Leading biblical scholar Thomas Schreiner provides an easy-to-navigate resource for studying and understanding the Acts of the Apostles and the Pauline Letters. This accessibly written volume summarizes the content of each major section of the biblical text to help readers quickly grasp the sense of particular passages. This is the first volume in the Handbooks on the New Testament series, which is modeled after Baker Academic's successful Old Testament handbook series. Series volumes are neither introductions nor commentaries, as they focus primarily on the content of the biblical books without getting bogged down in historical-critical questions or detailed verse-by-verse exegesis. The series will contain three volumes that span the entirety of the New Testament, with future volumes covering the Gospels and Hebrews through Revelation. Written with classroom utility and pastoral application in mind, these books will appeal to students, pastors, and laypeople alike.

The Knowing the Bible series is a new resource designed to help Bible readers better understand and apply God's Word. Each 12-week study leads participants through one book of the Bible and is made up of four basic components: (1) Reflection questions designed to help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlighting the gospel of grace throughout the book; (3) "Whole-Bible Connections" showing how any given passage connects to the Bible's overarching story of redemption culminating in Christ; and (4) "Theological Soundings" identifying how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from a wide array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on each and every page of the Bible. The book of Romans was Paul's greatest literary achievement, a majestic letter in which the apostle expounds on crucial doctrines such as original sin, election, substitutionary atonement, the role of the law, and justification by faith alone. Plumb the theological depths, Jared Wilson writes with a pastor's eye toward understanding and application as he explains the biblical text with clarity and passion, helping readers follow along as Paul recounts the history of salvation and illuminates the glories of the cross of Christ.

What makes Apostolic Pentecostals...Apostolic? What separates them from "mainstream" Christianity? Is it their belief in only one true God, revealed in the person of Jesus Christ? Is it their insistence on the Bible as the ultimate authority? Is it because they insist that being "born again" is more than a profession of faith? In this book the author provides an introduction to five key doctrines from a distinctly Apostolic perspective: God, Faith, Repentance, Water Baptism and the Gift of the Holy Ghost.
