*The Ethnic Cleansing of Palestine* Simon and Schuster

“With *Deluxe: How Luxury Lost Its Luster*, [Dana] Thomas—who has been the cultural and fashion writer for *Newsweek* in Paris for 12 years—has written a crisp, witty social history that’s as entertaining as it is informative.” —*New York Times* From the author of *Fashionopolis: The Price of Fast Fashion* and *The Future of Clothes* Once luxury was available only to the rarefied and aristocratic world of old

money and royalty. It offered a history of tradition, superior quality, and a pampered buying experience. Today, however, luxury is simply a product packaged and sold by multibillion-dollar global corporations focused on growth, visibility, brand awareness, advertising, and, above all, profits. Award-winning journalist Dana Thomas digs deep into the dark side of the luxury industry to uncover all the secrets that Prada, Gucci, and Burberry don't want us to know. *Deluxe* is an uncompromising look behind the glossy façade that will enthrall anyone interested in fashion, finance, or culture.

*Adam and Thomas Baker Academic*

What the world can learn from Israel's meteoric economic success. *Start-Up Nation* addresses the trillion dollar question: How is it that Israel -- a country of 7.1 million, only 60 years old, surrounded by enemies, in a constant state of war since its founding, with no natural resources-- produces more start-up companies than large, peaceful, and stable nations like Japan, China, India, Korea, Canada and the UK? With the savvy of foreign policy insiders, Senor and Singer examine the lessons of the country's adversity-driven culture, which flattens hierarchy and elevates

informality-- all backed up by government policies focused on innovation. In a world where economies as diverse as Ireland, Singapore and Dubai have tried to re-create the "Israel effect", there are entrepreneurial lessons well worth noting. As America reboots its own economy and can-do spirit, there's never been a better time to look at this remarkable and resilient nation for some impressive, surprising clues.

**Israel and New Breed: Live from Another Level** Penguin

'Beautiful Girls' is not a book for the faint-hearted. The reader has been invited to a sleepover at the asylum, a night in which five-year-old girls drift alone through the wards, where the mentally unstable do sit-ups when nobody is watching and where heaven is a place between 'the sky and the planets' reserved for those with personality disorders. The book will be a home-from-home for sufferers and a journey through a terrible night for those who've been fortunate enough to take the non-scenic route in life.

 NEW YORK TIMES BESTSELLER • A NEW YORK TIMES BOOK REVIEW AND ECONOMIST BEST BOOK OF THE YEAR  
 "A deeply reported, deeply personal history of Zionism and Israel that does something few books even attempt: It balances the strength and weakness, the idealism and the brutality, the hope and the horror, that has always been at Zionism's heart."—Ezra Klein, The New York Times  
 Winner of the Natan Book Award, the National Jewish Book Award, and the Anisfield-Wolf Book Award  
 Ari Shavit's riveting work, now updated with new material, draws on historical documents, interviews, and private diaries and letters, as well as his own family's story, to create a narrative larger than the sum of its parts: both personal and of profound historical dimension. As he examines the complexities and contradictions of the Israeli condition, Shavit asks difficult but important questions: Why did Israel come to be? How did it come to be? Can it survive?

Culminating with an analysis of the issues and threats that Israel is facing, *My Promised Land* uses the defining events of the past to shed new light on the present. Shavit's analysis of Israeli history provides a landmark portrait of a small, vibrant country living on the edge, whose identity and presence play a crucial role in today's global political landscape.

**The Book of Psalms for Singing** Seven Stories Press

A long-overdue paean to the predominant musical form of the 70s and a thoughtful exploration of the culture that spawned it  
 Disco may be the most universally derided musical form to come about in the past forty years. Yet, like its pop cultural peers punk and hip hop, it was born of a period of profound social and economic upheaval. In *Turn the Beat Around*, critic and journalist Peter Shapiro traces the history of disco music and culture. From the outset, disco was essentially a shotgun marriage between a newly out and proud gay sexuality and the first generation of post-civil rights African Americans, all to the serenade of the recently developed synthesizer.

Shapiro maps out these converging influences, as well as disco's cultural antecedents in Europe, looks at the history of DJing, explores the mainstream disco craze at it's apex, and details the long shadow cast by disco's performers and devotees on today's musical landscape. One part cultural study, one part urban history, and one part glitter-pop confection, *Turn the Beat Around* is the most comprehensive study of the Me Generation to date.

