JAXSON AUBREY

The Book of Hindu Festivals and Ceremonies Harper Collins

In this volume, questions are addressed revolving around religious literacy and education. The term religious literacy is explored as the ability to discern and analyze intersections of religion with social, political, and cultural life in pluralistic societies. Questions about what types of religious literacies are possible in a non-confessional, and even secular, educational context are in focus. It delves into the intricate relationship between religious literacy, religious education in the Nordic countries, and the development of subject knowledge and generic abilities. The Nordic countries, as modern secular welfare states with shared characteristics, provide an intriguing framework for comparison. The exploration of variations in the organization, content, and goals of religious education in Finland, Denmark, Norway, and Sweden sheds light on the process of shaping educational content within specific historical and societal contexts and the anthology broadens its scope by incorporating global perspectives from the Indian, Italian, and Indonesian contexts. The volume features contributions from 18 researchers who explore empirical, methodological, and theoretical aspects of religious literacy and education. The concept of religious literacy, encompassing both knowledge and generic skills, proves to be indispensable for navigating the diverse religious and non-religious worldviews present in pluralistic societies. Tailored for students, educators, education researchers, and policymakers, this anthology contributes to the ongoing discourse on religious literacy. It not only provides valuable insights into the Nordic educational landscape but also fosters a global dialogue on the crucial role of education in understanding diverse worldviews.

Seventy Years of India-Japan Diplomatic Relations Sterling Publishers Pvt. Ltd

After an existence of over 5000 years, the Hinduism the oldest religion on earth continues to brace the casteism in form of a monster.

The Food and Beverage Hospitality Industry in India YOUTH COMPETITION TIMES

Hindu Diasporas presents the histories and religious traditions of Hindus with a South Asian ancestral background living outside of South Asia. Hinduism is a global religion with a significant presence in many countries throughout the world. The most important cause of this global expansion is migration. This book presents and analyses the most important of the geographies, migration histories, religious traditions and developments, rituals, places, institutions, and representations of Hinduism in the diasporas, capturing some of the great plurality of Hindu religious traditions. The first part of the book concentrates on the major regions in the world in which Hindu diasporas are found. The main focus is the modern period, but the book discusses also the possibility of premodern Hindu diasporas in Southeast Asia. The second part focuses on specific central themes such as Vaishnava, Shaiva, and Shakta traditions in diasporas, temples, and traditions of sacred sites and pilgrimage outside of South Asia, Hindutva organizations and the diaspora, as well as relations between Hindu diasporas and new followers of Hindu traditions. The chapters in this book show some of the global presence of the Hindu diasporas and some of the dynamic developments in multiple geographical spaces. Analysing specific spaces and themes, the chapters of the book offer a foundation for understanding the Hindu traditions in its most important global diasporic contexts

and the dynamic developments around the world.

Hindu Diasporas Texas A&M University Press

India is a multicultural country, where people of different faiths live in harmony and celebrate their festivals in the spirit of fellowship and charity. Festivals link us to our tradition and culture and renew our spiritual and family bonds. This book presents an account of the major festivals celebrated in India by people of various religions.

Texas Almanac 2020-2021 Om Books International

Since the 1960s the number of Indian immigrants and their descendants living in the United States has grown dramatically. During the same period, the make-up of this community has also changed—the highly educated professional elite who came to this country from the subcontinent in the 1960s has given way

to a population encompassing many from the working and middle classes. In her fascinating account of Indian immigrants in New York City, Madhulika S. Khandelwal explores the ways in which their world has evolved over four decades. How did this highly diverse ethnic group form an identity and community? Drawing on her extensive interviews with immigrants, Khandelwal examines the transplanting of Indian culture onto the Manhattan and Queens landscapes. She considers festivals and media, food and dress, religious activities of followers of different faiths, work and class, gender and generational differences, and the emergence of a variety of associations. Khandelwal analyzes how this growing ethnic community has gradually become "more Indian," with a stronger religious focus, larger family networks, and increasingly traditional marriage patterns. She discusses as well the ways in which the American experience has altered the lives of her subjects.

Belief, Bounty, and Beauty Notion Press

Did you know that India is the birthplace of four religions--Hinduism, Sikhism, Jainism and Buddhism? The Indian culture is a spicy blend of customs, traditions, religions and languages, not just derived from its diverse states, but also from its Muslim and European rulers. The home of the Himalayas, the Taj Mahal and the birthplace of Mahatma Gandhi, this country has contributed to arts, science and world cuisine significantly. As part of the Asiapac Culture series, this book offers a glimpse at the origins of the Indian people and their religious and social customs. You can find out about the different gods that Hindus pray to, why Sikhs wear a turban and the reasons for celebrating Deepavali. This is the book to read if you would like a quick guide to Indian culture and many aspects of their lives.

