Daniel Paterna's Feast of
the Seven Fishes: A
Brooklyn-Italian's Recipes
Celebrating Food and
Family is a timely
reminder that a shared
memory of food draws

upon and enriches our souls. In *Feast of the Seven Fishes: A Brooklyn Italian's Recipes Celebrating Food and Family*, Daniel Paterna takes you on magical journey into a hidden world. Through recipes handed down in his family, stunning photos taken by the author himself, and three-generations of memories, Paterna reveals the soulful, humorous, and always delicious history of Italian-Americans in Brooklyn. Paterna is the real deal, a second-

generation Italian-American, whose family has preserved their culture from the shores of Naples to the streets of Bensonhurst. He'll show you how to make long-forgotten recipes like stuffed calamari and he'll take you to the stores, restaurants, and bakeries where artisans are still doing things the old way. This is an intensely personal book that powerfully illustrates the essence of the American experience: the ways food, family, and memory are preserved and

changed by the immigrants who brought them to our shores, and the children of those immigrants who keep the flame alive.

The Bald Soprano

Samuel French, Inc. McLuhan mines the greats of modern literature, such as Yeats, Eliot and Pound, and points the way to richer understanding of their work. Discussion ranges over conventional topics of literary analysis, though never in conventional fashion, because McLuhan deliberately stakes his

turf in a manner that draws technology and culture together. As a result, the key terms cliché and archetype are not confined to language but are shown to have counterparts in the non-linguistic world.

Dead Giveaway Henry Holt and Company
On a private New England beach, gale winds of romance engulf young and attractive Holly Dancer and her handsome, strapping Leo the lifeguard, as a galaxy of marvelously eccentric characters look on.

There's Ariel, the bare survivor of a messy divorce, and her high-spirited 10-year old, Winston; Ariel's college roommate Faith, now (at long last!) pregnant; Faith's adopted daughter, Miranda; and M.J. and Hamilton, who after decades of marriage and nine children still have not settled their differences over Hamilton's past indiscretions. Meanwhile, Holly and Leo flirt and fall in love amid the ebb and flow of summer life swirling around them...Jacket.

Wave Books

The third collection of deadpan absurdist poetry by a Certified Journeyman Farrier from Montana. *The Room* Northwestern University Press
This volume features coverage of 15 plays most frequently studied in literature classes. Each

entry includes: an overview of the play; a brief biography of the playwright; a discussion of the play's principal themes; and excerpted critical commentary on various facets of the play.

Politics and Theatre in Twentieth-Century Europe Theatre

Communications Group
 Denis Johnson's New York Times bestseller, *The Laughing Monsters*, is a high-suspense tale of kaleidoscoping loyalties in the post-9/11 world that shows one of our great novelists at the top of his

game. Roland Nair calls himself Scandinavian but travels on a U.S. passport. After ten years' absence, he returns to Freetown, Sierra Leone, to reunite with his friend Michael Adriko. They once made a lot of money here during the country's civil war, and, curious to see whether good luck will strike twice in the same place, Nair has allowed himself to be drawn back to a region he considers hopeless. Adriko is an African who styles himself a soldier of fortune and who claims to have

served, at various times, the Ghanaian army, the Kuwaiti Emiri Guard, and the American Green Berets. He's probably broke now, but he remains, at thirty-six, as stirred by his own doubtful schemes as he was a decade ago. Although Nair believes some kind of money-making plan lies at the back of it all, Adriko's stated reason for inviting his friend to Freetown is for Nair to meet Adriko's fiancée, a grad student from Colorado named Davidia. Together the

three set out to visit Adriko's clan in the Uganda-Congo borderland—but each of these travelers is keeping secrets from the others. Their journey through a land abandoned by the future leads Nair, Adriko, and Davidia to meet themselves not in a new light, but rather in a new darkness.

How Doctors Think Drama for Students

One of Henry Miller's most luminous statements of his personal philosophy of life, *Stand Still Like the Hummingbird*, provides a

symbolic title for this collection of stories and essays. Many of them have appeared only in foreign magazines while others were printed in small limited editions which have gone out of print. Miller's genius for comedy is at its best in "Money and How It Gets That Way"—a tongue-in-cheek parody of "economics" provoked by a postcard from Ezra Pound which asked if he "ever thought about money." His deep concern for the role of the artist in society appears in "An

Open Letter to All and Sundry," and in "The Angel is My Watermark" he writes of his own passionate love affair with painting. "The Immorality of Morality" is an eloquent discussion of censorship. Some of the stories, such as "First Love," are autobiographical, and there are portraits of friends, such as "Patchen: Man of Anger and Light," and essays on other writers such as Walt Whitman, Thoreau, Sherwood Anderson and Ionesco. Taken together, these highly readable

pieces reflect the incredible vitality and variety of interests of the writer who extended the frontiers of modern literature with *Tropic of Cancer* and other great books.