plantation, the refuge they find in each other, and a betrayal that threatens their existence. Isaiah was Samuel's and Samuel was Isaiah's. That was the way it was since the beginning, and the way it was to be until the end. In the barn they tended to the animals, but also to each other, transforming the hollowed-out shed into a place of human refuge, a source of intimacy and hope in a world ruled by vicious masters. But when an older man—a fellow slave—seeks to gain favor by preaching the master's gospel on the plantation, the enslaved begin to turn on their own. Isaiah and Samuel's love, which was once so simple, is seen as sinful and a clear danger to the plantation's harmony. With a lyricism reminiscent of Toni Morrison, Robert Jones, Jr., fiercely summons the voices of slaver and enslaved alike, from Isaiah and Samuel to the calculating slave master to the long line of women that surround them, women who have carried the soul of the plantation on their shoulders. As tensions build and the weight of centuries—of ancestors and future generations to come—culminates in a

climactic reckoning, *The Prophets* fearlessly reveals the pain and suffering of inheritance, but is also shot through with hope, beauty, and truth, portraying the enormous, heroic power of love.

Is it possible that good things can come out of our broken dreams? Worship leader and recording artist Laura Story's life took an unexpected turn when her husband, Martin, was diagnosed with a brain tumor. Their lives would never be the same. Yes, with God all things are possible. But the devastating news was that no cure existed to restore Martin's short-term memory, eyesight, and other complications. The fairy-tale life Laura had dreamed of was no longer possible. And yet in struggling with God about how to live with broken dreams, Laura has found joy and a deeper intimacy with Jesus. In *When God Doesn't Fix It*, Laura helps you understand that: We aren't the only ones whose lives have taken unexpected turns Even heroes of our faith experienced brokenness Despite our flaws and stories, God can use us in

extraordinary ways God may not fix everything. In fact, although your situation might not ever change or get better, with Jesus you can. Not because of your faith, but because of the faithfulness of God.

### **Revealing Heaven**

Presidio Press

You are not limited to your own human abilities. This book will answer all of your questions about the anointing. It will prepare you to experience the precious touch of God on everything you do. How can some ministers whose personal and spiritual lives are dried up and in shambles still operate in the anointing and continue to minister with power? Pastor Benny Hinn asked this question during a season of personal trial, and his quest led him to an in-depth understanding of the three “rivers,” or types, of anointing in Scripture: 1 John 2:27 (the anointing within you); Acts 1:8 (the anointing upon you); and Isaiah 10 (a global anointing related to building up and destroying nations). In *Mysteries of the Anointing*, Hinn explores these three types of anointing, sharing personal stories of things he learned firsthand from

Kathryn Kuhlman and Oral Roberts, as well as providing biblical and historical examples that illustrate his teachings. Readers will discover: How to detect if the anointing within you is weakening or gone The blessings—and dangers—that can happen when God begins to use you When you’re most vulnerable to demonic attack and what to do about it What hinders the anointing in your life and ministry and what increases it The impact of the anointing around the world and how the church will experience it in greater measure [Israel/Palestine](#) Penguin HONOR 2016 - Mildred L. Batchelder Honor Book WINNER 2016 - Sydney Taylor Book Award, Association of Jewish Libraries FINALIST 2016 - National Jewish Book Awards Adam and Thomas is the story of two nine-year-old Jewish boys who survive World War II by banding together in the forest. They are alone, visited only furtively every few days by Mina, a mercurial girl who herself has found refuge from the war by living with a peasant family. She makes secret journeys and brings the boys parcels of food at her own

risk. Adam and Thomas must learn to survive and do. They forage and build a small tree house, although it's more like a bird's nest. Adam's family dog, Miro, manages to find his way to him, to the joy of both boys. Miro brings the warmth of home with him. Echoes of the war are felt in the forest. The boys meet fugitives fleeing for their lives and try to help them. They learn to disappear in moments of danger. And they barely survive winter's harshest weather, but when things seem to be at their worst, a miracle happens. [The Hope of Israel](#) Twelve Mavis Gallant is the modern master of what Henry James called the international story, the fine-grained evocation of the quandaries of people who must make their way in the world without any place to call their own. The irreducible complexity of the very idea of home is especially at issue in the stories Gallant has written about Montreal, where she was born, although she has lived in Paris for more than half a century. Varieties of Exile, Russell Banks's extensive new selection from Gallant's work, demonstrates anew the remarkable reach of this

writer's singular art. Among its contents are three previously uncollected stories, as well as the celebrated semi-autobiographical sequence about Linnet Muir—stories that are wise, funny, and full of insight into the perils and promise of growing up and breaking loose. Ethnography and the Corporate Encounter Seven Stories Press For Jewish deli devotees and DIY food fanatics alike, *The Artisan Jewish Deli at Home* is a must-have collection of over 100 recipes for creating timeless deli classics, modern twists on old ideas and innovations to shock your Old Country elders. Photographs, historical tidbits, reminiscences, and reference material round out the book, adding lively cultural context. Finally, fifty years after I started eating pastrami sandwiches and knishes at Wilshire's Deli in Cedarhurst, Long Island, Nick Zukin and Michael C. Zusman have written a cookbook that allows delicatessen enthusiasts to make their favorite deli dishes at home. Making your own knishes? No problem. Rustle up your own pickles? Bring it on. Michael and Nick manage