Gastronomic Sustainability Solutions for Community and Tourism Resilience Shoebill LLC

This volume is a collection of 76 speeches of the Prime Minister in his fourth year in office (from May 2017 to April 2018). Divided in five sections, the speeches in this volume invoke the concept of good governance; lay down the dream for making India prosperous and proficient in various fields; they hail the contributions of soldiers, farmers and scientists; they raise the hope for respect and better life for all our countrymen and they present a clear commitment for Rising India. Australia's Pivot to India Routledge India is a country of myriad festivals! Not a

month goes by in which we don't have something to celebrate. This book invites you to rejoice in India's rich culture through the simple stories of two young twins, Natasha and Nikhil, as they experience an entire year of festivals and celebrations - starting with Lohri in January and ending with Christmas in December! The detailed descriptions and wealth of detail about each festival that Natasha and Nikhil record in their blog and journal will make this a book to treasure and return to every time a festival comes by. So come celebrate with us!

Ink and Exile Arihant Publications India limited

Explores the contemporary nature and the diverse narratives, rituals, and performances of the Navaratri festival. *Nine Nights of the Goddess* explores the festival of Navaratri—alternatively called Navarātra, Mahānavamī, Durgā Pūjā, Dasarā, and/or Dassain—which lasts for nine nights and ends with a celebration called Vijayadasamī, or "the tenth (day) of victory." Celebrated in both massive public venues and in small, private domestic spaces, Navaratri is one of the most important and ubiquitous festivals in South Asia and wherever South Asians have settled. These festivals share many elements, including the goddess, royal power, the killing of demons, and the worship of young girls and married women, but their interpretation and performance vary widely. This interdisciplinary collection of essays investigates Navaratri in its many manifestations and across historical periods, including celebrations in West Bengal, Odisha, Karnataka, Maharashtra, Tamil Nadu, Uttar Pradesh, and Nepal. Collectively, the essays consider the role of the festival's contextual specificity and continental ubiquity as a central component for understanding South Asian religious life, as well as how it shapes and is shaped by political patronage, economic development, and social status.

Festivals Of India : Large Print Cornell University Press

Understanding the place of religion in Early Childhood Education and Care is of critical importance for the development of cultural literacy and plays a key role in societal coherence and inclusion. This international handbook provides a comprehensive overview of the place of religion in the societal educational arenas of the very youngest children across the globe. Drawing together contributions from leading international experts across disciplinary backgrounds, it offers a critical view of how to approach the complexities around the place of religion in Early

Childhood Education and Care. Through its four parts, the book examines the theoretical, methodological, policy and practice perspectives and explores the complex intersections of transmission of "cultural heritage" and "national values" with the diverse, changing societal contexts. Each chapter contributes to an increased understanding of how the place of religion in Early Childhood Education and Care can be understood across continents, countries and educational systems. The Routledge International Handbook of the Place of Religion in Early Childhood Education and Care is an essential resource for academics, researchers, students and practitioners working in Early Childhood Education, Sociology of Childhood, Religious Education and other related fields. *Religious Literacy in Secular Religious Education* Taylor & Francis

The Book is a window on Indian cultural diplomacy, which is set against the backdrop of its ethos of 'Vasudhaiva Kutumbakam' (The World is a Family). It is pivoted to the 'Idea of India' that gets manifested through acceptance of diversity and celebration of pluralism. The Book in 15 chapters under 8 sections provides a comprehensive picture on the concept of cultural diplomacy; its relationship with public diplomacy and soft power; its place in the diplomatic architecture and its growing centrality. Unlike soft power, cultural diplomacy is not in the paradigm of power. The Book also provides an in depth study on the origins and evolution of Indian cultural diplomacy over the years. It reviews the role of the Ministries of Culture and External Affairs and the Indian Council for Cultural Relations (ICCR). It examines various instrumentalities, such as Cultural Agreements, Festivals of India, Cultural Centres and Chairs of Indian Studies, used by India, to achieve its objectives. The role played by Education, Media and Diaspora, as bridge builders is evaluated. The Book peeps into global cultural hubs, like the Smithsonian Institution in Washington DC and the working of cultural diplomacy at grassroots level at Chandigarh and Chicago. Two chapters in the Book look at the operation of cultural diplomacy in the Indian diplomatic missions and foreign diplomatic missions in India. This adds a practical dimension to the conceptual framework, as seen by practitioners of diplomacy. The final chapter provides an overview on the existing reality. A section on 'The Way Ahead' makes a number of practical recommendations in five clusters, to take cultural diplomacy to a higher plateau. Finally, it raises a set of pertinent

issues and points for consideration by theoreticians and practitioners of cultural diplomacy. The Book would serve as a useful reference point for further studies, as it fills the existing void in the literature on cultural diplomacy.

Fairs & Festivals Disha Publications
