Snap Decision is a crime/suspense novel based on the premise that Americans are adapting to escalating juvenile crime rather than fighting it. They tend to fret over the symptoms while ingoring the causes. Some humor and romance are worked into the story line which is aimed at a broad audience. Scenes, some tender, some traumatic, include a violent knife attack, a small-boat gun fight on the open ocean, attempted murder, and abduction of a six-year-old child by a psychotic pedophile. The crisis and resolution take place amid a chotic car chase on the interstate highway.
