A pillar of the
West African
oral tradition
for centuries,
this epic
traces the

adventures
and
achievements
of the Mande
hero, Sunjata,
as he liberates
his people
from
Sumaworo
Kanté, the
sorcerer king
of Soso, and
establishes
the great

medieval
empire of
Mali. David
Conrad
conveys the
strong
narrative
thrust of the
Sunjata epic in
his
presentation
of substantial
excerpts from
his translation

of a performance by Djanka Tasseý Condé. Readers approaching the epic for the first time will appreciate the translation's highly readable, poetic English as well as Conrad's informative Introduction and notes. Scholars will find the familiar heroes and heroines taking on new dimensions, secondary characters gaining increased prominence, and previously

unknown figures emerging from obscurity. "Thanks to his careful editing and translating of Condé's narrative, Conrad offers a highly readable version of the epic that is about a third of its original length. The translation communicates not only the poetic qualities and the essential events of the Sunjata legend but also the master bard's performance values. Thus,

this rendering will fascinate those who already know the story and culture and those coming to the epic for the first time. Conrad provides an excellent introduction to Mande oral tradition, the role of the griot, and the Manding belief system. Though he makes no claim for this as the complete scholarly edition, he does provide helpful scholarly notes, a glossary, and a good

bibliography. . . Summing up: Highly recommended . " --L. W. Yoder, CHOICE

Monkey
University of Wisconsin Pres
The Epic of Sumanguru Kante contains the Bamana text and English translation of griot Abdoulaye Sako's oral narrative about Sumanguru, recorded in Koulikoro (Mali), together with explanatory notes, a scholarly introduction, and sections on the Bamana language and musical accompaniment.

Sunjata
Hackett Publishing
In this tale from the land of Mali, the ruler Sumanguru cannot satisfy his ambition enough. When he encounters the Gray Rock of Evil, his powers are multiplied manifold. Now able to manipulate the elements, he goes on a rampage of conquests. However the rock is devious and prepares an enemy for him, one he knows Sumanguru will pay no head to: a crippled child.

A Companion to World Literature is a far-reaching

and sustained study of key authors, texts, and topics from around the world and throughout history. Six comprehensive volumes present essays from over 300 prominent international scholars focusing on many aspects of this vast and burgeoning field of literature, from its ancient origins to the most modern narratives. Almost by definition, the texts of world literature are

unfamiliar; they stretch our hermeneutic circles, thrust us before unfamiliar genres, modes, forms, and themes. They require a greater degree of attention and focus, and in turn engage our imagination in new ways. This Companion explores texts within their particular cultural context, as well as their ability to speak to readers in other contexts,

demonstrating the ways in which world literature can challenge parochial world views by identifying cultural commonalities. Each unique volume includes introductory chapters on a variety of theoretical viewpoints that inform the field, followed by essays considering the ways in which authors and their books contribute to and engage with the many visions and variations of

world literature as a genre. Explores how texts, tropes, narratives, and genres reflect nations, languages, cultures, and periods Links world literary theory and texts in a clear, synoptic style Identifies how individual texts are influenced and affected by issues such as intertextuality, translation, and sociohistorical conditions Presents a variety of methodologies to demonstrate

how modern scholars approach the study of world literature A significant addition to the field, A Companion to World Literature provides advanced students, teachers, and researchers with cutting-edge scholarship in world literature and literary theory. **Empires of Medieval West Africa** East African Publishers A retelling in comic strip form of the African epic in

which an ugly, crippled child grows up to become the liberator and founder of the great empire of old Mali. *Sundiata: An Epic of Old Mali* Infobase Publishing Part history, part legend, this is the story of Sundiata Keita: the heroic figure who founded the empire of Mali. A thirteenth-century oral epic, Sundiata sees the full-length tale captured in print for the first time. This is Sundiata, the epic tale

of a man 'great among kings' who, through his legendary deeds and exploits, came to father an empire. For over 800 years, this story has been passed down to generations of listeners through spoken word. D.T. Niane's novelisation captures all the mystery and majesty of medieval African kingship. This ambitious story ranks alongside the Ancient Greek and Roman classics as one of the

world's great adventure stories.
Sundiata
 Random House Reference
 Sundiata is the story of a man who lived in West Africa almost 800 years ago. It is the myth of a hunter's prophecy that a king will marry an ugly foreign woman who will give birth to a son, who will come to rule the kingdom on Mali. It is a tale of conquest and heroism.

