The "unputdownable" (Dave Eggers, National Book award finalist) story of the most infamous American con man you've never heard of: James Strang, self-proclaimed divine king of earth, heaven, and an island in Lake Michigan, "perfect for fans of The Devil in the White City" (Kirkus) A New York Times Book Review Editors' Choice Longlisted for the 2021 Andrew Carnegie Medal for Excellence in Nonfiction Finalist for the Midland Authors Annual Literary Award A Michigan Notable Book A CrimeReads Best True Crime Book of the Year "A masterpiece." —Nathaniel Philbrick In the summer of 1843, James Strang, a charismatic young lawyer and avowed atheist, vanished from a rural town in New York. Months later he reappeared on the Midwestern frontier and converted to a burgeoning religious movement known as Mormonism. In the wake of the murder of the sect's leader, Joseph Smith, Strang unveiled a letter purportedly from the prophet naming him successor, and persuaded hundreds of fellow converts to follow him to an island in Lake Michigan, where he declared himself a divine king. From this stronghold he controlled a fourth of the state of Michigan, establishing a pirate colony where he practiced plural marriage and perpetrated thefts, corruption, and frauds of all kinds. Eventually, having run afoul of powerful enemies, including the American president, Strang was assassinated, an event that was frontpage news across the country. The King of Confidence tells this fascinating but largely forgotten story. Centering his narrative on this charlatan's turbulent twelve years in power, Miles Harvey gets to the root of a timeless American original: the Confidence Man. Full of adventure, bad behavior, and insight into a crucial period of antebellum history, The King of Confidence brings us a compulsively readable account of one of the country's boldest con men and the boisterous era that allowed him to thrive.

The Story Behind Every Track Cassell

THE NEW YORK TIMES BESTSELLER Women in Clothes is a book unlike any other. It is essentially a conversation among hundreds of women of all nationalities—famous, anonymous, religious, secular, married, single, young, old—on the subject of clothing, and how the garments we put on every day define and shape our lives. It began with a survey. The editors composed a list of more than fifty questions designed to prompt women to think more deeply about their personal style. Writers, activists, and artists including Cindy Sherman, Kim Gordon, Kalpona Akter, Sarah Nicole Prickett, Tavi Gevinson, Miranda July, Roxane Gay, Lena Dunham, and Molly Ringwald answered these questions with photographs, interviews, personal testimonies, and illustrations. Even our most basic clothing choices can give us confidence, show the connection between our appearance and our habits of mind, express our values and our politics, bond us with our friends, or function as armor or disguise. They are the tools we use to reinvent ourselves and to transform how others see us. Women in Clothes embraces the complexity of women's style decisions, revealing the sometimes funny, sometimes strange, always thoughtful impulses that influence our daily ritual of getting dressed.

An unprecedented visual history of African women told in striking and subversive historical photographs--featuring an Introduction by Edwidge Danticat and a Foreword by Jacqueline Woodson. Most of us grew up with images of African women that were purely anthropological--bright displays of exoticia where the deeper personhood seemed tucked away. Or they were chronicles of war and poverty--"poverty porn." But now, curator Catherine E. McKinley draws on her extensive collection of historical and contemporary photos to present a visual history spanning a hundred-year arc (1870-1970) of what is among the earliest photography on the continent. These images tell a different story of African women: how deeply cosmopolitan and modern they are in their style; how they were able to reclaim the tools of the colonial oppression that threatened their selfhood and livelihoods. Featuring works by celebrated African masters, African studios of local legend, and anonymous artists, The African Lookbook captures the dignity, playfulness, austerity, grandeur, and fantasy-making of African women across centuries. McKinley also features photos by Europeans--most starkly, striking nudes--revealing the relationships between white men and the Black female sitters where, at best, a grave power imbalance lies. It's

a bittersweet truth that when there is exploitation there can also be profound resistance expressed in unexpected ways--even if it's only in gazing back. These photos tell the story of how the sewing machine and the camera became powerful tools for women's self-expression, revealing a truly glorious display of everyday beauty.

Michael Jackson: Before He Was King Random House

Throughout history rulers have used clothes as a form of legitimization and propaganda. While palaces, pictures, and jewels might reflect the choice of a monarch's predecessors or advisers, clothes reflected the preferences of the monarch himself. Being both personal and visible, the right costume at the right time could transform and define a monarch's reputation. Many royal leaders have known this, from Louis XIV to Catherine the Great and from Napoleon I to Princess Diana. This intriguing book explores how rulers have sought to control their image through their appearance. Mansel shows how individual styles of dress throw light on the personalities of particular monarchs, on their court system, and on their ambitions. The book looks also at the economics of the costume industry, at patronage, at the etiquette involved in mourning dress, and at the act of dressing itself. Fascinating glimpses into the lives of European monarchs and contemporary potentates reveal the intimate connection between power and the way it is packaged.