to make deli food simultaneously contemporary and timeless, which is no easy feat. If reading *The Artisan Jewish Deli at Home* doesn't make you hungry, you've never rhapsodized over a pastrami sandwich or driven a hundred miles for a transcendent plate of latkes. If my grandmother, the greatest Jewish deli-style cook I've ever known, were alive she'd be kvelling over this book." —Ed Levine, founder of [SeriousEats.com](http://SeriousEats.com) "Michael and Nick's handsome book brings some of your favorite deli recipes and memories into your home kitchen. Their pickles, knishes, and pastrami are just like you remember, only better!" —Joan Nathan, author of *Jewish Cooking in America* "Before you open this book, be sure to crack a window, because your house will soon reek of the glorious funk of delicatessen. The mouthwatering scent of baking bagels, bubbling soups, and steaming pickled meats will conquer every square inch of available air, bathing it all in a rich, delicious patina of schmaltz. Don't be surprised if a sarcastic

waiter named Abe appears in your kitchen. *The Artisan Jewish Deli at Home* will turn any house into a delicatessen worth its weight in knishes." —David Sax, author of *Save the Deli* If you don't happen to live near one of the new wave of artisan-style Jewish delis that have sprung up around North America over the last few years, not to worry. With this book, the world of Jewish deli, in all its unobtrusive splendor—can be yours in the comfort (and privacy) of your own kitchen. And it's not that hard. Really. On top of all the Jewish deli classics, *The Artisan Jewish Deli at Home* offers updates and new angles on the oldways that are bound to thrill the palates of a modern generation of eaters focused on quality ingredients and a lighter-handed approach to a traditionally heavy cuisine. The chapters are organized into: Starters and Sides; Soups and Salads; Eggs, Fish, and Dairy; Beef; Bagels, Bialys, and Breads; and Pastries, Desserts, and Drinks. The range of favorite recipes include: Crispy Potato Latkes with Chunky Ginger Applesauce; Summer Chicken Salad with Tomatoes, Cucumber and

Cracklings; Wise Sons' Chocolate Babka French Toast; Home Oven Pastrami; and Celery Soda. Added cultural context comes from quick-hitting interviews with Joan Nathan and other Jewish food luminaries; histories of a few deli stalwarts such as bagels and pastrami; and first-hand reports from within the walls of the authors' favorite temples of modern Jewish gastronomy located across the country including: Mile End Delicatessen in New York City; Wise Sons Delicatessen in San Francisco; Kenny & Zuke's Delicatessen in Portland, OR; Stopsky's Delicatessen in Mercer Island, Washington; and Caplansky's Delicatessen in Toronto.

**Mysteries of the Anointing** Charisma Media

A breathtaking work of political reportage steeped in a deep understanding of the roots of Islamist terrorism. Western tourists are not always aware that the Maldives, a tiny island nation in the Indian Ocean, is a Muslim country, or that the Republic of Maldives is the non-Arab country with the world's highest

number of foreign fighters per capita. Despite being considered a luxury tourist destination, the Maldives is in fact one of the most over-populated countries, devastated by poverty, social segregation, heroin, and criminality. Tourists living in one tiny bright enclave, the people in the vast darkness. All the wealth coming from tourism is concentrated in the hands of a few businessmen who collude with the despotic government. The Maldives is a fertile breeding ground for ISIS, which enlists more of its foreign fighters per capita from there than anywhere else. Francesca Borri spent time with them, and with their families and friends, all of whom are drivers, waiters, cleaners in tourist resorts. And she let them speak. As she writes, "While the rest of the world watched the Olympics, everyone here was watching the battle of Aleppo. And rooting for al-Qaeda."

With the Old Breed

Random House  
A lively and important argument from an award-winning journalist proving that the key to reversing North America's health crisis lies in the overlooked link between nutrition and flavor. In

The Dorito Effect, Mark Schatzker shows us how our approach to the nation's number one public health crisis has gotten it wrong. The epidemics of obesity, heart disease, and diabetes are not tied to the overabundance of fat or carbs or any other specific nutrient. Instead, we have been led astray by the growing divide between flavor—the tastes we crave—and the underlying nutrition. Since the late 1940s, we have been slowly leeching flavor out of the food we grow. Those perfectly round, red tomatoes that grace our supermarket aisles today are mostly water, and the big breasted chickens on our dinner plates grow three times faster than they used to, leaving them dry and tasteless. Simultaneously, we have taken great leaps forward in technology, allowing us to produce in the lab the very flavors that are being lost on the farm. Thanks to this largely invisible epidemic, seemingly healthy food is becoming more like junk food: highly craveable but nutritionally empty. We have unknowingly interfered with an ancient chemical language—flavor—that evolved to guide our

nutrition, not destroy it. With in-depth historical and scientific research, *The Dorito Effect* casts the food crisis in a fascinating new light, weaving an enthralling tale of how we got to this point and where we are headed. We've been telling ourselves that our addiction to flavor is the problem, but it is actually the solution. We are on the cusp of a new revolution in agriculture that will allow us to eat healthier and live longer by enjoying flavor the way nature intended.