Stories 1, 2, 3, 4 In

Performance

The New York Times bestseller about a young black man's journey from violence and despair to the threshold of stardom: "A beautiful tribute to the power of good teachers" (Terry Gross, *Fresh Air*). "One of the most inspiring stories I've come across in

a long time."-Pamela Paul, New York Times Book Review
 Ryan Speedo Green had a tough upbringing in southeastern Virginia: his family lived in a trailer park and later a bullet-riddled house across the street from drug dealers. His father was absent; his mother was volatile and abusive. At the age of twelve, Ryan was sent to Virginia's juvenile facility of last resort. He was placed in solitary confinement. He was uncontrollable, uncontainable, with little

hope for the future. In 2011, at the age of twenty-four, Ryan won a nationwide competition hosted by New York's Metropolitan Opera, beating out 1,200 other talented singers. Today, he is a rising star performing major roles at the Met and Europe's most prestigious opera houses. *Sing for Your Life* chronicles Ryan's suspenseful, racially charged and artistically intricate journey from solitary confinement to stardom. Daniel Bergner takes readers on Ryan's

path toward redemption, introducing us to a cast of memorable characters -- including the two teachers from his childhood who redirect his rage into music, and his long-lost father who finally reappears to hear Ryan sing. Bergner illuminates all that it takes -- technically, creatively -- to find and foster the beauty of the human voice. And *Sing for Your Life* sheds unique light on the enduring and complex realities of race in America.

Fragments of a Journal

Phaidon

The sublime is confused with the ridiculous in this savage commentary on the human condition, a staple of every theatre classroom and 20th century drama. A small town is besieged by one roaring citizen who becomes a rhinoceros and proceeds to trample on the social order. As more citizens are transformed into rhinoceroses, the trampling becomes overwhelming, and more and more citizens become rhinoceroses. One sane man, Berenger, remains,

unable to change his form and identity.

Irony and the Modern Theatre Grove Press

Humor permeates every aspect of society and has done so for thousands of years. People experience it daily through television, newspapers, literature, and contact with others. Rarely do social researchers analyze humor or try to determine what makes it such a dominating force in our lives. The types of jokes a person enjoys contribute significantly to the definition of that person

as well as to the character of a given society. Arthur Asa Berger explores these and other related topics in *An Anatomy of Humor*. He shows how humor can range from the simple pun to complex plots in Elizabethan plays. Berger examines a number of topics ethnicity, race, gender, politics each with its own comic dimension. Laughter is beneficial to both our physical and mental health, according to Berger. He discerns a multiplicity of ironies that are intrinsic to the analysis of humor. He

discovers as much complexity and ambiguity in a cartoon, such as Mickey Mouse, as he finds in an important piece of literature, such as *Huckleberry Finn*. *An Anatomy of Humor* is an intriguing and enjoyable read for people interested in humor and the impact of popular and mass culture on society. It will also be of interest to professionals in communication and psychologists concerned with the creative process. *Machinal* MIT Press
Among our greatest

dramatic works that also makes for great student reading.

Three Plays - Absurd Person Singular, Absent Friends, Bedroom Farce New Directions Publishing
Irony and theatre share intimate kinships, not only regarding dramatic conflict, dialectic or wittiness, but also scenic structure and the verbal or situational ironies that typically mark theatrical speech and action. Yet irony today, in aesthetic, literary and philosophical contexts especially, is

often regarded with skepticism - as ungraspable, or elusive to the point of confounding. Countering this tendency, William Storm advocates a wide-angle view of this master trope, exploring the ironic in major works by playwrights including Chekhov, Pirandello and Brecht, and in notable relation to well-known representative characters in drama from Ibsen's Halvard Solness to Stoppard's Septimus Hodge and Wasserstein's Heidi Holland. To the degree that irony is

existential, its presence in the theatre relates directly to the circumstances and the expressiveness of the characters on stage. This study investigates how these key figures enact, embody, represent and personify the ironic in myriad situations in the modern and contemporary theatre.

The Bald Prima Donna
Grove/Atlantic, Inc.