A Financial Times Book of the Year 'The first time I opened What Artists Wear, I gasped with pleasure. Imagine it as a kind of punk cousin to John Berger's Ways of Seeing, liberally illustrated with the most astonishing images of artists, decked out in finery or rags ... It transported me to somewhere glamorous, exciting, even revolutionary' Olivia Laing, Guardian Most of us live our lives in our clothes without realizing their power. But in the hands of artists, garments reveal themselves. They are pure tools of expression, storytelling, resistance and creativity: canvases on which to show

who we really are. In *What Artists Wear*, style luminary Charlie Porter takes us on an invigorating, eye-opening journey through the iconic outfits worn by artists, in the studio, on stage, at work, at home and at play. From Yves Klein's spotless tailoring to the kaleidoscopic costumes of Yayoi Kusama and Cindy Sherman; from Andy Warhol's signature denim to Charlotte Proddger's casualwear, Porter's roving eye picks out the magical, revealing details in the clothes he encounters, weaving together a new way of understanding artists, and of dressing ourselves. Part love letter, part guide to chic, and featuring generous photographic spreads, *What Artists Wear* is both a manual and a manifesto, a radical, gleeful, inspiration to see the world anew-and find greater pleasure and possibility in the clothes we all wear.

The King of Confidence Routledge

Paul Poiret (1879-1944) led the fashion world in the first decades of the 20th century. His autobiography tells the story of the meteoric rise of a draper's son to the "King of Fashion." From his humble Parisian childhood, to his debut as a couturier, to his experiences during World War I, Poiret reveals all in this captivating tale, first published in 1931. His artistic flair, coupled with his remarkable and highly original cutting skills, enabled him to translate the spirit of Art Deco into revolutionary garments, and his memoirs bring this astonishing period to life. An astute businessman, Poiret describes the expansion of his fashion empire to encompass interior decor and the first designer perfume and evocatively recounts his extravagant parties, where guests paraded in his latest creations.

Dressing Global Bodies addresses the complex politics of dress and fashion from a global perspective spanning four centuries, tying the early global to more contemporary times, to reveal clothing practice as a key cultural phenomenon and mechanism of defining one's identity. This collection of essays explores how garments reflect the hierarchies of value, collective and personal inclinations, religious norms and conversions. Apparel is now recognized for its seminal role in global, colonial and post-colonial engagements and for its role in personal and collective expression. Patterns of exchange and commerce are discussed by contributing authors to analyse powerful and diverse colonial and postcolonial practices. This volume rejects assumptions surrounding a purportedly all-powerful Western metropolitan fashion system and instead aims to emphasize how diverse populations seized agency through the fashioning of dress. *Dressing Global Bodies* contributes to a growing scholarship considering gender and race, place and politics through the close critical analysis of dress and fashion; it is an indispensable volume for students of history and especially those interested in fashion, textiles, material culture and the body across a wide time frame.

Protecting Michael Jackson in His Final Days Chronicle Books

The basis of the Lifetime biopic *Searching for Neverland*: a compellingly candid memoir by Michael Jackson's former bodyguards that reveals amazing truths of the late superstar's last years—his life in seclusion with his children, his financial crises, his preparations for the *This Is It* tour, and the weeks leading up to his shocking death. Hounded by the tabloid media, driven from his self-made sanctuary at Neverland, Michael Jackson spent his final years moving from city to city, living with his three children in virtual seclusion—a futile attempt to escape a world that wouldn't leave him alone. During that time, two men served as the singer's personal security team: Bill Whitfield, a former cop and veteran of the security profession, and Javon Beard, a brash, untested rookie, both single fathers themselves. Stationed at his side nearly 24/7, their job was to see and hear everything that transpired, and to keep everyone else out, making them the only two men who know what 60 million fans around the world still want to know: What really happened to the King of Pop? Driven by a desire to show the world who Michael Jackson truly was, Whitfield and Beard have produced the only definitive, first-person account of Michael Jackson's last years: the extreme measures necessary to protect Jackson and his family, the simple moments of happiness they managed to share in a time of great stress, the special relationship Jackson shared with his fans, and the tragic events that culminated in the singer's ill-fated comeback, *This Is It*. The truth is far more compelling than anything you've yet heard. An indispensable piece of pop-culture history, *Remember the Time* is the story of a man struggling to live a normal life under extraordinary circumstances, the story of a father fighting to protect and provide for his children. *Remember the Time* is the book that dismantles the tabloid myths once and for all to give Michael Jackson back his humanity.

The Prince and the Dressmaker Simon and Schuster

NYTBR Paperback Row Selection An investigation into the damage wrought by the colossal clothing industry and the grassroots, high-tech, international movement fighting to reform it What should I wear? It's one of the fundamental questions we ask ourselves every day. More than ever, we are told it should be something new. Today, the clothing industry churns out 80 billion garments a year and employs every sixth person on Earth. Historically, the apparel trade has exploited labor, the environment, and intellectual property—and in the last three decades, with the simultaneous unfurling of fast fashion, globalization, and the tech revolution, those abuses have multiplied exponentially, primarily out of view. We are in dire need of an entirely new human-scale model. Bestselling journalist Dana Thomas has traveled the globe to discover the visionary designers and companies who are propelling the industry toward that more positive future by reclaiming traditional craft and launching cutting-edge sustainable technologies to produce better fashion. In *Fashionopolis*, Thomas sees renewal in a host of developments, including printing 3-D clothes, clean denim processing, smart manufacturing, hyperlocalism, fabric recycling—even lab-grown materials. From small-town makers and Silicon Valley whizzes to such household names as Stella McCartney, Levi's, and Rent the Runway, Thomas highlights the companies big and small that are leading the crusade. We all have been casual about our clothes. It's time to get dressed with intention. *Fashionopolis* is the first comprehensive look at how to start.
