What We Should Know about the People We Don't Know Pippa Grant

For anyone who has ever felt like they don't belong, Sigh, Gone shares an irreverent, funny, and moving tale of displacement and assimilation woven together with poignant themes from beloved works of classic literature. In 1975, during the fall of Saigon, Phuc Tran immigrates to America along with his family. By sheer chance they land in Carlisle, Pennsylvania, a small town where the Trans struggle to assimilate into their new life. In this coming-of-age memoir told through the themes of great books such as *The Metamorphosis*, *The Scarlet Letter*, *The Iliad*, and more, Tran navigates the push and pull of finding and accepting himself despite the challenges of immigration, feelings of isolation, and teenage rebellion, all while attempting to meet the rigid expectations set by his immigrant parents. Appealing to fans of coming-of-age memoirs such as *Fresh Off the Boat*, *Running with Scissors*, or tales of assimilation like Viet Thanh Nguyen's *The Displaced* and *The Refugees*, Sigh, Gone explores one man's bewildering experiences of abuse, racism, and tragedy and reveals redemption and connection in books and punk rock. Against the hairspray-and-synthesizer backdrop of the '80s, he finds solace and kinship in the wisdom of classic literature, and in the subculture of punk rock, he finds affirmation and echoes of his disaffection. In his journey for self-discovery Tran ultimately finds refuge and inspiration in the art that shapes—and ultimately saves—him.

The magical saga of the women behind King Arthur's throne. "A monumental reimagining of the Arthurian legends . . . reading it is a deeply moving and at times uncanny experience. . . . An impressive achievement."—The New York Times Book

Review In Marion Zimmer Bradley's masterpiece, we see the tumult and adventures of Camelot's court through the eyes of the women who bolstered the king's rise and schemed for his fall. From their childhoods through the ultimate fulfillment of their destinies, we follow these women and the diverse cast of characters that surrounds them as the great Arthurian epic unfolds stunningly before us. As Morgaine and Gwenhwyfar struggle for control over the fate of Arthur's kingdom, as the Knights of the Round Table take on their infamous quest, as Merlin and Viviane wield their magics for the future of Old Britain, the Isle of Avalon slips further into the impenetrable mists of memory, until the fissure between old and new worlds' and old and new religions' claims its most famous victim. *David and Goliath* Jamie Farrell Elaine had spent over half of her life walking with a cane and being treated as if she were made of glass. When she sees no other option, she sneaks out and goes to see the owner of the mail order bride agency in Beckham. She picks out a man who seems perfect for her, and travels to Kansas City to be his bride. Colin goes to lunch at the restaurant in town to consider sending off for a mail order bride when he notices a beautiful woman limp into the establishment. During his unashamed eavesdropping, he hears that she's a mail order bride who is being rejected by the man she's come to marry. He jumps up immediately and asks the beautiful girl to be his bride. Will they be able to make things work? Or will her insecurities keep them from ever being truly happy?

Matched Self Taught Ninja

Feeling out of place in her aunt's high-fashion family, spunky bookworm Olivia is astonished when Mia Thermopolis, Princess of Genovia, appears in her life and announces that Olivia is her long-lost sister and fellow princess. By the best-selling author

Chosen at Nightfall Macmillan

Toe the line between rule-following and rule-breaking in this tense and twisted start to a smart and sexy dystopian

trilogy. Vi knows the Rule: Girls don't walk with boys, and they never even think about kissing them. But no one makes Vi want to break the Rules more than Zenn...and since the Thinkers have chosen him as Vi's future match, how much trouble can one kiss cause? The Thinkers may have brainwashed the rest of the population, but Vi is determined to think for herself. But the Thinkers are unusually persuasive, and they're set on convincing Vi to become one of them....starting by brainwashing Zenn. Vi can't leave Zenn in the Thinkers' hands, but she's wary of joining the rebellion, especially since that means teaming up with Jag. Jag is egotistical, charismatic, and dangerous—everything Zenn's not. Vi can't quite trust Jag and can't quite resist him, but she also can't give up on Zenn. This is a game of control or be controlled. And Vi has no choice but to play.

