Most of us worry that we're not very good negotiators - too quick to concede or too abrupt in our approach. But negotiation is present in almost every social interaction - we cannot avoid it. Neale and Lys present a practical new approach that will help you master this crucial everyday skill in every situation. Instead of focusing on reaching

agreement at any cost, Neale and Lys reveal how to overcome our psychological biases and assess the hidden value in any negotiation. They explain how to know what a good deal is; when to negotiate and when to walk away; why keeping a straight face can prevent you from getting the best deal; when to make the first offer and when to wait; and why meeting in the middle can result in both sides being worse off. Drawing on three decades of groundbreaking research into behavioural economics, psychology and strategic thinking, *Getting (More of) What You Want* will revolutionise the way you approach negotiation. Whether you're looking for a better deal on your new car, asking for a pay rise, selling your company or just deciding who does the

washing up, this book will help you become a more successful, more efficient negotiator - and get more of exactly what you want.

But within the intricate web Giovanni binds around her, when it comes time for her to leave, she isn’t sure if she can make it out alive, especially when somewhere along the way, she realizes her heart is totally captivated. Note: Maid to the Mafia is a lighthearted romantic comedy mafia romance series. This first book ends in a cliffhanger. Valentine's Day...except Sylvia Day. Now in one deluxe box set, the first four novels in the Crossfire series. The #1 New York Times bestselling author. The #1 worldwide phenomenon. Bared to You He was beautiful and brilliant, jagged and white-hot. I was drawn to him as I'd never been to anything or anyone in my life. I craved his touch like a drug, even knowing it would weaken me. I was flawed and damaged, and he opened those cracks in me so easily... Gideon knew. He had demons of his own. And we would become the mirrors that reflected each other's most private wounds... and desires. The bonds of his love transformed me, even as I prayed that the torment of our pasts didn't tear us apart... Reflected in You Gideon Cross. As beautiful and flawless on the

outside as he was damaged and tormented on the inside. He was a bright, scorching flame that singed me with the darkest of pleasures. I couldn't stay away. I didn't want to. He was my addiction... my every desire... mine. My past was as violent as his, and I was just as broken. We'd never work. It was too hard, too painful... except when it was perfect. Those moments when the driving hunger and desperate love were the most exquisite insanity. We were bound by our need. And our passion would take us beyond our limits to the sweetest, sharpest edge of obsession... Entwined with You From the moment I first met Gideon Cross, I recognized something in him that I needed. Something I couldn't resist. I also saw the dangerous and damaged soul

inside so much like my own. I was drawn to it. I needed him as surely as I needed my heart to beat. No one knows how much he risked for me. How much I'd been threatened, or just how dark and desperate the shadow of our pasts would become. Entwined by our secrets, we tried to defy the odds. We made our own rules and surrendered completely to the exquisite power of possession... Captivated by You Gideon calls me his angel, but he's the miracle in my life. My gorgeous, wounded warrior, so determined to slay my demons while refusing to face his own. The vows we'd exchanged should have bound us tighter than blood and flesh. Instead they opened old wounds, exposed pain and insecurities, and lured bitter enemies out of the shadows. I felt him slipping from

my grasp, my greatest fears becoming my reality, my love tested in ways I wasn't sure I was strong enough to bear. At the brightest time in our lives, the darkness of his past encroached and threatened everything we'd worked so hard for. We faced a terrible choice: the familiar safety of the lives we'd had before each other or the fight for a future that suddenly seemed an impossible and hopeless dream...