 Graphic Universe

Sunjata Keita was the founder of one of the greatest empires of Western Africa. These two epic accounts of his life portray a greedy, slow-witted child - said to have crawled until the age of seven - who grew up as a prophecy foretold to become a mighty warrior, renowned for his bravery and superhuman strength. They describe how, with the help of his sister, who seduced their arch-

enemy
Sumanguru
into revealing
his secret
powers,
Sunjata
defeated the
Susu overlords
and created
the Mali
Empire which
would last for
two centuries.
Based on

Two major
questions of
the ages are:
Who am I?
and Where am
I going? From
the moment
the first
African slaves
were dragged
onto these
shores, these
questions
have become

increasingly
harder for
African-
Americans to
answer. To
find the
answers, you
first must
discover
where you
have been,
you must go
back to your
family tree--
but you must
dig through
rocky layers of
lost
information, of
slavery--to
find your
roots. During
the Great
Migration in
the 1940s,
when African-
Americans
fled the
strangling
hands of Jim
Crow for the
relative

freedoms of the North, many tossed away or buried the painful memories of their past. As we approach the new millennium, African-Americans are reaching back to uncover where we have been, to help us determine where we are going. Finding a Place Called Home is a comprehensive guide to finding your African-American roots and tracing your family tree. Written in a

clear, conversational, and accessible style, this book shows you, step-by-step, how to find out who your family was and where they came from. Beginning with your immediate family, Dr. Dee Parmer Woodtor gives you all the necessary tools to dig up your past: how to interview family members; how to research your past using census reports, slave schedules,

property deeds, and courthouse records; and how to find these records. Using the Internet for genealogical research is also discussed in this timely and necessary book. Finding a Place Called Home helps you find your family tree, and helps place it in the context of the garden of African-American people. As you learn how to find your own history, you learn the history of all Africans in the Americas,

including the Caribbean, and how to benefit from a new understanding of your family's history, and your people's. Finding a Place Called Home also discusses the growing family reunion movement and other ways to celebrate newly discovered family history. Tomorrow will always lie ahead of us if we don't forget yesterday. Finding a Place Called Home shows how to

retrieve yesterday to free you for all of your tomorrows. Finding a Place Called Home: An African-American Guide to Genealogy and Historical Identity takes us back, step-by-step, including: Methods of searching and interpreting records, such as marriage, birth, and death certificates, census reports, slave schedules, church records, and Freedmen's Bureau

information. Interviewing and taking inventory of family members Using the Internet for genealogical purposes Information on tracing Caribbean ancestry **Trickster and Hero** Indiana University Press Now fully revised and updated, this classic text offers an illustrated and critical narrative introduction to the history of Africa from earliest times to the present.

Beginning with the evolution of mankind itself, the book traces the history of Africa through the millennia of the ancient world to the centuries of medieval and modern Africa. The clear and simple language and the wealth of carefully chosen maps and photos combine to make an essential and accessible text.

History of Africa

Description

Places Left Unfinished at the Time of Creation
Indiana University Press
Founded in the early thirteenth century, the Mali Empire stretched from the Atlantic coast of West Africa across the savannah lands to Timbuktu and Gao. Comprised of multiple ethnics groups—the Soninke, the Mandenka, Fula, Sosso, Tuareg, Sonrai, Almoravids—Mali was politically

dominated by the Mandenka people who developed a comprehensive, eloquent, and ennobling historical tradition that has garnered international recognition and praise. Combining music, poetry, drama, storytelling, genealogy, history, and philosophy, the Malinke griot or jeli interprets Mali's history both aesthetically and discursively with the utilitarian objective of maintaining

