DOWNES LEON

King John Anthem Press
It is in this, the second

Holmes novel, that the great detective comes fully to life—not only as a melancholic and an

inscrutable master of deduction, but also as an incurable drug addict. "Which is it today?" Watson asks Holmes matter-of-factly on the opening page of the novel, "morphine or cocaine?" "It is cocaine," Holmes famously replies. "A seven-per-cent solution. Would you like to try it?" Mary Morstan comes to Holmes in the hope that he will be able to solve a mystery. Ten years earlier her father, Captain Arthur Morstan, had returned to London on leave from his

regiment in India where it is said that he and one Thadeus Sholto, "came into possession of a considerable treasure." By the time his daughter arrived at his hotel, he had vanished without a trace. *The Sign of Four* remains a small masterpiece of suspense, and the novel has enjoyed a steady readership ever since its first publication in 1890. In recent years, however, it has not been readily available except as a part of larger omnibus Holmes anthologies. This

Broadview edition provides a reliable text at a very reasonable price. It contains textual notes but no appendices or introduction.

My happiness is not the means to any end. It is the end. It is its own goal. It is its own purpose.

Anthem is a dystopian fiction novella by Ayn Rand, written in 1937 and a clear predecessor to her later masterpieces. The Fountainhead and Atlas Shrugged. In Anthem, Rand examines a frightening future in which individuals have no name, no independence, and no

values. Equality 7-2521 lives in the dark ages of the future where all decisions are made by committee, all people live in collectives, and all traces of individualism have been wiped out. Despite such a restrictive environment, the spark of individual thought and freedom still burns in him—a passion which he has been taught to call sinful. In a purely egalitarian world, Equality 7-2521 dares to stand apart from the herd—to think and choose for himself, to discover electricity, and to

love the woman of his choice. Now he has been marked for death for committing the ultimate sin. In a world where the great "we" reign supreme, he has rediscovered the lost and holy word—"I." [The Anthem Companion to Karl Mannheim](#) Anthem Press
“A book that will appeal to word lovers as well as parents hoping to boost their kids’ verbal test scores.” —Booklist More is expected of middle schoolers—more reading, more writing, more independent learning.

Achieving success in this more challenging world requires knowing many more words. *100 Words Every Middle Schooler Should Know* helps students in grades 6 to 8 (ages 11-14) to express themselves with distinction and get the most out of school. The 100 words are varied and interesting, ranging from verbs like *muster* and *replenish* to nouns like *havoc* and *restitution* to adjectives like *apprehensive* and *imperious*. Knowing these words enables students to

express themselves with greater clarity and subtlety. Each word has a definition and a pronunciation and appears with at least one quotation—a moving or dramatic passage—taken from a book that middle schoolers are assigned in the classroom or enjoy reading on their own. Both classic and contemporary works of fiction and nonfiction are represented. Among the authors are young adult favorites and award-winners such as Kate Di Camillo, Russell

Freedman, Neil Gaiman, E.L. Konigsberg, Lois Lowry, Walter Dean Myers, Katherine Paterson, J. K. Rowling, and Gary Soto. Readers can see for themselves that the words are used by the very best writers in the very best books. It stands to reason that they will see them again and again in higher grades and throughout their lives. *100 Words Every Middle Schooler Should Know* helps students to gain useful knowledge and prepares them to step into a broader world.

A Guide to What's Wrong with Economics Simon and Schuster

About this Edition This Digital Student Edition of Ayn Rand's Anthem was created for teachers and students receiving free novels from the Ayn Rand Institute, and includes a historic Q&A with Ayn Rand that cannot be found in any other edition of Anthem. In this Q&A from 1979, Rand responds to questions about Anthem sent to her by a high school classroom. About Anthem Anthem is Ayn Rand's "hymn to

man's ego." It is the story of one man's rebellion against a totalitarian, collectivist society. Equality 7-2521 is a young man who yearns to understand "the Science of Things." But he lives in a bleak, dystopian future where independent thought is a crime and where science and technology have regressed to primitive levels. All expressions of individualism have been suppressed in the world of Anthem; personal possessions are nonexistent, individual

preferences are condemned as sinful and romantic love is forbidden. Obedience to the collective is so deeply ingrained that the very word "I" has been erased from the language. In pursuit of his quest for knowledge, Equality 7-2521 struggles to answer the questions that burn within him — questions that ultimately lead him to uncover the mystery behind his society's downfall and to find the key to a future of freedom and progress. Anthem anticipates the

theme of Rand's first best seller, *The Fountainhead*, which she stated as "individualism versus collectivism, not in politics, but in man's soul."

