NEW YORK TIMES BESTSELLER AND INSPIRATION FOR THE NETFLIX LIMITED SERIES, HAILED BY ROLLING STONE AS "A GREAT ONE." "A single mother's personal, unflinching look at America's class divide, a description of the tightrope many families walk just to get by, and a reminder of the dignity of all work." - PRESIDENT BARACK OBAMA, Obama's Summer Reading List At 28, Stephanie Land's dreams of attending a university and becoming a writer quickly dissolved when a summer fling turned into an unplanned pregnancy. Before long, she found herself a single mother, scraping by

as a housekeeper to make ends meet. Maid is an emotionally raw, masterful account of Stephanie's years spent in service to upper middle class America as a "nameless ghost" who quietly shared in her clients' triumphs, tragedies, and deepest secrets. Driven to carve out a better life for her family, she cleaned by day and took online classes by night, writing relentlessly as she worked toward earning a college degree. She wrote of the true stories that weren't being told: of living on food stamps and WIC coupons, of government programs that barely provided housing, of aloof government employees who shamed her for receiving what little assistance she did. Above all else, she wrote about pursuing the myth of the American Dream from the poverty line, all the while slashing through deep-rooted

stigmas of the working poor. Maid is Stephanie's story, but it's not hers alone. It is an inspiring testament to the courage, determination, and ultimate strength of the human spirit.

Heaven Help Her. Bethany Church is an angel sent to Earth to keep dark forces at bay. Falling in love was never part of her mission, but the bond between Beth and her mortal boyfriend, Xavier Woods, is undeniably strong. But even Xavier's love, and the care of her archangel siblings, Gabriel and Ivy, can't keep Beth from being tricked into a motorcycle ride that ends up in Hell. There, the demon Jake Thorn bargains for Beth's release back to Earth. But what he asks of her will destroy her, and quite possibly, her loved ones, as well. The story that Alexandra Adornetto built in her New York Times-bestselling debut, *Halo*, comes alive in action-packed and unexpected ways, as angels battle demons, and the power of love is put to the test.

Facing the imminent collapse of their civilization, the Librarian and the Ur-Didact reveal

what they know about the relationship between the long-vanished Precursors and the Flood. The Precursors created many technological species, including humanity and the Forerunners.
