RIVERS SCHWARTZ

Sunset and Moonrise on the Great Chief BMG Books

This text is a tribute to more than two dozen legendary music artists who significantly influenced the landscape of music for generations to come, from Ray Charles and Bob Dylan to Chuck Berry and Johnny Cash. Part memoir, part tribute, and all great storytelling, Music industry veterans Robbie Robertson, Jim Guerinot, Jared Levine, and Sebastian Robertson invite readers to share with them in celebrating twenty-seven musical legends.

God, Life, and Imagination in the Work of C. S. Lewis
Canadian Scholars' Press

The best-selling author of *Heaven* paints a realistic picture of who God is and what God is doing in the world, encouraging believers to share their faith more clearly and genuinely in a world filled with pain and fear.

Shake Your Hips Lion Books

With its prominent profile recognizable for miles around and featuring vistas among the most beloved in the Appalachians, North Carolina's Grandfather Mountain is many things to many people: an easily recognized landmark along the Blue Ridge Parkway, a popular tourist destination, a site of annual Highland Games, and an internationally recognized nature preserve. In this definitive book on Grandfather, Randy Johnson guides readers on a journey through the mountain's history, from its geological beginnings millennia ago and the early days of exploration to its role in regional development and eventual establishment as a North Carolina state park. Along the way, he shows how Grandfather has changed, and has been changed by, the people of western North Carolina and beyond. To tell the full natural and human story, Johnson draws not only on historical sources but on his rich personal experience working closely on the mountain alongside Hugh Morton and others. The result is a unique and personal telling of Grandfather's lasting significance. The book includes more than 200 historical and contemporary photographs, maps, and a practical guide to hiking the extensive trails, appreciating key plant and animal species and photographing the natural wonder that is Grandfather.

Faith in the Midst of Suffering and Evil Crossway

In "Actively Adirondack: Reflections on Mountain Life in the 21st Century," Randy Lewis celebrates life as a mother, daughter and wife and her connection to the natural wonders of the remote Adirondack Mountains in New York state. These essays and poems describe the social state of life in the 6-million-acre Adirondack Park, from biting insects, walks through the woods and encounters with black bears to family life, community spirit and backwoods archaeology. Her aim: to capture a snapshot of life in the Adirondacks at the turn of the 21st century "for my sons, my unborn grandchildren, my friends, my husband, myself and friends of the spirit, a spirit shared just by living here."

Lord Foulgrin's Letters Crossway

A veteran Forbes journalist brings to life the brilliant and complex Harry Guggenheim in the first-ever biography on this groundbreaking American figure. At the turn of the last century, the Guggenheim family ran the most powerful mining conglomerate on earth. Decades later came the Guggenheim museum, which became the hub of the world's most powerful art brand. In between, the Guggenheim name was uttered in every field from aviation to politics, from journalism to rocketry. But who was behind this epic sphere of influence? It took three generations of Guggenheims to build the wealth in its first era. Yet it was the singular force of Harry Guggenheim who would guide the family's next generation of businesses into modernity. Part angel investor, part entrepreneur, part technologist, Harry launched businesses whose impact on 20th century America went far beyond the Guggenheims' mines or museum. His visionary investments continue to profoundly influence our world and hold valuable business lessons for billionaire dynasty builders like Jeff Bezos and Elon Musk. A flawed but brilliant man, Harry Guggenheim was the confidante to five American presidents and a key financial force behind commercial aviation and space exploration, two innovations that catapulted the nation into the future. With unprecedented archival access, Dirk Smillie astutely examines Harry's business acumen, intellectual curiosities, and the world he lived in. Whether it was his paradoxical friendship

with Charles Lindbergh or his dynamic and ambitious family members, Smillie puts Harry's life and work in rich context. Epic and intimate, *The Business of Tomorrow* reveals the fascinating life of an American icon.