On the Divine Tedium of Marriage Harper Collins

Dueling neighbors, baby fever, fake boyfriends, and pizza... Life in Bliss has never been better! Pepper Blue wants a baby. Forget the husband. She's better at training men to be good husbands for other women than she is at getting one herself, so she's doing this on her own. But she hasn't exactly shared the news with her family, and they're determined to find her a date to the next family wedding. A date that won't ditch her for one of her sisters or cousins. This time. Which means Pepper Blue needs a fake boyfriend. A fake boyfriend that she has no chance of actually falling in love with. A fake boyfriend like her obnoxious neighbor. Tony Cross is a pizza god with a sausage problem. He's putting on a good show--a different woman at his house every night, flirting with all the right customers, flexing his muscles when called upon--but since his divorce, his meat has been more on the undercooked side. If you know what he means. Except, unfortunately, when it comes to his annoyingly perfect, always put together, too good for him neighbor. Pepper Blue. Who is not a viable candidate for fixing his "little problem." So he's not

sure why he's coming to her rescue, pretending to be her boyfriend to save her from a bad date at his pizza joint. He just knows it's fun. And it irritates her. And it turns out, she might be able to help his flagging pizza sales as much as she's helping his flagging... you know. So long as this is just business, he's happy to keep pushing her buttons. All night long, if he has to.

Ghosts I Have Been Little, Brown Books for Young Readers

She's the last woman on earth I'd marry...again. Yet here I am. Saying my vows. Again. To save an alpaca. At least, that's my story. But the truth might be a little more complicated. I didn't want to let her go the first time. But now I have a second chance to win over my wife. We're older. Wiser. And hornier. This time, I won't fail. Hitched is a red hot, enemies-to-lovers laugh-a-palooza featuring a girl in need of a marriage of convenience and a man in need of a cold shower to keep from falling for his fake wife. They say opposites attract, but with Blake and Hope, they also combust...

To Wed A Scandalous Spy Little, Brown
The novels of Gail Godwin are contemporary classics -- evocative, powerfully affecting, beautifully crafted fiction alive with endearing, unforgettable characters. Her critically acclaimed work has placed her among the ranks of Eudora Welty, Pat Conroy, and Carson McCullers, firmly establishing Godwin as a Southern literary novelist for the ages. In *A Southern Family*, the celebrated author of *A Mother and Two Daughters*, *The Finishing School*, and *Father Melancholy's Daughter* once again explores the shattering dynamics of parents' relationships with their children and themselves. It is the story of the Quick family and the reunion that leads to tragedy -- a masterful tale of anger and pain, of love and hatred, and of the understanding that ultimately heals.
A Southern Family Unlimited Dreams Publishing

There are three things I hate: Bratwurst in any form, my neighbors boinking like farm animals at 3 AM, and Chase Jett. Mostly I hate Chase Jett. It's been ten years since he took my virginity-I'd make a bratwurst joke, but the unfortunate truth is that it would have to be a brat-best joke, and yes, it kills me to admit that-and now he's not only a billionaire, he's also my new boss. Turns out our hate is mutual. And this kind of hate is horrifically twisted, filthy, and banging hot. I just might have to hate him forever. *Mister McHottie* is the hilariously sexy romantic comedy that your mother warned you about, complete with an organic happy-ever-after (or

seven), a Bratwurst Wagon, ill-advised office pranks, and no cheating or cliffhangers.

