INSTANT NEW YORK TIMES BESTSELLER "There's deception, sabotage, violence, family secrets . . . all the stuff you could want from a fictional page-turner."— theSkimm Recommended by Washington Post • theSkimm • GMA.com • Popsugar • Bustle • Atlanta Journal-Constitution • Augusta Chronicle • Sun-Sentinel • Mystery and Suspense Magazine • and more! He saw what you did. He knows who you are... From the New York Times bestselling author of Pieces of Her and The Silent Wife, an electrifying standalone thriller. AN ORDINARY LIFE... Leigh Collier has worked hard to build what looks like a normal life. She's an up-and-coming defense attorney at a prestigious law firm in Atlanta, would do anything for her sixteen-year-old daughter Maddy, and is managing to successfully coparent through a pandemic after an amicable separation from her husband Walter. HIDES A DEVASTATING PAST... But Leigh's ordinary life masks a childhood no one should have to endure ... a childhood tarnished by secrets, broken by betrayal, and ultimately destroyed by a brutal act of violence. BUT NOW THE PAST IS CATCHING UP... On a Sunday night at her daughter's school play, she gets a call from one of the firm's partners who wants Leigh to come on board to defend a wealthy man accused of multiple counts of rape. Though wary of the case, it becomes apparent she doesn't have much choice if she wants to keep her job. They're scheduled to go to trial in one week. When she meets the accused face-to-face, she realizes that it's no coincidence that he's specifically asked for her to represent him. She knows him. And he knows her. More to the point, he may know what happened over twenty years ago, and why Leigh has spent two decades avoiding her past. AND TIME IS RUNNING OUT. Suddenly she has a lot more to lose than this case. The only person who can help is her younger, estranged sister Callie—the last person Leigh would ever want to drag into this after all they've been through. But with the life-shattering truth in danger of being revealed, she has no choice... "A high-stakes thriller . . . Her heroines are believable, flawed and courageous."

—OYINKAN BRAITHWAITE

The Butterfly House David Goggins

When 25-year-old Emelie is found murdered in her Stockholm apartment the same week her ex-partner is released from prison, it feels like an open and shut case for Detective Vanessa Frank. Who else would launch such a frenzied attack on the young woman? But Frank suspects there is something they're missing. Could the killing be linked to the rising online movement of men who

want to punish women, the so-called 'incels'? When a survivor of brutal sexual assault comes forward, Frank uncovers more about this shadowy group who, in their own words, have weaponised the gender war and will stop at nothing to make themselves heard. Desperate to stop any further attacks, Frank escalates the investigation when a music festival intended to be a safe space for women becomes a potential target.

Roald Dahl's Scrumdiddlyumptious Story Collection Artisan

"The epic tale of the rise to power of Russia's current president-- of his emergence from shrouded obscurity and deprivation to become one of the most consequential and complicated leaders in modern history." --

Animal Partners and Parasites Dark Horse Comics

A vivid recreation of how the governors and governed of early seventeenth-century Florence confronted, suffered, and survived a major epidemic of plague Plague remains the paradigm against which reactions to many epidemics are often judged. Here, John Henderson examines how a major city fought, suffered, and survived the impact of plague. Going beyond traditional oppositions between rich and poor, this book provides a nuanced and more compassionate interpretation of government policies in practice, by recreating the very human reactions and survival strategies of families and individuals. From the evocation of the overcrowded conditions in isolation hospitals to the splendor of religious processions, Henderson analyzes Florentine reactions within a wider European context to assess the effect of state policies on the city, street, and family. Writing in a vivid and approachable way, this book unearths the forgotten stories of doctors and administrators struggling to cope with the sick and dying, and of those who were left bereft and confused by the sudden loss of relatives.

Marcus Aurelius Antoninus to Himself Simon and Schuster

Discover how to provide experiences for your customers that combine the real with the virtual. Joseph Pine and Jim Gilmore's classic *The Experience Economy* identified a seismic shift in the business world: to set yourself apart from your competition, you need to stage experiences—memorable events that engage people in inherently personal ways. But as consumers increasingly experience the world through their digital gadgets, companies still only scratch the surface of technology-infused experiences. So Pine and coauthor Kim Korn show you how to create new value for your customers with offerings that fuse the real and the virtual. Think of the Xbox Kinect, which combines virtual video games with a powerful physical dimension—you play by moving your own body; new apps that, when you point your smartphone camera at a real street,

