionaire snatches the artifact. Joining an institute of unconventional

archaeologists, they reveal clues that support the claim Jules's bangle holds properties that science cannot explain, and may lead to a tomb lost for 2000 years. The Tomb of Ts'in Bantam Action packed and captivating tale. Captain Gordon is a Tomb Raider. Hired to fly a team of American anthropologists to an arid mountain region now part of Pakistan bordering the Arabian Sea.

All goes well until an ancient map is discovered in an old pottery jar, revealing the site of a vast lost treasure that Alexander the Great was bringing to Greece from his conquest of India. More than 10,000 of Alexander's soldiers and camp followers lay buried in the high desert plains along with the loot of India - hidden in a tomb never to be reclaimed. With the map's discovery, all academic

pretense is dropped. Now Gordon finds himself caught in the middle of the expedition where murder replaces scholarship as the best method to uncover the valuable hoard. His colleagues have one goal now, to raid a tomb belonging to Alexander the Great at all cost. Not only was Hubbard steeped in the history of the ancient world, he was also an avid adventurer—both in his own right and as a

respected member of the famed Explorers Club. As such, he brought a wealth of insight, experience and authenticity to all his tales of adventure. Also includes two additional adventures: *The Price of a Hat*, in which the key to the Russian Czar's life is hidden in a most unexpected place, and *Starch and Stripes*, the story of a U.S. Marine who sets a trap for a tropical warlord that reverberates

all the way back to Washington. "An exciting story told at a brisk clip, with characters and dialogue that keep readers glued to the page: Hubbard at his best."

The Tomb of Tut-Ankh-Amen Michael D Christensen
The Tomb of Destiny is an historical adventure set in Edwardian England and Egypt. Charlie Waterman, our intrepid adventurer, solves an

ancient riddle that will lead him ultimately to a secret sanctuary containing the lost Pharaohs of Egypt. But nasty villains are on his trail and what Charlie actually discovers at the Tomb of Destiny is beyond his wildest dreams and he soon realises that the secrets of the past may hold the key to his future happiness. The Tomb of Louiya and Touiyou C & R Crime 'The Tomb of Ts'in' is an

adventure novel from acclaimed British author Edgar Wallace, that follows an intrepid treasure hunter through beautiful Chinese vistas in the hunt for a long forgotten tomb. Interestingly the story predates the actual discovery of the tomb by some sixty years. The story itself is humorous, fast paced and exotic, perfect for anyone interested to see what a

British Indiana Jones might be like. He probably hates snakes too. Edgar Wallace (1875-1932) was an English writer, poet and journalist. He was such a prolific writer that his publisher claimed his work could account for a quarter of all books sold in England. He wrote countless books, screenplays, poems and historical non-fiction, spawning over one hundred and sixty films based on his

work. He unfortunately passed away suddenly before he could see his most famous creation 'King Kong' come to life. It has been adapted several times over the years, notably by Peter Jackson of Lord of the Rings fame, and more recently in 'Godzilla vs Kong' starring Millie Bobby Brown.

[The Tomb of Meryneith at Saqqara](#)

Galaxy Press LLC
Mummies, grave-robbing ghouls,

hopping vampires, and evil monks beset a young archaeologist, in this fast-paced Indiana Jones-style adventure Saqqara, Egypt, 1888, and in the booby-trapped tomb of an ancient sorcerer, Rom, a young Egyptologist, makes the discovery of a lifetime: five coffins and an eerie, oversized sarcophagus. But the expedition seems cursed, for after unearthing the mummies, all but Rom die

horribly. He faithfully returns to America with his disturbing cargo, continuing by train to Los Angeles, home of his reclusive sponsor. When the train is hijacked by murderous banditos in the Arizona desert, who steal the mummies and flee over the border, Rom - with his benefactor's rebellious daughter, an orphaned Chinese busboy, and a cold-blooded gunslinger -

must ride into Mexico to bring the malevolent mummies back. If only mummies were their biggest problem... File Under: Fantasy **Tomb of Odin** Two Tales Press The chase is on - and Amelia Peabody and Co. are in the thick of it! 1922 - convinced that the tomb of the little-known King Tutankhamon lies somewhere in the Valley of the Kings, Emerson has

