COWAN CLARE

Octopus's Garden St. Martin's Press

National Bestseller Drawing on previously unknown sources, unpublished letters, and unprecedented access to all the key figures, author and journalist Philip Norman gives us the most complete and revealing portrait of John Lennon that is ever likely to be published. For this masterpiece of biography, Philip Norman set himself the challenge of looking afresh at every aspect of Lennon's much-chronicled life. He has not just dug deep into the archives, including his own vast collection of tapes and notebooks dating back to the 60s, but spoken to hundreds of witnesses, from every walk of life and every stage of Lennon's. The interviewees include Sean Lennon, whose moving reminiscences reveal his father as never before, and Yoko Ono, who speaks with sometimes shocking candour about her marriage to John. In his brilliant Shout!, we were shown a band; in John Lennon, Philip Norman gives us a portrait of a man. It reconciles as never before the contradictions of this endlessly fascinating character—the volatile and violent hippie, the phenomenally wealthy advocate of no possessions, the family man and junkie—and his journey from Liverpool suburbia to becoming one of the presiding geniuses of pop culture.

John Lennon Insight Kids

John Lennon was a legend in his own time. Deprived of life at a young age, Lennon has become a symbol of the sixties and seventies peace movement. But what do we really know about him as a person?

Real Love Rowman & Littlefield

John Lennon was born to a single mother in the English seaport town of Liverpool during an air raid in 1940 and would die forty years later, in 1980, one of the most famous people in the world ... Imagine: John Lennon, authorized by Yoko Ono and drawn extensively from material in the late Beatle's personal archives, pays tribute to his timeless legacy.--Back cover.

Imagine BRILL

Bob Marley's songs are known the world over for their powerful message of love, peace, and harmony. Now a whole new generation can discover one of his most joyous songs in this reassuring picture book adaptation written by his daughter Cedella and exuberantly illustrated by Vanessa Brantley-Newton. This upbeat story reminds children that the sun will always come out after the rain and mistakes are easily forgiven with a hug. Every family will relate to this universal story of one boy who won't let anything get him down, as long as he has the help of three very special little birds. Including all the lyrics of the original song plus new verses, this cheerful book will bring a smile to faces of all ages—because every little thing's gonna be all right!

John Lennon Little Simon

Imagine all the people living life in peace. You may say I'm a dreamer, but I'm not the only one. I hope some day you'll join us, and the world will be as one. Join one little pigeon as she sets out on a journey to spread a message of tolerance around the world. Featuring the lyrics of John Lennon's iconic song and illustrations by the award-winning artist Jean Jullien, this poignant and timely picture book dares to imagine a world at peace. Imagine will be published in partnership with human rights organization Amnesty International.

Imagine Sheet Music Grand Central Publishing

In the tradition of Logicomix, Donald J. Robertson's *Verissimus* is a riveting graphic novel on the life and stoic philosophy of Marcus Aurelius. Marcus Aurelius was the last famous Stoic of antiquity but he was also to become the most powerful man in the known world – the Roman emperor. After losing his father at an early age, he threw himself into the study of philosophy. The closest thing history knew to a philosopher-king, yet constant warfare and an accursed plague almost brought his empire to its knees. “Life is warfare”, he wrote, “and a sojourn in foreign land!” One thing alone could save him: philosophy, the love of wisdom! The remarkable story of Marcus Aurelius’ life and philosophical

journey is brought to life by philosopher and psychotherapist Donald J. Robertson, in a sweeping historical epic of a graphic novel, based on a close study of the historical evidence, with the stunning full-color artwork of award-winning illustrator Zé Nuno Fraga.

JOHN LENNON - Imagine: The True Story of a Music Legend There are few people in the world that can say that they've never heard of the musical and life-inspiring idol, John Lennon. He's a man of many powerful ideas, many chart-topping songs, and many moments in the public eye. His quotes and the details of his life are some of the most unquestionably inspirational parts in some of the most volatile moments of world history. As a man, John Lennon has inspired millions with his peaceful activism, pacifism, and rebellious nature. From a young age, even the parents that knew him were well aware that he had the power to influence their children. When he grew older, even Richard Nixon felt threatened by the power of his words and managed to give him even more power by trying to deport him out of his Manhattan home in 1971. As a member of the Beatles, he rocked the charts and stole millions of hearts. They achieved mainstream success in the beginning of 1963 as a four person band; John Lennon, Paul McCartney, George Harrison, and Ringo Starr. Together, they were given recognition in the Queen's Birthday Honours in 1965 as Members of the Order of the British Empire. He was inducted into the Rock and Roll Hall of Fame posthumously as a Beatle in 1998. Paul McCartney has said that the other Beatles idolised John and saw him as someone they could look up to and count on. This is the story of the man and his life.

Verissimus Simon and Schuster

(Easy Piano Personality). Matching folio to the soundtrack from the highly publicized documentary on this legendary singer/songwriter. 20 songs, including: A Day in the Life * The Ballad of John and Yoko * Give Peace a Chance * Jealous Guy * Woman * (Just Like) Starting Over * Imagine * and many more in easy piano notation.

John Lennon Simon and Schuster

A coloring book created using kaleidoscopic shapes and interpretive intentions. Each person will see many different ideas and patterns within these designs. Share what you have found and explore what others discover :)

All You Need Is Love Avery

This lyrical biography explores the life and art of Yoko Ono, from her childhood haiku to her avant-garde visual art and experimental music. An outcast throughout most of her life, and misunderstood by every group she was supposed to belong to, Yoko always followed her own unique vision to create art that was ahead of its time and would later be celebrated. Her focus remained on being an artist, even when the rest of world saw her only as the wife of John Lennon. Yoko Ono's moving story will inspire any young adult who has ever felt like an outsider, or who is developing or questioning ideas about being an artist, to follow their dreams and find beauty in all that surrounds them.

