Streams Publishers

When a string of poison-pen emails causes havoc in Adams County, criminal investigator Larry Macklin is just glad it's not his case-he's more worried about whether he's making a mistake applying for an open sergeant's position. But

the emails quickly become his problem when one of them leads to murder? and points to another investigator as the suspect! Larry is soon caught in a web of suspicion, innuendo and unconnected threats that could destroy relationships? and lives.

Cast a Long Shadow

Sourcebooks, Inc.

A rollercoaster psychological thriller that will leave you questioning everybody's motives.

Based in the sun-drenched Dordogne area of south west France, A

Guest to Die For is the perfect holiday read all year round.

A Novel W. W. Norton & Company

Thirty years ago, Harry Winslow's wife and children died in a tragic house fire while he was out of the country on a mission for Uncle Sam - or did they? Someone has left Harry an envelope containing photos of his wife and children some years after they were supposed to have died. Freshly retired from his years as a Government Agent, Harry

turns to Sam Prichard. Sam and Indie managed to track down his family, but the incredible story only gets wilder from there. An old friend of Harry's had staged the deaths of his family, while leading his wife to believe that Harry was the one who had died, and that the KGB was coming for her family. In desperation, she allowed him to take her out of the country and create new identities for herself and her children. Now the truth is out, and Harry and his wife are reunited, but

then his old friend is murdered and Harry is the only viable suspect. Will Sam be able to prove his innocence? It's a game of poker - and the chips are human lives.

Bizarre Books A&C Black Sixteen-year-olds Leo and the twins Orion and Libra were born and raised on Moon 2 by teams of astronauts and must now endure the dangerous trip to--and life on--Earth.

How can we rebuild

America so that it is a land with opportunity for all, wherever we live, whatever our complexion? Tightrope outlines a better path for our nation, but first it takes us through an "other America" where wages are low and stagnant, decent jobs are scarce, racial inequity is stark, and Americans die of drug overdoses every seven minutes. Kristof and WuDunn tell the story of America's crisis partly through the lives of friends Kristof grew up with in rural Yamhill,

Oregon, a working-class area that was hit badly by the disappearance of blue-collar jobs. Their powerful personal stories and those of others bring to life how we got into this mess and also show a path by which we can right ourselves as a country, redress racial inequity, reduce inequality, and build economic opportunity. *Tightrope* is a story of hope that is riveting, deeply personal, and impossible to ignore. Book jacket.

Stay Sexy & Don't Get

Murdered Penguin UK
The instant #1 New York Times and USA Today best seller by Karen Kilgariff and Georgia Hardstark, the voices behind the hit podcast *My Favorite Murder!* Sharing never-before-heard stories ranging from their struggles with depression, eating disorders, and addiction, Karen and Georgia irreverently recount their biggest mistakes and deepest fears, reflecting on the formative life events that shaped them into two of the most followed voices

in the nation. In *Stay Sexy & Don't Get Murdered*, Karen and Georgia focus on the importance of self-advocating and valuing personal safety over being 'nice' or 'helpful.' They delve into their own pasts, true crime stories, and beyond to discuss meaningful cultural and societal issues with fierce empathy and unapologetic frankness. "In many respects, *Stay Sexy & Don't Get Murdered* distills the *My Favorite Murder* podcast into its most essential elements: Georgia and

Karen. They lay themselves bare on the page, in all of their neuroses, triumphs, failures, and struggles. From eating disorders to substance abuse and kleptomania to the wonders of therapy, Kilgariff and Hardstark recount their lives with honesty, humor, and compassion, offering their best unqualified life-advice along the way.” —Entertainment Weekly “Like the podcast, the book offers funny, feminist advice for survival—both in the

sense of not getting killed and just, like, getting a job and working through your personal shit so you can pay your bills and have friends.” —Rolling Stone At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. Createspace Independent Publishing Platform Posadas County, New Mexico, has very few mean streets and no city-slick cop shop. But it has an earnest, elected Sheriff and his aging Undersheriff - William C. Gastner.

