My body and blood, in exchange for the healing elixir and the purification engines that guard against the poisonous sky. But once I reach the palace citadel, I discover more dangers than beasts outside the gates, and more power than I ever imagined.When a buried secret shatters my identity, I'll do anything to uncover the truth. My immortal husband - the gorgeous prince Damien - is hiding things from me, and when he discovers who I really am, I'm not sure he'll have the power to save me. But if I can unlock my new abilities, I might be strong enough to save us both--as long as his father doesn't kill me first.Live together, die apart. It was a perfect system for nearly a century. Until me."This book slightly reminded me of a mixture of The Selection, The Hunger Games, and Twilight series. Nice sweet combination of everything great. If you like dystopian romances or scientifically-made vampires, get this one.""A compelling tale full of raw emotions, tentative romance, beguiling mysteries, dangerous secrets and gut wrenching heartbreak." ★★★★★ "This book is better than Twilight/Vampire Novels. It's so addicting that you won't want to put it down. Dark/Ya/Dystopian at its finest." ★★★★★ Fans of Twilight and Hunger Games are devouring this seductive vampire romance, set in a uniquely dystopian kingdom full of poisonous ash and courtly intrigue.