peaceful and ethical social relations within the empire. Far more than a storyteller, the Malinke historian's broad scope of knowledge enables them to perform multifaceted roles in the society. He/she is a political advisor, ambassador, judicial advisor, cultural and social anthropologist, historian, genealogist, mediator of domestic and national disputes, officiator of rites of passage ceremonies, musician, poet, and teacher. Kuma Malinke Historiography : Sundiata Keita to Almamy Samori Toure examines the philosophy of history and methodology of the Malinke historians through an in-depth analysis of historical oral literature and the griots' own theories of the art of history. Kai discusses griot accounts of major historical figures, such as Sundiata Keita, Sumanguru Kante, Sogolon Conde, Mansa Musa, Manding Bokari (Abubakr Muhammad II), Biton Koulibaly, Almamy Samori Toure, and their impact on Mali's history. Significant components of Malinke history that had been kept secret by a general consensus of master griots are exposed for the first time in the English language in this highly

informative and insightful text.

Africa in World History is the first comprehensive survey to illustrate how Africans have influenced regions beyond their continent's borders, how they have been influenced from the outside and how internal African

developments can be compared to those elsewhere in the world. By identifying and presenting key debates within the field of African history, this volume encourages students to confront the many oversimplified myths regarding Africa and its people. Note: MySearchLab does not come automatically packaged with this text. To purchase MySearchLab at no extra charge, please

Their exploits, challenges, and struggles are discussed over a wide expanse of time in ways that link as well as

differentiate past and present circumstances . The experiences of Africans in the Old World, in the Mediterranean and Islamic worlds, is followed by their movement into the New, where their plight in lands claimed by Portuguese, Spanish, Dutch, French and English colonial powers is analyzed from enslavement through the Cold War. While appropriate mention is

made of persons of renown, particular attention is paid to the everyday lives of working class people and their cultural efflorescence. The book also attempts to explain contemporary plights and struggles through the lens of history. Remembering Nayeche and the Gray Bull Engiro Nantier Beall Minoustchine Publishing " . . . a major addition to the literature on oral traditions."

—Journal of Religion in Africa This 750-year-old epic celebrates the exploits of the legendary founder of the Empire of Old Mali. It constitutes a virtual social, political, and cultural charter and embodies deep-rooted aspects of Mande cosmology. The fully annotated translation is accompanied by an introduction that provides a historical and contextual framework for

understanding the recitation of this African epic. *Son-Jara* Penguin UK A classic of Chinese literature, this beloved folktale is part adventure story, part spiritual allegory—now reimagined by a National Book Award nominee Part spiritual pilgrimage, part historical epic, the folk novel *Journey to the West*, which came to be known as *Monkey*, is the most popular classic of Asian literature.

Originally written in the sixteenth century, it is the story of the adventures of the rogue-trickster Monkey and his encounters with a bizarre cast of characters as he travels to India with the Buddhist pilgrim Tripitaka in search of sacred scriptures. Much more than a picaresque adventure novel, *Monkey* is a profound allegory of the struggle that must occur before

spiritual transformation is possible. David Kherdian's masterful telling brings this classic of Chinese literature to life in a way that is true to the scope and depth of the original. *The Royal Kingdoms of Ghana, Mali, and Songhay* Bedford Books A child is born who will overthrow a king... After the leader of a great African kingdom hears that a baby has been born who will destroy him, he hides

behind a mighty army and surrounds himself with magical charms. There remains only one way to kill him. Concealing this secret weakness from the world, the ruler clings to power. But when the sister of his enemy seduces him, lust overwhelms the king. And as he lies beside her in the night, desperate to know her body, he foolishly begins to share his

secret...

Africa in World History
 Houghton Mifflin Harcourt
 "The son of Sogolon, the hunchback princess, and Maghan, known as 'the handsome', Sundiata grew up to fulfil the prophesies of the soothsayers that he would unite the twelve kingdoms of Mali into one of the most powerful empires ever known in Africa, which at its peak stretched right across the

savanna belt from the shores of the Atlantic to the dusty walls of Timbuktu." "Retold by generations of griots - the guardians of African culture - this oral tradition has been handed down from the thirteenth century and captures all the mystery and majesty

of medieval African kingship. It is an epic tale - part history, part legend - which should rank alongside the Iliad and the Odyssey as one of the world's great adventure stories." "This Revised Edition contains additional material to

help the reader better understand the context in which this popular story is set, including: background information, material on oral tradition, pronunciation and spelling, and a who's who of characters/glossary of places."--