Pushing sixty, widower Bill has no other life than in law enforcement - and doesn't want one, even if he's being nudged gently toward retirement. Then big time trouble strikes. A car full of teens, running from a stop by Deputy Torrez, goes air-borne into a rocky outcrop, killing all five kids and revealing a package of cocaine under the seat. Has someone brought big-time crime to the county? Bill is now dealing with grieving parents - one of whom starts packing a gun. Then a second explosion

of violence fells an undercover cop. Under pressure, the sheriff's department pulls together to make a formidable team. Its weak spot may be Bill whose mind is too tough to crumble but whose body, long mistreated, gradually succumbs to stress. Ignoring all advice - and sense - he pilots the case to a final dramatic, midair confrontation where the fate of the killer - and the cop - will be decided....

Jonathan Livingston Seagull World Bank Publications

A Kirkus Reviews Best Nonfiction Book of 2021 Family secrets emerge as a best-selling author dives into the history of the mob in small-town America. Best-selling author Russell Shorto, praised for his incisive works of narrative history, never thought to write about his own past. He grew up knowing his grandfather and namesake was a small-town mob boss but maintained an unspoken family vow of silence. Then an elderly relative prodded: You're a

writer—what are you gonna do about the story? Smalltime is a mob story straight out of central casting—but with a difference, for the small-town mob, which stretched from Schenectady to Fresno, is a mostly unknown world. The location is the brawny postwar factory town of Johnstown, Pennsylvania. The setting is City Cigar, a storefront next to City Hall, behind which Russ and his brother-in-law, “Little Joe,” operate a gambling empire and effectively run the town.

Smalltime is a riveting American immigrant story that travels back to Risorgimento Sicily, to the ancient, dusty, hill-town home of Antonino Sciotto, the author's great-grandfather, who leaves his wife and children in grinding poverty for a new life—and wife—in a Pennsylvania mining town. It's a tale of Italian Americans living in squalor and prejudice, and of the rise of Russ, who, like thousands of other young men, created a copy of the American establishment that

excluded him. Smalltime draws an intimate portrait of a mobster and his wife, sudden riches, and the toll a lawless life takes on one family. But Smalltime is something more. The author enlists his ailing father—Tony, the mobster's son—as his partner in the search for their troubled patriarch. As secrets are revealed and Tony's health deteriorates, the book become an urgent and intimate exploration of three generations of the American immigrant experience. Moving, wryly

funny, and richly detailed, Smalltime is an irresistible memoir by a masterful writer of historical narrative.

When the richest man in Big Lake is murdered on the night he announced his bid for State Senator the list of suspects stretches all the way from the small mountain town

to the Governor's office. Sheriff Jim Weber's investigation reveals a web of secrets, illicit sex, and shattered lives that teaches him that nothing is what it appears to be and that sometimes the people we think we know are not at all what we believe them to be. Meanwhile, love has come to town and wedding bells must compete with the echo of gunshots. Many of the characters that made the first four Big Lake books so popular are back, along with some new ones readers will

remember for a long time. One reviewer has referred to the Big Lake mystery series as "Mayberry Meets Twin Peaks." It's a combination of humor and intrigue that launched author Nick Russell's first Big Lake book into Amazon's Top 100 Paid Kindle books for over 78 days, and Big Lake Scandal the fifth book in this popular series, is sure to be a hit too! [The Pastoral Observations of One Ignorant American Who Loves to Walk Outside](#) CreateSpace
A humorous and rousing

set of literal and figurative sojourns as well as a mission statement about comprehending, protecting, and truly experiencing the outdoors, fueled by three journeys undertaken by actor, humorist, and New York Times bestselling author Nick Offerman Nick Offerman has always felt a particular affection for the Land of the Free—not just for the people and their purported ideals but to the actual land itself: the bedrock, the topsoil, and everything in between that generates

the health of your local watershed. In his new book, Nick takes a humorous, inspiring, and elucidating trip to America's trails, farms, and frontier to examine the people who inhabit the land, what that has meant to them and us, and to the land itself, both historically and currently. In 2018, Wendell Berry posed a question to Nick, a query that planted the seed of this book, sending Nick on two memorable journeys with pals—a hiking trip to Glacier National Park with his

friends Jeff Tweedy and George Saunders, as well as an extended visit to his friend James Rebanks, the author of *The Shepherd's Life and English Pastoral*. He followed that up with an excursion that could only have come about in 2020—Nick and his wife, Megan Mullally, bought an Airstream trailer to drive across (several of) the United States. These three quests inspired some “deep-ish” thinking from Nick, about the history and philosophy of our relationship with nature in our national

parks, in our farming, and in our backyards; what we mean when we talk about conservation; and the importance of outdoor recreation, all subjects very close to Nick's heart. With witty, heartwarming stories and a keen insight into the human problems we all confront, this is both a ramble through and celebration of the land we all love.

