available for  
BMW cars.

These  
manuals  
provide the  
highest level  
of clarity and  
completeness  
for all service  
and repair  
procedures.  
Enthusiasts,  
do-it-

operation, and  
accurate step-  
by-step  
instructions. If  
you are  
looking for  
better  
understanding  
of your BMW,  
look no further  
than Bentley.

Even if you do not repair your own vehicle, knowledge of its internal workings will help you when discussing repairs and maintenance with your professional automotive technician. This Bentley Manual is the only comprehensive, single source of service information and specifications available specifically for BMW 5 Series from 1997 to 2002. The aim throughout this manual

has been simplicity, clarity and completeness, with practical explanations, step-by-step procedures and accurate specifications. Whether you are a professional or a do-it-yourself BMW owner, this manual will help you understand, care for and repair your E39 5 Series. Though the do-it-yourself BMW owner will find this manual indispensable as a source of detailed maintenance and repair

information, the BMW owner who has no intention of working on his or her car will find that reading and owning this manual will make it possible to discuss repairs more intelligently with a professional technician.