overlay digital information about the scene onto the image; and virtual dashboards that track the real world, moment by moment. Digital technology offers limitless opportunities—you really can create anything you want—but real-world experiences have a richness that virtual ones do not. So how can you use the best of both? How do you make sense of such infinite possibility? What kinds of experiences can you create? Which ones should you offer? Pine and Korn provide a profound new tool geared to exploring and exploiting the digital frontier. They delineate eight different realms of experience encompassing various aspects of Reality and Virtuality and, using scores of examples, show how innovative companies operate within and across each realm to create extraordinary customer value. Follow them out onto the digital frontier to discover the opportunities that abound for your business. “This book will inspire out-of-the-box thinking for anyone looking to do it differently or better. Infinite Possibility is a must-read and a great vision for technology intersecting with our five senses to create experiences consumers will want.” —Gary Shapiro, President and CEO, Consumer Electronics Association “Pine and Korn take you on an amazing journey from Reality to Virtuality and stop at all the best corners along the way. Infinite Possibility provides an extremely robust framework to help you grasp the concepts and gives practical guidance on how any organization can make it happen right now.” —Chris Parker, Senior Vice President and CIO, LeasePlan Corporation

Principles of International Auditing and Assurance Mitchell Beazley

A revolution in cooking *Sous vide* is the culinary innovation that has everyone in the food world talking. In this revolutionary new cookbook, Thomas Keller, America's most respected chef, explains why this foolproof technique, which involves cooking at precise temperatures below simmering, yields results that other culinary methods cannot. For the first time, one can achieve short ribs that are meltingly tender even when cooked medium rare. Fish, which has a small window of doneness, is easier to finesse, and shellfish stays succulent no matter how long it's been on the stove. Fruit and vegetables benefit, too, retaining color and flavor while undergoing remarkable transformations in texture. The secret to *sous vide* is in discovering the precise amount of heat required to achieve the most sublime results. Through years of trial and error, Keller and his chefs de cuisine have blazed the trail to perfection—and they show the way in this collection of never-before-published recipes from his landmark restaurants—The French Laundry in Napa Valley and *per se* in New York. With an introduction by the eminent food-science writer Harold McGee, and artful photography by Deborah Jones, who photographed Keller's best-selling *The French Laundry Cookbook*, this book will be a must for every culinary professional and anyone who wants to up the ante and experience food at the highest level.

Infinite Possibility Simon and Schuster

New York Times Bestseller Over 2.5 million copies sold For David Goggins, childhood was a nightmare -- poverty, prejudice, and physical abuse colored his days and haunted his nights. But through self-discipline, mental toughness, and hard work, Goggins transformed himself from a depressed, overweight young man with no future into a U.S. Armed Forces icon and one of the world's top endurance athletes. The only man in history to complete elite training as a Navy SEAL, Army Ranger, and Air Force Tactical Air Controller, he went on to set records in numerous endurance events, inspiring *Outside* magazine to name him "The Fittest (Real) Man in America." In *Can't Hurt*

Me, he shares his astonishing life story and reveals that most of us tap into only 40% of our capabilities. Goggins calls this The 40% Rule, and his story illuminates a path that anyone can follow to push past pain, demolish fear, and reach their full potential.

Customers the day after tomorrow Springer Nature

A guidebook to trekking the Peaks of the Balkans Trail. Passing through Albania, Kosovo and Montenegro, the 183km circular route can be completed in around a fortnight. The walking itself is not difficult, although the route passes through some remote areas and demands a moderate level of fitness. The route is presented anti-clockwise from Theth (Albania) in 10 stages of between 10 and 28km. Also included are a handful of optional detours to climb neighbouring peaks and visit local sites of interest. 1:50,000 mapping and elevation profile provided for each stage Everything you need to plan a successful trip: how to get to the route, when to go, what to take, and information on cross-border permits Accommodation listings included Geology, history, plants and wildlife Language notes and glossary

Je hebt het in een gesprek over een bepaald type sneakers en even later zie je van precies die sneakers online een advertentie. Toeval? Natuurlijk niet. Adverteerders en online retailers verzamelen op grote schaal data over consumenten die ze vervolgens weer inzetten om ons nóg meer te laten kopen. Ze gaan steeds verder in hun drang naar meer data en meer conversie - zonder zich de vraag te stellen of hun werkwijze wel ethisch verantwoord is. Online shoppen is een casino geworden waarbij alles erop is gericht om je door te laten spelen. Uit onderzoek blijkt dat 97 procent van de meest gebruikte webshops een vorm van misleiding bevat, van artikelen die ongevraagd worden toegevoegd aan je winkelmandje tot accounts die bijna onmogelijk zijn te verwijderen. Er zit dataverzameling op hoog niveau achter, die heel bewust wordt ingezet om ons koopverslaafd te maken. En dat geldt niet alleen voor de bekende big tech-bedrijven zoals Google en Amazon: ook in Nederland worden we op grote schaal aan het koopinfuus gelegd. In dit boek onderzoekt Chantal Schinkels welke grenzen we precies overgaan en laat ze zien waarom (zelf)regulering keihard nodig is. Daarbij biedt ze bedrijven die wél ethisch verantwoord willen gaan werken een heldere blauwdruk en geeft ze een aanzet voor een nieuwe ethische code voor de hele sector.

