"The

protagonist,
known only as
K., arrives in a
mountain
village buried
under deep
snows in the

middle of winter, dominated by a looming castle above it, shrouded in mist. Attempting to gain contact with the inhabitants of the castle, the officials who run the bureaucracy governing the village, K. repeatedly finds himself misunderstanding and transgressing the multitude of confusing and contradictory rules and regulations that dictate the daily life of the villagers.

Kafka's atmospheric and brooding tale of extreme bureaucracy explores themes of solitude, isolation, loss, and companionship" -- from publisher's web site.

 This collection of new translations brings together the small proportion of Kafka's works that he thought worthy of publication. It includes *Metamorphosis*, his most famous work, an exploration of horrific

transformation and alienation; Meditation, a collection of his earlier studies; The Judgement, written in a single night of frenzied creativity; The Stoker, the first chapter of a novel set in America and a fascinating occasional piece, The Aeroplanes at Brescia, Kafka's eyewitness account of an air display in 1909. Together, these stories reveal the breadth of Kafka's literary vision and the extraordinary imaginative depth of his thought. Das Schloss Dramatists Play Service, Inc. A Wednesday Books reissue of one of the century's most beloved novels, I Capture the Castle by Dodie Smith, with a foreword by New York Times bestselling author, Jenny Han. Seventeen-year-old Cassandra Mortmain and her family live in not-so-genteel poverty in a ramshackle old English castle. Here she strives, over six turbulent months, to hone her writing skills. She fills three notebooks with sharply funny yet poignant entries. Her journals candidly chronicle the great changes that take place within the castle's walls, and her own first descent into love. By the time she pens her final entry, she has "captured the castle" -and

the heart of the reader- in one of literature's most enchanting entertainments.

The Castle

In August 1988, Zia gets into the presidential plane, Pak One, which explodes midway. Who killed him? The army generals growing old waiting for their promotions, the CIA, the ISI, RAW, or Ali Shigri, a junior officer at the

military academy whose father, a whisky-swilling jihadi colonel, was murdered by the army? A Case of Exploding Mangoes is sharp, black, inventive, and utterly gripping. It marks the debut of a brilliant new writer.

I have only one request," Kafka wrote to his publisher Kurt Wolff in 1913. "'The Stoker,' 'The Metamorphosis,' and 'The Judgment' belong together, both inwardly and outwardly. There is an obvious connection among the three, and, even more important, a secret one, for which reason I would be reluctant to forego the chance of having them

published together in a book, which might be called The Sons." **Fathers and Sons** Wordsworth Editions Far from the noisy drumming of Iron John, the contributors (including David Epstein, John Fowles and John Hoyland) shed new light on the nature of masculinity, and how men become men. Kafka Everyman's Library Both Joseph K in The Trial and K in The Castle are

victims of anonymous governing forces beyond their control. Both are atomized, estranged and rootless citizens deceived by authoritarian power. Whereas Joseph K is relentlessly hunted down for a crime that remains nameless, K ceaselessly attempts to enter the castle, and so belong somewhere. Both novels may be read as powerful allegories of totalitarian government.

In America, Karl Rossman experiences Oedipal and cultural isolation, and finds that "America" is never quite as real as it seems. The Castle Random House Translated and with a preface by Mark Harman Left unfinished by Kafka in 1922 and not published until 1926, two years after his death, The Castle is the haunting tale of K.'s relentless, unavailing struggle with

an inscrutable authority in order to gain access to the Castle. Scrupulously following the fluidity and breathlessness of the sparsely punctuated original manuscript, Mark Harman's new translation reveals levels of comedy, energy, and visual power previously unknown to English language readers. [The Necessity of Form](#) Picador Collects Kafka's short stories and

parables, each reflecting his concern for modern man's search for identity, place, and purpose. *A Novel (Book Two of The Passage Trilogy)* Penguin UK A new selection of Franz Kafka's shorter fiction and nonfiction work, selected and with a preface by Book of Numbers author Joshua Cohen. "Being asked to write about Kafka is like being asked to describe the Great Wall of China by

someone who's standing just next to it. The only honest thing to do is point." —Joshua Cohen, from his foreword to *He: Shorter Writings of Franz Kafka* This is a Kafka emergency kit, a congregation of the brief, the minor works that are actually major. Joshua Cohen has produced a frame that refuses distinctions between what is a story, a letter, a workplace memo, and a

diary entry, also including popular favorites like *The Bucket Rider*, *The Penal Colony*, and *The Burrow*. Here we see Kafka's preoccupation s in writing about animals, messiah variations, food, and exercise, each in his signature style. Cohen's selection emphasizes the stately structure of utterly coherent logic within an utterly incoherent and illogical world,

showing how Kafka harnessed the humblest grammar to metamorphic power, until the predominant effect ceases to be the presence of an unreliable narrator but the absence of the universe's only reliable narrator—God. Northwestern University Press HarperCollins is proud to present its incredible range of best-loved, essential classics. *Collected Stories* Everyman's