Rock Island of the Columbia River St. Martin's Press

Acclaimed music writer Robert Hilburn's "epic" and "definitive" (Rolling Stone) biography of music icon Paul Simon, written with Simon's full participation—but without his editorial control—that "reminds us how titanic this musician is" (The Washington Post). For more than fifty years, Paul Simon has spoken to us in songs about alienation, doubt, resilience, and empathy in ways that have established him as one of the most beloved artists in American pop music history. Songs like "The Sound of Silence," "Bridge Over Troubled Water," "Still Crazy After All These Years," and "Graceland" have moved beyond the sales charts and into our cultural consciousness. But Simon is a deeply private person who has said he will not write an autobiography or talk to biographers. Finally, however, he has opened up for Robert Hilburn—for more than one hundred hours of interviews—in this "brilliant and entertaining portrait of Simon that will likely be the definitive biography" (Publishers Weekly, starred review). Over the course of three years, Hilburn conducted in-depth interviews with scores of Paul Simon's friends, family, colleagues, and others—including ex-wives Carrie Fisher and Peggy Harper, who spoke for the first time—and even penetrated the inner circle of Simon's long-reclusive muse, Kathy Chitty. The result is a deeply human account of the challenges and sacrifices of a life in music at the highest level. In the process, Hilburn documents Simon's search for artistry and his constant struggle to protect that artistry against distractions—fame, marriage, divorce, drugs, record company interference, rejection, and insecurity—that have derailed so many great pop figures. "As engaging as a lively American tune" (People), Paul Simon is a "straight-shooting tour de force...that does thorough justice to this American prophet and pop star" (USA TODAY, four out of four stars). "Read it if you like Simon; read it if you want to discover how talent unfolds itself" (Stephen King).

The Visionary Life of Harry Guggenheim: From Aviation and Rocketry to the Creation of an Art Dynasty Tundra Books

New York Times Bestseller The greatest Southern storyteller of our time, New York Times bestselling author Rick Bragg, tracks down the greatest rock and roller of all time, Jerry Lee Lewis—and gets his own story, from the source, for the very first time. A monumental figure on the American landscape, Jerry Lee Lewis spent his childhood raising hell in Ferriday, Louisiana, and Natchez, Mississippi; galvanized the world with hit records like "Whole Lotta Shakin' Goin' On" and "Great Balls of Fire," that gave rock and roll its devil's edge; caused riots and boycotts with his incendiary performances; nearly scuttled his career by marrying his thirteen-year-old second cousin—his third wife of seven; ran a decades-long marathon of drugs, drinking, and women; nearly met his maker, twice; suffered the deaths of two sons and two wives, and the indignity of an IRS raid that left him with nothing but the broken-down piano he started with; performed with everyone from Elvis Presley to Keith Richards to Bruce Springsteen to Kid Rock—and survived it all to be hailed as "one of the most creative and important figures in American popular culture and a paradigm of the Southern experience." Jerry Lee Lewis: His Own Story is the Killer's life as he lived it, and as he shared it over two years with our greatest bard of Southern life: Rick Bragg. Rich with Lewis's own words, framed by Bragg's richly atmospheric narrative, this is the last great untold rock-and-roll story, come to life on the page.

California. Court of Appeal (2nd Appellate District). Records and Briefs Candlewick Press

Sweet Revenge? When two senseless killings hit close to home, columnist Clarence Abernathy seeks revenge for the murders—and, ultimately, answers to his own struggles regarding race and faith. After being dragged into the world of inner-city gangs and racial conflict, Clarence is encouraged by fellow columnist Jake Woods to forge an unlikely partnership with a redneck homicide detective. Soon the two find themselves facing dark forces, while unseen eyes watch from above. This re-release of Randy Alcorn's powerful bestseller spins off from *Deadline* and offers a fascinating glimpse inside heaven. Can One Man's Search for Justice Stand Up to the Forces of Evil Threatening to Destroy Him? A shocking murder drags black newspaper columnist Clarence Abernathy into the disorienting world of inner-city gangs

and racial conflict. In a desperate hunt for answers to the violence (and to his own struggles with race and faith), Clarence forges an unlikely partnership with redneck detective Ollie Chandler.