The Sun Sister Lonely Planet

The complete companion to Italian culinary culture Whether it's ordering a cappuccino after 11am, using a spoon to twirl your pasta or asking for parmesan on a fish dish, we'll tell you exactly what not to do to avoid looking like an ignorant tourist. Heart Thoughts Lonely Planet

Sociolinguistic evidence is an undervalued resource for social theory. In this book, Jan Blommaert uses contemporary sociolinguistic insights to develop a new sociological imagination, exploring how we construct and operate in online spaces, and what the implications of this are for offline social

practice. Taking Émile Durkheim's concept of the 'social fact' (social behaviours that we all undertake under the influence of the society we live in) as the point of departure, he first demonstrates how the facts of language and social interaction can be used as conclusive refutations of individualistic theories of society such as 'Rational Choice'. Next, he engages with theorizing the post-Durkheimian social world in which we currently live. This new social world operates 'offline' as well as 'online' and is characterized by 'vernacular globalization', Arjun Appadurai's term to summarise the ways that larger processes of modernity are locally performed through new electronic media. Blommaert extrapolates from this rich concept to consider how our communication practices might offer a template for thinking about how we operate socially. Above all, he explores the relationship between sociolinguistics and social practice In Durkheim and the Internet, Blommaert proposes new theories of social norms, social action, identity, social groups, integration, social structure and power, all of them animated by a deep understanding of language and social interaction. In drawing on Durkheim and other classical sociologists including Simmel and Goffman, this book is relevant to students and researchers working in sociolinguistics as well as offering a wealth of new insights to scholars in the fields of digital and online communications, social media, sociology, and digital anthropology.

Predictably Irrational Hay House, Inc

Complete with fun and fascinating extra material offering a sneak peek into the wonderful world of Dahl, this is a collection to treasure forever.

Een eigen webwinkel voor Dummies Lannoo Meulenhoff - Belgium

An epic and transporting novel, the latest installment of the "heart-wrenching, uplifting, and utterly enthralling" (Lucy Foley, author of *The Guest List*) Seven Sisters series, unravelling between the dazzling streets of modern-day New York City and the breathtaking plains of 1940s colonial Kenya. Electra d'Aplière is a top model who seems to have it all: beauty, fame, and wealth. But beneath the glittery veneer, she's cracking under all the pressure. When her father dies, she turns to alcohol and drugs to ease the pain. As friends and colleagues fear for her health, Electra receives a shocking letter from a stranger who claims to be her grandmother. In 1939, New Yorker Cecily Huntley-Morgan arrives in Kenya's Lake Naivasha region for the exciting chance to stay with her godmother, the famous socialite Kiki Preston. But after a sheltered upbringing, she's astounded by the hedonistic antics of the other ex-pats in the infamous Happy Valley set. Cecily soon grows to love her stunning but complicated new home, and she even accepts a proposal of marriage from an enigmatic older cattle farmer. After a shocking discovery and with war looming, Cecily feels isolated and alone. Until she meets a young woman in the woods and makes her a promise that will change the course of her life forever. Featuring Lucinda Riley's "engaging and mesmerizing" (Library Journal, starred review) storytelling and filled with unforgettable and moving characters, *The Sun Sister* explores how love can cross seemingly impossible boundaries.

Finding Winnie Bloomsbury Publishing

"One of the most significant books in my life." -Obie Fernandez, Author, *The Rails Way* "Twenty years ago, the first edition of *The Pragmatic Programmer* completely changed the trajectory of my

career. This new edition could do the same for yours.” -Mike Cohn, Author of *Succeeding with Agile*, *Agile Estimating and Planning*, and *User Stories Applied* “. . . filled with practical advice, both technical and professional, that will serve you and your projects well for years to come.” -Andrea Goulet, CEO, Corgibytes, Founder, LegacyCode.Rocks “. . . lightning does strike twice, and this book is proof.” -VM (Vicky) Brasseur, Director of Open Source Strategy, Juniper Networks

