MARQUISE RAMOS

Guinness Book of Records BenBella Books
In "Letter from Birmingham Jail," Martin Luther King Jr. explains why blacks can no longer be victims of inequality.

Naked in Death Pinnacle Books
Voted America's Best-Loved Novel in PBS's The Great American Read Harper Lee's Pulitzer Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent hatred One of the most cherished stories of all time, *To Kill a Mockingbird* has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime.

Know My Name Hachette UK
Since he was seven, Cary Stayner had dreamed of capturing women . . . and killing them They were crimes that grabbed headlines around the world and stunned America. Four women dead, their bodies charred and horribly mutilated. Now Dennis McDougal, acclaimed author of the spellbinding true crime tour de force *Mother's Day*, brings his considerable investigative and narrative skills to the Yosemite murders to give you the most complete account of what really happened. Drawing on several personal conversations with the confessed killer and interviews with the victims' families, McDougal presents the definitive story, and answers many lingering questions. What demons drove this quiet handyman and nudist colony habitue to burn, mutilate, and murder four women he didn't even know? How did he overpower a woman and two teenaged girls? And most disturbing, did the glory-seeking FBI

actually hinder the investigation, leaving the killer free to kill once more before he was caught? **THE YOSEMITE MURDERS** offers valuable insight into these savage and senseless murders in the heart of America's most beautiful wilderness.

The Seven Habits of Highly Effective People Kensington Books

Did God create us so that we could be His children to love and care for? Is He really in control of what happens in our lives? With all the pain, suffering, and unfulfilled dreams in our lives how do we find answers? Travel with the author on a journey of one woman's life who was lured into rebellion at a young age, experienced grief, sorrow and hatred toward God, was provided glimpses of grace and mercy along the way, was rescued by salvation, and irrevocably gripped by redemption as she grappled for her answers. Kay Lynne Ege invites you to be encouraged and strengthened in your quest for your own life solutions as you read her intimate account of how God crafted her life-mosaic.

Call Me by Your Name Vintage
Kids will relate to Elizabeth's fervent wish to be called by her proper name.

Cary Stayner: the True Story of the Yosemite Park Killer Ballantine Books
While some would say that American serial killer Cary Stayner was influenced by family tragedy - his already-troubled family was shattered when his brother was abducted for seven years and held as a sex slave before his heroic return inspired the miniseries "I Know My First Name Is Steven" - in reality, Cary Stayner's true crime story is much more ominous. The handsome, outdoorsy guy with a love for marijuana, nude beaches and the Sierra Nevada mountain range where he once spotted Bigfoot had been harboring fantasies of brutally killing women years before his brother's abduction turned the Stayner family upside down. And in the annals of historical serial killers, Stayner's story stands out, because for months he made one of the most beautiful places on earth a nightmare for women when California's majestic Yosemite National Park became his own devil's playground, and he finally found himself unable to control his long-suppressed urges.

Because he didn't look menacing, the man one FBI agent compared to actor Tom Laughlin in "Billy Jack" was able to gain the trust of his victims, and three vacationing women who were staying at the lodge where he lived and worked during the busy tourist season and a nature-loving teacher who help kids become stewards of the land she loved made that fatal mistake before they were savagely, sadistically murdered. The biography of serial killer Cary Stayner and his psychopathic crime spree leaves spine-tingling chills, because as far as the outside world was concerned, he was a fairly normal guy who found himself uncontrollably compelled to kill. Stayner has been on death row in California's famed San Quentin for more than 10 years, but for the families of his victims, no punishment is just enough to make up for the vibrant lives Stayner took, making him one of the most depraved American serial killers in contemporary history. **In His Grip of Grace** Prometheus Books
At age 12, Sophie learns that the remarkable abilities that have always caused her to stand out identify her as an elf. After being brought to Eternalia to hone her skills, she discovers that she has secrets buried in her memory for which some would kill.

A Dictionary of First Names Kids Can Press Ltd

If he had been with me everything would have been different... I wasn't with Finn on that August night. But I should've been. It was raining, of course. And he and Sylvie were arguing as he drove down the slick road. No one ever says what they were arguing about. Other people think it's not important. They do not know there is another story. The story that lurks between the facts. What they do not know—the cause of the argument—is crucial. So let me tell you...

I Had a Black Dog Harper Collins
This extraordinary debut novel from Whiting Writers' Award winner John Wray is a poetic portrait of a life redeemed at one of the darkest moments in world history. Twenty years after deserting the army in the first world war, Oskar Voxlauer returns to the village of his youth. Haunted by his past, he finds an uneasy peace in

the mountains—but it is 1938 and Oskar cannot escape from the rising tide of Nazi influence in town. He attempts to retreat to the woods, only to be drawn back by his own conscience and the chilling realization that the woman whose love might finally save him is bound to the local SS commander. Morally complex, brilliantly plotted, and heartbreakingly realized, *The Right Hand of Sleep* marks the beginning of an important literary career.