Hammered Self Taught Ninja

Explore the power of the underdog in Malcolm Gladwell's dazzling examination of success, motivation, and the role of adversity in shaping our lives, from the bestselling author of *The Bomber Mafia*. Three thousand years ago on a battlefield in ancient Palestine, a shepherd boy felled a mighty warrior with nothing more than a stone and a sling, and ever since then the names of David and Goliath have stood for battles between underdogs and giants. David's victory was improbable and miraculous. He shouldn't have won. Or should he have? In *David and Goliath*, Malcolm Gladwell challenges how we think about obstacles and disadvantages, offering a new interpretation of what it means to be discriminated against, or cope with a disability, or lose a parent, or attend a mediocre school, or suffer from any number of other apparent setbacks. Gladwell begins with the real story of what happened between the giant and the shepherd boy those many years ago. From there, *David and Goliath* examines Northern Ireland's Troubles, the minds of cancer researchers and civil rights leaders, murder and the high costs of revenge, and the dynamics of successful and unsuccessful classrooms—all to demonstrate how much of what is beautiful and important in the world arises from what looks like suffering and adversity. In the tradition of Gladwell's previous bestsellers—*The Tipping Point*, *Blink*, *Outliers* and *What the Dog Saw*—*David and Goliath* draws upon history, psychology, and powerful storytelling to reshape the way we think of the world around us.

Merried Harvard University Press

If I'd known he had dimples, I never would've agreed to marry him. Some people are born for parenthood. Not me. But I'm about to get it anyway, since there's no one else who can take care of my wild child baby sister. I'm supposed to be spending my days running a flight adventure company with my best friend, but instead, I'm inadvertently getting myself into trouble, just trying to do the right thing and keep her out of trouble, to the point that it's clear I cannot do this on my own. But who else would want to help us? Turns out, my biggest enemy. Mr. Tall, Dark, and Cranky just inherited a country, but in order for Amoria to crown him as King—you know, that job they give to people with no more demanding qualifications than flared nostrils, proper manners, and a taste for crumpets—he

needs a wife. Now. Obviously the only person he would ask is as irresistible (and desperate) as me. And I see no better way to prove I'm ready to take care of my sister than to wear the crown of a queen. No one's ever found fault with royalty, and hey, the job comes with round-the-clock security. Except in return for helping save my sister, Mr. I'm-Not-Sure-You're-Even-A-Real-Prince Viktor tells me he needs the teeniest, tiniest favor. You see, he doesn't just need help saving his crown. He needs help saving his country. Remember when I said no one ever found fault with royalty? Try asking that question after you see your frazzled face under the front-page headline of a small country's leading gossip mag... *Hot Heir* is a romping fun marriage of convenience romance between a surprise heir and a southern hot mess, complete with the bedroom to end all bedrooms, a run-down alpaca, and that thing with the hot air balloon. This romantic comedy stands alone with no cheating or cliffhangers and ends with a royally awesome happily ever after.
Rockaway Bride St. Martin's Paperbacks
A New York Times bestseller and USA Today bestselling book! From award-winning actor Neil Patrick Harris comes the magical first book in a new series with plenty of tricks up its sleeve. When street magician Carter runs away, he never expects to find friends and magic in a sleepy New England town. But like any good trick, things change instantly as greedy B.B. Bosso and his crew of crooked carnies arrive to steal anything and everything they can get their sticky fingers on. After a fateful encounter with the local purveyor of illusion, Dante Vernon, Carter teams up with five other like-minded illusionists. Together, using both teamwork and magic, they'll set out to save the town of Mineral Wells from Bosso's villainous clutches. These six Magic Misfits will soon discover adventure, friendship, and their own self-worth in this delightful new series. (Psst. Hey, you! Yes, you! Congratulations on reading this far. As a reward, I'll let you in on a little secret... This book isn't just a book. It's a treasure trove of secrets and ciphers and codes and even tricks. Keep your eyes peeled and you'll discover more than just a story—you'll learn how to make your own magic!)
Notes on the Synthesis of Form Jamie Farrell
"Hilarious, fast-paced and riveting." - *Harlequin Junkie*, Recommended Read
When Chicago's Hottest Snack Cake Heir... Josh Kincaid went from rags to riches when he was adopted by the family who owns the Sweet Dreams Snack Cakes empire. But now the company is floundering, and

