*Discipline Without Distress* Simon and Schuster

This easy-to-read, comprehensive guide contains what you need to know on how to parent with confidence. Packed with advice and powerful tips, using the latest research on child development and parenting techniques, it offers a mine of information on how to let children flourish, take the frustration out of parenting and develop happy family relations. Authors provide guidance on developing character, knowledge, values, and skills, as well as a faith-based outlook in children, benefitting parents with kids of all ages. Many strategies and techniques offered include: teaching children how to problem-solve, make decisions, and develop self-esteem. Raising God conscious, moral, successful children, with a sense of civic responsibility in today's world is not easy. It is also not impossible. Effective parenting is the key.

*Legal Precedents, Current Practices, and Future Policy* Simon and Schuster  
"Parents and Children" by Charlotte Mason. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From

well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format. **A constructive approach to raising a kind, cooperative, and respectful child** SAGE

A child talks back to her mother. A teenager starts slamming doors and giving dirty looks. A naughty toddler seems to enjoy the negative response he gets from his exhausted parents. When misbehaviors begin, they can quickly escalate into an uphill battle of yelling, tears, and resistance--on both sides. This guide is a reassuring and realistic resource for parents struggling to find a positive balance with their kids, featuring guidance on how to: Set priorities for children of any age Open the lines of communication both ways Enforce punishments that teach rather than torture Work successfully with your partner Cultivate an environment of mutual respect With short takeaways at the conclusion of each chapter, this guide is the only resource you need to cope with behavior issues and raise a well-behaved child!

**The Ultimate Parenting Tips** Jason Aronson

Gives background on new immigrant ethnic groups in Canada, including attitudes towards such issues as childbirth, mental illness, dental care, hospitalization and death, in order to assist social workers in the provision of culturally sensitive and effective treatment programs.

This volume is a collection of current research on Chinese child development: the context of development, cognitive development, social development, and new issues related to the topic.

The Everything Parent's Guide to Positive Discipline Springer Science & Business Media

Becoming a parent can be daunting . . . terrifying, in fact. This is especially true for dads. Where's the road map? Well, you're looking at it. This book from the editors of Fatherly, the largest digital brand for dads, is a one-stop source for fathers-to-be, empowering them to be the best parent they can be--with both confidence and joy. New fathers grapple with both practical and existential questions: Is my baby supposed to do that? How do I afford to make my family thrive? How does swaddling work again? Who am I, and what kind of dad will I become? Fatherhood is here to answer all of these questions and more. This comprehensive guide walks fathers through everything they need to know--

practically, emotionally, and philosophically--over the course of the first year of a baby's life. The content is divided by developmental stage:

Pregnancy up to birth  
Infancy (the first 500 days)  
Toddlerhood (days 500 to 1,000)  
By offering data, anecdotes, and expert-driven analysis, the authors prep dads for what's ahead, letting them know they're not alone on their journey. Fatherhood is the book every father and father-to-be needs.

**How to Raise an Abel When the World Is Raising Cain** CUP Archive

**Area Handbook for Mongolia** W. W. Norton & Company

THE MARRIAGE & FAMILY EXPERIENCE: INTIMATE RELATIONSHIPS IN A CHANGING SOCIETY brings together all elements of the course -- including intimate relationships, family policy, and family issues. Striking a balance between an academic and more functional approach, the authors draw from research to present a sound sociological and family studies base enhanced by perspectives from anthropology, history, psychology, journalism, literature, economics, and gender studies. The book explores recent research on topics such as adoptive parenting, the transgender experience, childbearing patterns, gay and lesbian families, communication and conflict resolution, the influence of popular culture, and working families. Real-life examples and a focus on self-assessment and reflection make the book accessible and encourage students to think and act for themselves. The thirteenth edition retains a progressive approach to diversity yet remains rooted in a positive, pro-family perspective.

*Positive Discipline for Childcare Providers*  
Sarup & Sons

"In their introduction to this Handbook, the editors affirm: 'Many sociologists have come to realise that it makes no sense now to omit religion from the repertoire of social scientific explanations of social life'. I wholeheartedly agree. I also suggest that this wide-ranging set of essays should become a starting-point for such enquiries. Each chapter is clear, comprehensive and well-structured - making the Handbook a real asset for all those engaged in the field." - Grace Davie, University of Exeter "Serious social scientists who care about making sense of the world can no longer ignore the fact that religious beliefs and practices are an important part of this world... This Handbook is a valuable resource for specialists and amateurs alike. The editors have done an exceptionally fine job of incorporating topics that illuminate the range and diversity of religion and its continuing significance throughout the world." - Robert Wuthnow, Princeton University At a time when religions are increasingly affecting, and affected by, life beyond the narrowly sacred sphere, religion everywhere seems to be caught up in change and conflict. In the midst of this contention and confusion, the sociology of religion provides a rich source of understanding and explanation. This Handbook presents an unprecedentedly comprehensive assessment of the field, both where it has been and where it is headed. Like its many distinguished contributors, its topics and their coverage are truly global in their reach.