The Right Hand of Sleep University of Illinois Press

NATIONAL BESTSELLER • A coming-of-age classic, acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. *The House on Mango Street* is the remarkable story of Esperanza Cordero, a young Latina girl growing up in Chicago, inventing for herself who and what she will become. Told in a series of vignettes—sometimes heartbreaking, sometimes deeply joyous—Sandra Cisneros' masterpiece is a classic story of childhood and self-discovery. Few other books in our time have touched so many readers. "Cisneros draws on her rich [Latino] heritage...and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one." —The New York Times Book Review

This isn't your average teaching book. With a fun, comic-book-inspired layout, *Teaching Is for Superheroes!* skips the information overload and gives you practical action steps for igniting enthusiasm in your K-12 classroom and achieving your professional goals. Now more than ever, teachers are in high demand—yet the threat of burnout still looms large. This book will help you keep the spark alive, engaging you in a deeper examination of education by way of entertaining superhero archetypes and tropes. What's your teaching origin story? Your secret identity? Your powers, weaknesses, nemeses? The teachers-as-superheroes metaphor provides a rich venue through which you can thoughtfully analyze your purpose and pedagogy. This high quality, eye-catching book offers you an inspirational springboard for practical insight and application in the classroom. You'll gain ideas for surviving your first year, navigating social media as a teacher, interacting productively with colleagues and parents, using tech in the classroom,

prioritizing self-care, harnessing your teacher "superpowers," and even dressing for teaching success. The school setting may not be as glamorous as the futurist skyscrapers, alien planets, or alternate universes we see in movies and comics, but the adventure is just as exciting—and best of all, it's real! Gain teaching insights, tips, and advice in an entertaining, superhero-inspired format. Identify your teaching superpowers and weaknesses, and learn to lean on others when needed. Explore the "universe" of teaching to understand where you fit in and how you can leave your legacy. Equip yourself with the gadgets and gizmos you need to sharpen your skills and power up your classroom. Current and future K-12 educators—pick up *Teaching Is for Superheroes!*, put on your cape, and start saving the world, one class at a time.

[To Kill a Mockingbird](#) Oxford University Press

Foe over 25 years, charismatic Pentecostal evangelist Brother Tony Leyva used Christianity, the Bible, and his status as a "prophet of God" to gain access to, seduce, and sexually assault the young sons of his enthralled followers in 23 states. Echols strips bare the world of Pentecostals to reveal how impassioned faith and devotion to the "annointed ones" blinded parents to the evil in their midst.

From Victim to Hero Simon and Schuster

'*I Had a Black Dog* says with wit, insight, economy and complete understanding what other books take 300 pages to say. Brilliant and indispensable.' - Stephen Fry
'Finally, a book about depression that isn't a prescriptive self-help manual. Johnston's deftly expresses how lonely and isolating depression can be for sufferers. Poignant and humorous in equal measure.' Sunday Times
There are many different breeds of Black Dog affecting millions of people from all walks of life. The Black Dog is an equal opportunity mongrel. It was Winston Churchill who popularized the phrase Black Dog to describe the bouts of depression he experienced for much of his life. Matthew Johnstone, a sufferer himself, has written and illustrated this moving and uplifting insight into what it is like to have a Black Dog as a companion and how he learned to tame it and bring it to heel.

[Everyday Sociology Reader](#) Mark Gilroy Creative LLC

Draws on more than forty interviews with Steve Jobs, as well as interviews with family members, friends, competitors, and colleagues to offer a look at the co-founder and leading creative force behind the Apple computer company.

[The Study of Names](#) Vintage

The sultry, sensual novel of obsession and desire that inspired the Oscar-winning film.

[The Name of this Book Is Secret](#) Little, Brown Books for Young Readers

From the creator of the popular website *Ask a Manager* and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party
Praise for *Ask a Manager*: "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review)
"The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review)
"I am a huge fan of Alison Green's *Ask a Manager* column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide*
"Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*
If He Had Been with Me Macmillan Reference USA

This classic on space travel was first published in 1953, when interplanetary space flight was considered science fiction by most of those who considered it at all.

Here the German-born scientist Wernher von Braun detailed what he believed were the problems and possibilities inherent in a projected expedition to Mars. Today von Braun is recognized as the person most responsible for laying the groundwork for public acceptance of America's space program. When President Bush directed NASA in 1989 to prepare plans for an orbiting space station, lunar research bases, and human exploration of Mars, he was largely echoing what von Braun proposed in The Mars Project.

Your DNA Guide - the Book Scribe Publications

A revolutionary guidebook to achieving peace of mind by seeking the roots of human behavior in character and by learning principles rather than just practices. Covey's method is a pathway to wisdom and power.

Gather Together In My Name

McFarland

girls' and boys' first names is more than a guide for parents-to-be. It intertwines the modernity and tradition of Armenian culture. Each name has been traced back to its meaning and origin, uncovering historical significance, religious allusion, or nature reference. Features over 400 entries.

Teaching Is for Superheroes! Michael R. Hicks

An introduction and research guide to onomastics the study of names, this book covers the major areas of name study in individual chapters on personal names (anthroponyms), place names (toponyms), acronyms, brand names and trade names. A final chapter treats special areas such as designations for athletic teams, musical groups, and tropical storms, names of awards and alcoholic beverages, animal names, code names, and scientific nomenclature. The wealth of topics covered in each chapter may be gleaned from a listing of their subheadings (see table of contents). Included are such fascinating subjects as pseudonyms and personalized license plates, names for

retirement communities and airports, racist and ethnic slurs, eponyms, and names of diseases and syndromes. Every topic comprises a discussion of underlying principles as well as numerous illustrative examples. Infused with linguistic interpretation, the study provides explanations based on phonetics (sounds of speech), morphology (shapes of names), syntax (place in sentence structure) and semantics (meaning). Throughout, special attention is given to classification and methodologies. The introduction clearly articulates theoretical aspects of onomastics, and a glossary of linguistic and onomastic terms appears as an appendix. Additional appendixes provide information on organizations and journals related to the field and a list of onomastic bibliographies. An extensive reference list and index complete the work. Useful as a text or reference book, The Study of Names is explicit enough to inform students of linguistics, yet clear and lively enough to be a good read for anyone interested in names and naming.