tried to persuade his rivals Lord Carnavon and Howard Carter to hand over their digging rights in the valley to him - but they resist. So back in Luxor an incident at the hotel the clan is staying in turns their gifts for digging in another direction. Emerson and Ramses are lured into a trap by a group of villains who demand answers to the mysterious question, 'Where is he?'. Their curiosity

piqued, the duo is determined to uncover who 'he' is and why 'he' should be so important. Fury From the Tomb Random House The discovery of the resting place of the great Egyptian King Tutankhamun [Tut.ankh.Amen] in November 1922 by Howard Carter and the fifth Earl of Carnarvon was the greatest archaeological find the world had ever seen. Despite its plundering

by thieves in antiquity, the burial of the king lay intact with its nest of coffins and funerary shrines, surrounded by a mass of burial equipment arranged in three peripheral chambers. Published in 1923, this is the first volume of Carter's trilogy, describing the years of frustration in search of the burial site, the triumph of its eventual discovery and the long, painstaking

process of exploring and cataloguing its treasures. Containing over 100 images from the site itself, this volume also includes Carter's short article, 'The Tomb of the Bird,' which inadvertently spawned the legend of the great curse of Tutankhamun's tomb. *Tomb of Gods* Delta Billionaire Dave Purdue buys an antique art piece, a tall cross monument, from a Finnish relic dealer. But the old

cross holds a secret--literally. When the cross is struck by lightning, it reveals part of a treasure that urges Purdue to enlist the help of investigative journalist Sam Cleave to assist him on his search for the rest of it. When historian Dr. Nina Gould barely escapes with her life from an archeological dig in the Himalayas, she is compelled to return to the excavation to

see what her team was prevented from discovering. The man who saved her life, archeologist Neville Padayachee, refuses to return there. Braving the freezing temperatures, she returns alone only to encounter what she perceives as a real-life yeti. Subsequently a captive, Nina is forced to steal a technological masterpiece from the same dig site she worked on. But when Purdue and Cleave

locate her to assist them with the riddle of the antique cross and its inscriptions referring to the Norse god Odin, they find Nina delirious and on the brink of death with the peculiar device still in her possession. Her possession of the device ignites a dangerous excursion while she, Sam, and Purdue have to unravel the secret left by a Polish prisoner of war to his son after the

Second World War. It is a secret that leads them to a grave mystery only perpetuated by conspiracy theorists. Trains buried with gold, hollow Earth theories and the myth of super men take on a whole new meaning when Nina, Sam, and Purdue discover the tomb of Odin and are intrigued to find what the currency of life really is. A word from the author: Hello and thank you for your interest in my

book. It has come to my attention that some people have been mistaking my books for those written by the famous author duo Douglas Preston and Lincoln Child. This is not the case. I wish to clarify that I am not, by any means, related to Douglas Preston or Lincoln Child, Lee Child or any other author called Preston Child. I hope this clears up the confusion. Tomb of Odin leads the reader on a

roller-coaster ride in search of a legend. Packed with breathtaking suspense and nerve-shredding action, Tomb of Odin is a thrilling read for all fans of action, suspense, and intrigue.

The Tomb of Zeus Getty Publications
The most lavishly decorated tomb in ancient Egypt was constructed for Queen Nefertari, wife of Rameses the Great. The Getty Conservation Institute has

been instrumental in the effort to restore the tomb's magnificent wall paintings, and in the fall of 1992, to mark the project's completion, an exhibition was held at the Getty Museum. The exhibition included a model of the tomb and full-scale reproductions of the wall paintings. The publication describes the conservation work (including before and after photographs),

outlines the life of Nefertari, and places the tomb in the context of Egyptian art history.

The Tomb of Ip at El Şaff

Metropolitan Museum of Art
This book results from a collaborative effort to reconstruct the 15th-century BC tomb of three foreign wives of Tuthmosis III, discovered and robbed by

villagers near Luxor in 1916. A general account was published by Herbert Winlock in 1948 (The Treasure of Three Egyptian Princesses, New York, The Metropolitan Museum of Art). The present volume differs substantially in the type and extent of documentation provided and in interpretation. Verification is provided of tomb provenance for a number of objects, for example,

while other objects previously thought to have come from the tomb are now considered forgeries. The text explores and documents the location of the tomb in the southwest valleys at Thebes; field work conducted by The Metropolitan Museum of Art at the site in 1988; art market finds alleged to have come from the tomb; and the names of the foreign wives and the life

they might have led.

