Accounting, Chapters 1-13 Thomson South-Western

In the second Canadian edition of Accounting, we have continued with the tradition of focusing on the changing needs of accounting students and their instructors by utilizing feedback from student reviews, an Editorial Advisory Board, and external reviewers. Accounting faculty from all over the country contributed to our book development process in a direct and creative way. Accounting 2nd Canadian Edition takes a learn-by-doing approach to Accounting supported by Example Exercises, Mid-Chapter Illustrative Problems, and plentiful and comprehensive end-of-chapter exercises and problems. The unique Guided Principles System lays out what is to be covered in the Chapter and is an important visual that helps students see the big picture. This integrated learning system helps guide

students through the chapter content, leading to better homework outcomes, and accounting mastery. Students love the Real-World Chapter Openers and the Morning Java Financial Statements which provide a consistent reference point for users who want to see a full set of financial statements. An added critical thinking component and one-third more exercises and problems are key elements of this revision.
