DUNCAN PATRICIA

The Illustrator 7 Wow! Book Time Life Medical

In the first biography of Joan Crawford to give the full, uncensored story, bestselling author David Bret tells Crawford's rags to riches climb, from working in a Kansas City laundry to collecting an Oscar for her defining role in *Mildred Pierce*, and on to her devotion to Christian Science and reliance on vodka. He discusses the star's legendary relationship with Clark Gable, her countless love affairs, her marriages -- three of them to gay men -- and her obsession with rough sex. Bret divulges what really happened that led her to disinherit two of her four children, earning her the nickname "Mommie Dearest," as well as how her loathed mother forced Crawford to work as a prostitute, appear in pornographic films, and sleep her way to the top. Bret analyzes Crawford's films, many of which were constructed purely as vehicles where actress and character were often indistinguishable. Overtly generous towards her coterie of gay friends, she was heartless towards her enemies, particularly Bette Davis, her co-star in *Whatever Happened to Baby Jane*, with whom she shared a lifelong feud. Drawing on a wealth of unpublished material and interviews, David Bret presents a unique, fascinating portrait of a single-minded, uncompromising woman.

Maggie for Hire Arms & Armour

When monsters appear on Earth, Maggie MacKay is on the job. No one is better at hauling the creepy crawlies back where they belong. No one, that is, except Maggie's dad, who vanished in the middle of an assignment. Now, an elf named Killian has shown up with a gig. Seems Maggie's uncle teamed up with the forces of dark to turn Earth into a vampire convenience store, serving bottomless refills on humans. Ah, family... The only hope for survival lies in tracking down two magical artifacts and a secret that disappeared with Maggie's dad. WARNING: This book contains cussing, brawling, and unladylike behavior. Proceed with caution.

"Staff from smaller airports typically lack specialized expertise in the negotiation and development of airport property or the resources to hire consultants. ACRP Research Report 213 provides airport management, policymakers, and staff a resource for developing and leasing airport land and improvements, methodologies for determining market value and appropriate rents, and best practices for negotiating and re-evaluating current lease agreements. There are many factors that can go into the analysis, and this report reviews best practices in property development."--Foreword.

Electrical Systems Da Capo Press

For fans of GRR Martin & Joe Abercrombie etc, keen on some hard-boiled, gritty Grimdark fantasy lit, here's a wicked, shooter-sized tale from Bravo Books that'll snatch you by the collar & drag you along on an unputdownable rollercoaster ride: AN EPIC GRIMDARK FANTASY NOVELLA Once the great betrayer of his own native Alba, the infamous warrior Berek the Blackguard went on to seize its crown through bloody murder. But King Berek I's power would be broken within days, when his army was destroyed by the invading forces of the Kryger Emperor. Disgraced by defeat, Berek was reduced to fleeing his enemies across his own Kingdom of Alba, a land soon crushed beneath the cruel heel of Krygerdom. Before long he lost his wife, daughter, and everything else he held dear. But after seven years on the run, Berek soon finds himself the unlikely leader of the latest Alban revolt against Kryger tyranny. Along with his small band of loyal allies, Berek must stand up once more to the Kryger Emperor, who has turned up on the battlefield at the head of an almighty host. The last fight for Alba beckons beyond the Harrow Hill, where Berek and his ragtag army must overcome impossible odds to win eternal freedom.

Haynes manuals are written specifically for the do-it-yourselfer, yet are complete enough to be used by professional mechanics. Since 1960 Haynes has produced manuals written from hands-on experience based on a vehicle teardown with hundreds of photos and illustrations, making Haynes the world leader in automotive repair information.

Berek The Blackguard Wee Society

This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.
