The Cambridge Dictionary of Philosophy Cambridge University Press

A consistent best-seller, the wide-ranging and authoritative Dictionary of Sociology was first published in 1994 and contains more than 2,500 entries on the terminology, methods, concepts, and thinkers in the field, as well as from the related fields of psychology, economics, anthropology, philosophy, and political science. For this fourth edition, Professor John Scott has conducted a thorough review of all entries to ensure that they are concise, focused, and up to date. Revisions reflect current intellectual debates and social conditions, particularly in

relation to global and multi-cultural issues. New entries cover relevant contemporary concepts, such as climate change, social media, terrorism, and intersectionality, as well as key living sociologists. This Dictionary is both an invaluable introduction to sociology for beginners, and an essential source of reference for more advanced students and teachers.

A Dictionary of Sociology
Wordsworth Editions
How did a single genre of text have the power to standardise the English language across time and region, rival the Bible in notions of authority, and challenge our understanding of objectivity, prescription, and description? Since the first monolingual dictionary appeared in 1604, the genre has sparked evolution, innovation, devotion, plagiarism, and controversy. This comprehensive volume presents an overview of essential issues pertaining to dictionary style and content and a fresh narrative of the development of English dictionaries throughout the centuries. Essays on the regional and global nature of English

lexicography (dictionary making) explore its power in standardising varieties of English and defining nations seeking independence from the British Empire: from Canada to the Caribbean. Leading scholars and lexicographers historically contextualise an array of dictionaries and pose urgent theoretical and methodological questions relating to their role as tools of standardisation, prestige, power, education, literacy, and national identity.