Imagine Simon and Schuster

Who knew that Paul McCartney originally referred to Yesterday as 'Scrambled Eggs' because he couldn't think of any lyrics for his heart-breaking tune? Or that Patti LaBelle didn't know what 'Voulez-vous couches avec moi ce soir?' actually meant? These and countless other fascinating back stories of some of our best-known and best-loved songs fill this book, a collection of the highly successful weekly The Life of a Song columns that appear in the FT Weekend every Saturday. Each 600-word piece gives a mini-biography of a single song, from its earliest form (often a spiritual, or a jazz number), through the various covers and changes, often morphing from one genre to another, always focusing on the 'biography' of the song itself while including the many famous artists who have performed or recorded it. The selection covers a wide spectrum of the songs we all know and love - rock, pop, folk, jazz and more. Each piece is pithy, sparkily written, knowledgeable, entertaining, full of anecdotes and surprises. They combine deep musical knowledge with the vivid background of the performers and musicians, and of course the often intriguing social and political background against which the songs were created.

Riding So High ABRAMS

A photographic tribute to John Lennon with quotes from himself and friends.

The Words and Music of John Lennon Joe Goodden

When work started on this book, Yoko Ono freighted two boxcars full of John Lennon's personal memorabilia from New York to Los Angeles - photographs that had never been seen before, drawings, videotapes, poems, unpublished songs and other writings. The Lennon family in England also provided previously unpublished photographs.;The text of the book is entirely made up of unpublished writings by John, while Yoko Ono has made the book a personal tribute to John by writing the introduction.

Imagine Chronicle Books

Presented in a handsome slipcase, Lennon Legend is both an illustrated and an interactive biography of the creative genius - songwriter, artist, social activist - who changed his times. Created with the cooperation of Yoko Ono Lennon, who has opened her archives for this project, the book offers insightful details about every era of John's life, from his early days at art school to the height of Beatlemania to "Imagine." A live recording of that song is included, along with several interviews of John talking about his life and art, on the audio CD contained in this package. Throughout, the book features archival photographs and reproductions of John's handwritten song lyrics, drawings, memorabilia, and personal papers. In all, 40 removable facsimiles can be enjoyed by the reader, several previously unpublished, including an intimate self-portrait in pen and ink and a plea for world peace. It's been said that John Lennon's was the voice of a generation. Lennon Legend celebrates that voice's power to resonate across the generations.

Lennon Legend Nicholas Brealey

Despite John Lennon's immense popularity, little attention has been paid to his work apart from the Beatles. Yet his solo artistry not only illuminates what he gave to the Beatles, but also constitutes a significant contribution to popular music in general. Lennon was able to fuse experiments in technology, instrumentation, lyrics, and musical form into recordings that were both artistically and commercially successful. Few singer-songwriters have been his equal. In this long overdue investigation, authors Ben Urish and Ken Bielen give Lennon's artistry the opportunity to speak for itself. After a brief biographical introduction, chronologically arranged chapters discuss his incredible body of work album-by-album and single-by-single. A discography and annotated bibliography conclude the book. Despite John Lennon's immense popularity, little attention has been paid to the overall efforts of his work apart from the Beatles. Yet his solo artistry not only illuminates what he gave to the Beatles (and what the Beatles experience gave to him), but also constitutes a significant contribution to popular music in general. Lennon was able to fuse experiments in technology, instrumentation, lyrics, and musical form into recordings that were both artistically and commercially successful. Whether expressing emotions, explaining philosophies, protesting social situations, or ruminating on the joys and pains of personal entanglements, few singer-songwriters have been his equal. In this long overdue investigation, authors Ben Urish and Ken Bielen give Lennon's artistry the opportunity to speak for itself. After a brief biographical introduction, chronologically arranged chapters discuss his incredible body of work album-by-album and single-by-single. A discography and annotated bibliography conclude the book. Although he is often lauded as a spokesperson for his generation, this praise, however intended, is far too limiting. Lennon was able to transform the intensely personal into the deeply universal (as well as the reverse), often with humor and pointed insight. At their core, his songs are simultaneously humanistic and transcendent. And as such, they-and he-continue to be relevant, and will certainly remain a valuable part of our cultural heritage for a long time to come.

Saint John Lennon Simon & Schuster Books For Young Readers

Through a miraculous wrinkle in time, 40-year old John Lennon returns to us on the 40th anniversary of his passing. His appearance in front of the Dakota apartment building on December 8, 2020 in New York City begins a non-stop adventure that is intriguing, heartbreaking and humorous. Saint John Lennon: It's About Time! is a melding of history, fact, fiction and fantasy. This time-travel fantasy is a page-turning action adventure giving us a glimpse into the patterns of the past and potential future outcomes of our present policies. It's also a love story that follows John as he re-establishes his relationships with Yoko, Paul and Ringo, his fans and, most poignantly, with his sons Julian and Sean who grew up without him. We follow John as he

adjusts to unimaginable technology for someone who left the earth in 1980: the internet, drones, bots, holograms, 4D television, humanoid robots, driver-less cars and even space

travel for pleasure. He is enamored by the music culture and makes rock-n-roll history of his own. This thought-provoking escapade about peace and love will simultaneously bring tears to your eyes and have you laughing out loud. Baby boomers, Beatles

fans old and new, John Lennon admirers, and anyone dedicated to the peace movement will be inspired and delighted by this fast-paced, can't-put-it-down romp.