The Handbook's 35 chapters are organized into eight sections: basic theories and debates; methods of studying religion; social forms and experiences of religion; issues of power and control in religious organizations; religion and politics; individual religious behaviour in social context; religion, self-identity and the life-course; and case studies of China, Eastern Europe, Israel, Japan, and Mexico. Each chapter establishes benchmarks for the state of sociological thinking about religion in the 21st century and provides a rich bibliography for pursuing its subject further. Overall, the Handbook stretches the field conceptually, methodologically, comparatively, and historically. An indispensable source of guidance and insight for both students and scholars. Choice 'Outstanding Academic Title' 2009

*The Self-Driven Child* Independently Published

This Brief reviews the past, present, and future use of school corporal punishment in the United States, a practice that remains legal in 19 states as it is constitutionally permitted according to the U.S. Supreme Court. As a result of school corporal punishment, nearly 200,000 children are paddled in schools each year. Most Americans are unaware of this fact or the physical injuries sustained by countless school children who are hit with objects by school personnel in the name of discipline. Therefore, *Corporal Punishment in U.S. Public Schools* begins by summarizing the legal basis for school corporal punishment and trends in Americans' attitudes about it. It then presents trends in the use of school corporal punishment in the United States over time to establish its past and current prevalence. It then discusses what is

known about the effects of school corporal punishment on children, though with so little research on this topic, much of the relevant literature is focused on parents' use of corporal punishment with their children. It also provides results from a policy analysis that examines the effect of state-level school corporal punishment bans on trends in juvenile crime. It concludes by discussing potential legal, policy, and advocacy avenues for abolition of school corporal punishment at the state and federal levels as well as summarizing how school corporal punishment is being used and what its potential implications are for thousands of individual students and for the society at large. As school corporal punishment becomes more and more regulated at the state level, *Corporal Punishment in U.S. Public Schools* serves an essential guide for policymakers and advocates across the country as well as for researchers, scientist-practitioners, and graduate students.

#### *ADHD* Simon and Schuster

Sex sells. Sense doesn't. This is what Christians face in this world. But we cannot use that as an excuse to justify reckless choices in our lives. This is the main reason why Prince Mensah wrote *Seven Steps to Amazing Love*. The book is an honest, no-holds-barred conversation about how Christians can achieve a fulfilling relationship with another person. Prince uses the Bible and contemporary research to support his seven recommendations. As Christians, it is imperative to know how to survive minefields on the path to a godly and fulfilling relationship. The reader is offered a chance to self-analyze with the truth of God's word. There is no mincing of words in *Seven Steps to Amazing Love*. It is a book that

suggests several ways to avoid, or survive, the prevailing sense of futility in today's culture when it comes to true love. Prince Mensah came to know Jesus Christ as his Lord and Personal Savior in 1992. The conversion occurred at Calvary Baptist Church in Accra, Ghana. Since then, Prince has conducted workshops and seminars about issues affecting Christian youth. He has spoken on subjects ranging from selfishness to sexuality. Issues of chastity and fidelity in a Christian's life are focal points in Prince's presentations. This is because today's microwave society disables people to think through problems. The hasty decision-making results in unpleasant circumstances in many areas, especially in relationships. Prince Mensah has held the position of secretary for the Hope Baptist Church Youth group in Accra, Ghana. He studied Christian Psychology in college and holds a Consultants Certificate in Mediation. He is also a Fellow of the African-American HIV University in Los Angeles, California. He is married to Charisse Sullivan-Mensah, a career musician. The couple lives in Columbia, MD.

[A Handbook for Health Professionals in Western Canada](#) Professional Parenting Richard A. Conn, Jr. demonstrates why all parents who value science and reason can help stop the centuries-old practice of religious indoctrination and offers advice on how to encourage children to discover the world and their place in it for themselves. Only by teaching them that we are in this world together and have a limited time to live can we truly enable them to flourish and build a peaceful world—not just for their generation but for the future.

[Growing Up the Chinese Way](#) Xulon Press

*In Law and Community: The Case of*

Torts, Robert F. Cochran Jr, and Robert M. Ackerman explore the connections between individualism and communitarianism in American Law. The authors argue that though tort law is dominated by individualistic language, it has significant communitarian influences.

### **Delinquent and Neurotic Children**

Harmony

In this topically relevant book on modern ethical issues, Dorff focuses on personal ethics, Judaism's distinctive way of understanding human nature, our role in life, and what we should strive to be, both as individuals and as members of a community. Dorff addresses specific moral issues that affect our personal lives: privacy, particularly at work as it is affected by the Internet and other modern technologies; sex in and outside of marriage; family matters, such as adoption, surrogate motherhood, stepfamilies, divorce, parenting, and family violence; homosexuality; justice, mercy, and forgiveness; and charitable acts and social action.