Despite their differences, Clarence and Ollie soon find themselves sharing the same mission: victory over the forces of darkness vying for dominion. Filled with insight—and with characters so real you'll never forget them—*Dominion* is a dramatic story of spiritual searching, racial reconciliation, and hope. I don't know when I have read a novel that affected me so profoundly. Randy Alcorn has combined a superb mystery/detective story with a lesson in racial relations in America, gang dynamics and symbols, Christian values, and spiritual warfare. —Dave Kirby, Troy (Alabama) Broadcasting Corporation Even better than its predecessor...Alcorn's writing remains top-notch. —Sean Taylor, CBA Marketplace READER'S GUIDE INCLUDED Story Behind the Book Randy Alcorn thoroughly researched his characters, spending time in the inner city with homicide and gang detectives to better create the scenes for this bestselling novel. He set the story in his hometown of Portland, Oregon, and the main character, Clarence Abernathy, is a black journalist whose unforgettable father played baseball in the old Negro Leagues. Randy has received many letters from readers who assume he is African American due to his accurate portrayals of racial issues. **Broadcast Talks** Tyndale House Publishers, Inc.

Sharing the gospel with a family member can be an exciting experience—and often a long, painful, and confrontational one. Randy Newman recognizes it can be more difficult and frustrating to witness to a family member than to nearly anyone else. In *Bringing the Gospel Home*, he delivers practical, holistic strategies to help average Christians engage family members and others on topics of faith. A messianic Jew who has led several family members to Christ, Newman urges Christians to look to the Bible before they evangelize. He writes, "a richer understanding of biblical truth, I have found, can provide a firmer foundation for bold witness and clear communication." After a brief introduction on the nature of family, he delves into discussions of grace, truth, love, humility, and time. He also addresses issues related to eternity and end-of-life conversations. *Bringing the Gospel Home* will help any Christian as he seeks to guide loved ones into God's family.

A Black Monk Tyndale House Publishers, Inc.

An introduction to the field of genetics is told through the story of Randy Lewis and his work with golden orb weaver spiders as well as his subsequent creation of artificial spider silk that can be used to save and improve lives. 20,000 first printing.

Gus & Me Biblioasis

From New York Times bestselling celebrity biographer J. Randy Taraborrelli comes *Grace & Steel*, the epic, hidden history of the exceptional women behind the greatest political dynasty of all time—the Bush family. Bestselling author J. Randy Taraborrelli reveals the unsung heroines of the inimitable Bush family dynasty: not only First Ladies Barbara and Laura, but other colorful women whose stories have been left out of history for far too long, including Barbara's mother-in-law, the formidable Dorothy Bush; the enigmatic Columba and the controversial Sharon; and Laura's twins, Jenna and Barbara. No matter the challenges related to power and politics, the women of the Bush dynasty always fought for equality in their marriages as they raised their children to be true to American values. In doing so, they inspired everyday Americans to do the same. Or, as Barbara Bush put it, "The future of this nation does not depend on what happens in the White House, but what happens in your house." Details from the book include: —The tragedy Barbara faced in burying her three-year-old daughter, Robin, and her struggle with depression over the decades that followed. —The tragic night a teenage Laura Bush accidentally killed a good friend—a story she did not discuss publicly for decades. —The revelation of the affair that almost doomed George HW's hopes for the presidency. —The truth behind the fraught relationship between Nancy Reagan and Barbara Bush that culminated in an angry phone call during which Barbara told her she would never speak to her again—and she didn't.

Red Star and Blue Star Defeat Spexman Good Press

Over 1 Million Copies Sold! Have you ever wondered . . . ? What is Heaven really going to be like? What will we look like? What will we do every day? Won't Heaven get boring after a while? We all have questions about what Heaven will be like, and after twenty-five years of extensive research, Dr. Randy Alcorn has the

