The earnest intercessor and serious spiritual warrior will want to read this book. About this book, Dr. Lester Sumrall in his Forward writes: "Many have written concerning fasting. Few have experienced extended fasts several times per year from forty-eight hours per week and from twenty-one to forty days' duration with such results as Dr. Fomum and believers in some of the Churches in Cameroon.... The reader of The Ministry of Fasting is caught up in the reality of fasting unto the Lord.... Along with Bible characters, the Church fathers from Savanarola, Martin Luther, Knox, Wesley, Jonathan Edwards, and modern Church leaders, both living and dead, are cited as exemplary among those who valued fasting unto victory in Christ.... Dr. Fomum explores - the aspects of fasting, - interference of spirits, and - the different reasons to fast: - for deliverance, - for ministering unto the Lord, and - for mourning... He helps one with - preparations for fasting, - how to intercede while fasting, - how to break a fast, - what to do after a fast, and - how to maintain the results of a fast. The book is written, as the others of his books, in a teachable, expanded outline format. The earnest intercessor and serious spiritual warrior will want to read this book." A Complete Guide to Biblical Fasting Abingdon Press	
This spiritually-empowered book reveals the importance and power of fasting and prayer backed with faith in God. It is based on the authors spiritual experiences and observations within Christ-centered environment, and written under the influence of the Holy Ghost and with the wisdom, knowledge and understanding received from the Almighty God. Jesus said to his disciples: Howbeit, this kind goeth not out but by prayer and fasting (Matt 17:21). There is an increasing need for believers to have a closer relationship with God, given the ever increasing level of abominations and immoralities in this world. This book is meant to spiritually encourage believers to continue to intercede for the sick and the weak, the lost and the hopeless, and the unbelieving souls. Throughout the Scriptures, and indeed the history of humanity, true servants of God have fasted and prayed as they faced circumstances that were above and beyond human comprehension and capability, and as they were over-whelmed with trials and tribulations of this secular world. It is imperative that we find time for a quiet moment within our hearts to commune with God, and to have a dialogue with Him in our individual war rooms. This book will immensely help and encourage you in positioning yourself for a place in the Kingdom of God.

Susan Heck expounds on the book of First John with the same love and tenderness the Apostle John used in writing the book. The theme of the book is expressed well in 1 John 2:1: "My little children, I am writing these things to you so that you may not sin. But if anyone does sin, we have an advocate with the Father, Jesus Christ the righteous." This is an excellent small group Bible

Fasting Your Way to Glory talks about the why and how of biblical fasting, the right and wrong ways of fasting, and the many physical and spiritual benefits you derive from making fasting a lifestyle. The author shares her personal experiences on how fasting influenced her life from teenager to adulthood. She says, "Eating constantly for a whole week or month exposes you to the danger of contracting one disease or another. The stomach does not have time to rest and clean up or renew itself. The cells are not renewed, so they continue to wear out. It may be challenging to change your eating habits all of a sudden, but once you succeed through progressive fasting, you will live longer, happier, and healthier."

Ready for Revival? It's Time to Relearn Prayer and Fasting. This book is for Christians who are waking up from the uneasy peace churches have made with the way things are. The modern church's contentedness in maintaining membership rolls doesn't compare with the early church's zeal for spreading the gospel far and wide. For Christians ready for revival, it's time to reintroduce serious prayer and fasting--not as sporadic irregularities but as serious habits. Beyond telling us that we need to pray and fast, David Roadcup and Michael Eagle describe how these practices can become part of our daily and weekly rhythms. Christians must be realistic about common hindrances to these practices and receive practical help about how to move forward despite the inhibitions and idolatries which often get in our way. Prayer and Fasting combines biblical teaching, spiritual insight, and scientific research to help us intentionally pursue revival. The power of the Holy Spirit has enflamed disciple-making movements all throughout history as faithful disciple makers have prayed and fasted. To help us powerfully impact our churches, cultures, and countries for Christ, David and Mike have prepared this helpful manual. Comparing the Chosen Fast with the Traditional Fast and the Daniel Fast and relating them to prayer, Robert Holland's second book is a masterwork that explores some of the false assumptions about fasting. The Chosen Fast, specifically, can be spiritually understood as wisdom in its highest form, causing us to not only know what Jesus wants of us but also causes us to lovingly obey Him, follow Him in our daily lives, and live in the kingdom of heaven until it comes in its fullness. Holland's thorough and enlightening examination of fasting covers these illuminating topics: Old and New Testament Fasts including Public Fasts, Individual Fasts, and Forty Day Fasts; the Traditional Fast (weekly); the Daniel Fast (both 24/7/365 and twenty-one days); the Chosen Fast (24/7/365); the Chosen Fast and Prayer, and the Chosen Fast and Matthew 25. Transforming prayer to a 24/7/365 paradigm, the Chosen Fast is an entirely different—and spiritually rewarding—way of living.Filled with love and reverence for the Lord and the Bible, Holland delivers a joyous celebration of faith filled with hope, commitment, excitement, and faith. His fundamental understanding of the fast and the ease with which he imparts its principles open up an old topic in an entirely new way. An easy to use guide to fasting and prayer. The Chosen Fast and Prayer will inspire you to make fasting a regular part of your spiritual discipline and devotion.