The Pragmatic Programmer is one of those rare tech books you’ll read, re-read, and read again over the years. Whether you’re new to the field or an experienced practitioner, you’ll come away with fresh insights each and every time. Dave Thomas and Andy Hunt wrote the first edition of this influential book in 1999 to help their clients create better software and rediscover the joy of coding. These lessons have helped a generation of programmers examine the very essence of software development, independent of any particular language, framework, or methodology, and the Pragmatic philosophy has spawned hundreds of books, screencasts, and audio books, as well as thousands of careers and success stories. Now, twenty years later, this new edition re-examines what it means to be a modern programmer. Topics range from personal responsibility and career development to architectural techniques for keeping your code flexible and easy to adapt and reuse. Read this book, and you’ll learn how to: Fight software rot Learn continuously Avoid the trap of duplicating knowledge Write flexible, dynamic, and adaptable code Harness the power of basic tools Avoid programming by coincidence Learn real requirements Solve the underlying problems of concurrent code Guard against security vulnerabilities Build teams of Pragmatic Programmers Take responsibility for your work and career Test ruthlessly and effectively, including property-based testing Implement the Pragmatic Starter Kit Delight your users

Written as a series of self-contained sections and filled with classic and fresh anecdotes, thoughtful examples, and interesting analogies, *The Pragmatic Programmer* illustrates the best approaches and major pitfalls of many different aspects of software development. Whether you’re a new coder, an experienced programmer, or a manager responsible for software projects, use these lessons daily, and you’ll quickly see improvements in personal productivity, accuracy, and job satisfaction. You’ll learn skills and develop habits and attitudes that form the foundation for long-term success in your career. You’ll become a Pragmatic Programmer. Register your book for convenient access to downloads, updates, and/or corrections as they become available. See inside book for details.

DISCOVER HOW TO MANIFEST ANYTHING YOU WANT FROM #1 NEW YORK TIMES BEST-SELLING AUTHORS OF *ASK AND IT IS GIVEN* AND *THE LAW OF ATTRACTION* THESE TIMELESS TEACHINGS OF ABRAHAM INCLUDE POWERFUL SPIRITUAL PRACTICES TO MANIFEST ALL OF YOUR RELATIONSHIP, FINANCIAL, AND HEALTH DESIRES

This leading-edge law of attraction book by Esther and Jerry Hicks, who present the teachings of Abraham, a group consciousness from the non-physical dimension beloved by millions, is about having a deliberate intent for manifesting whatever you want in life, while at the same time balancing your energy along the way. As you come to understand and effectively practice the processes offered here, you will not only achieve your goals and desired outcomes more rapidly, but you'll enjoy every single step along the path even before their manifestation. As such, you'll find that your life is an ongoing journey of joy. Some Chapters Include:

- A New Way of Looking at Life
- You Are a Powerful Leading-Edge Creator
- Life on Planet Earth Continues to Get Better
- The Art of Allowing Your Deliberate Intent
- Your Amazing Power of Deliberate Intent
- Connection, Your Most Natural State of Being
- The Attractive Power of Your Creative Thought
- The Powerful, Universal Law of Attraction
- You Are Manifesting the Essence of What You Are Thinking About
- It is Never Too Late to Change Direction
- When You Ask, It Is Always Given

“No matter what our fear or concern may be, Abraham not only has an answer for us, but also an easy process that we can do that will take us beyond the fear or the problem to a new level of enjoying life. I believe that the teachers known as Abraham are some of the best on the planet today.” - Louise Hay

“This book will reveal the dynamic processes for using more of your untapped potential—in this lifetime. Have you ever wondered how much potential for joy lies yet untapped within you? And when you relive those delicious relationship experiences that you’ve shared with those whose lives you’ve touched as you’ve grown into the Being that is now you—aren’t you aware that there must be many more delightful relationships with so many more inspiring persons who are out there waiting for you to attract them into your life experience? “I credit Abraham for the degree of joy that Esther and I experience as we’re blessed with this opportunity to create different means of projecting their joy-based philosophy of practical spirituality to you.” — From my heart, Jerry Hicks

“We want you to remember that you are an Eternal Creator who has come forth into this Leading Edge to experience the joyous expansion of your Universe. We want you to remember your value, to know your worthiness, and to love your life. The most important thing for you to remember is that the better you feel, in any moment in time, the more in alignment with your Source and your desires you are. And nothing is more important than that you feel good. You are here on the Leading Edge of thought to experience the joy of riding the wave of expansion that is the promise of this everlasting life.” - Abraham