Library Kafka's Other Prague: Writings from the Czechoslovak Republic examines Kafka's late writings from the perspective of the author's changing relationship with Czech language, culture, and literature—the least understood facet of his meticulously researched life and work. Franz Kafka was born in Prague, a bilingual city in the Habsburg Empire. He

died a citizen of Czechoslovakia. Yet Kafka was not Czech in any way he himself would have understood. He could speak Czech, but, like many Prague Jews, he was raised and educated and wrote in German. Kafka critics to date have had little to say about the majority language of his native city or its “minor literature,” as he referred to it in a 1913 journal entry. Kafka’s *Other Prague* explains why

Kafka’s later experience of Czech language and culture matters. Bringing to light newly available archival material, Anne Jamison’s innovative study demonstrates how Czechoslovakia’s founding and Kafka’s own dramatic political, professional, and personal upheavals altered his relationship to this “other Prague.” It destabilized Kafka’s understanding of nationality,

language, gender, and sex—and how all these issues related to his own writing. *Kafka’s Other Prague* juxtaposes Kafka’s German-language work with Czechoslovak Prague’s language politics, intellectual currents, and print culture—including the influence of his lover and translator, the journalist Milena Jesenská—and shows how this changed cultural and

<p>linguistic landscape transformed one of the great literary minds of the last century. <u>Franz Kafka's The Trial</u> Schocken This edition contains the English translation and the original text in German. "Before the Law" (German: "Vor dem Gesetz") is a parable contained in the novel "The Trial" (German: "Der Prozess"), by Franz Kafka. "Before the Law" was published in Kafka's</p>	<p>lifetime, first in the New Year's edition 1915 of the independent Jewish weekly "Selbstwehr", then in 1919 as part of the collection "Ein Landarzt" ("A Country Doctor"). "The Trial", however, was not published until 1925, after Kafka's death. Metamorphosis and Other Stories

Vintage
A windfall for every reader: a trove of marvelous impossible-to-find Kafka stories in a masterful new translation by Michael Hofmann
Selected by the

preeminent Kafka biographer and scholar Reiner Stach and newly translated by the peerless Michael Hofmann, the seventy-four pieces gathered here have been lost to sight for decades and two of them have never been translated into English before. Some stories are several pages long; some run about a page; a handful are only a few lines long: all are marvels. Even the most

fragmentary texts are revelations. These pieces were drawn from two large volumes of the S. Fischer Verlag edition *Nachgelassene Schriften und Fragmente* (totaling some 1100 pages). "Franz Kafka is the master of the literary fragment," as Stach comments in his afterword: "In no other European author does the proportion of completed and published works loom quite so...small in the overall

mass of his papers, which consist largely of broken-off beginnings." In fact, as Hofmann recently added: "'Finished' seems to me, in the context of Kafka, a dubious or ironic condition, anyway. The more finished, the less finished. The less finished, the more finished. Gregor Samsa's sister Grete getting up to stretch in the streetcar. What kind of an ending is that?! There's

perhaps some distinction to be made between 'finished' and 'ended.' Everything continues to vibrate or unsettle, anyway. Reiner Stach points out that none of the three novels were 'completed.' Some pieces break off, or are concluded, or stop—it doesn't matter!—after two hundred pages, some after two lines. The gusto, the friendliness, the wit with which Kafka launches

himself into these things is astonishing."

The Castle (SelfMadeHero)

BoD E-Short
 "The story of Candide, a naive youth who is conscripted, shipwrecked, robbed, and tortured by the Inquisition without losing his will to live, is accompanied by four other stories"--
 NoveList.

 Oxford

University Press
The Trial and
(original German title: Der
Process,[1] later Der
Proceß, Der Prozeß and
Der Prozess and) is a
novel written by Franz Kafka
between 1914 and 1915 and
published posthumously
in 1925. One of his best-
known works, it tells the
story of Josef K., a man
arrested and prosecuted by
a remote, inaccessible
authority, with the nature of
his crime revealed

neither to him nor to the
reader. Heavily influenced by
Dostoyevsky and 's Crime
and Punishment and The
Brothers Karamazov,
Kafka even went so far as
to call Dostoyevsky a
blood relative. Like Kafka and
's other novels, The
Trial was never completed,
although it does include a
chapter which appears to
bring the story to an
intentionally abrupt ending.
After Kafka

and 's death in 1924 his
friend and literary
executor Max Brod edited
the text for publication by
Verlag Die Schmiede. The
original manuscript is
held at the Museum of
Modern Literature, Marbach am
Neckar, Germany. The
first English language
translation, by Willa and
Edwin Muir, was published
in 1937. In 1999, the
book was listed in Le
Monde and 's 100 Books of
the Century

and as No. 2
of the Best

German
Novels of the

Twentieth
Century.