Under Enemy Colors

DIANE Publishing

Fifty Classic Ski Descents of North America is a large-format compilation of iconic and aesthetic ski

descents from Alaska to Mount Washington. Created by ski mountaineers Chris Davenport, Art Burrows and Penn Newhard, *Fifty Classic Ski Descents* taps into the local knowledge of contributors such as Andrew McLean, Glen Plake, Lowell Skoog, Chic Scott and Ptor Spricenieks with first person descriptions of their favorite ski descents and insightful perspectives on ski mountaineering past, present and future. The book features 208 pages of gorgeous action and

INSPIRATION FOR THE

NETFLIX LIMITED SERIES,

HAILED BY ROLLING STONE AS "A GREAT ONE." "A single mother's personal, unflinching look at America's class divide, a description of the tightrope many families walk just to get by, and a reminder of the dignity of all work." -PRESIDENT BARACK OBAMA, Obama's Summer Reading List At 28, Stephanie Land's dreams of attending a university and becoming a writer quickly dissolved when a summer fling turned into an unplanned pregnancy. Before long, she found herself a single

mother, scraping by as a housekeeper to make ends meet. Maid is an emotionally raw, masterful account of Stephanie's years spent in service to upper middle class America as a "nameless ghost" who quietly shared in her clients' triumphs, tragedies, and deepest secrets. Driven to carve out a better life for her family, she cleaned by day and took online classes by night, writing relentlessly as she worked toward earning a college degree. She wrote of the

true stories that weren't being told: of living on food stamps and WIC coupons, of government programs that barely provided housing, of aloof government employees who shamed her for receiving what little assistance she did. Above all else, she wrote about pursuing the myth of the American Dream from the poverty line, all the while slashing through deep-rooted stigmas of the working poor. Maid is Stephanie's story, but it's not hers alone. It is an inspiring testament to the

courage, determination, and ultimate strength of the human spirit.

More children born today will survive to adulthood than at any time in history. It is now time to emphasize health and development in middle childhood and adolescence--developmental phases that are critical to health in adulthood and the next generation. *Child and Adolescent Health and*

Development explores the benefits that accrue from sustained and targeted interventions across the first two decades of life. The volume outlines the investment case for effective, costed, and scalable interventions for low-resource settings, emphasizing the cross-sectoral role of education. This evidence base can guide policy makers in prioritizing actions to promote survival, health, cognition, and physical growth throughout childhood and adolescence.

Come explore with this handy guidebook!

Articles of War Harper Collins

Life is already complicated enough for John Lee Quarrels, what with his estranged wife dropping in for unannounced sleepovers, her oversexed sister tempting him, his pot smoking ponytailed grandfather growing his own stash, his Elvis obsessed grandmother, and being caught smack dab in the middle of a power struggle between the Sheriff and Chief Deputy. But when a road construction crew unearths the skeletons of three murder victims,

John Lee suddenly finds himself on the trail of a killer who may well have died long before the deputy was even born. And then a mysterious sniper begins shooting at deputies... As sultry as a Florida back road in August, as mysterious as the South's live oak trees dripping with Spanish moss, and as deadly as a copperhead strike, New York Times bestselling author Nick Russell's new John Lee Quarrels series is sure to hook you from the first page and keep you reading late into the

night.
The Fifth Floor Simon and Schuster
When Michael Kelly agrees to track the movements of an abusive husband, little does he know he is about to become embroiled in a murder investigation and a plot to re-write history. What Kelly thinks is a routine domestic case soon turns sour when he finds a body in an old house. As links with the City Hall's notorious fifth floor and Chicago's longest standing mystery start to emerge, it turns

out the history books may not be quite what they seem. Plunged into a world of corruption and startling intrigue Kelly struggles to unearth the truth before an unknown enemy can frame him for the murder. Michael

Harvey's tough-talking ex-cop turned PI returns in this urgent, stylish, ferociously absorbing follow up to his masterful debut, *The Chicago Way*.