answers. In the most comprehensive and definitive book on Heaven to date, Randy invites you to picture Heaven the way Scripture describes it—a bright, vibrant, and physical New Earth, free from sin, suffering, and death, and brimming with Christ's presence, wondrous natural beauty, and the richness of human culture as God intended it. This is a book about real people with real bodies enjoying close relationships with God and each other, eating, drinking, working, playing, traveling, worshiping, and discovering on a New Earth. Earth as God created it. Earth as he intended it to be. The next time you hear someone say, "We can't begin to image what Heaven will be like," you'll be able to tell them, "I can." "Other than the Bible itself, this may well be the single most life-changing book you'll ever read." —Stu Weber "This is the best book on Heaven I've ever read." —Rick Warren "Randy Alcorn's thorough mind and careful pen have produced a treasury about Heaven that will inform my own writing for years to come." —Jerry B. Jenkins "Randy does an awesome job of answering people's toughest questions about what lies on the other side of death." —Joni Eareckson Tada About the Author Randy Alcorn is an author and the founder and director of Eternal Perspective Ministries, a nonprofit ministry dedicated to teaching principles of God's Word and assisting the church in ministering to unreached, unfed, unborn, uneducated, unreconciled, and unsupported people around the world. A New York Times bestselling author of over 50 books, including *Heaven*, *The Treasure Principle*, *If God Is Good, Happiness*, and the award-winning novel *Safely Home*, his books sold exceed eleven million copies and have been translated into over seventy languages. Randy resides in Oregon with his wife, Nanci.

The Colorful Life of Randy Ray Springer Science & Business Media "We are far too easily pleased." C. S. Lewis stands as one of the most influential Christians of the twentieth century. His commitment to the life of the mind and the life of the heart is evident in classics like the *Chronicles of Narnia* and *Mere Christianity*—books that illustrate the unbreakable connection between rigorous thought and deep affection. With contributions from Randy Alcorn, John Piper, Philip Ryken, Kevin Vanhoozer, David Mathis, and Douglas Wilson, this volume explores the man, his work, and his legacy—reveling in the truth at the heart of Lewis's spiritual genius: God alone is the answer to our deepest longings and the source of our unending joy. [Paul Simon](#) Multnomah

An inspiring, acclaimed picture book about family and music that details the electric moment with Keith Richards of the Rolling Stones first picked up a guitar, illustrated by his daughter, Theodora Richards. Long before there was a band, there was a boy: a young Keith Richards, who was introduced to the joy of music through his beloved granddad, Theodore Augustus Dupree, affectionately known as "Gus," who was in a jazz big band and is the namesake of Keith's daughter, Theodora Dupree Richards. *Gus & Me* offers a rare and intimate look into the childhood of the legendary Keith Richards through this poignant and inspiring story that is lovingly illustrated with Theodora Richards's exquisite pen-and-ink collages. This unique autobiographical picture book

honors the special bond between a grandfather and grandson and celebrates the artistic talents of the Richards family through the generations. It also includes selected photographs from the Richards family collection.

[Legends, Icons and Rebels](#) Houghton Mifflin Harcourt Mother Nature is lonely. She yearns for a daughter but, with her heavy workload, her dream has been pushed aside. However, one smoggy day while picking up trash she came across a pile of plastic bottles and had an idea. Magically with a sweep of her hands, turns the plastic bottles into a soft, cuddly rag doll and names her Popsi. Mother Nature wishes with all her might that Popsi would become a real girl. With a little help from a wise wizard name Woolley, Popsi the rag doll comes to life and gives Mother Nature a helping hand cleaning up the Earth. Popsi's story empowers children to take her lessons of recycling and conservation into their schools, home and communities. Little, Brown Books for Young Readers

Randy Lewis was living a normal life—just out of the Air Force, about to become a police officer and get married—when he made one fatal decision that changed his life forever. Unaware of the true nature of the choice before him, he decided to try smoking crack cocaine. Instantly addicted, Randy's life rapidly fell apart as he spiraled out of control. He lost everything to addiction and spent years as its slave. Over and over, he went from the streets to prison and back again, suffering in ways most people never imagine. Then, in the midst of his darkness, Randy says, "A Living and Loving Lord reached His graceful hand into the sewers to rescue me." Through the agonizing ups and downs of recovery, God continued to show Randy his great grace and love, taking a hustler and making him a minister of His mercy to "the least of these."