Atomic Power With God Thru Fasting and Prayer is a short work by the spirited evangelist Franklin Hall. The book describes how prayer during extended fasts can heal the body and soul, and bring practitioners greater spiritual power to exalt and glorify Jesus Christ. Franklin Hall was born in Coffeyville, Kansas, in 1909. Hall's father died when Franklin was only twelve, leaving him distraught with both his loss and the responsibility of supporting his mother and five younger siblings. During these hard times, he looked to the local Pentecostal church for guidance. The church became a major influence on the lives of the young Hall children and their widowed mother, who remarried the reverend soon after. Hall began his own traveling ministry during the Great Depression. But he didn't become well known among evangelicals until the release of his first book, Atomic Power With God Thru Fasting and Prayer, in 1946. In the book, Hall described his own introduction to fasting and prayer through friendship with a Oklahoma family advocating the practice in 1932. He fasted and prayed with them in anticipation of a large revival-and at the ensuing event, "scores of people were healed of all types of afflictions." He became convinced of the power of fasting and began to preach its efficacy as he traveled. In 1946, a group of "Holy Ghost people" began a long session of prayer and fasting, lasting between ten and forty days. According to Hall, they experienced a great spiritual awakening. Some even found healing of physical ailments during the fast. As word of the event spread, Hall found that there was heavy demand for more information about the power of fasting and prayer. Later that same year, Hall wrote Atomic Power. The book explores how fasting intensifies prayer by "[bringing] unity and [filling] us with the glory of God." Through the combination of these two acts, he believed one could enhance their "spiritual appetites" and curtail their hunger, sex, and greed appetites-thereby uncovering their "spiritual atomic power with God that lies available to every Christian." Hall acknowledged that fasting and prayer were not new. Beyond the multiple examples from the Bible, and specifically from the life of Christ, he cited the fasting and prayer of Native Americans and Muslims who abstained from food as a regular part of their devotional exercises. In addition to the why of fasting, the book explained how one should fast. A complete fast, Hall wrote, should last from the time hunger leaves to the time hunger returns-usually 21 to 40 days. Water should be consumed in abundance to clean out the stomach and intestines of waste. And when it's time to break the fast, Hall provided a detailed breakdown of what to eat and when. Atomic Power brought

success and notoriety to Hall, who continued to travel across the country evangelizing to crowds of up to 5,000 people. Immediately after *Atomic Power*, he published *The Fasting Prayer* in 1947 and *Glorified Fasting: The ABC of Fasting* in 1948. He published a total of 17 books during his lifetime. Hall and his wife, Helen, founded the Hall Deliverance Foundation in the mid-1950s. This alliance of churches and ministries followed Hall's teachings for fasting and prayer. The couple also started *Miracle Word*, a ministry newsletter that had 24,000 subscribers worldwide at its peak. Some other evangelists and Pentecostals did not agree with Hall's teachings. Still, fasting had staunch believers through the 1950s and beyond, including some notable evangelists like Gordon Lindsay, William Branham, and Orval Jagers. Hall's work has now been inspiring Christians to explore the benefits of fasting on their physical and spiritual health for over 70 years.

Rabbi Nachman of Bratslav (1772-1810) is widely considered to be one of the foremost visionary storytellers of the Hasidic movement. The great-grandson of the Ba'al Shem Tov, founder of the movement, Rabbi Nachman came to be regarded as a great figure and leader in his own right, guiding his followers on a spiritual path inspired by Kabbalah. In the last four years of his life he turned to storytelling, crafting highly imaginative, allegorical tales for his Hasidim. Three-time National Jewish Book Award winner Howard Schwartz has masterfully compiled the most extensive collection of Nachman's stories available in English. In addition to the well-known *Thirteen Tales*, including "The Lost Princess" and "The Seven Beggars," Schwartz has included over one hundred narratives in the various genres of fairy tales, fables, parables, dreams, and folktales, many of them previously unknown or believed lost. One such story is the carefully guarded "Tale of the Bread," which was never intended to be written down and was only to be shared with those Bratslavians who could be trusted not to reveal it. Eventually recorded by Rabbi Nachman's scribe, the tale has maintained its mythical status as a "hidden story." With utmost reverence and unfettered delight, Schwartz has carefully curated *A Palace of Pearls* alongside masterful commentary that guides the reader through the Rabbi's spiritual mysticism and uniquely Kabbalistic approach, ultimately revealing Rabbi Nachman to be a literary heavyweight in the vein of Gogol and Kafka. Vibrant, wise, and provocative, this book is a must-read for any lover of fairy tales and fables.

There are many myths, unfounded fears, and misunderstandings about spiritual fasting. From any denominational perspective you can hear a leader tell his or her congregation to "Fast and pray." Seldom does the leader—or anyone else – follow up that directive with any instructions on how to fast. Christ's followers are often left on their own to figure out how to execute the spiritual fasting. Unfortunately, this may mean they do not have the spiritual experience they hoped for. In basic, everyday language, Reverend Lionel Stokes's *Fasting Keys* opens up the unfamiliar, the forgotten, and even the unknown natures of fasting. Stokes addresses three specific questions about spiritual fasting: When and where did the practice or idea of fasting begin? Why bother to fast? How do you prepare to fast? You'll find recommended foods and beverages as well as ones to stay away from during your fast. Stokes also provides daily menu suggestions, so you will not be left to fend for yourself when making a meal plan. *Fasting Keys* proves spiritual fasting is nothing to be afraid of or dread. Instead, it can bring you closer to God and enhance your entire faith experience.