Josh will do anything to save his parents the way they saved him. Including using his charm on a small-town wedding cake baker. Takes on the Misfit Princess of the Bridal Capital of the Midwest... Kimmie is flighty, she spouts off weird dreams when she's nervous, and her frizzy hair and fashion sense make her the girl least likely to snare a debonair snack cake heir. But Kimmie can bake a cake that'll make a grown man cry, and that's exactly what Josh needs to turn his parents' business around. They Just Might Find The Recipe for Love Josh's plan should be easy, except Kimmie isn't all cupcake underneath. Her help comes with a price. If Josh wants to save his family's company, he'll have to do something he's never done: be himself. Cupcakes have never been so terrifying. Smittened Little, Brown

A Bad Boy, a Good Girl, and Ice Cream! Dahlia Mallard has finally found her destiny--running an ice cream shop in Bliss, the happiest bridal town in the Midwest. Problem is, her heart is bigger than her bank account. After spending her last dime on a less-than-worthy cause, she needs a serious influx of cash to get through the winter. Her last-ditch effort? Convincing country music superstar Billy Brenton to attend the risqué flavor-tasting event she's planned to boost sales. But the closest she can get to Billy is his drummer, the womanizing Mikey Diamond. Mikey loves the ladies, and he makes no secret of it. But he's not such a fan of this town devoted to weddings, love, and marriage. And he's even less of a fan of people using him to get to Billy. When circumstances land Mikey in Dahlia's house as her new roommate, though, all his caution--and all his interest in any other single ladies--flies out the window. Dahlia's quirky and funny and, unlike his usual women, she doesn't tolerate any of his baloney. But when Mikey discovers that Dahlia, too, is using him to get close to Billy, will he take the chance to be her hero instead, or will he revert to his manwhore ways?

A Misfit's Memoir of Great Books, Punk Rock, and the Fight to Fit In Penguin
"These notes are about the process of design: the process of inventing things which display new physical order, organization, form, in response to function." This book, opening with these words, presents an entirely new theory of the process of design. In the first part of the book, Christopher Alexander discusses the process by which a form is adapted to the context of human needs and demands that has called it into being. He shows that such an adaptive process will be successful only if it proceeds piecemeal

instead of all at once. It is for this reason that forms from traditional un-self-conscious cultures, molded not by designers but by the slow pattern of changes within tradition, are so beautifully organized and adapted. When the designer, in our own self-conscious culture, is called on to create a form that is adapted to its context he is unsuccessful, because the preconceived categories out of which he builds his picture of the problem do not correspond to the inherent components of the problem, and therefore lead only to the arbitrariness, willfulness, and lack of understanding which plague the design of modern buildings and modern cities. In the second part, Mr. Alexander presents a method by which the designer may bring his full creative imagination into play, and yet avoid the traps of irrelevant preconception. He shows that, whenever a problem is stated, it is possible to ignore existing concepts and to create new concepts, out of the structure of the problem itself, which do correspond correctly to what he calls the subsystems of the adaptive process. By treating each of these subsystems as a separate subproblem, the designer can translate the new concepts into form. The form, because of the process, will be well-adapted to its context, non-arbitrary, and correct. The mathematics underlying this method, based mainly on set theory, is fully developed in a long appendix. Another appendix demonstrates the application of the method to the design of an Indian village.

The Pilot and the Puck-Up Entangled: Lovestruck

From Mark Haddon, the bestselling author of *The Curious Incident of the Dog in the Night-Time*, comes a dazzlingly inventive novel about modern family life. Richard, a wealthy doctor, invites his estranged sister and her family to join his family for a week at a vacation home in the English countryside. Against the backdrop of a strange family gathering, Haddon skillfully weaves together the stories of eight very different people forced into close quarters. *The Red House* is a symphony of long-held grudges, fading dreams and rising hopes, tightly guarded secrets and illicit desires, painting a portrait of contemporary family life that is at once bittersweet, comic, and deeply felt.