Through contextual analysis and by reassessing the chronicle evidence, 'King John: An Underrated King' presents a compelling reevaluation of the reign of King John, England's most maligned sovereign. With its thought-provoking analysis of the key issues

of John's reign, such as the loss of the French territories, British achievement, Magna Carta, relations with the church, and civil war, the volume presents an engaging argument for rehabilitating King John's reputation. Each chapter features both narrative and contextual analysis, and is prefaced by a timeline outlining the key events of the period. The volume also contains an array of maps and diagrams, as well as a collection of useful study questions.

In the Time of the Butterflies Anthem Press
 "Economists and the Powerful: Convenient Theories, Distorted Facts, Ample Rewards" explores the workings of the modern global economy - an economy in which competition has been corrupted and power has a ubiquitous influence upon economic behavior. Based on empirical and theoretical studies by distinguished economists from both the past and present day, this book argues that the true workings of capitalism are

very different from the popular myths voiced in mainstream economics. Offering a closer look at the history of economic doctrines - as well as how economists are incentivized - "Economists and the Powerful" exposes how, when and why the theme of power was erased from the radar screens of mainstream economic analysis - and the influence this subversive removal has had upon the modern financial world. For more information please see the book website:

Elegy in a Country Churchyard HarperCollins Nominated for ten UK book awards, Theresa Breslin's hit novel tells of how two young boys - one Rangers fan, one Celtic fan - are drawn into a secret pact to help a young asylum seeker in a city divided by prejudice. Now adapted for the stage by Martin Travers, the play has already been produced to great acclaim at Glasgow's Citizens Theatre. Graham and Joe

just want to play football and be selected for the new city team, but a violent attack on Kyoul, an asylum seeker, changes everything when they find themselves drawn into a secret pact to help the victim and his girlfriend Leanne. Set in Glasgow at the time of the Orange Order walks, *Divided City* is a gripping tale about two boys and how they must find their own way forward in a world divided by difference. This educational edition has been prepared by national

Drama in Secondary English experts Ruth Moore and Paul Bunyan. Published in Methuen Drama's Critical Scripts series the book: - meets the curriculum requirements for English at KS3, GCSE and Scottish CfE. - features detailed, structured schemes of work utilising drama approaches to improve literary and language analysis - places pupils' understanding of the learning process at the heart of the activities - will help pupils to boost English GCSE success and

develop high-level skills at KS3 - will save teachers considerable time devising their own resources.

 Anthem Press
 The Anthem Companion to Hannah Arendt offers a unique collection of essays on one of the twentieth century's greatest thinkers. The companion encompasses Arendt's most salient arguments and major works - The Origins of Totalitarianism, The Human Condition, Eichmann in Jerusalem,

On Revolution and The Life of the Mind. The volume also examines Arendt's intellectual relationships with Max Weber, Karl Mannheim and other key social scientists. Although written principally for students new to Arendt's work, The Anthem Companion to Hannah Arendt also engages the most avid Arendt scholar. *Anthem* Scholastic Inc. After the publication of Atlas Shrugged in 1957, Ayn Rand occasionally lectured in order bring her philosophy of Objectivism

to a wider audience and apply it to current cultural and political issues. These taped lectures and the question-and-answer sessions that followed not only added an eloquent new dimension to Ayn Rand's ideas and beliefs, but a fresh and spontaneous insight into Ayn Rand herself. Never before available in print, this publishing event is a collection of those enlightening Q & As. This is Ayn Rand on: ethics, Ernest Hemingway, modern art, Vietnam, Libertarians, Jane Fonda,

religious conservatives, Hollywood Communists, atheism, Don Quixote, abortion, gun control, love and marriage, Ronald Reagan, pollution, the Middle East, racism and feminism, crime and punishment, capitalism, prostitution, homosexuality, reason and rationality, literature, drug use, freedom of the press, Richard Nixon, New Left militants, HUAC, chess, comedy, suicide, masculinity, Mark Twain, improper questions, and more.

