SUTTON MACIAS

Disney Princess: A Magical Pop-Up World Abrams

Isn't it time there was a fairy tale aimed at girls and women who wear hiking boots, don't comb their hair, and love pick-up trucks? The prince in this story wants to marry a real mountain princess, so he searches all the mountain ranges in the world? looking in the Sierras for women in tiaras, and at Glass Mountain for ladies wearing just one shoe. He ends up going home alone, only to be found by a princess who knows what she wants and isn't afraid to set out into the world on her own to find it. The Princess and the Pick-up Truck is a modern retelling of The Princess and the Pea, but with an Appalachian, or at least rural, slant. Bill's inspiration: We all know what happens when a princess kisses a frog, but what happens when a prince kisses a fraud? I was driving a winding West Virginia road with my teenage daughter, and in

front of us was a pickup truck with several mattresses heaped haphazardly in the bed. I said to my daughter, "Do you think you could sleep on that?" My daughter has mastered teen sarcasm, but she's not nasty about it. She is one of the absolute funniest people I know. She twisted her bangs in her fingers, smacked her imaginary gum, and said saccharinely, "Of course I could, Daddy. I'm a princess!" And this story was born. "The Princess and the Pickup Truck...is perfect for princesses who prefer hiking boots." - LA Parenting Magazine

[Disney Princess Cinderella Magic Foil Craft Art](#) Disney Press

[The Princess and the Pony](#) Disney Press

Set in the remote splendor of the forests of northern Japan, Princess Mononoke is a spectacular "eco-fable" that pits the forces of industry and civilization against the fierce yet fragile natural environment. Drawing on Japanese folklore, myth, and legend, the filmmakers have created powerful gods and spirits who command a lush forest that is being threatened and polluted by the presence of an ironworks. More a chronicle of the struggle between civilization and nature than a battle between good and evil, Princess Mononoke introduces us to such characters as Prince Ashitaka, Lady Eboshi, and, of course, Princess Mononoke herself.

Princess Mononoke Parragon

Dim the lights and set the stage! Now every little girl will have the chance to become a real Disney princess while acting out different scenes from some of the most beloved Disney movies- including Aladdin, Cinderella, and Snow White and the Seven Dwarfs. With a beautifully illustrated 3-D pop-up stage, stand-up characters, and scripts from best-loved film scenes, young children will have hours of fun putting on their own shows.

Princess and the Pickup Truck NBM

Bronze Medal Winner in the Picture Books, Early Reader category of the 2015 Foreword Reviews' INDIEFAB Book of the Year Awards Once upon a time there was a Princess. She had everything a

little girl could ever want, and she was happy. That is, until the fog came... The Princess and the Fog is picture book to help sufferers of depression aged 5-7 cope with their difficult feelings. It uses vibrant illustrations, a sense of humour and metaphor to create a relatable, enjoyable story that describes the symptoms of childhood depression while also providing hope that things can get better with a little help and support. The story is also a great starting point for explaining depression to all children, especially those who may have a parent or close family member with depression. With an essential guide for parents and carers by clinical paediatric psychologists, Dr Melinda Edwards MBE and Linda Bayliss, this book will be of immeasurable value to anyone supporting a child with, or affected by, depression, including social workers, psychologists, psychiatrists, counsellors, arts therapists, pastoral care workers and school staff, as well as parents and carers.

Young Princess Prudence discovers that her beloved teddy bear has been stolen by pirates, so she sets out on an adventure to

rescue him in this humorous tale of determination. Princess Prudence loves all of her stuffed animals, but her favorite is Little Ted, her royal teddy bear. She takes him wherever she goes. One afternoon, she and Little Ted are taking a nap in the forest when suddenly, a pirate appears and steals him! The pirate takes the teddy bear to his pirate ship. Princess Prue is determined to get him back—but can she defeat a ship full of pirates to rescue her beloved teddy bear?

The Princess and the Pea - The Golden Age of Illustration Series
Scholastic Inc.

Learn to Draw Disney Favorite Princesses helps young artists capture the likenesses of Snow White, Cinderella, Sleeping Beauty, Belle, Ariel, Jasmine, Mulan, Pocahontas, and Tiana. Whether she comes from a faraway land, a delightful castle, an enchanted wood, or under the sea, each princess featured in Learn to Draw Disney Favorite Princesses has her own special story about her journey to “happily ever after.” Now young princesses-in-training can imagine their own fairy tales while learning to draw their favorite Disney princesses. Also included are other characters from the time-cherished Disney movies that made these princesses legendary. All you'll need to start drawing are a few art supplies. And the easy-to-follow instructions in this book will guide you through each step, showing you how each step builds upon the next to create a finished piece of art. You just need to grab a pencil, a piece of paper, and your copy of Learn to Draw Disney Favorite Princesses, and flip to the character you want to draw. You'll draw the basic shapes shown in step one, and move on to step two, step three, and keep going! The new lines in each step are shown in blue, so you'll

know exactly what to draw. After adding all the details in each step, darken the lines you want to keep and erase the rest. Finally, add color to your drawing with felt-tip markers, colored pencils, watercolors, or acrylic paints. Plus, learn some fun facts about the princesses as you learn to draw them. Included in this book are drawing projects for Snow White, Cinderella, Aurora from Sleeping Beauty, Tiana and Tiana as a frog, Naveen and Naveen as a frog, Louis, Ray, Ariel, Prince Eric, Sebastian, Flounder, Belle, the Beast, Jasmine, the Genie, Aladdin, Rapunzel, Flynn Rider, Pascal, Merida, Elinor the Bear, Mulan, and Pocahontas. Brief character descriptions and art instruction from professional Disney animators round out this exciting artistic adventure.

The Princess and the White Bear King Disney Press

This volume of the Golden Age of Illustration Series contains Hans Christian Andersen's 'The Princess and the Pea', first published in May of 1835. This classic fairy tale has been continuously in print in different editions since its first publication, with many, many, different artists illustrating the story over the years. This edition features a beautiful collection of the best of that art, taken from the likes of Arthur Rackham, W. Heath Robinson, Kay Nielsen, Honor Appleton, Anne Anderson, Edmund Dulac, among others. This series of books celebrates the Golden Age of Illustration. During this period, the popularity, abundance and - most importantly - the unprecedented upsurge in the quality of illustrated works marked an astounding change in the way that publishers, artists and the general public came to view this hitherto insufficiently esteemed art form. The Golden Age of Illustration Series, has sourced the rare original editions of these

books and reproduced the beautiful art work in order to build a unique collection of illustrated fairy tales.