America's Geekheart Matched Kidnapping the bride seemed like a good idea at the time. Her fiancé stole my fortune, so I stole his woman. Tit for tat. Or tat for tit. However you want to look at it. The one thing I didn't expect? Willow Honeycutt, preschool teacher, boy band

super fan, is completely crazy. And somehow she's turned the tables on me. Now, she's holding me hostage, and she won't let me go until we hit every item on her sparkly new, completely insane bucket list. And that last item? That last item might cost me more than any fortune. It very well might cost me my heart. *Rockaway Bride* is a romping fun romance between a down-on-his-luck rock star and a boy band-loving preschool teacher, complete with a road trip, handcuffs, and fun with nuns. This romantic comedy stands alone with no cheating or cliffhangers and ends with a rockin' awesome happily ever after.

Royal Wedding Disaster Macmillan A hockey-playing prince, a most improper lady, and one accidental pregnancy... When you're an heir so spare that getting attacked by a shark is more likely than you ever wearing the crown, you're only allowed certain liberties. Yet still, those liberties can bite you in the ass. Good thing I'm such a charming devil. Even then, I've been banished to America for a year under the pretense of playing professional hockey while my father cleans up my latest mess. But trouble follows me wherever I go. Generally trouble of the beautiful female variety, and Gracie Diamonte is no exception. Or possibly, she's the best exception. Until the dinosaur suit. The cookie incident. And the accidental pregnancy. Of course I'll do the right thing. Just as soon as I solve that pesky problem of my royal betrothal. I'm about to be the biggest scandal to rock my country and there's a good chance my father may throw me to the sharks after all. The funny thing is I've heard that raising children may not be so different from swimming with the sharks. So no matter how you look at things I am Royally Pucked. *Royally Pucked* is a hilariously wrong romance between a spare heir and the lady least likely to ever wear a princess crown, complete with dirty cookies, an emotional support monkey, and lots of pucking around. This romantic comedy stands alone with no cheating, cliffhangers and ends happily with a family of...more than two.

A Novel HarperCollins

There are two kinds of women in the world - those I can bang, and those I can't. My teammate's sister? She's a can't. I moved in with her to protect her from a nasty ex, not to be the next guy in line. She's the brains. I'm the brawn. She's the fruit. I'm the sausage. She talks too much. I don't talk at all, if I don't have to. Should be easy to resist her. But every minute I spend with Felicity is another minute she gets under my skin. She makes me feel

like something more than a dumb puckhead with a big Zamboni pony. And it's getting harder to remember why I need to keep my hands to myself. Beauty and the Beefcake is a vegan-friendly standalone romantic comedy featuring a hockey player whose vocabulary is the only thing smaller than a hockey puck, a book-smart but aimless ventriloquist with too many voices in her head, a dilapidated old house that may or may not be haunted, and no cheating or cliffhangers. Vintage
A Yankee Lady Stuck in the South
Divorced wasn't a label Anna Martin ever

wanted. Now she's a thousand miles from home, underemployed, and lonely, but she's squeezing this lemon life gave her and turning it into lemon meringue pie. Never again will she let any man—especially another military man—get in the way of her career. A Southern Gentleman Military Officer Jackson Davis believes in family, football, and Uncle Sam. He treats ladies right, he takes his uniform seriously, and he loves his dog, but he doesn't reckon he's built for true love. After all, if a man good as his daddy couldn't do it right, what chance does Jackson have? One Undeniable Attraction These two vulnerable souls are

as different as cornbread and ketchup, but they fit together like sweet butter on hot biscuits. Short-term, they're exactly what the other needs. But when their hearts get involved, they're both gonna end up with a big ol' case of Southern Fried Blues. Southern Fried Blues was a finalist in the 2013 National Readers' Choice Awards and the 2014 National Excellent in Romance Fiction Awards. Keywords: Contemporary Romance, Southern Romance, Military Romance, Romantic Comedy, Smart Romance, Quirky Romance, strong hero, strong heroine, romances with pets, pie, s'mores, bless your heart