A ninth-grader's suspension for singing "The Star-Spangled Banner" during homeroom becomes a national news story.

The Inherence of Human Dignity Anthem Press

This book is an overview and analysis of the global tradition of the outlaw hero. The mythology and history of the outlaw hero is traced from the Roman Empire to the present, showing how both real and mythic figures have influenced social, political,

economic and cultural outcomes in many times and places. The book also looks at the contemporary continuations of the outlaw hero mythology, not only in popular culture and everyday life, but also in the current outbreak of global terrorism.

Outlaw Heroes in Myth and History Anthem Press
In 1975, after much resistance, Portugal became the last colonial power to relinquish its colonies on the African continent. The tardiness of Portuguese decolonization in Africa

(Cabo Verde, Angola, Mozambique, Guinea Bissau, São Tomé e Príncipe) raises critical questions for the emergence of national literary and cultural production in the wake of national independence. Bringing together the works of poets, short story writers, and journalists, this book charts the emergence and evolution of the national literatures of Portugal's former African colonies, from 1975 to the present. The aim of this book is to examine the ways in

which writers contended with the process of decolonization, forging national, transnational, and diasporic identities through literature while grappling with the legacies and continuities of racial power structures, colonial systems of representation, and the struggles for political sovereignty and social justice. This book will be the first of its kind in English to include canonical, emerging, and previously untranslated authors of poetry and short-form fiction to a new

public.

Economists and the
Powerful Haymarket
Books

Three kids get caught up in an adventure of historic proportions! Anna, José, and Henry are complete strangers with more in common than they realize. Snowed in together at a chaotic Washington D.C. airport, they encounter a mysterious tattooed man, a flamboyant politician, and a rambunctious poodle named for an ancient king. Even stranger, news stations

everywhere have announced that the famous flag that inspired "The Star-Spangled Banner" has been stolen! Anna, certain that the culprits must be snowed in too, recruits Henry and José to help catch the thieves and bring them to justice. But when accusations start flying, they soon realize there's more than justice at stake. As the snow starts clearing, Anna, José, and Henry find themselves in a race against time (and the weather!) to prevent the loss of an American

treasure.

*The Year the Maps
Changed* Ayn Rand
Institute Press

From the New York Times bestselling author of *The Marriage of Opposites* and *The Dovekeepers* comes a soul-searching story about a young woman struggling to redefine herself and the power of love, family, and fate. Growing up on Long Island, Shelby Richmond is an ordinary girl until one night an extraordinary tragedy changes her fate. Her best friend's future is

destroyed in an accident, while Shelby walks away with the burden of guilt. What happens when a life is turned inside out? When love is something so distant it may as well be a star in the sky? Faithful is the story of a survivor, filled with emotion—from dark suffering to true happiness—a moving portrait of a young woman finding her way in the modern world. A fan of Chinese food, dogs, bookstores, and men she should stay away from, Shelby has to fight her

way back to her own future. In New York City she finds a circle of lost and found souls—including an angel who’s been watching over her ever since that fateful icy night. Here is a character you will fall in love with, so believable and real and endearing, that she captures both the ache of loneliness and the joy of finding yourself at last. For anyone who’s ever been a hurt teenager, for every mother of a daughter who has lost her way, Faithful is a roadmap. Alice

Hoffman’s “trademark alchemy” (USA TODAY) and her ability to write about the “delicate balance between the everyday world and the extraordinary” (WBUR) make this an unforgettable story. With beautifully crafted prose, Alice Hoffman spins hope from heartbreak in this profoundly moving novel. [The Ahmadis and the Politics of Religious Exclusion in Pakistan](#) Anthem Press
"Essential reading for anyone who wants to understand history – and

then go out and change it." -President Barack Obama Nelson Mandela was one of the great moral and political leaders of his time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. After his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela was at the center of the most compelling and inspiring political drama in

the world. As president of the African National Congress and head of South Africa's antiapartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is still revered everywhere as a vital force in the fight for human rights and racial equality. *Long Walk to Freedom* is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time,

Nelson Rolihlahla Mandela told the extraordinary story of his life -- an epic of struggle, setback, renewed hope, and ultimate triumph. The book that inspired the major motion picture *Mandela: Long Walk to Freedom*.

