**Common Sense** W. W. Norton & Company

Presents the history of the United States from the point of view of those who were

exploited in the name of American progress.

**Advanced Placement United States History, 4th Edition** The Capitol Net Inc

The primary goal of World Civilizations is to present a truly global history--since the development of agriculture and herding to the present. Overview of World History. Readers interested in the history and development of civilization worldwide.

*Other People's Money* Perfection Learning

Printed in color. U.S. History is designed to meet the scope and sequence requirements of most introductory courses. The text provides a balanced approach to U.S. history, considering the people, events, and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience). U.S. History covers key forces that form the American experience, with particular attention to issues of race, class, and gender.

America Oxford University Press  
America: A Narrative History puts narrative front and center with David Shi’s rich storytelling style, colorful biographical sketches, and vivid first-person quotations. The new editions further reflect our society and our students today by continuing to incorporate diverse voices into the narrative with new coverage of the Latino/a experience as well as enhanced coverage of women and gender, African American, Native American, immigration, and LGBTQ history. With dynamic digital tools, including the InQuizitive adaptive learning tool, and new digital activities focused on primary and secondary sources, America: A Narrative History

gives students regular opportunities to engage with the story and build critical history skills. The Brief Edition text narrative is 15% shorter than the Full Edition.

**American Individualism** Harper Perennial Modern Classics

"I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, "Song of Myself," *Leaves of Grass*

The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, The American Yawp incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of The American Yawp will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native

Americans, Europeans, and Africans. The American Yawp traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, The American Yawp gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

*World Civilizations* Macmillan Higher Education

*Give Me Liberty!* is the #1 book in the U.S. history survey course because it works in the classroom. A single-author text by a leader in the field, *Give Me Liberty!* delivers an authoritative, accessible, concise, and integrated American history. Updated with powerful new scholarship on borderlands and the West, the Fifth Edition brings new interactive History Skills Tutorials and Norton InQuizitive for History, the award-winning adaptive quizzing tool.

*The Man Nobody Knows* University of Chicago Press

This spirited narrative challenges students to think about the meaning of American history. Thoughtful inclusion of the lives of everyday people, cultural diversity, work, and popular culture preserves the text's basic approach to American history as a story of all the American people. The Seventh Edition maintains the emphasis on the unique social history of the United States and engages students through cutting-edge research and scholarship. New content includes expanded coverage of modern history (post-1945) with discussion of foreign relations, gender analysis, and

race and racial relations. Chapter-based "Links to the World" connect US history to global events and provide web links for further research while end-of-chapter "Legacies for a People and a Nation" focus on meaningful events or movements relevant to present-day issues or controversies.

*Only Yesterday* Garden City, Doubleday  
In this book, Hoover expounds and vigorously defends what has come to be called American exceptionalism: the set of beliefs and values that still makes America unique. He argues that America can make steady, sure progress if we preserve our individualism, preserve and stimulate the initiative of our people, insist on and maintain the safeguards to equality of opportunity, and honor service as a part of our national character.

**Letters from a Farmer, in Pennsylvania** Research & Education Assoc.

In this Very Short Introduction, Alan Taylor presents the current scholarly understanding of colonial America to a broader audience. He focuses on the transatlantic and a transcontinental perspective, examining the interplay of Europe, Africa, and the Americas through the flows of goods, people, plants, animals, capital, and ideas.

The American Promise, Value Edition, Volume 1 John Wiley & Sons  
Concise and accessible text structured and written to follow the current AP Course and Exam Description. Content topics provide core narrative of U.S. history organized in short, focused sections. The text is aligned to course exam framework and correlated in the areas of historical thinking skills, reasoning processes, themes, and content. Text includes primary sources, special features, multiple assessment

opportunities, and a complete AP U.S. History practice exam. Prior edition available.

**The Influence of Sea Power Upon History, 1660-1783** Penguin UK

The new edition of American Pageant, the leading program for AP U.S. history, now reflects the redesigned AP Course and Exam that begins with the 2014-2015 school year. The 16th edition helps prepare students for success on the AP Exam by 1) helping them practice historical thinking skills, pulling together concepts with events, and 2) giving them practice answering questions modeled after those they'll find on the exam. The new edition adds a two-page opener/preview to every chapter, guiding students through the main points of the chapter and using questions and elements tied to the AP Curriculum Framework to help them internalize the chapter more conceptually. Also new are additional End-of-Part multiple-choice and short answer questions reflecting the changes to the exam. Practice DBQs and other free response essay questions will still be found at the back of the book.

**The War in American Culture**

Longman Publishing Group  
Originally published in the midst of the cold war, *Is This Tomorrow* is a classic example of red scare propaganda. The story envisions a scenario in which the Soviet Union orders American communists to overthrow the US Government. Charles Schulz contributed to the artwork throughout the issue. Reprinted here for the first time in 70 years.

**AP U.S. Government & Politics Crash Course** Books Explorer

United States History & Geography explores the history of our nation and brings the past to life for today's high

school students. The program's robust, interactive rigor includes a strong emphasis on biographies and primary sources, document-based questions, critical thinking and building historical understanding, as well as developing close reading skills. ISBN Copy Trusted, renowned authorship presents the history of the United States in a streamlined print Student Edition built around Essential Questions developed using the Understanding by Design® instructional approach. Includes Print Student Edition

The Scarlet Letter W.W. Norton & Company

Addressed to the Inhabitants of America, on the Following Interesting Subjects, viz.: I. Of the Origin and Design of Government in General, with Concise Remarks on the English Constitution. II. Of Monarchy and Hereditary Succession. III. Thoughts on the Present State of American Affairs. IV. Of the Present Ability of America, with some Miscellaneous Reflections

Colonial America Prentice Hall

Louis D. Brandeis, a practicing American attorney and subsequent Supreme Court Justice, composed many essays titled "Other Folk's Money and How the Bankers Use It." The book was initially published in 1914, and is mainly a criticism of the functionings of the American financial system at the time. Brandeis opposed the concentration of

financial power in the command of a handful, critiquing investment bankers who manipulated the market for their advantage at the cost of average people. The "money trust" was Brandeis' main concern, talking about the disproportional influence of several big banks as well as investment firms over the world's cash as well as credit. He said this meant that transparency was lost and the potential risk increased for the average individual who had minimal influence over just how their money was used by these huge institutions. Also, he mentioned the consolidation of financial information produced conflicts of interest, as the institutions tasked with acting as neutral intermediaries were also interested in the companies they were meant to regulate.

**Our Country** McGraw-Hill Education  
Traces the history of the United States from the arrival of the first Indian people to the present day.

*The American Pageant* Macmillan Higher Education

The American Promise, Value Edition, has long been a favorite with students who value the text's readability, clear chronology, and lively voices of ordinary Americans, all in a portable format. Instructors have long valued the full narrative accompanied by a 2-color map program and the rich instructor resources of the parent text made available at an affordable price.
