What do Katie-Rose, Yasaman, Milla, and Violet have in common? Other than being named after flowers, practically nothing. Katie-Rose is a

film director in training. Yasaman is a computer whiz. Milla is third in command of the A list. And Violet is the new girl in school. They're fab girls, all of them, but they sure aren't friends. And if evil queen bee Medusa—'scuse me, Modessa—has her way, they never will be. But this is the beginning of a new school year, when anything can happen and social worlds can collide . . . Told in Lauren Myracle's inventive narrative style—here a fresh mix of instant messages, blog posts, screenplay, and straight narrative—Luv Ya Bunches has been called "enticing" by Publishers Weekly and received a starred review from Booklist, which called it "a fun, challenging, and gently

edifying story." Dream on Lobster Press Sixteen-year-old shy, socially awkward trans teen Bass reluctantly skips school and goes on a boat trip with his adventure-seeking girlfriend, Rosie. Although maybe “opportunity” isn't the right word, since April had to tell her dad a tiny little untruth to make it happen (see #1: “Lied to Our Parents”). But she and her housemate Vi are totally responsible and able to take care of themselves. How they ended up “Skipping School” (#3), “Buying a Hot Tub” (#4), and, um, “Harboring a Fugitive” (#7) is a mystery to them. To get through the year, April will have to juggle a love triangle, learn to do her own laundry, and accept that her carefully constructed world just might be falling apart . . . one thing-she-shouldn't-have-done at a time.