The Tomb of Three Foreign Wives of Tuthmosis III

Lindhardt og Ringhof Nefertari, the favorite queen of Rameses II, was buried about 3,200 years ago in the most exquisitely decorated tomb in Egypt's Valley of the Queens. Discovered in 1904 by Italian explorer Ernesto Schiaparelli, the tomb had deteriorated to a disastrous extent when emergency

consolidation began in 1986. The six-year conservation project of the GCI and the Egyptian Antiquities Organization was completed in 1992. In this fascinating exploration of the tomb, John McDonald takes the reader through each chamber, describing the hieroglyphic messages depicted in the brilliant wall paintings and discussing the images within the context of Egyptian

beliefs. He also offers insights into the life of Nefertari, the development and symbolism of royal tombs, and the construction and decoration of the tombs. House of Eternity is illustrated with historic black-and-white images and more recent color photographs that reveal the vibrant beauty of the wall paintings. In November 1995 the tomb was reopened to the public. Because of

the potential for damage and deterioration to the fragile wall paintings caused by increased humidity, carbon dioxide, and microbiological activity introduced by visitors to the tomb, the number permitted to enter daily is strictly controlled by the Egyptian authorities. This book results from a desire of the GCI to enrich visitors' experience by providing a detailed descriptive

walk-through of the tomb while conveying a strong message regarding the need for conservation and continuous monitoring to ensure the long-term survival of the tomb's paintings. Visitors to the tomb and the armchair traveler alike will find House of Eternity to be an excellent resource for understanding Nefertari's journey to the afterlife and for appreciating

the extraordinary depictions of that journey on the walls of Nefertari's tomb. The Tomb of Amenemhet (no. 82) Sutton Publishing "The suspense of the story, aided by sly hints from the author, and the atmosphere of a dark, claustrophobic tomb work together to create a scary story. The characters' fear invites the reader into the world to experience the fright themselves."

The Tomb of
Tut-ankh-
Amen Watkins
 Media Limited
 This funerary
 monument of
 a high
 Memphite
 official was
 discovered by
 a joint
 expedition of
 the Leiden
 Museum of
 Antiquities
 and Leiden
 University in
 2001.
 Meryneith
 started his
 career as
 steward of the
 Memphite
 temple of the
 sun god Aten
 during the
 reign of the
 heretic
 pharaoh
 Akhenaten.
 During midlife,

he may have
 joined the
 court set up
 by the
 Pharaoh at the
 new capital at
 Amarna. He
 ended his
 career under
 Tutankhamun
 as high-priest
 of the Aten in
 the Memphite
 temple again.
 Thereby, the
 importance of
 the tomb of
 Meryneith lies
 in the fact that
 for the first
 time it allows
 us to witness
 various stages
 in the rise and
 fall of the
 Amarna
 heresy from a
 Memphite
 point of view.
 Thus the
 tomb-owner
 was

apparently
 forced to
 change his
 name from
 Meryneith -
 with its
 reference to
 the now
 proscribed
 goddess Neith
 - into Meryre.
 Several other
 variants of his
 name and
 some
 additional
 titles came to
 light,
 revealing
 various stages
 in his career.
 These stages
 mirror the
 ideological
 developments
 of the Amarna
 Period and its
 immediate
 aftermath,
 which are
 further
 illustrated by

the different styles of the decoration of the tomb. This proved to be remarkably well preserved and consists of both wall-reliefs and paintings on mud plaster. Thanks to the evidence of the inscriptions, it can be

observed how the tomb was built and decorated in various stages, each characterized by a marked change in style and iconography. The present report includes a full description of these wall scenes, as well as

chapters on the career of the tomb-owner, on the double statue of Meryneith and his wife found in one of the west chapels, and on the objects, pottery, and skeletal material found in the course of the excavations.