American Anthem
Scholastic Inc.

"Critically examines the economic, historical and psychological dynamics that have combined to create an existential crisis for the European Union."-- Publisher description.
Capture the Flag Anthem

Press
A New York Times Editors' Choice The fascinating story of America's national anthem and an examination of its powerful meaning today. Most Americans learn the tale in elementary school: During the War of 1812, Francis Scott Key witnessed the daylong bombardment of Baltimore's Fort McHenry by British navy ships; seeing the Stars and Stripes still flying proudly at first light, he was inspired to pen his famous lyric. What Americans

don't know is the story of how this everyday "broadside ballad," one of thousands of such topical songs that captured the events and emotions of early American life, rose to become the nation's one and only anthem and today's magnet for controversy. In *O Say Can You Hear?* Mark Clague brilliantly weaves together the stories of the song and the nation it represents. Examining the origins of both text and music, alternate lyrics and translations, and the song's use in sports, at

times of war, and for political protest, he argues that the anthem's meaning reflects—and is reflected by—the nation's quest to become a more perfect union. From victory song to hymn of sacrifice and vehicle for protest, the story of Key's song is the story of America itself. Each chapter in the book explores a different facet of the anthem's story. In one, we learn the real history behind the singing of the anthem at sporting events; in another, Clague explores Key's

complicated relationship with slavery and its repercussions today. An entire chapter is devoted to some of the most famous performances of the anthem, from Jimi Hendrix at Woodstock to Roseanne Barr at a baseball game to the iconic Whitney Houston version from the 1991 Super Bowl. At every turn, the book goes beyond the events to explore the song's resonance and meaning. From its first lines Key's lyric poses questions: "O say can you see?" "Does that banner

yet wave?" Likewise, Clague's O Say Can You Hear? raises important questions about the banner; what it meant in 1814, what it means to us today, and why it matters. Holodomor and Gorta Mór Anthem Press Celebrating its 30th anniversary in 2024, internationally bestselling author and literary icon Julia Alvarez's *In the Time of the Butterflies* is "beautiful, heartbreaking and alive ... a lyrical work of historical fiction based on the story of the Mirabal sisters, revolutionary

heroes who had opposed and fought against Trujillo." (Concepción de León, *New York Times*) Alvarez's new novel, *The Cemetery of Untold Stories*, is coming April 2, 2024. Pre-order now! It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it

explain that the sisters were among the leading opponents of Gen. Rafael Leónidas Trujillo's dictatorship. It doesn't have to. Everybody knows of Las Mariposas—the Butterflies. In this extraordinary novel, the voices of all four sisters--Minerva, Patria, María Teresa, and the survivor, Dedé--speak across the decades to tell their own stories, from secret crushes to gunrunning, and to describe the everyday horrors of life under Trujillo's rule. Through the art and

magic of Julia Alvarez's imagination, the martyred Butterflies live again in this novel of courage and love, and the human costs of political oppression. "Alvarez helped blaze the trail for Latina authors to break into the literary mainstream, with novels like *In the Time of the Butterflies* and *How the García Girls Lost Their Accents* winning praise from critics and gracing best-seller lists across the Americas."—Francisco Cantú, *The New York Times Book Review* "This Julia Alvarez classic is a

must-read for anyone of Latinx descent." —Popsugar.com "A gorgeous and sensitive novel . . . A compelling story of courage, patriotism and familial devotion." —People "Shimmering . . . Valuable and necessary." —Los Angeles Times "A magnificent treasure for all cultures and all time." —St. Petersburg Times "Alvarez does a remarkable job illustrating the ruinous effect the 30-year dictatorship had on the Dominican Republic and the very real human

cost it

entailed."—Cosmopolitan. com