Varieties of Exile New York Review of Books  
A leading foreign correspondent looks at how social media has transformed the modern battlefield, and how wars are fought Modern warfare is a war of narratives, where bullets are fired both physically and virtually. Whether you are a president or a terrorist, if you don't understand how to deploy the power of social media effectively you may win the odd battle but you will lose a twenty-first century war. Here, journalist David Patrikarakos draws on unprecedented access to key players to provide a new narrative for modern warfare. He travels thousands of miles across

continents to meet a de-radicalized female member of ISIS recruited via Skype, a liberal Russian in Siberia who takes a job manufacturing "Ukrainian" news, and many others to explore the way social media has transformed the way we fight, win, and consume wars—and what this means for the world going forward.

*Joan Is Okay* Andrews McMeel Publishing  
"Grammy Award-winning worship artist Israel Houghton discusses a lifestyle of worship from the point of living in the constant presence of God and caring about the things that He cares about"—Provided by publisher.

*When God Doesn't Fix It* Xulon Press  
An instant classic and eerily prescient cultural phenomenon, from "the patron saint of feminist dystopian fiction" (New York Times). Now an award-winning Hulu series starring Elizabeth Moss. In this multi-award-winning, bestselling novel, Margaret Atwood has created a stunning Orwellian vision of the near future. This is the story of Offred, one of the unfortunate "Handmaids" under the new social order who have only one

purpose: to breed. In Gilead, where women are prohibited from holding jobs, reading, and forming friendships, Offred's persistent memories of life in the "time before" and her will to survive are acts of rebellion. Provocative, startling, prophetic, and with Margaret Atwood's devastating irony, wit, and acute perceptive powers in full force, *The Handmaid's Tale* is at once a mordant satire and a dire warning.

Long Summer Nights Random House

*Hamas* Thomas Nelson  
"Eugene Sledge became more than a legend with his memoir, *With The Old Breed*. He became a chronicler, a historian, a storyteller who turns the extremes of the war in the Pacific—the terror, the camaraderie, the banal and the extraordinary—into terms we mortals can grasp."—Tom Hanks  
NEW YORK TIMES BESTSELLER  
In *The Wall Street Journal*, Victor Davis Hanson named *With the Old Breed* one of the top five books on epic twentieth-century battles. Studs Terkel interviewed the author for his definitive oral history, *The Good War*. Now E. B.

Sledge's acclaimed first-person account of fighting at Peleliu and Okinawa returns to thrill, edify, and inspire a new generation. An Alabama boy steeped in American history and enamored of such heroes as George Washington and Daniel Boone, Eugene B. Sledge became part of the war's famous 1st Marine Division—3rd Battalion, 5th Marines. Even after intense training, he was shocked to be thrown into the battle of Peleliu, where "the world was a nightmare of flashes, explosions, and snapping bullets." By the time Sledge hit the hell of Okinawa, he was a combat vet, still filled with fear but no longer with panic. Based on notes Sledge secretly kept in a copy of the New Testament, *With the Old*

*Breed* captures with utter simplicity and searing honesty the experience of a soldier in the fierce Pacific Theater. Here is what saved, threatened, and changed his life. Here, too, is the story of how he learned to hate and kill—and came to love—his fellow man. "In all the literature on the Second World War, there is not a more honest, realistic or moving memoir than Eugene Sledge's. This is the real deal, the real war: unvarnished, brutal, without a shred of sentimentality or false patriotism, a profound primer on what it actually was like to be in that war. It is a classic that will outlive all the armchair generals' safe accounts of—not the 'good war'—but the worst war ever."—Ken Burns  
[The Making of Global](#)

[Capitalism](#) Macmillan  
In *Israel/Palestine*, Reinhart traces the development of the Security Barrier and Israel's new doctrine of "disengagement," launched in response to a looming Palestinian-majority population. Examining the official record of recent diplomacy, including United States-brokered accords and talks at Camp David, Oslo, and Taba, Reinhart explores the fundamental power imbalances between the negotiating parties and identifies Israel's strategy of creating facts on the ground to define and complicate the terms of any future settlement. In this indispensable primer, Reinhart's searing insight illuminates the current conflict and suggests a path toward change.