### The Science and Sense of Giving Your Kids More Control Over Their Lives

Cengage Learning

Clinicians will find concrete exercises, forms, and techniques that convey information and skills, and that deal with such issues as the use of medication, the consequences of divorce, and the child with ADHD in the school system."--BOOK JACKET.

### *Frontiers of Theory and Research*

Springer

Help your child learn self-discipline, cooperation, and responsibility! When a child misbehaves, the situation can quickly escalate into an uphill battle of yelling, tears, and resistance--on both sides. But what if you could avoid all that? Conscious parenting is about being

present with your child and taking the time to understand the reasons and motivations behind behaviors. This relationship-centered approach means that you respect your child's point of view as you both learn how to create a mutually-beneficially set of behavioral rules. By practicing this mindful method, you can support your child emotionally and help nurture important social development. Parent coach Jennifer Costa teaches you how to: Communicate openly with your child about proper behavior Build a supportive home environment Determine your child's behavioral triggers Learn strategies that will help your child feel calm Teach your child long-term coping skills Discipline your child without embracing anger With *The Conscious Parent's Guide to Positive Discipline*, you will learn to create a calm and mindful atmosphere for the whole family, while helping your child feel competent, successful, and healthy. UBC Press

This is the first edited volume in the communication field to examine parent-child interaction. It creates a framework for future research in this growing area -- family communication, and more specifically, parent-child communication -- and also suggests new areas of communication research among parents and children -- cultural, work-related, taboo topics, family sex discussions, conflict, and abuse. Chapter authors provide thorough coverage of theoretical approaches, new methods, and emerging contexts including lesbian/gay parent-child relationships. In so doing, they bring a communication perspective to enduring problems of discipline, adolescent conflict, and physical child abuse. The text highlights various methodological approaches -- both quantitative and qualitative -- including

conversation analysis, grounded theory, participant-observation, and phenomenological interviewing of children. It also introduces and surveys various theoretical approaches -- general systems, developmental, cultural, and intergenerational transmission.

[A Mindful Approach for Helping Your Child Succeed](#) Simon and Schuster

Discipline that you and your child will feel good about! At last, a positive discipline book that is chock-full of practical tips, strategies, skills, and ideas for parents of babies through teenagers, and tells you EXACTLY what to do "in the moment" for every type of behavior, from whining to web surfing. Parents and children today face very different challenges from those faced by the previous generation. Today's children play not only in the sandbox down the street, but also in the World Wide Web, which is too big and complex for parents to control and supervise. As young as age four, your children can contact the world, and the world can contact them. A strong bond between you and your child is critical in order for your child to regard you as their trusted advisor. Traditional discipline methods no longer work with today's children, and they destroy your ability to influence your increasingly vulnerable children who need you as their lifeline! Spanking and time-outs do not work. You need new discipline tools! Help your child gain: · Strong communication skills for school, career, and relationship success. · Healthy self-esteem, confidence, and greater emotional intelligence. · Assertiveness, empathy, problem-solving, and anger-management skills. · A respectful, loving connection with you! You will gain: · An end to resentment, frustration, anger, tears, and defiance in your parent-child relationship. · Tools to respectfully

handle most modern challenging parenting situations, including biting, hitting, tantrums, bedtimes, picky eating, chores, homework, sibling wars, smoking, "attitude," and video/computer games. · Help for controlling your anger "in the moment" during those trying times. · A loving, respectful, teaching and fun connection with your child!

"Offers a wealth of ideas and

suggestions for raising children without the use of punishment of any kind."

Linda Adams, President and CEO of P.E.T. Parent Effectiveness Training and Gordon Training International "The world is in desperate need of gentle, caring discipline techniques. Judy Arnall has created a wonderful, nurturing guide that all parents can benefit from."

Elizabeth Pantley, Author of The No-Cry Solution series of books. "Parents always prefer to be loving but often don't know how. Arnall's book debunks all the old beliefs about discipline through painful measures such as punishment, consequences or bribes and provides far more effective and kind ways to raise well behaved and thriving children."

Naomi Aldort, Ph.D., Author of Raising Our Children, Raising Ourselves BONUS! 50-page quick reference tool guide included

[A Book on Marital Steps with Information About Marriage](#) International Institute of Islamic Thought (IIIT)

It can be a challenging task to raise a child to love the Lord, discover God's purpose for his or her life, and be faithful to Him in the midst of a society that seems bent on destroying the home. Seasoned pastor and committed father Keith Pisani digs deep into God's word and relates lessons from numerous biblical passages, from Genesis through Revelation, to guide parents down an inspirational path to learn how to raise

children for the Lord, form a salvation relationship with God through faith in Jesus, and ultimately give Him glory. While relying on applicable scriptures to provide insight on how the family began and sharing principles on parenting from Proverbs, Pisani also includes lessons on child-rearing from other family-related bible passages, a nine-session

interactive small group bible study extracted from the text, and principles for parenting. In this modern-day manual, a pastor and experienced father shares scripture, wisdom, and a roadmap that guides parents on an insightful journey to raising Christian children within a challenging society.