The Story of My Granddad and My First Guitar BenBella Books

I have these three friends. They came on over here. Bearing gifts of good will. (I just offer them beer). They play them guitars. We rock it all hard. Climbing up those mountains. Spilling out our hearts. Building a foundation. Skyscrapers appear. Is love misfortune? Would you rather die near...me. Stars are ascending. Sun sets in the sea. Will you come a bit closer...and find the morning with me? We travel together. Life's journey unfolds. Living at the summits. Breaking from the molds. Fortune loves the passion. God don't be surprised. I believe in magic. The truth...it gratifies.

[Stronger Than Steel](#) Omnibus Press

'Liner Notes is, unsurprisingly, as good as its author's songs, with moments of sharp humor alternating with real-life pain, and vivid reflections on love, death, and the whole damn thing. Loudon Wainwright is a true original: not like anyone else, just as he set out to be.' Salman Rushdie In the late 1960s, Loudon Wainwright III established himself as a loner, deliberately standing outside the conventional. He recorded his first album in 1969, full of raw, angry poetry, but it was the 1972 novelty song 'Dead Skunk' that brought him popular recognition. Wainwright's songs are as hilarious as they can be painful. In *Liner Notes*, he details the

family history and fractured relationships that have informed him: the alcoholism, infidelities and competitiveness; the successes, joys and love. Wainwright writes poignantly about being a son, a parent, a brother and a grandfather while re-printing selections from his father's columns and meditating upon family, inspiration and art. As plain-speaking on the page as in his songs, Wainwright lays everything bare in this heartfelt memoir of music and family. His lyrics adorn and inform the text, amplifying his prose and connecting his songs to the life he led. 'He is unafraid and clear-eyed about the events of his life – and utterly engaging.' Rosanne Cash 'Fans of the self-lacerating, painfully funny Wainwright III will find the memoir they want here' Kirkus Reviews [Able!](#) University of Texas Press

The electrifying sounds of groovin' jump blues, Southern-fried rock 'n' roll, fervent black gospel, and the simmering sounds of the Louisiana swamp came bursting out of Nashville, Tennessee in the early 1950s courtesy of Excello Records and its sister Nashboro label. Operating out of Ernie's Record Mart ("the Record Center of the South!"), Excello forged a partnership with 50,000-watt clear-channel radio station WLAC. The influential station's dusk-to-dawn broadcasts of rhythm & blues boomed through the stratosphere, captivating millions of teenagers and crossing racial boundary lines. The unusual partnership paid huge dividends as Ernie Young transformed his shop into one of the largest mail-order record retailers in the world. With his built-in distribution network, Ernie's own label releases by Slim Harpo, Arthur Gunter, Lightnin' Slim, Lazy Lester, and more landed in record collections across the US. By the early 1960s, Excello releases were reaching the shores of the UK, where they inspired young Brits such as Mick Jagger, Keith Richards, and Eric Clapton to launch their own R&B combos. Through extensive research and interviews, *Shake Your Hips: The Excello Records Story* chronicles the tale of one of the most unusual labels to emerge from the 1950s. Shedding new light on Nashville's rich history as much more than a country music town, author Randy Fox takes readers deep behind the scenes of the rise and fall of an inimitable label whose contributions to blues and R&B continue to reverberate today. Bionanotechnology is the key integrative technology of the 21st century and aims to use the knowledge, gathered from the natural construction of cellular systems, for the advancement of science and engineering. Investigating the topology and communication processes of cell parts can lead to invention of novel biological devices with exciting applications. Though microscale to nanoscale research offers an excellent space for the development of futuristic technologies, a number of challenges must be overcome. Due to paucity of a dedicated literature on the protein based nanodevices we bring you this monograph that combines collective research works of scientists probing into this fascinating universe of bionanotechnology. The monograph has been written with an aim of surveying engineering design principles of biomolecular nanodevices, prototype nanodevices based on redox proteins, bacteriorhodopsins and natural fibers, and touching upon the future developments in the field.