Rose and Bert rent a room that might almost be a paleolithic cave; the outside is terrifying and unknown. Rose never

goes out, Bert only goes to drive his van with furious aggression. A young couple call, and then a blind black man. Bert comes home, massive with triumph at smashing every car that challenged his van. Finding the stranger he kicks him to death and Rose goes blind.

Thin Kimono Random House
One By One Ellen Wingate thinks she's hit the jackpot when she learns the millions she's inherited comes with a super-exclusive condo in

the mountains outside of Las Vegas. But leaving Minnesota for paradise turns out to be the ultimate nightmare. Trapped with her neighbors in a freakish winter avalanche, a chilling discovery at the bottom of an indoor pool signals a frightening turn of events. . . Until There Were None A ruthless killer has infiltrated the Deer Creek Condos. With each killing more terrifying than the last, the panicked survivors face almost certain death. Their only hope is to band

together to escape the unrelenting pursuit of a deadly intruder, but trusting each other could be their most fatal instinct. . .
The Laughing Monsters St. Martin's Griffin
 "A Star is Bored is an absolute knockout. Riotously funny and wickedly tender." — Taylor Jenkins Reid, New York Times bestselling author of Daisy Jones and the Six "Wildly funny and irreverent... Lane's writing lifts the novel far above its gossamer Hollywood setting, suffusing [the

novel] with a complex sensitivity." - The New York Times Book Review A hilariously heartfelt novel influenced in part by the author's time assisting Carrie Fisher. People Magazine Best Book of Summer 2020 - Named a Must-Read Summer book by Town & Country - Named One of the 14 Best Books of Summer 2020 by Harper's Bazaar - One of Library Journal's 2020 "Titles to Watch" - One of the 30 Best Beach Reads According to Parade Magazine She needs an assistant. He needs a

hero. Charlie Besson is tense and sweating as he prepares for a wild job interview. His car is idling, like his life, outside the Hollywood mansion of Kathi Kannon, star of stage and screen and People magazine's Worst Dressed list. She's an actress in need of assistance, and he's adrift and in need of a lifeline. Kathi is an icon, bestselling author, and award-winning movie star, most known for her role as Priestess Talara in a blockbuster sci-fi film. She's also known in

another role: Outrageous Hollywood royalty. Admittedly so. Famously so. Chaotically so, as Charlie quickly discovers. Charlie gets the job, and his three-year odyssey is filled with late-night shopping sprees, last-minute trips to see the aurora borealis, and an initiation to that most sacred of Hollywood tribes: the personal assistant. But Kathi becomes much more than a boss, and as their friendship grows Charlie must make a choice. Will he always be on the

sidelines of life, assisting the great forces that be, or can he step into his own life's leading role? Laugh-out-loud funny, and searingly poignant, Byron Lane's *A Star is Bored* is a novel that, like the star at its center, is enchanting and joyous, heartbreaking and hopeful. *Amédée* Routledge
Four plays on the difficulty of man's retaining his individuality in modern society. Coastal Disturbances Farrar, Straus and Giroux
'What is remarkable about Alan Ayckbourn's comedy

is that it contrives to be simultaneously hilarious and harrowing. Literally, it is agonisingly funny' Daily Telegraph In Three Plays Ayckbourn's perfectly pitched dialogue slices into the soul of suburbia. The settings are simple - a kitchen, a bedroom, a party - but the relationships between the husbands and wives are more complicated. Fraught relationships are exposed with humour, bathos and a sharp understanding of human nature.

An Anatomy of Humor

Hachette+ORM
This is the true story of Florence Foster Jenkins—now the basis of a major motion picture starring Academy Award-winning actress Meryl Streep! She was a woman with a dream. Nobody believed in her talent. But nothing could stop her. . . She had no pitch, no rhythm, and no tone. Still, Florence Foster Jenkins (Streep) became one of America's best-known sopranos. Born in 1868, Florence was a talented young pianist whose wealthy father refused to

let her continue her musical studies in Europe. In retaliation, Florence eloped with Dr. Frank Jenkins, a man twice her age, and moved to New York. But when her father died and left her a large sum of money, Florence finally had a chance to pursue her one true passion: Singing. But first she would have to learn how to become a great singer. Years of lessons and a chance meeting with St. Clair Bayfield (Hugh Grant), who would become her manager and common-law husband,

would help launch
Florence's career and
entry into New York's
prestigious classical
musical societies,

culminating in her giving
a recital, at the age of
seventy-six, at Carnegie
Hall. This is story of a
woman who was not

afraid to recreate herself
into the person she
wished to become—and
achieve her own version
of the American Dream.
